STATUTORY INSTRUMENTS

1989 No. 2319

MEDICINES

The Medicines (Veterinary Drugs) (Prescription Only) Order 1989

Made - - - - 8th December 1989
Laid before Parliament 11th December 1989
Coming into force - - 1st January 1990

The Secretary of State concerned with health in England, the Secretaries of State respectively concerned with health and with agriculture in Scotland and in Wales, the Minister of Agriculture, Fisheries and Food, the Department of Health and Social Services for Northern Ireland, and the Department of Agriculture for Northern Ireland, acting jointly, in exercise of the powers conferred by sections 58(1) and (4), 59 and 129(4) of the Medicines Act 1968(1) and now vested in them(2), and of all other powers enabling them in that behalf, after consulting such organisations as appear to them to be representative of interests likely to be substantially affected by the following Order in accordance with section 129(6) of that Act, and after consulting and taking into account the advice of the Veterinary Products Committee in accordance with sections 58(6) and 129(7) of that Act, hereby make the following Order:—

Title, commencement, interpretation and revocation

- 1.—(1) This Order may be cited as the Medicines (Veterinary Drugs) (Prescription Only) Order 1989 and shall come into force on 1st January 1990.
 - (2) In this Order, unless the context otherwise requires-
 - (a) "the Act" means the Medicines Act 1968;
 - "controlled drug" has the meaning assigned to it by section 2 of the Misuse of Drugs Act 1971(3);
 - "dosage unit" means-
 - (i) where a veterinary drug is in the form of a tablet or capsule or is an article in some other similar pharmaceutical form, that tablet, capsule or other article, or

^{(1) 1968} c. 67; "the appropriate Ministers" referred to in sections 58 and 59 is defined in section 1 (see also the following footnote).

⁽²⁾ In the case of the Secretaries of State concerned with health in England and in Wales by virtue of S.I. 1969/388, in the case of the Secretary of State concerned with agriculture in Wales by virtue of S.I. 1978/272 and in the case of the Northern Ireland Departments by virtue of the Northern Ireland Constitution Act 1973 (c. 36), section 40 and Schedule 5, and the Northern Ireland Act 1974 (c. 28), section 1(3) and Schedule 1, paragraph 2(1)(b).

⁽**3**) 1971 c. 38.

(ii) where a veterinary drug is not in any such form, that quantity of the drug which is used as the unit by reference to which the dose is measured;

"external use" means application to the skin, hair, fur, feathers, scales, hoof, horn, ear, eye, mouth or mucosa of the throat or prepuce, when a local action only is intended and extensive systemic absorption is unlikely to occur;

"intermediate feed" means a medicated feeding stuff sold, supplied or imported for use wholly or mainly as an ingredient in the preparation of a substance which is to be fed to one or more animals for a medicinal purpose or for purposes that include that purpose, with or without further processing;

"maximum strength" means such of the following as may be specified-

- (i) the maximum quantity of a substance by weight or volume contained in a dosage unit of a veterinary drug,
- (ii) the maximum percentage of a substance contained in a veterinary drug calculated in terms of weight in weight (w/w), weight in volume (w/v), volume in weight (v/w) or volume in volume (v/v), as appropriate, and
- (iii) the maximum amount of a substance contained in a stated weight of a veterinary drug calculated in terms of international units (iu) of biologically determined potency;

"the Misuse of Drugs Regulations" means, in relation to England, Wales and Scotland, the Misuse of Drugs Regulations 1985(4) and, in relation to Northern Ireland, the Misuse of Drugs (Northern Ireland) Regulations 1986(5);

"parenteral administration" means administration to an animal by breach of the skin or mucous membrane;

"prescription only medicine" means a medicinal product of a description or falling within a class specified in article 3 and, for the purposes of this Order, does not include "intermediate feed";

"repeatable prescription" means a prescription which contains a direction that it may be dispensed more than once;

"sell" means sell by retail as defined in section 131 and "sale" has a corresponding meaning;

"soap" means any compound of a fatty acid with an alkali or amine;

"supply" means supply in circumstances corresponding to retail sale as defined in section 131;

"unit preparation" means a preparation, including a mother tincture, prepared by a process of solution, extraction or trituration with a view to being diluted tenfold or one hundredfold, either once or repeatedly, in an inert diluent, and then used either in this diluted form or, where applicable, by impregnating tablets, granules, powders or other inert substances for the purpose of being administered to animals;

"the Veterinary Drugs Exemption Order" means the Medicines (Veterinary Drugs) (Pharmacy and Merchants' List) (No. 2) Order 1989(6); and

(b) a reference-

(i) to a numbered section is to the section of the Act which bears that number,

⁽⁴⁾ S.I. 1985/2066 amended by S.I. 1986/2330.

⁽⁵⁾ S.I. (N.I.) 1986/52.

⁽**6**) S.I. 1989/2318.

- (ii) to a numbered article or Schedule is to the article of, or Schedule to, this Order which bears that number,
- (iii) in an article or in a Part of a Schedule to a numbered paragraph is to the paragraph of that article or that Part of that Schedule which bears that number, and
- (iv) in a paragraph to a lettered sub-paragraph is to the sub-paragraph of that paragraph which bears that letter.
- (3) In Schedule 1-
 - (a) entries specified in columns 2 and 3 relate to the substances listed in column 1 against which they appear and where, in relation to a particular substance listed in column 1, an entry in column 2 or 3 bears a number or letter it relates only to such entries in the other of those columns as bear the same number or letter;
 - (b) the following abbreviations are used:

"kg" for kilogram

"mg" for milligram

"ppm" for parts per million.

(4) The Medicines (Veterinary Drugs) (Prescription Only) Order 1985(7) is hereby revoked.

Appropriate practitioners

2. For the purposes of section 58 (medicinal products on prescription only) veterinary surgeons and veterinary practitioners shall be appropriate practitioners in relation to all the descriptions and classes of medicinal products specified for the purposes of that section in article 3.

Medicinal products on prescription only

- **3.**—(1) There are hereby specified descriptions and classes of medicinal products for the purposes of section 58, namely–
 - (a) subject to article 4(1), (2) and (3) veterinary drugs consisting of or containing a substance listed in column 1 of Schedule 1;
 - (b) veterinary drugs that are controlled drugs;
 - (c) subject to article 4(2), veterinary drugs for parenteral administration whether or not they fall within sub-paragraph (a) or (b);
 - (d) veterinary drugs-
 - (i) which are not of a description and do not fall within a class specified in any of subparagraphs (a), (b), (c) or (d);
 - (ii) which are of a description in respect of which the conditions specified in section 59(1) are fulfilled, and
 - (iii) in respect of which a product licence is granted after the date of coming into force of this Order containing a provision to the effect that the method of sale or supply of the veterinary drug is to be only in accordance with a prescription given by an appropriate practitioner;
 - (e) medicinal products which are veterinary drugs by reason of their having been sold or supplied for administration to animals and which, prior to such sale or supply, were

prescription only medicines as defined in article 1(2) of the Medicines (Products Other Than Veterinary Drugs) (Prescription Only) Order 1983(8).

(2) For the purposes of section 59(2)(a) (duration of restrictions for certain new products) the duration shall be a period of five years.

Medicinal products that are not prescription only

- **4.**—(1) Notwithstanding article 3(1)(a), a veterinary drug in respect of which there has been granted a product licence shall not be a prescription only medicine by reason that it consists of or contains a particular substance listed in column 1 of Schedule 1 where—
 - (a) in relation to that substance there is an entry in one or more of columns 2 and 3;
 - (b) the maximum strength in the drug of that substance does not exceed the maximum strength, if any, specified in column 2; and
 - (c) the veterinary drug is sold or supplied—
 - (i) if a pharmaceutical form or a route of administration is specified in column 3, in such pharmaceutical form, and for administration only by such route, as may be so specified, and
 - (ii) if a use is specified in column 3, in a container or package labelled to show a use so specified to which the veterinary drug is to be put but no use not so specified.
- (2) Notwithstanding article 3(1)(a) and (c), a veterinary drug for parenteral administration consisting of or containing a substance listed in column 1 of Schedule 2 shall not be a prescription only medicine where the maximum strength of that substance does not exceed the maximum strength, if any, specified in column 2 and the veterinary drug in question is sold or supplied only for the purpose or in the circumstances specified in column 3.

Exemption for medicinal products at high dilutions

- **5.** The restrictions imposed by section 58(2) (restrictions on sale, supply and administration) shall not apply to the sale, supply or administration of a veterinary drug which is not for parenteral administration and which consists of or contains, of the substances listed in column 1 of Schedule 1, only one or more unit preparations of such substances, if—
 - (a) each such unit preparation has been diluted to at least one part in a million (6x), and the person selling, supplying or administering the veterinary drug has been requested by or on behalf of a particular person and in that person's presence to use his own judgment as to the treatment required, or
 - (b) each such unit preparation has been diluted to at least one part in a million (6c).

Exemptions for certain persons

- **6.**—(1) The restrictions imposed by section 58(2)(a) (restrictions on sale and supply) shall not apply–
 - (a) to the sale or supply by a person listed in column 1 of Part I of Schedule 3, or
 - (b) to the supply by a person listed in column 1 of Part II of Schedule 3, of the prescription only medicines listed in column 2 of Part I or Part II, as the case may be, of Schedule 3 in relation to that person if and so long as the conditions specified in the corresponding paragraphs in column 3 of Part I or Part II, as the case may be, of Schedule 3 are fulfilled.

(2) The restriction imposed by section 58(2)(b) (restriction on administration) shall not apply to the administration by a person listed in column 1 of Part III of Schedule 3 of the prescription only medicines for parenteral administration listed in column 2 of that Part in relation to that person if and so long as the conditions specified in the corresponding paragraphs in column 3 of that Part are fulfilled

Exemption in cases involving another's default

7. The restrictions imposed by section 58(2)(a) (restrictions on sale and supply) shall not apply to the sale or supply of a prescription only medicine by a person who, having exercised all due diligence, believes on reasonable grounds that the product sold or supplied is not a prescription only medicine, where it is due to the act or default of another person that the product is a product to which section 58(2)(a) applies.

Prescriptions

- **8.**—(1) For the purposes of section 58(2)(a) a prescription only medicine shall not be taken to be sold or supplied in accordance with a prescription given by an appropriate practitioner unless the conditions specified in paragraph (2) are fulfilled.
 - (2) The conditions referred to in paragraph (1) are that the prescription-
 - (a) shall be signed in ink with his own name by the veterinary surgeon or veterinary practitioner giving it;
 - (b) shall, without prejudice to sub-paragraph (a), be written in ink or otherwise so as to be indelible;
 - (c) shall contain the following particulars—
 - (i) the address of the veterinary surgeon or veterinary practitioners giving it,
 - (ii) the appropriate date,
 - (iii) such particulars as indicate whether it is given by a veterinary surgeon or veterinary practitioner, and
 - (iv) the name and address of the person to whom the prescription only medicine is to be delivered and a declaration by the veterinary surgeon or veterinary practitioner giving it that the prescription only medicine is prescribed for an animal or herd under his care;
 - (d) shall not be dispensed after the end of the period of six months from the appropriate date, unless it is a repeatable prescription in which case it shall not be dispensed for the first time after the end of that period nor otherwise than in accordance with the direction contained in the repeatable prescription;
 - (e) in the case of a repeatable prescription that does not specify the number of times it may be dispensed, shall not be dispensed on more than two occasions.
- (3) The restrictions imposed by section 58(2)(a) (restrictions on sale and supply) shall not apply to a sale or supply of a prescription only medicine which is not in accordance with a prescription given by an appropriate practitioner by reason only that a condition specified in paragraph (2) is not fulfilled, where the person selling or supplying the prescription only medicine, having exercised all due diligence, believes on reasonable grounds that the condition is fulfilled in relation to that sale or supply.
- (4) In paragraph (2) "the appropriate date" means the date on which the prescription was signed by the veterinary surgeon or veterinary practitioner giving it.

Defences

9. The restrictions imposed by section 58(2)(a) (restrictions on sale and supply) shall not apply to the sale or supply of a prescription only medicine by an appropriate practitioner in accordance with a forged prescription where the appropriate practitioner, having exercised all due diligence, believes on reasonable grounds that the prescription is genuine.

Transitional provision

10. Where, immediately before the coming into force of this Order, the restrictions imposed by section 58 applied to the sale, supply or administration of a veterinary drug of a particular description by reason that the veterinary drug fell within the class specified in article 3(1)(e) (certain new products) of the Medicines (Veterinary Drugs) (Prescription Only) Order 1985 those restrictions shall continue to apply to veterinary drugs of that description as though article 3(1)(e) and (2) of that Order had remained in force.

8th December 1989 Secretary of State for Health

7th December 1989 Secretary of State for Scotland

8th December 1989 Secretary of State for Wales

In Witness whereof the Official Seal of the Minister of Agriculture, Fisheries and Food is hereunto affixed on 7th December 1989.

L.S.

John Gummer Minister of Agriculture, Fisheries and Food

Sealed with the Official Seal of the Department of Health and Social Services for Northern Ireland this 8th December 1989.

L.S.

J. J. M. Harbison Under Secretary, on behalf of the Permanent Secretary

Sealed with the Official Seal of the Department of Agriculture for Northern Ireland this 8th December 1989.

Article 6(1)(a)

EXEMPTION FOR CERTAIN PERSONS FROM SECTION 58(2) OF THE ACT

PART I

(1)	(2)	(3)
Persons exempted	Prescription only medicing to which the exemption applies	es Conditions
1. Persons selling supplying prescription	or 1. All prescription only medicines.	only 1. The sale or supply shall be:-

(1) (2) (3)

Persons exempted Prescription only medicines to which the exemption applies

medicines to universities, other (a) Subject to the

medicines to universities, other institutions concerned with higher education or institutions concerned with research.

- a) Subject to the presentation of an order signed by the principal of the institution concerned with education or research or the appropriate head of department in charge of a specified course of research stating—
 - (i) the name of the institution for which the prescription only medicine is required,
 - (ii) the purpose for which the prescription only medicine is required, and
 - (iii) the total quantity required, and
- (b) for the purposes of the education or research with which the institution is concerned.
- **2.** Persons selling or **2.** All prescription supplying prescription only medicines. medicines to any of the following—
- (1) a public analyst appointed under section 76 of the Food Act 1984(11), section 27 of the Food and Drugs (Scotland) Act 1956(12) or section 31 of the Food and Drugs Act (Northern Ireland) 1958(13),

2. The sale or supply shall be subject to the presentation of an order signed by or on behalf of any person listed in sub-paragraphs (1), (2), (3), (4) or (5) of column 1 of this paragraph stating the status of the person signing it and the amount of the prescription only medicine required, and shall be only in connection with the exercise by those persons of their statutory functions.

only

^{(11) 1984} c. 30.

^{(12) 1956} c. 30.

^{(13) 1958} c. 27 (N.I.).

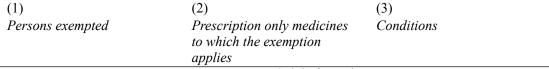

(1) (2)(3)Persons exempted Prescription only medicines **Conditions** to which the exemption applies

- (2) a sampling officer within the meaning of the Food Act 1984, the Food and Drugs (Scotland) Act 1956 or the Food and Drugs Act (Northern Ireland) 1958,
- (3) an agricultural analyst appointed under section 67 of the Agriculture Act 1970(14),
- (4) a person duly authorised by an enforcement authority under sections 111 and 112, or
- (5) a sampling officer within the meaning of Schedule 3 to the Act.
- lawfully **3.** Persons conducting a retail pharmacy business within the meaning of section 69.

3. —

- **3.** —
- (1) Any veterinary drug such prescription only medicine.
- (2)Prescription only medicines which are not for parenteral administration and which
 - (a) are eye drops or eye ointments and are prescription only medicines by reason only that they contain:
 - (i) Mafenide propionate
 - (ii) not more than 30.0 per cent Sulphacetamide Sodium, or
 - (iii) Sulphafurazole diethanolamine equivalent to not more than 4.0 per cent

(1) In the case of the as is described in Article 3(1) of veterinary drugs, the sale or the Veterinary Drug Exemption supply shall be subject to the Order, which, if or when for conditions specified in Article parenteral administration is a 3(2) and 4(3) of the Veterinary Drugs Exemption Order.

Sulphafurazole, or

(b) are prescription only medicines by reason only that they contain any of the following substances:

Atropine sulphate Bethanecol chloride Carbachol Cyclopentolate hydrochloride Homatropine hydrobromide Hyoscine hydrobromide Naphazoline hydrochloride Naphazoline nitrate Neostigmine methylsulphate Physostigmine salicylate Physostigmine sulphate Pilocarpine hydrochloride Pilocarpine nitrate **Tropicamide**

- **4.** Persons the sale or supply by whom is exempted by such as is described in be subject to the conditions Article 3 of the Veterinary Article 3(1) of the Veterinary specified in Article 3 of the Drugs Exemption Order from Drugs Exemption Order which, Veterinary Drugs Exemption the restriction imposed by if or when for parenteral Order. section 52.
- **5.** Persons the sale or supply by whom is exempted by as is described in Article 6 be subject to-Article 6 or 9 of the Veterinary or 9 of the Veterinary Drugs Drugs Exemption Order from Exemption Order which is a the restrictions imposed by prescription only medicine. section 52.
- **4.** Any veterinary drug administration, is a prescription only medicine.
 - 5. Any veterinary drug such
- 4. The sale or supply shall
- 5. The sale or supply shall
 - (a) the presentation of an order signed by or on behalf of the purchaser stating-

(1)	(2)	(3)
Persons exempted	Prescription only medicines to which the exemption applies	Conditions

- (i) the name and address of the purchaser,
- (ii) the name and address of the purchaser's business and
- (iii) the amount of the veterinary drug required, and
- (b) the conditions specified in Article 6 or 9 of the Veterinary **Drugs Exemption** Order.

- **6.** Persons providing poultry vaccination service.
- **6.** Any veterinary drug such only medicine.
- **6.** The sale or supply shall as is described in Article be only to a person who 3(1) of the Veterinary Drugs has charge of animals for the Exemption Order which is a purpose of and in the course of poultry vaccine and which, carrying on a business, either as if or when for parenteral his sole business activity or as a administration, is a prescription substantial part of his business activities.
- 7. Persons selling or supplying prescription only referred to in paragraph 6. medicines to the persons referred to in paragraph 6.
 - **7.** The veterinary drugs
- 7. The sale or supply shall be subject to the presentation of an order signed by the purchaser stating the amount of the prescription only medicine required.

- 8. Persons selling or supplying prescription only medicines. medicines to veterinary surgeons and veterinary practitioners.
- **8.** All prescription only
- **8.** No conditions.

- **9.** Persons selling or supplying prescriptions only medicines. medicines to the British Standards Institution.
- **9.** All prescription only
- **9.** The sale or supply shall be-
 - (a) subject to the presentation of an order signed on behalf of the British **Standards Institution** stating the status of the person signing it and the amount of

PART III

(1)	(2)	(3)
Persons exempted	Prescription only medicines to which the exemption applies	Conditions
1. Persons providing a poultry vaccination service.	as is described in Article	1. The administration shall be only in the course of providing a poultry vaccination service.
	-	2. The administration shall be subject to such conditions and in such circumstances and to such extent as may be specified in the group authority.

3. Persons who have in their charge or who maintain animals such as is described in be activity or as a part of their administration, is a prescription a business. business activities.

administration only.

- **3.** Any veterinary drug only medicine.
- **3.** The administration shall only to animals for the purposes of and in the Article 3(1) of the Veterinary their charge or under their course of carrying on a business Drugs Exemption Order which, maintenance for the purposes of either as their sole business if or when for parenteral and in the course of carrying on

EXPLANATORY NOTE

(This note is not part of the Order)

This Order replaces the Medicines (Veterinary Drugs) (Prescription Only) Order 1985.

The Order specifies descriptions and classes of medicinal products (being veterinary drugs) for the purposes of section 58 of the Medicines Act 1968. Intermediate feed is now specifically excluded from the definition of "prescription only medicine". The Order states that veterinary surgeons and veterinary practitioners are to be appropriate practitioners for the purpose of that section in relation to such products (articles 2 and 3). Certain medicinal products are not prescription only products (article 4). By virtue of section 58 such products may be sold or supplied by retail only in accordance with a prescription given by a veterinary surgeon or veterinary practitioner and may be administered only by or in accordance with the directions of such a person. The Order also confers exemptions from those restrictions (articles 5, 6 and 7) and prescribes conditions which must be fulfilled if a

sale or supply is to be taken as being in accordance with a prescription (article 8). A defence is now available to an appropriate practitioner who, having exercised all due diligence, sells or supplies a prescription only medicine against a forged prescription (article 9).
