EDUCATIONAL PROGRAMS

We fulfill our mission to contribute to a world of free and open knowledge and lifelong learning. We strive to attract newcomers, support active members and minorities, spread awareness of Wikimedia projects and deepen relationships and activities within the Czech community.

Seniors Write Wikipedia
Open Educational Program

cooperation with a strategic partner:

National Library Czech Republic

- Starting with mostly Wikidata collaboration,
- memorandum of cooperation signed in 2023,
- 4 new wiki-resident positions created,
- 3 inhouse trainings for wiki-residents organized
- 500+ articles edited,
- 160 000 files from Czech National Bibliography uploaded,
- 6 partner events organized in 2023.

PROGRAMS FOR COMMUNITY

For newcomers in writing Wikipedia or in taking photos for the Commons, we organize workshops, editathons, contests (Czech Wiki Photo) and projects like We Photograph Czechia, Human Rights Month on Wikipedia or WikiGap, which aims to increase the representation of women on Wikipedia.

cooperation with a strategic partner:

MUSEUM MUZEUM VÝCHODNÍCH ČECH V HRADCI KRÁLOVÉ

Museum of East Bohemia, Hradec Králové

- Cooperation with various collections - 2nd year of wiki-residency,
- 69 images uploaded (more to come in 2024),
- 25 articles created, 100 articles improved,
- cooperation with local University - Students Write Wikipedia course,
- participation within Creative Curatorship Centre,
- public historical lecture during editathon within Czechoslovakia challenge,
- participation in Spa & Krkonoše mountains project.

PROGRAMS FOR PARTNERSHIPS

In our Programs for Partnerships, we are trying to collaboratively acquire, disseminate and advocate for digitized collection of open source (or potentially open source) works, objects and data, in the most effective way. We also advocate free culture and free access to digital commons.

cooperation with a strategic partner:

STÁTNÍ OBLASTNÍ ARCHIV v Praze

State Regional Archive Prague

- New "flying" wiki-resident – 80 edited articles; 251 images uploaded,
- Koh-i-noor Waldes factory project,
- Women and archives workshop for archive employees,
- State Regional Archive Prague lecture for seniors,
- State Regional Archive Prague backstage pass.

WIKI-RESIDENT

is the person in charge of managing the partnership on the partner's side. Ideally a staff member of the institution with dedicated editing capacity. The flying wiki-resident is then our external employee who is able to cover this activity for the partner for a while (until the capacity is created at the in-wiki-resident).
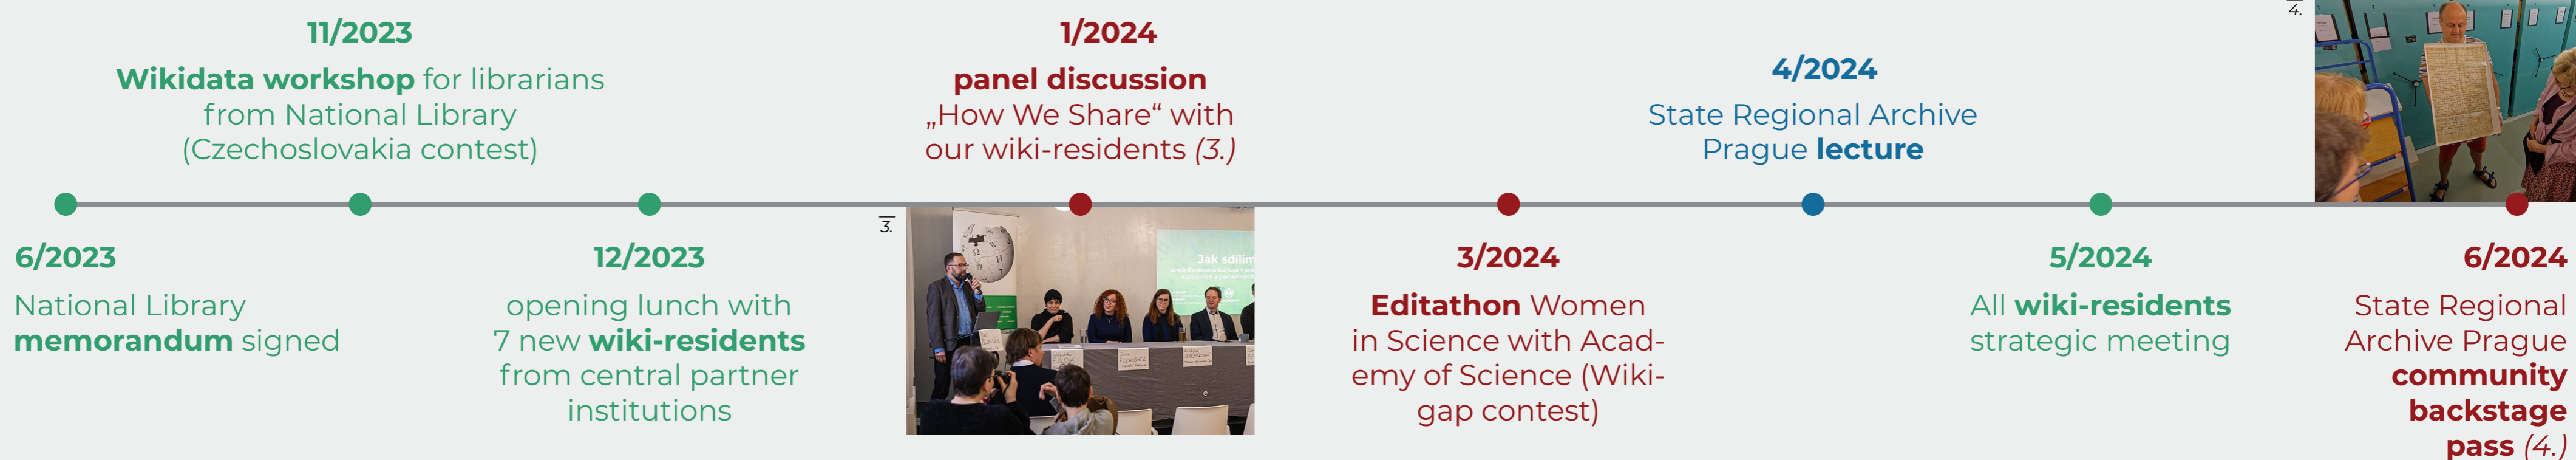

OUR VISION:

WMCZ's key activities (= two months long thematic challenges) with partners include various activities from all our programs

– combine the cooperation of all our programs (activity implemented with a **partner** with **educational** potential open to the **community**)
– contains usually – community edit & photo contest, public editathon *(1.)*,
– thematic editathons/datathons with partners,
– educational activities with schools or librarians.

You can track these programme benchmarks with specific colors. *(2.)*
