MOST GRACIOUS SOVEREIGN,—We, Your Majesty's most dutiful and loyal subjects, the House of Representatives of New Zealand in Parliament assembled, towards making good the Supply which we have cheerfully granted to Your Majesty in this Session of Parliament, have resolved to grant unto Your Majesty the sums hereinafter mentioned, and do therefore most humbly beseech Address.

Appropriation.

Your Majesty that it may be enacted, and be it enacted by the General Assembly of New Zealand in this present Parliament assembled, and by the authority of the same, as follows:—

Short Title.

1. The Short Title of this Act shall be "The Appropriation Act, 1877."

GRANTS OUT OF THE PUBLIC ACCOUNT.

Grant of £2,301,642
18s. 1d., and fees.

2. The Colonial Treasurer for the time being may issue out of the Public Account, and apply towards making good the Supplies granted to Her Majesty for the services of the year ending on the thirtieth day of June, one thousand eight hundred and seventy-eight, the several sums in the Schedule A hereto annexed, particularly mentioned, amounting in the whole to the sum of two million three hundred and one thousand six hundred and forty-two pounds eighteen shillings and one penny, together with the amount of the fees herein-after mentioned, the said moneys being inclusive of, and not in addition to, any sums issued out of the Public Account under the authority of "The Imprest Supply Act, 1877," "The Imprest Supply Act (No. 2), 1877," "The Imprest Supply Act (No. 3), 1877," "The Imprest Supply Act (No. 4), 1877," "The Imprest Supply Act (No. 5), 1877," "The Imprest Supply Act (No. 6), 1877," and "The Imprest Supply Act (No. 7), 1877."

3. (1.) All sums hereby granted out of the Consolidated Fund, amounting, as appears by the said Schedule A, to one million six hundred and seventy-seven thousand six hundred and ninety-five pounds sixteen shillings and one penny, together with the fees collected by such public officers as are authorized to retain the same in lieu of salary, are appropriated for the purposes and services expressed in the several votes in the Schedule B annexed hereto.

Appropriation of
£12,000 out of
Defence and Other
Purposes Loan.

(2.) All sums hereby granted out of moneys raised or to be raised under the authority of "The Defence and Other Purposes Loan Act, 1870," amounting, as appears by the said Schedule A, to twelve thousand pounds, are appropriated for the purposes and services expressed in the several votes in the Schedule C annexed hereto.

The purposes and services chargeable as provincial liabilities shall from time to time be determined by the Governor in Council; but no new liability shall be incurred in respect of provincial liabilities from and after the passing of this Act.

Appropriation of
£269,975 3s. 3d.
out of Land Fund.

(4.) All sums hereby granted out of the Land Fund, amounting, as appears by the said Schedule A, to two hundred and sixty-nine thousand nine hundred and seventy-five pounds threeshillings and threepence, are appropriated for the purposes and services expressed in the several votes in the Schedule E annexed hereto. If the Land Fund of any provincial district shall be insufficient to meet the payments charged thereon by this or any other Act, the Colonial Treasurer may, up to thirty-first day of December next, advance out of the Consolidated Fund such sums as may be necessary to make up such deficiency.

The expenses of the Department of the Surveyor-General to the thirty-first day of December next shall be charged upon the Land Fund arising within the several provincial districts, in proportion to the amount expended for surveys in each district up to that date.

Railway Stores and Workshops Account.

5. And whereas the Colonial Treasurer has, under the authority of the second section of "The Public Revenues Act, 1876," issued from the Public Account, during the year ending the thirtieth day of June, one thousand eight hundred and seventy-seven, moneys in excess of or without the appropriation of Parliament, amounting in the whole to the sum of one hundred and twenty-seven thousand six hundred and forty pounds five shillings and elevenpence, and has applied the said sum to the several purposes and services mentioned in the Schedule G hereto annexed: Be it enacted that the application of the said sum is hereby sanctioned.

Provision for salaries in Public Trust Office.

7. The moneys payable under this Act for works chargeable as provincial liabilities may be paid over to such local governing bodies as the Minister for Public Works may determine, upon such terms and conditions as shall be agreed upon between the said Minister and any such local governing body; and the Colonial Treasurer shall make all such payments in accordance with any such agreement.

Moneys payable for works chargeable as provincial liabilities.

8. Whenever, under the authority of this or any other Act, any sum of money has been paid on behalf or at the request of any local governing body, the Colonial Treasurer may charge the same to a suspense or advance account within the Consolidated Fund, and every such sum of money so paid may from time to time be deducted from any subsidies or moneys accruing or payable to any such body.

Moneys paid on behalf of local governing bodies may be charged to Suspense Account.

Appropriation.

9. At the close of business on the thirty-first day of December, one thousand eight hundred and seventy-seven, the Colonial Treasurer shall transfer to the Consolidated Fund the balances standing to the credit of the several accounts which, by the operation of "The Public Revenues Act, 1877," become thereafter part of the Consolidated Fund; and the several sums appropriated by this Act and payable out of such several accounts shall, after the said thirty-first day of December, be paid out of the Consolidated Fund.
