## *Memòria 2013*
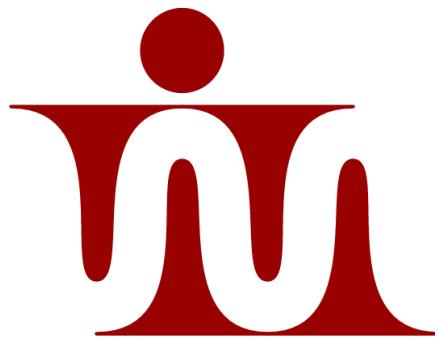

Amical VIQUIPÈDIA

# Introducció

L'Associació Amical Viquipèdia va dur a terme activitats contínuament durant tot el 2013. Les activitats estan recollides a la nostra [pàgina web](www.wikimedia.cat) (www.wikimedia.cat) en anglès; els informes són públics. La majoria d'activitats –com, per exemple, els tallers d'edició– que es duen a terme tenen per objectiu captar nous editors i lectors per la Viquipèdia en català.

S'ha treballat en diverses línies: museus (reunions i col·laboracions amb diverses entitats del territori), biblioteques, centres educatius (universitats, escoles d'art, centres de primària i secundària), relacions amb altres organitzacions que treballen en la mateixa línia (Fundació puntCAT...), etc.

El 2013 Amical va rebre diversos premis, tals com el Premi especial STIC 2013 o el premi Francesc de Borja Moll de l'Obra Cultural Balear. També va aparèixer en molts mitjans de comunicació com ara TV3, La Vanguardia, el Diari Ara, el Punt Avui, entre d'altres (en els resums mensuals es pot trobar la relació completa).

A continuació es presenta la memòria detallada d'activitats de l'any 2013, mes a mes. Tot seguit de cada punt hi ha el nom de l'usuari o usuaris que s'han encarregat de dur a terme l'activitat. Els resums estan en anglès, ja que estan disponibles per a tot el món.
