

Konknni Wikipedia Workshop

On 16th & 17th November 2013, Saturday and Sunday

Time: 10am to 1pm

Venue: Goa Central State Library

An initiative by

Dalgado Konknni Akademi

&

*Centre for Internet & Society's Access to
Knowledge*

Dalgado Konknni Akademi in collaboration with Centre for Internet & Society's Access to Knowledge Programme is organising a 2 day Wikipedia editing workshop.

This workshop is free and open for anyone to attend. Please feel free to join hands in the campaign to promote free access to knowledge in one's mother tongue – Konknni in Romi!

This is a brilliant opportunity to showcase Konkani language in Roman script on a global platform such as Konknni Wikipedia!
