4. Medical Dept's Operational program.

A) Medical Relief Hqs. Set-up:

A Medical Relief Hqs. will be set up in the Prefecture's Medical Dept. for administrating and controling over emergemcy medical relief works.

B) Set-up:

a) The Medical Relief Hqs. will have Medical Relief, Disease Prevention, Medical Supply, Public Health Guidance, Sanitary Installations Squads.

b) The Medical Relief Hqs. will be manned with the following personnel:

Hqs. Directorship will be filled with the prefecture's Medical Dept. Director and will supervise all the medical relief works. The Squad Leaders will be staffed with section chiefs of the Medical Dept. and will direct and supervise the subordinates' activities under command of the Director.

c) The organization of staff squads will be as follows on the attached chart.

C) Operational Program:

a) Medical Relief Squard:

Three squads in the Medical Relief Hqs. and one squad at each Health Center, respectively, will be set up. They will, in case of emergency, promptly start to the disaster areas for medical relief works and will take close contact with and coordinate their efforts with the Nippon Red Cross Local Disaster Relief Hqs. and other medical relief squads.

b) Disease Prevention Squad: Will work out the disease prevention programs and enforce them in case of emergency.

(1) Guidance for disease spread prevention.

(2) Detection of disease in earlier stages: With close contact with physicians, the practice of diagnosing and reporting epidemic diseases in their earlier stages will be encourged.

(3) Hospitalization and disinfection: Epidemic cases will be confined in the isolation hospitals or segregation wards and the stricter disinfection will be administered to the patients' excreta.

(4) Health check-ups: If a fear for spread of epidemic exists, the squads will carry out the door-to-door health check-ups.

DECLASSIFIED E. O. 12065 SECTION 3-402 / NNDG NO. 775013

(5) Detection of germ-carriers: All-out excreta inspection will be enforced for the purpose.

(6) Protective inoculation: A plan will be drawn up for administering protective inoculation to each and every resident in the disaster area.

c) Medical Supply Squad:

Four units for preparing, adjusting, distributing and transporing medicines and medical supplies will be set up. They will try to secure, keep and distribute medicines and medical supplies necessary for the activities of both the Hqs's different squad and the Nippon Red Cross Local Disaster Relief Hqs's Medical Relief Squad, keeping themselves in effective readiness all the times.

(1) Preparation Unit;

(2) Adjustment Unit;

(3) Distribution Unit;

(4) Transportation Unit;

d) Public Health Guidance Squad.

The Public Health Guidance Squad will plan and enforce the food sanitation, maternity and infant sanitation measures, give guidances for nutritions, have the Public Health Nurses visit suffering families and offer all other health consultation services to the public.

DECLASSIFIED E. O. 12065 SECTION 3-402 / NNDG NO. 775013

a) Sanitary Installation Squad.

(1) Disposal of excreta, garbages and trashes:

i) Use of toilets and latrines in the affected areas will be suspended and disinfection will be enforced for rapid restoration thereof;

ii) Construction of emergency toilets and latrines;

iii) Trashes, garbages, filthy water and things will be properly disposed of.;

(2) Rodent and insect control:

i) Prevention of insect plagues;

ii) Extermination of insects;

iii) Rodent control.

(3) Guidance for us of disinfectants and sterilization stuffs.

(4) Water supply program:

i) Protection, security and control of water sources, reservoirs and distribution plants;

ii) Preventive of protective measures for water works and well-water;

iii) Measures for supply water other than drawn from wells.

DECLASSIFIED E. O. 12065 SECTION 3-402 / NNDG NO. 775013

SUBSTANTIALS OF EMERGENCY DISASTER FIRST
RELIEF FOOD DISTRIBUTION PROGRAM

1. Distribution and Communication Organizations.

1) In order to ensure an expeditious and effcient administering of emergency relief goods supply to the sufferers in case of a sudden occurrence of dny disaster, the Economical Agriculture & Forestry Department will be established within the Niigata Prefecture Disaster Relief counter-Measure Council in accordance with the Disaster Relief Law, and will have the Prefecture Government Food Squad take the charge of the rescue operation of imperative staple and auxiary food distribution to the sufferers in general, for which the chief of the Foodstuff Section will assume the responsibility.

The chief of the Foodstuff Section will take charge of liaisons among the above-mentioned council, respective local branch and staple and subsidiary distribution organs, on which he will also serve necessary and appropriate instructions pertaining thereto.

2) The subordinate local food squad branch will be set up in respective local administration office (or Prefecture Sub-government Office) with its responsible person as the chief of the economic section and will take charge of liaison businesses among the Pref. Govt. Office and Police Stations, City, Town or Village Office and distribution agencies in its area of responsibility.

3) Furthermore, the food squad subordinate to the local administration office will be organized in respective city, town or village office and will take charge of liaison businesses between the local administration office and distribution agencies concerned.

4) Any of instructions or orders from the chairman of the Niigata Disaster Relief Counter-measure Council will expeditiously be served through given channels or firstly transmitted to the Pref. Govt. food squand, then therefrom to the local food squad branches and futhermore to the food squad of city, town or village, distribution agencies concerned and so forth.

DECLASSIFIED E. O. 12065 SECTION 3-402 / NNDG NO. 775013

2. Steps to be taken in disaster-stricken spot areas.

Respective food squad will expeditiously and equitably servs out the set amount of distribution goods for disaster relief purpose upon the instruction from the Pref. Govt. Office and/or the direction of the responsible person of the local food squad branch, respectively, in cases where breaking out of any disaster was presumably conjectured and a fear for this hanged over the people in general prevalently so far to throw them into confusion and disorder and such a disaster actually broke up.

3. Distribution organs and operators in charge of distribution.

1) Distribution organs.

a. Staple food: Will be distributed through Foodstuff Distribution Corporation and its substitute idstiibution agencies.

b. Subsidiary food: Will be distributed through the interested distribution agencies.

2) Operators in charge of distribution.

a. Staple food: Will be distributed through operators organization of Foodstuff Distribution Corporation.

b. Subsidiary food: Will be distributed through operators organization of interested distribution agencies.

4. Classification of distribution.

Distribution in case of an occurrence of disaster, will be devided into two, one for "Special Emergency Distribution" and the other for "Ordinary Emergency Distribution.

1) Special Emergency Distribution.

This means a mass distribution to be served out to the sufferers, rescue workers and workers engaged in imperative reconstruction works, when deemed imperatvely needed to do so. In this case, the responsible person of the local branch will assume the charge of distribution.

DECLASSIFIED E. O. 12065 SECTION 3-402 / NNDG NO. 775013

2. Steps to be taken in disaster-stricken spot areas.

Respective food squad will exreditiously and equitably serve out the set amount of distribution goods for disaster relief purpose upon the instruction from the Pref. Govt. Office and/or the direction of the responsible person of the local food squad branch, respectively, in cases where breaking out of any disaster was presumably conjectured and a fear for this hanged over the people in general prevalently so far to throw them into confusion and disorder and such a disaster actually broke up.

3. Distribution organs and operators in charge of distribution.

1) Distribution organs.

a. Staple food: Will be distributed through Foodstuff Distribution Corporation and its substitute idstiibution agencies.

b. Subsidiary food: Will be distributed through the interested distribution agencies.

2) Operators in charge of distribution.

a. Staple food: Will be distributed through operators organization of Foodstuff Distribution Corporation.

b. Subsidiary food: Will be distributed through operators organization of interested distribution agencies.

4. Classification of distribution.

Distribution in case of an occurrence of disaster, will be devided into two, one for "Special Emergency Distribution" and the other for "Ordinary Emergency Distribution.

1) Special Emergency Distribution.

This means a mass distribution to be served out to the sufferers, rescue workers and workers engaged in imperative reconstruction works, when deemed imperatvely needed to do so. In this case, the responsible person of the local branch will assume the charge of distribution.

DECLASSIFIED E. O. 12065 SECTION 3-402 / NNDG NO. 775013

a. Scope of recipients.

Sufferers who took a refuge in given safty places in mass (including inmates housed in the sheltering houses) and also who were deemed necessary to serve with mass supply of boiled rice or foodstuff.

b. Workers who were mobilized to reconstruct or recondition damaged important installations or equipments -- electricity, water service, gass, communication facilities -- in key industry plants and workshop and also who were deemed necessary to supply with food.

c. All persons mobilized to disaster rescue operations -- public officials, policemen, fire-brigadmen and operators of distribution agencies concerned, and also deemed necessary to supply with food.

d. Others deemed necessary by the responsible person of the local branch.

The distribution certificate to be issued from the responsible person of the local branch are as per separate paper.

2) Ordinary Emergency Distribution.

This means an emergency relief supply to be made to persons other than the above-mentioned sufferers, when deemed necessary to do so. According to circumstances, expedient and flexible steps to distribution may be taken upon the instruction of the responsible person of the local branch, mayor of city or heads of town or village.

a. Quasi-sufferers.

Consumers living in areas to which supply of regular rationing goods was interrupted due to a occurrence of disaster, although they did not directly suffered the disaster, will be regarded as the quasi-sufferers and treated and administered pursuant to the Special Emergency Distribution program. But in this case, upon receiving distribution goods, they must utilize the ration book as in normal times.

DECLASSIFIED E. O. 12065 SECTION 3-402 / NNDG NO. 775013

b. Sufferers sheltered at their relatives or acquaintances.

Sufferers who evacuated for shelter to their relatives or acquaintances, in case of imperative necessity of receiving food distribution, may make an application for granting of the distribution certificate to a mayor of city or headman of town or village in their resident locality whereby staple and subsidiary relief food may be served out to them through the Foodstuff Distribution Corporation agencies and subsidiary food distribution agencies, respectively. However the period effective for distribution will be within 5 days following the evacuation from the disaster-stricken areas.

c. Sufferers longly sojourned at their relatives or acquaintances.

When sufferers who received the emergent relief food in the above (b), want to stay at their relatives or acquaintances for succeading long period, they will have their residental certificate delivered from the mayor of city or headman of town or village in their former resident area.

d. Steps to be taken by organizations concerned.
All matters for the emergency distribution to be excuted by public organs and distribution agencies concerned--the items and amounts of distribution goods, distribution period, distribution method and settlement of substitute payment for distribution -- will be treated in accordance with the Special Emergency Distribution.

5. Items of foodstuff to be distributed.

a. Staple food -- Rice, Wheat, Sweet potato & Irish potato.

b. Subsidiary food -- Seasonings (Miso, Shoyu) & pasted-milk powder.

(1) Foodstuff to be distributed in case of disaster will be appropriated for with food held in storage by distrbt distribution agencies, producers and dailers. In case the distribution could not completely be met with goods in stock, a instruction or order will be asked for appropriate measures to the Pref. Govt. Office.

DECLASSIFIED E. O. 12065 SECTION 3-402 / NNDG NO. 775013

(2) Foodstuff Distribution Corporation will keep the amount of foodstuff in stock clear and accurate in all times.

(3) In order to avoid a cumbrous distribution resulting from variety of subsidiary food, one item most easily otainable among them will be expeditiously distributed at given places and fixed time.

(4) Subsidiary distribution agencies concerned will keep the amount of food in stock clear and accurate in all time.

6. Set amount of commissary & distribution period.

1) Set amount of commissary.

a. Staple food

(a) Mass refugees .... 3 go per day per capita

(b) Person engaged in Disaster Relief Works .... Ditto

(c) Laborers engaged in rehabilitat'n ... 1,390 per day per capita added to regular-rationed food.

b. Subsidiary food

(a) Miso ..... average 5 momme per day per capita

(b) Shoyu ..... " 1 go

(c) Pasted milk powder ... " o.2 lbs. (for infants requiring artificial nourishments and the injured deemed necessary)

The responsible person of the local food squad bramch may select and choose appropriate items from among the above-mentioned subsidiary food, according to circumstances and will supervise over the distribution.

2) Distribution period.

The responsible person of the local food squad branch will decide the distribution period according to circumstances.

DECLASSIFIED E. O. 12065 SECTION 3-402 / NNDG NO. 775013

The distribution period will be 5 days as the maximum as a rule, after which it must be as expeditiously as possible returned to the normal condition.

3) Distribution method.

The distribution for disaster relief purpose will be made in close inter-communication among organs concerned in gist as follows:

a. Steps to be taken by the responsible person of the local food squad branch.

The responsible person of the local food squad branch will, when deemed necessary to serve emergently the sufferers with food in case of disaster, decide the distribution date and deliver the distribution certificates as per patterns attached herewith to representatives of recipients getting in touch with the mayor of city or headman of town or village.

The representative of recipients will reach as soon as possible such certificates to the distribution agencies concerned whereby the sufferers may be receive relief goods therefrom.

In case it was so pressingly imperative that such certificates could not be delivered, however, the responsible person of the local food squad prach will immediately issue an expedient and appropriate instruction communicating by thiephone to various organs concerned

b. Steps to be taken by distribution agencies.

The distribution agencies will distribute or deliver the relief goods without delay in exchange for the certificates and/or upon instructions issued from the responsible person of the local food squad branch, and will report to the Foodstuff Distribution Corporation Niigata Branch and/or the Processed Food Distribution Corporation Niigata Branch.

The distribution agencies will be organized in advance in preparation for occurrence of any emergent disaster.

c. Steps to be taken by the responsible person of the local food squad branch.

The responsible person of the local food squad branch will report without delay to the Pref. Govt. Office all distributive matters in his charge -- the suffering status, objective persons for distribution and distribution goods by items and amounts and distribution period -- when he delivered the distribution certificates.

DECLASSIFIED E. O. 12065 SECTION 3-402 / NNDG NO. 775013

d. Steps to be taken by Prefecture Government & Authorities.

Upon receiving reports and/or requests from responsible persons of local food squad branches, the responsible person of the Pref. Govt. food squad will immediately order the Foodstuff Distribution Corporation Niigata Pref. Branch and Processed Food Distribution Corporation Niigata Branch to release goods held in their storage, and if necessary, request the Niigata Foodstuff Business Office of the Agriculture and Forestry Ministry to release food.

7. Notabilia in prosecution of the program.

a. In order to ensure an efficent and rapid prosecution of the program in close cooperation and correlated communication among various organs concerned in case of emergency, respective local food squad branch will ocassionally hold a conference of persons concerned for discussing about emergency measures in advance.

b. In order to maintain a full-fledged organization able to rise to any emergency, the responsible persons of distribution organs and operators in charge of end distribution services will study and work out plans pertaining to the forwarding method of distribution goods, arrangement of transporting materials, allotment of distribution areas of responsibility, communication method among various organs concerned, etc., while repeadedly practicing drillings thereof on numerous available occasions.

c. A mayor of city or headman of town or village will be held responsible for substitute payment for boiled-rice and orther spot goods given to the sufferers.

d. Respective local food squad branch and distribution organs concerned will provid the distribution book with their offices, in which the following matters will be entered :

(1) Date, time and place of ocurrence of disaster, and status of suffering.

(2) Number of sufferers, disaster relief status.

(3) Distributed goods, by type and quantity, period of distribution.

DECLASSIFIED E. O. 12065 SECTION 3-402 / NNDG NO. 775013

(4) Other matters deemed necessary.

(5) The local food squad may, when deemed hardly feasible to excute on this program according to circumstances, take an appropriate and expedient measure upon conferences of organs concerned, and will report to the Pref. Govt. Office for receiving subsequent steps to be taken.

1. Squad

Each squad will be organized and maintained in respective rice-cleaning mill and distribution agency to keep up a close liasion with the local detachment and city, town or village office.

2. Staple food Preservation Status.

This prefecture being a major rice-producing center--the most aboundant granary of Japan, there used to be a rice-storage houses in every village or few villages, in which a considerable amount of rice was always being held in storage. Furthermore, the rice-polishing mills of the Foodstuff Distribution Corporation branch and distribution agencies hold in stock staple food for 10-day ration for consumers in their respective distribution areas in all time.
