Greetings From the Millers

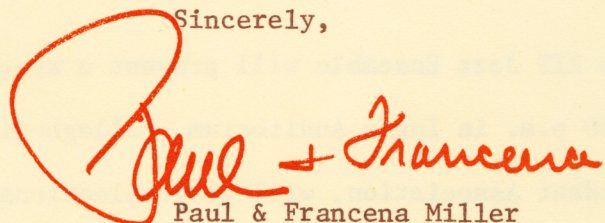

This year, rather than follow the repetitive custom of sending Holiday greetings to all our friends in the RIT community, Francena and I will contribute our traditional greeting card expenses to the Ellingson Scholarship Fund.

We do so in the true spirit of Christmas, with the knowledge that our contribution will help a deserving student in his work here at RIT.

We look forward to our third Christmas in Rochester as members of the RIT community. We want to express heartfelt gratitude for the warm expressions of cooperation and friendship from students, faculty, staff, trustees and townspeople. Christmas provides another special time to openly state the privilege we both feel in having the opportunity to serve RIT.

All the Millers...those in Rochester and the children who will be coming home to our hearthside at 250 Esplanade...join in wishing for the whole, wonderful RIT family a joyous and, indeed, a thoughtful Holiday season.

Sincerely,

Paul & Francena Miller

Mr. & Mrs. Arthur L. Stern and Mr. & Mrs. Paul A. Miller

in cooperation with

The Women's Club and The Faculty Council

Invite Trustees, Faculty, Staff, Spouses and Dates
