## MAY DAY POLICE MEASURES IN EUROPE

### Canadian Dollar Quoted at Premium in New York To-day

#### FOUR SEAMEN PERISH IN DESPERATE BATTLE WITH OCEAN ON ABERDEEN BAR

Only Captain of Small Tug Ryba Was Saved; Four Others Believed to Have Died Fighting for Their Lives in Heavy Seas; Wild Southeast Gale Lashed Waters of Coast This Morning Where Tug Capsized.

Four members of the crew of the tug Ryba were drowned this morning off Aberdeen, Wash., according to advices reaching Gonzales wireless station. Only the captain of the little vessel was saved.

Vague reports stated how the captain of the vessel was picked out of the water, clinging to wreckage, and who, when he regained consciousness, told of battling against tremendous swells which drove his little command towards the bar. The vessel was swamped and the four members of her crew were lost.

HOPELESS STRUGGLE  
The Ryba carried no wireless and the fighting seamen driven to desperation by the ineffectual efforts to keep the vessel afloat, lost hope when their craft struck and the seas pounded over her. They jumped into the breaking surf.

#### CHURCHILL BUDGET IS MUCH CRITICIZED

First Wave of Commendation in Britain Followed by Attacks

London, April 30 (Canadian Press Cable).—After the earlier hot gust of admiration for Winston Churchill, Chancellor of the Exchequer, in connection with his first budget, Mr. Churchill is now enduring some chilly blasts of criticism, in part from quarters where he might have expected the atmosphere to remain genial.

Perhaps it was only to have been expected that the London, former Chancellor of the Exchequer, should give his successor's proposals as severe a castigation as possible in Parliament, although the expression "sour grapes" can hardly fail to come to mind in connection with the former Chancellor's description of Mr. Churchill's pension scheme as a cloak to conceal the "first rich man's budget ever proposed."

LABORERS CHEERED  
The Labor members of the House cheered mightily at this, while the supporters of the Government apparently were so astonished at Mr. Snowden's flight of oratory that they were incapable of anything except prolonged merriment.

HORNE'S VIEWS  
Sir Robert Horne's criticism of the Churchill budget, coming from one who also had been at the head of the Treasury and who was speaking from the Government side of the House, was received with great respect. Sir Robert did not hesitate to put his finger directly upon what he considered the weak point in the pension scheme. While accepting the pension principle wholeheartedly, he gravely said he was anxious with regard to the extra burdens upon the national finances at the present time. Even straws could break the camel's back, he declared.

On much the same lines Sir Alfred Mond, former Liberal Minister of (Continued on page 2)

#### French to Discuss Geneva Protocol

Paris, April 30.—Ratification of the Geneva protocol for the peaceful settlement of disputes, signed during the session of the League of Nations last Fall, will be one of the first questions for debate when the French Parliament reconvenes on May 25.

#### Yorkshire Has Spring Snowstorm

Leeds, England, April 30.—Spring is here, and so are the curiosities of the English climate. This morning there was warm sunshine in Yorkshire, then winter came, and a six-hour snowstorm raged over the moors, making travel along the roads almost impossible.

#### PRINCE GEORGE GOES TO THE FAR EAST

London, April 30.—Prince George, youngest son of King George and Queen Mary, left London to-day for the Far East, to take up his assignment to duty with the British China naval squadron.

#### CANADA EXCHANGE IN U. S. TO-DAY SET A RECORD FOR 1925

New York, April 30.—Canada's currency came into its own to-day when a quotation of 1-32 of one per cent premium for the Dominion's dollar was posted on the New York money market. No special reason could be ascribed in banking circles for the above-par quotation, the first of the present year.

#### LORD BYNG MAY BE CITY'S GUEST AT CARNIVAL

Vice-regal Visit During June is Believed Possible, Rotarians Told

Robert W. Mayhew to Head Rotary; New Directors Elected

Robert W. Mayhew was to-day elected president of the Rotary Club, together with the following directorate: F. I. Doherty, James Hunter, W. N. Kelly, Herbert Kent, J. R. Kingham, T. O. Mackay, and Frank J. Sehl.

W. C. Winkel, manager of the Crystal Garden Carnival, addressing the club at the Chamber of Commerce, stated that the Carnival directors are hopeful of a visit to Victoria during the celebrations in June, by Governor-General Lord Byng of Vimy.

It is pointed out that no great public display of organizing energy has been made up to the present, because of desire to avoid distracting attention from the Victoria Day programme.

GREAT CROWDS EXPECTED  
He asked all citizens to regard the carnival as a community project, which is entitled to all assistance from the citizens in view of the general benefit to all which will result. (Continued on page 2)

#### BOARD OF CHURCH HOLDS LAST MEETING

Presbyterian Event in Toronto Comes Shortly Before Church Union

Toronto, April 30.—At a meeting in Knox College here last night the opening session was held of what, owing to the early consummation of church union, will be the final annual gathering of the General Board of the Presbyterian Church in Canada. Thirty members of the board, including a number of the leading officers of the church, are in Toronto for the meeting, coming from every section of the Dominion. The sessions are being presided over by J. A. Patterson, K.C., of Toronto.

The business of the board includes the arranging of the church's financial requirements for the coming year, this involving the drawing up of the budget.

#### Passport Frauds Bring Prison Terms

Tampa, Fla., April 30.—The alleged sale of their services as husbands to obtain entrance to the United States for women of foreign birth has brought federal penitentiary sentences to Joe Macleish and Marcelino Thompson of Key West and Tampa.

For \$200, it was said, a woman of foreign birth could obtain the services of one of the men as a husband, who, being a native of the United States, could procure a passport for her entrance into this country.

#### Sugar Prices in U.S. Dropped To-day

New York, April 30.—Sugar prices dropped to-day to the lowest levels of the season, raw sugar selling at 43 cents a pound delivered and refined at 45 cents. Despite the low price of raw sugar there was little demand from refiners, because it was said large supplies in producing countries assured expectations of still further declines.

#### OPIUM SEIZED IN LINER TOTALS OVER \$43,000

Vancouver, April 30.—A further seizure of 255 tins of opium valued at \$17,850, was made on the liner Empress of Russia last night. This makes a total of 615 tins valued at more than \$43,000 discovered in the ship during her stay in port.

#### OPEN SEALING WOULD SOON ANNIHILATE NORTHERN SEAL HERDS, GOVERNMENT WARNED

Scrapping of Present Treaty Would Bring Brief Boom in Industry But Would Shortly End With Total Depletion of Seals, Oliver Informed by Experts; Tells Ottawa B. C. Not Treated Fairly in Distribution of Present Sealing Revenues.

Ottawa, April 30.—If pelagic sealing were resumed next year as Pacific Coast sealing interests desire the great seal herds of the Bering Sea would soon be annihilated, according to expert advice which has been received by Premier Oliver from experts of the Provincial Department of Fisheries, and which the Premier intends to hand on to the Federal Department of Marine and Fisheries here.

"The Provincial Fisheries Department experts have gone into the whole sealing question and their opinion is that if the Sealing Treaty were scrapped and pelagic sealing resumed it would be absolutely suicidal," Mr. Oliver told The Times correspondent here. "In other words, the seals would be destroyed so ruthlessly and so fast that the industry would be ruined shortly after it was established and the present sealing business, carried on a limited way, would be lost. For that reason I am flatly opposed to the cessation of the present sealing restriction."

The Premier stated that he had conferred not only with experts of the Provincial Fisheries Department but also with Victoria sealers who were engaged in the industry in the old sealing days. As a result of his talk with the sealing men he (Continued on page 2)

#### TWO ADMIT THEY SERVED IN PRISON

Frank de Paulo and C. C. Thompson Convicted of Robbery in Vancouver

Denver, Colo., April 30.—The second member of the bandit gang which on December 18, 1922, held up a Federal Reserve bank truck here and escaped with \$200,000 after killing a guard is believed by police authorities to have been brought to justice with the conviction in Vancouver, B.C., yesterday of C. C. Thompson, alias "Ted" Hollywood.

The robbery was carried out in front of the Denver mint and a nationwide search was instituted for the bandits. One of them, J. C. Sloan, paid with his life when he was shot as he rose in the fleeing bandit car for a parting shot at the mint guards.

Thompson was convicted by a jury in Vancouver yesterday of having participated in the Capitol Theatre hold-up there in April, 1923. He is to be sentenced at the end of the assizes.

Vancouver, April 30.—Frank de Paulo, convicted here yesterday with C. C. Thompson of robbing the Capitol Theatre, was sentenced to a term of years.

#### COMMONS IS TO VOTE ON BUDGET AFTER DEBATE AT NIGHT SITTING

Ottawa, April 30.—An all-night sitting of the House is planned to-night. Word has gone round that this is to be the last day of the lengthy debate on the budget and the waiting list is long enough to carry the House through until dawn.

Both Premier King and Right Hon. Arthur Meighen, Conservative leader, are to speak. Although the main body of Progressives will vote against the Government, the ministry's majority on the main budget motion is variously estimated between twelve and twenty. Progressives and Liberals will vote together against the Conservative amendment.

#### SAYS PARIS TROOPS WILL KEEP ORDER; GENERAL GOURAUD

Rome, April 30.—Police declared to-day they had discovered evidence of an Italian revolutionary organization affiliated with communist groups in Russia which has been planning a May Day workers' strike and demonstration against the Government throughout Italy.

The police expressed the opinion as a result of their discovery that very active organizations of Soviet propagandists are established in Italy.

This was an elaboration of the announcement by the police yesterday that they had raided several alleged communist gatherings and seized numerous documents.

Since the recent troubles in Bulgaria Fascist rogues have been insisting that the same danger threatens Italy, but the opposition papers have maintained that the Socialist-Communist scarecrow has been purposely flouted by Mussolini's followers in order to rally support for Fascism.

#### MUC' SILK SEIZED AT BORDER AND MEN ARRESTED

Bridgeburg, Ont., April 30.—Twenty thousand dollars' worth of contraband silk was seized while being smuggled into Canada from the United States early yesterday and two men whose names are withheld, are under arrest.

#### PAMPHLETS FOUND

The police have taken the most energetic measures throughout Italy to prevent May Day disturbances. In Florence several communist leaders have been arrested, including Advocate Dignini, who is said to be responsible for the publication of a communist paper.

#### PARIS PREPARATIONS

Paris, April 30.—May Day in Paris will be devoid of parades. Meetings of various kinds in the open will be allowed, but all parades are forbidden. (Continued on page 2)

#### INDIFFERENT VOTERS CAUSE HEAVY WORK

Only Eighteen Days Remain for Reinstatement or Disfranchised

Eight files of closely typed paper bearing the names of over 8,000 voters who were struck from the Provincial rolls for failure to exercise that privilege in June, 1924, hang in the hallway of the courthouse as a striking monument to human indifference to rights of suffrage strenuously fought for in other years.

Seven city divisions and one Esquimalt block are shown in graphic style. Under divisional headings hang the lists of those who were struck off. On top of this are the lists of those who have applied for reinstatement.

The ratio of those struck off to those later reinstated is as eight to one, total re-registration numbering 1,054 for the combined voters of Victoria and Esquimalt electoral districts.

Re-registration may be secured without cost on application to George H. Mahon, registrar of the Provincial voters' list, or to any one of 250 commissioners appointed in ward associations and elsewhere in the city and Esquimalt. If action is taken by May 15 a personal appearance before the court of revision will be necessary to ensure a vote at the next Provincial election.

Hard work on the part of the voting commissioners has coaxed one-eighth of the disfranchised bloc to re-register. Only eighteen clear days are left for the remainder to take action.

#### PEACE OFFICERS IN ITALY SAY BIG ANTI-GOVERNMENT MAY 1 OUTBREAK PLANNED

Police Claim Revolutionary Organization Affiliated With Communists of Russia; Meetings in Paris To-morrow, But no Parades Will be Allowed by Authorities.

Rome, April 30.—Police declared to-day they had discovered evidence of an Italian revolutionary organization affiliated with communist groups in Russia which has been planning a May Day workers' strike and demonstration against the Government throughout Italy.

The police expressed the opinion as a result of their discovery that very active organizations of Soviet propagandists are established in Italy.

This was an elaboration of the announcement by the police yesterday that they had raided several alleged communist gatherings and seized numerous documents.

Since the recent troubles in Bulgaria Fascist rogues have been insisting that the same danger threatens Italy, but the opposition papers have maintained that the Socialist-Communist scarecrow has been purposely flouted by Mussolini's followers in order to rally support for Fascism.

The police have taken the most energetic measures throughout Italy to prevent May Day disturbances. In Florence several communist leaders have been arrested, including Advocate Dignini, who is said to be responsible for the publication of a communist paper.

Hard work on the part of the voting commissioners has coaxed one-eighth of the disfranchised bloc to re-register. Only eighteen clear days are left for the remainder to take action.

#### Eleven Coal Mines Suspend Operations

Pittsburg, Pa., April 30.—Eleven mines of the Pittsburg Coal Company, employing more than 3,000 men, have suspended operations, the company claiming it is unable to operate under the present union wage scale because of the lower cost of coal from non-union fields.

The ratio of those struck off to those later reinstated is as eight to one, total re-registration numbering 1,054 for the combined voters of Victoria and Esquimalt electoral districts.

**LATEST FIGURES CONVINCING MEMBERS IMMIGRATION LAWS NOT ADEQUATELY ENFORCED**

**Check-up of Japanese Arrivals in B.C. Confirms Ottawa in Belief That Real Intent of Gentlemen's Agreement Not Being Made Effective Now; Existing Regulations Allowing Unlimited Admission of "Families" Make Enforcement Difficult.**

By Times Staff Representative

Ottawa, April 30.—While a special committee of the Mackenzie King Cabinet has not yet completed its investigation into Japanese immigration, figures already compiled by government officials here seem to confirm the assertion of British Columbia Members of Parliament that existing immigration regulations have not been adequately enforced. It seems to be the general consensus of opinion here that Japanese who were not entitled to enter this country last year under the Gentlemen's Agreement actually did gain admission; but who is to blame for this condition or whether blame attaches to anyone are points which have not been yet determined. It is to ascertain the precise truth of these matters that the Cabinet has arranged for a thorough checking up of immigration during recent years.

These are some of the facts which have convinced British Columbia members that more vigorous enforcement of the existing regulations or the inauguration of new regulations is needed:

In 1924 a total of 510 Japanese were admitted to Canada. Under the Gentlemen's Agreement as amended in 1923 only 150 Japanese are supposed to enter this country. This does not mean that 360 Japanese gained admission here illegally. Under a strict interpretation of the Gentlemen's Agreement most of that number could be accounted for. There still remains, however, a number of Orientals who apparently are not covered by any agreement, and who seem to have come in without authority.

**FOUR CLASSES ALLOWED**

Under the Gentlemen's Agreement immigrants are confined to four classes—emigrants returning after having lived in Canada, wives and children of Japanese already here, personal domestic servants and contract laborers or agriculturists who intend to work on Japanese-owned lands. But the 1924 immigrants included Japanese who do not come under these classes at all. These were ten laborers, five traders, two mechanics and twenty who were married, or a total of thirty-seven.

Then, under the strict provisions of the Gentlemen's Agreement a total of 115 Japanese were allowed to enter this country. Sixty-seven agriculturists and forty-eight domestic servants.

**MANY RELATIVES ARRIVE**

In addition to these, however, there were no less than 358 Japanese admitted as the wives and families of Orientals already in the country. Members who have investigated the situation, is where the chief trouble and the main possibility of slackness may be found. It is virtually impossible for officials to make sure that a Japanese woman or a Japanese boy under eighteen years of age is actually the relative of a Japanese man already in the country. If these people arrive here with a passport from the Japanese Government it is next to impossible to send them home again if they insist that they are coming to join their husbands or fathers. Again, although a Japanese "child" for immigration purposes must be under eighteen, it is impossible for immigration officials to tell definitely whether a young man applying for admission to join his father is really under that age or not.

**FRIENDLY NEGOTIATION**

As it appears to members here the situation resolves itself into one outstanding fact—510 Japanese entered this country last year, whereas the general understanding of the Gentlemen's Agreement was that the present agreement went into effect, that 150 Japanese only would be admitted. As pointed out, the big increase can be accounted for in the main by the admission of wives and children, but certainly more Japanese are coming now than Parliament had anticipated.

As explained in these columns before, the policy of the Federal Government is to iron out these difficulties by friendly negotiation with Japan. As a result of these negotiations, it is believed, present regulations will be made more effective or better regulations will be inaugurated to protect British Columbia from Oriental penetration.—B.H.

**EUROPEAN POLICE PLANS**

(Continued from page 1)

Action has been taken by the Minister of the Interior, M. Scherer, in co-operation with General Gouraud, Military Governor of Paris, the prefect of police, the director of the state detective service and the director of the municipal police to prevent the celebration of May Day developing into a series of demonstrations. The garrison will be confined to barracks and troops will make their appearance in the streets only in case of serious trouble.

**BYNG MAY VISIT CITY**

(Continued from page 1)

Mr. Byng anticipates that the carnival will attract 100,000 visitors to Victoria, but if only one-fifth the objective should come, and spend but \$5 apiece, the increase in money circulation will be worth while.

**RECOMMENDATION CAME FROM FELLOW WORKERS**

So Says Toronto Man of Dodd's Kidney Pills

Mr. P. M. Raggatt Suffered With Rheumatism and Found Relief After Taking Half a Box of Dodd's Kidney Pills.

Toronto, Ont., April 29 (Special)—"I am writing to say how wonderful and quick your pills were in arresting and relieving an attack of rheumatism I had a few weeks ago. My occupation, a coal teamster, necessitates me being out late at night during the severe winter weather. I had an occasion to get on my knees in the snow to put fuel into a basement. Two days later I had to stay at home with rheumatism in both of my knees. I was recommended to try Dodd's Kidney Pills, which I did. The first half box gave me relief and all signs of rheumatism have now gone after taking three boxes. I thank you for being able to give me such relief. The recommendation of your Dodd's Kidney Pills came from several other coal teamsters that I work with."

This statement comes from Mr. P. M. Raggatt residing at 222 Woodmount Avenue.

Dodd's Kidney Pills act directly and promptly at the seat of the trouble. (Adv.)

as to whom to support for the honor of Queen, Mr. Winkel stated.

Charles Conyers entertained with a dinner his brilliant rendering of "A Wake, My Son!" and "Less Than the Dust" arousing tremendous applause. Mrs. Conyers accompanied.

**CHINESE STIR HEATED DEBATE OF STALLHOLDERS**

**Some Would Eliminate Them Entirely From Public Market**

**Fruit and Vegetable Peddlers Also Come in for Criticism**

Heated criticism on the inroads of Chinese vegetable and fruit growers on the business of white producers were passed last night at the meeting called by the agricultural group of the Victoria Chamber of Commerce to discuss Chinese holding stalls in the public market.

**THREE-HOUR DEBATE**

Nearly every stallholder in the public market was represented, and at many stages the three-hour debate on the subject was bitter. Resolutions were passed calling upon the city to ban Chinese produce from the market, and to reduce Chinese peddlers' licenses until they were eventually entirely eliminated.

**NOVA SCOTIA STRIKE**

(Continued from page 1)

ing on continuous propaganda attempting to undermine the strength of the executive.

"The conduct is fairly transparent to us, and indicates that the corporation deliberately avoids a settlement on this matter, and we respectfully suggest for your consideration that they will consent to no arrangement that will pay our men a living wage, and especially that will embrace an inquiry into their affairs."

**SEALING IS DISCUSSED**

(Continued from page 1)

Premier was convinced that they had a just claim to compensation for the complete loss of their business, following the prevention of the sale of Olive's pressing these claims for compensation.

**AMIT JAIL TERMS**

(Continued from page 1)

(ol Theatre on February 29, 1921, confronted with his police record, admitted his correct name was Frank Pellagrini, that he came from San Francisco, and that he had been sentenced to Walla Walla penitentiary for stealing an automobile which he, together with Thompson and other men, was using to transport liquor from Canada across the boundary. De Paulo made the statement that it was not crime in the United States to break the prohibition law.

**FRECKLES**

Now is the Time to Get Rid of These Ugly Spots

There's no longer the slightest need of feeling ashamed of your freckles, as Othine—double strength—is guaranteed to remove these homely spots.

**MR. HYDE HAD CORNS**

... Dr. Jekyll had none!

At the root of many a bad temper, there's a corn. It is hard to keep the disposition serene when a corn is jabbing and baiting it with pain. You can cover the tip of a corn with a match-head. But this tinypain-center makes one feel mean all over—and act that way. Doctors know that corn may irritate the whole nervous system—so the patient with a corn is told to use Blue-jay. A Blue-jay plaster will end a corn pain in ten seconds, and the corn itself in 48 hours.

JOIN THE LOCAL BRANCH

IN EVERY TOWN AND city in Canada to-day a drive has been commenced to increase the membership of the Canadian League of Nations Society to 100,000 by the end of this week.

There is nothing very involved about the object of the League of Nations or the aim which the Society in Canada has in view.

Too many imagine that the League of Nations is exclusively a piece of diplomatic machinery which can only be understood and handled by governments.

THE EGG DUTY

DR. TOLMIE WANTS the duty on foreign eggs increased from three to eight cents.

The Victoria member's argument suggests that he has given but slight consideration to the subject.

Statistics show that there is a bigger demand for British Columbia eggs, both within and without the Province, than is being satisfied at the present time.

Meatmen, Federal legislation, similar to that which has been passed by the Oliver Government, requiring all foreign eggs to be so marked with name of country of origin, should direct Canadian choice from the Chinese or American variety to the home product.

HOW THEY CHANGE

GENERAL HERTZOG IS no longer thinking of secession. He has jumped from an out-and-out republican platform to an out-and-out Empire platform.

General Hertzog's complete change of view is not surprising. His position as Prime Minister has given him an opportunity of looking into the family affairs of the British Empire at closer range.

THE MONTREAL GAZETTE HITS OUT AT THE PARTY OF GLOOM

EVERY CANADIAN WHO believes in Canada's present and Canada's future will welcome The Montreal Gazette to the ranks of those who are becoming thoroughly impatient with the blue ruin speeches of such well-known public men as R. H. Hon. Arthur Meighen, Hon. H. H. Stevens, Hon. Dr. Manion, Hon. S. F. Tolmie, and others of the Conservative Party who are continually furnishing anti-Canadian influences with just the very material which they need for their campaign against this country.

This great Montreal Conservative journal says "there has been an unfortunate disposition to advertise and even to exaggerate every commercial and industrial set-back, and for this the parliamentary representatives of the Western provinces, some of them at any rate, have been largely responsible."

Nor does our Montreal contemporary mind matters. It goes on to point out that "there have been numerous and convincing evidences of a campaign, presumably organized and financed, to dissuade intending emigrants from making homes in Canada, the method employed being the simple and effectual one of portraying the Dominion as a country of failure rather than a land of opportunity."

AN AMUSING ANALYSIS

CRITICS OF THE KING Government's shipping subsidy proposals have studied the evidence tendered to the McMaster Committee and they have apparently reached the conclusion that the "impression left on the unprejudiced mind" is that any attempt "by a single government, or indeed by a group of governments combined, to control freight rates at sea would be a failure."

It is not a lucky word, this impossible. No good comes of those that have it so often in their mouth. —Cartley.

Imagination rules the world. —Napoleon.

Shipping Conference have demanded a spread which would cover the cost of operating ships half full of passengers and half full of freight.

Opponents of the Government's proposal to force a showdown on the issue of ocean freight rates are seizing upon the flimsiest pretexts for their opposition.

DR. FRANK CRANE On THE POPULARITY OF COOLIDGE

MOST Presidents are unpopular in Washington.

The things which make him popular with the rest of the country do not increase his vogue in the city in which he lives.

The plain people of the country, however, like Mr. Coolidge and his economic policy.

By the same token we would like to see a man who has a reputation for economy and smallness rather than by a man who is a good fellow and a good mixer.

WORDS OF WISE MEN

Humor has justly been regarded as the finest perfection of poetic genius. —Cartley.

Those who without knowing us enough think ill of us, do us no wrong, they attack not us but the phantom of their own imagination. —De la Bruyere.

It is not a lucky word, this impossible. No good comes of those that have it so often in their mouth. —Cartley.

A man is not a wall whose stones are crushed upon the road, or a pipe whose fragments are thrown away at a street corner.

Judges ought to be more learned than witty, more reverent than plausible, and more advised than confident. Above all things, integrity in their portion and proper virtue. —Bacon.

HEALTH OF DISEASE Migraine or Sick Headache

This is a term often applied to a severe headache which occurs periodically. Besides the headache there are also certain peculiar symptoms connected with the vision and frequent vomiting.

Rest in bed in a darkened room, plenty of hot water to drink, and such local remedies as the application of heat or cold to the head, or a mustard plaster, the feet should be kept warm with hot water bottles.

The WEATHER Daily Bulletin Prepared by the Meteorological Department.

Victoria, April 29-5 a.m.—The barometer remains low over Northern B.C. and shows a tendency to rise over the land.

WHO'S WHO IN HISTORY TO-DAY

CHEVALIER DE BAYARD (Pierre Du Terrail) illustrious French knight, described as "without fear and without reproach," was killed at the river Arce, Italy, on April 30, 1524.

MARY II

English Queen, joint-ruler with her husband, William III (of Orange), was proclaimed Queen of England on April 30, 1689.

JOHN WILKES English politician and publicist, was arrested and his paper, The "North Briton," was suppressed on April 30, 1729.

GUSTAV FREYTAG German novelist and dramatist, died at Wiesbaden on April 30, 1895.

Bulgarian ex-Deputy Was Killed by Police Sofia, April 29.—Former Deputy Grafcharoff, one of the ringleaders in the recent cathedral bomb plot, who had been searched for everywhere, was killed yesterday near Sofia.

Calgary, April 29.—Hon. John S. Brownlee, Attorney-General of Alberta, visited last evening there with a view to the prosecution of charges of murder laid against Harold Braud of the Disabury boy who killed his father recently in an endeavor to save his mother. —Mr. Brownlee said since the coroner's jury having returned a verdict of justifiable homicide, there would be no further charge.

WELLINGTON 139 MABLOOM TEA The Triumph of Expert Tea Blending Sold by Grocers Throughout Canada

Victoria Girl Graduates From the Montreal Hospital

Montreal, April 30.—Miss Alice O'Hagan, Jaeger Park, B.C., was among the nurses who graduated at the eighteenth annual graduation exercises of the Children's Memorial Hospital here yesterday.

WOMEN ASSISTED REBELS IN BULGARIA

Rome, April 30.—Dispatches received here from Sofia say the Bulgarian Government has discovered that the central committee of the revolutionists employed fashionable women who had entered in the best social circles, as messengers to transmit code messages between revolutionary agents in various Bulgarian cities.

DAILY RADIO PROGRAMMES THURSDAY, APRIL 30

6:30 p.m.—Musical programme to be announced. 7:15 p.m.—University of Chicago lectures through the courtesy of the Ravenswood Methodist Episcopal Church.

ANTI-TUBERCULOSIS EFFORTS GROWING

Meeting of Canadian Association to Be Held in Montreal May 14-16

Montreal, April 30.—Tuberculosis will receive study and demonstration from many angles at the annual meeting of the Canadian Tuberculosis Association, which will take place here May 14 and 15.

RED CROSS WORK

Dr. C. G. Brink, provincial traveling chest diagnostician, will speak on Junior Red Cross work in Nova Scotia. The Alberta survey will be spoken to by Dr. Baker.

MORE ACCOMMODATION

Progress in care of those afflicted with the dreaded White Plague is noted in this connection by the statement that treatment beds are available or under construction in five new centres in Canada.

"When the Heart is Young" Youth is a wonderful thing. And the most wonderful thing about it is that it has nothing whatever to do with your so-called "age."

That secret is to be found in the blood that "streams through the body. Keep your blood pure and virile, and you'll keep the spirit and the boundless energy of the heyday of life.

Kruschen Salts Tasteless in Coffee or Tea Put as much in your breakfast cup as will fit on a 16 cent piece. It's the little that's wonderful that does it.

of it, so long as audiences get excited over wild horseback rides and fast gun-play. "Of course, the 'western' of to-day has to be made of different stuff than those that went over in the old-time nickelodean. There has to be a story and a good story or folks will ask 'what's all she shooting for?' and it won't be long before the picture will be put in the junk heap. "But when the 'western' is good the public will 'eat it up.' That's what they're going to do to my latest one, 'Tiger Thompson.' It has the action, thrills and fight that one expects, but it also has a big mental conflict. It's the first picture made

on my own ranch, too, so altogether it's the real thing. "I like to play in 'westerns' not only because they call for the things that I know how to do, but because they typify the spirit of this great country which I love. When I portray a westerner I portray the man I am at heart—I am doing the thing that I do by choice every day at my own ranch and so I naturally love my work. "Tiger Thompson" is the third of the Hunt Stromberg productions, starring Harry Carey, and is being shown at the Columbia Theatre.

## GEORGE GIBBS' NOVEL MAKES INTERESTING STORY AT DOMINION

A new and formidable contender in the ranks of the screen's leading men has a featured role in the Paramount picture, "Sackcloth and Scarlet," produced by Henry King from the novel by George Gibbs. Caldwell, who scored opposite Lady Diana Manners in the stage production, "The Miracle" is an ideal Stephen Edwards, described in the story as a handsome, rugged, out-of-doors man. Caldwell's training fits him for the part. He gained honors while at the University of California as a member of the swimming team and has lived much in the open. He helped earn his way through college by raising cattle at Oregon House, Yuba County, in the California high Sierra Nevada Mountains. Caldwell is featured with Alice Terry and Dorothy Sebastian in the cast of "Sackcloth and Scarlet," which will be the feature to-day at the Dominion Theatre.

## CAPITOL

## "THE DRESSMAKER FROM PARIS"

More beauties than the Follies; more gowns than a fashion exposition; more fun than a circus. And a stirring love story.

## MUSIC FEATURES AT DOMINION TO-NIGHT

A special programme of popular and classic numbers will be played by the Dominion Concert Orchestra for the regular music lovers' night to-night. Among the many popular pieces to be played to-night will be: Overture, "Orpheus"..... Offenbach "Un Pae D'Amour"..... Silseu "Andante Cantabile"..... Tchakowsky "Popular"..... Youmans "Tea for Two"..... Youmans "By the Light of the Stars"..... Little "Susie"..... DeSylva

## GALLEY SLAVES REQUIRE MUCH MAKE-UP IN FILM

The press agent for Ziegfeld's Follies used to brag about the amount of powder and paint used by the girls of the famous beauty chorus each year but in producing "The Sea Hawk" Frank Lloyd has required an amount of make-up which should make the Ziegfeld total insignificant in comparison. And when one compares "The Sea Hawk" on the screen at the Capitol Theatre to-day with the Follies it will not be difficult to understand the reason. More than 300 gallons of liquid make-up paint were used for the Moorish and Spanish galley slaves alone, 20 gallons of spirit gum for the appending of wigs, moustaches and beards, 276 pounds of face powder in ten pound cans for various facial make-ups and 350 large tubes of grease paint, 50 pound cakes of mascara and 250 sponges for applying make-up and more than 4,500 make-up towels for taking it off were required during the filming of the Moorish episode alone. Twelve make-up experts under the direction of Ernest Westmore attended the galley-slaves and their photographic preparations and the slaves were made-up en route to location on special trains, on barges, boats and when at Camp Lloyd, on the docks preliminary to boarding the ancient ships.

## AGNES AYRES AND ANTONIO MORENO AT THE COLISEUM NOW

"The Story Without a Name," an Irvin Willat Paramount production featuring Agnes Ayres and Antonio Moreno, is the feature all this week at the Coliseum Theatre. It is an Arthur Stringer story of love and adventure, adapted to the screen by Victor Irvin. This production offers a change in the daily diet of picture patrons who have been tired by so-called "specials." There's nothing that might be termed "stupendous" or "gorgeous" in the make-up of "The Story Without a Name." There are big scenes, both scenically and from an acting standpoint. Miss Ayres and Tony Moreno happen to be our favorites—as they are with millions of other fans the world over. Tyrone Power, Dagmar Godowsky, Jack Bohn and others play in the supporting cast.

## FRANK MORTON FINDS MINSTREL PARTS PROVE USEFUL NOW

For a number of seasons Frank Morton, now appearing with his company at the Playhouse, was prominent in vaudeville as a blackface monologist and has also appeared with some of the best known minstrel organizations in the country where he was recognized as a premier "end man." This experience stands him in good stead this week, being called on to play a blackface role in "A Night in Venice," the current offering. The bill is proving a riot of laughs. Gladys Vaughan, Dave Dumbleton, Hilda Cooke, the Bennett Sisters, Anita Holt and Roy Earl are the principal members of the supporting cast. "Tribly," adapted from Du Maurier's celebrated novel, is the screen attraction. Undeclared for next week, the Playhouse announces the Morton company in the famous Drury Lane success, "Boston Blackie." "The Scarlet Pimpernel," the big British film production will be shown at the same time on the screen.

## "SCARLET PIMPERNEL" FILM AT PLAYHOUSE ALL NEXT WEEK

The massive all-British production of Baroness Orczy's celebrated tale, "The Scarlet Pimpernel," is to be shown next week at the Playhouse. The film captures all the thrills

## The NEWER Corsetry

—bringing to your figure the smooth, unbroken lines that must underlie the modern mode.

Now every woman insists on being straight and slender—her figure firmly yet flexibly held in. Yet she, herself, must be just as much at ease as if she had no corset on at all.

And so, to please the most fastidious, the famous House of Nemo now offers under the name of "NEMO-FLEX," a wide variety of these easy fitting, yet firmly controlling, underthings.

Flexible GIRDLES—back laced and without laces—generously panelled with pliant elastic webbing to provide ample support and comfortable control.

BRASSIERES—in beautiful brocades and novelty striped fabrics that lend new elegance and control in "above-the-waist" support.

Smart COMBINATIONS—girdle and brassiere deftly joined to furnish faultless foundations for the new "straight-line" gowns.

Exquisite garments, every one, that will at once surprise and delight you. See the new "Nemo-flex" garments now on special display.

IN WOMAN'S DOMAIN

BONNIEST BABY IN EMPIRE TO WIN HANDSOME AWARD

Mother and Baby Contest Planned for Wembley Exhibit

An Empire mother and baby competition is being arranged in connection with the British Empire Exhibition at Wembley in July, to which entries are invited from all parts of the Empire. The photographs of the bonniest babies received during the competition will be on display at the exhibition from July 6 to 11.

FOR CHAMPION BABY

The prizes are to be awarded on the joint total of marks secured by mother and baby. For the champion, a handsome silver shield will be presented to the city or township from which the champion baby is entered.

OVERSEAS ENTRIES

Entries from overseas must reach the headquarters, National Baby Week Council, 117 Piccadilly, London, England, not later than June 13. Entry forms and any information may be obtained from Dr. H. E. Young, Parliament Buildings.

Beauty

A Gleamy Mass of Hair

35c "Danderine" does Wonders for Any Girl's Hair

Girls! I tell you! When combing and dressing your hair, just moisten your hair-brush with a little "Danderine" and brush it through your hair. The effect is startling. Your hair will appear twice as thick and heavy—a mass of gleamy hair, sparkling with life and possessing that incomparable softness, freshness and luxuriance.

Wesley Church Annual Meeting Shows Much Progress Made

The annual meeting of teachers and officers of Wesley Methodist Sunday School, held on Monday evening when reports from the superintendent of departments were given and proved very encouraging.

MARY MACSWINEY THREATENS HUNGER STRIKE IF HELD

Chicago, April 30.—Miss Mary MacSwiney, sister of Terence MacSwiney, Irish hunger striker, entered this country without a passport, and had no intention of ever getting any, she said here before leaving for Minneapolis to speak to-day.

SCHUBERT CLUB TO GIVE RECITAL

The Schubert Club which was re-organized at its opening concert last February, and at a later date at the Empress ballroom by large and very appreciative audiences, will give their second recital at Memorial Hall on Tuesday evening, May 12.

UPLANDS CLUB CANCELS DANCE

In respect to the memory of the late John Savannah, the Uplands Golf Club has cancelled the dance scheduled for this evening at the Alexandra ballroom. Mr. Savannah was one of the most popular members of the club.

LADY ABERDEEN ANSWERS CHARGES

Says 38 Countries Represented in Council Have Divergent Views. Toronto, April 30.—Praise for Canada and plans for world friendship featured the speeches of prominent European women, en route to the conference of the international Council of Women, at Washington, when the visitors were entertained to luncheon by the Harbor Commission and the City on Wednesday.

FINE REPORTS OF SUNDAY SCHOOL

The report of General Secretary L. A. Young showed a total of 147 teachers and twenty-two officers and teachers and an average attendance for the year of 180. During the year, the school has put on a picture post Sunday when all the pupils brought cards to the number of about 800, and albums were presented to the children's ward of the Jubilee Hospital, the other to the Protestant Orphan's Home.

INCORPORATED 27 MAY 1670

# MEN WHO GO DOWN TO THE SEA IN SHIPS

Captain J. Roberts of the S.S. Homeric whose failure to rescue any from the sinking Japanese freighter Raifuku Maru, was criticised by many of his passengers.

In this photo, the greatest picture ever made of a sea tragedy, is shown, as seen from the decks of the S.S. Homeric, the last throes of the Japanese freighter Raifuku Maru, as she was engulfed by the raging seas off Nova Scotia, carrying in her, her officers and crew. Passengers and crew of the Homeric lined the rails helplessly, the women with tears streaming down their cheeks, as they watched the doomed men on the sinking ship wave their arms in frantic appeal for the aid that could not be given.

Chief Radio Operator Tomlinson of the S.S. Homeric, who received the S.O.S. from the sinking Japanese freighter Raifuku Maru, whose crew of thirty-eight perished.

### C. N. R. EARNINGS

The gross earnings of the Canadian National Railways for the week ending April 27, 1925, has been \$2,879,481.06, being a decrease of \$497,269.09 over the corresponding week of 1924.

### The S.S. Island Princess will continue the Summer service Monday, May 4, and will leave Victoria every Monday and Thursday at 7.15 a.m., and every Wednesday and Saturday at 8 a.m. On the Wednesday and Saturday trips the Island Princess will make a round trip of the Islands, returning to Victoria same evening. On the Monday and Thursday trips she will proceed through to Vancouver via the Gulf Islands, returning from Vancouver every Tuesday and Friday morning.

## EMMA ALEXANDER ARRIVES TO-NIGHT

### With Good List of Passengers Dorothy Sails at 11 o'Clock for South

With a good passenger list and a heavy freight, the Pacific Steamship Company's vessel, Emma Alexander, will arrive here to-night at the Rihet Pier at 10.30 o'clock, according to wireless advices received by W. N. Allan, agent for the line in Victoria. The vessel has had a fast passage, with good weather prevailing.

## TIMES SHIPPING CHART

## TO AUCTION SHIP FOR DAMAGE CLAIM

To satisfy claims of the Pacific Cable Company, which won action against the owners of the steamship Prince Albert, the local court will be held at auction to the highest bidder on May 12. The Prince Albert is known as a liquor freighter which plied in the trade between Central America and South America ports out of Victoria, and it is alleged that she damaged the Pacific cable off San Francisco anchorage there.

## ARGENTINE AVIATOR'S AGENT LEAVES VICTORIA FOR ORIENT ON EMPRESS TOMORROW EVENING

### Patricio D. Murphy Coming Here From Seattle Where Final Arrangements Have Been Made for Col. Zanni's Pacific Flight; Two Canadian Tugs Have Left for Japan and Will Convoy Plane Across Pacific.

Patricio D. Murphy, who is making preparations for the Pacific flight of Col. Pedro L. Zanni, now in Japan, will arrive in Victoria to-morrow and sail for the Orient aboard the Canadian Pacific Steamship Empress of Russia, which departs from this port about 5.30 o'clock, according to the latest advices. Mr. Murphy is making final arrangements for the flight and announces that Col. Zanni will hop off on the Pacific flight about May 18.

## The Eastern Townships Bank

A Chapter in the Story of a Canadian Banking Family

The Bank commenced its career on the eve of a remarkable development in the economic life of the Townships, and as the present network of railways began to spread over the district, as gold and copper mining came into prominence, and as factories were set up in the various centres, the Bank's business grew and prospered. Then came the lean years, for the Townships and the Banks alike, from 1874 to 1881, followed by a gradual revival of business, and from 1885 onwards by a marked expansion.

Buy Your Shoes at 30 1/2¢ On the Dollar

Winnipeg, April 29.—A writ claiming payment of \$14,250 or as an alternative the return of 100 shares of C.P.R. stock, has been issued in Court of King's Bench by Zilina Lobel, against William Martin, Alonso P. White and H. Jones, operating in Winnipeg under the firm of Clark and Martin. The writ alleges that on January 6, 1923, the defendants obtained from her 100 shares of C.P.R. stock without her knowledge, consent, or authority. The statement further charges that the defendants have refused to surrender the stock.

The hearing is shortly for the East to represent the Province to the appeal to which the defendant is respondent, it is understood. The appeal was lodged by the prosecution from an order of the B.C. Court of Appeal granting a new trial to the defendant.

In order to avoid conflict with the performance of the May Day Players' Club on Friday, May 1, the Saanich May Day exhibition, which Miss Lillian Faithfull, M.A., J.P., was to give on that evening has been postponed until the following night, Saturday, May 2, at the First Presbyterian Church, The exhibition which has already been issued for the Friday date will hold good for the Saturday. Miss Faithfull is touring Canada under the auspices of the National Council of Education, and on Monday, May 11 will give an address before the Women's Canadian Club, to which the University Women's Club has been invited.

One Man Injured When Train on Way to Fire Strikes Fallen Tree While travelling to a small forest fire on the Esquimalt and Kamloops line yesterday a work train struck a tree across the rails and the caboose was hurled from the tracks. Alexander Hill sustained cuts about the head and arms. Two broken ribs. The train, traveling north, backing along the track at a slow rate of speed, with an eye on the burning timber and with a view to subduing flames, came in contact with a tree across the rails and the caboose went hurtling from the tracks, damaging itself and the trainman slightly. The train was repaired and under way again within a few minutes, the track having been cleared and the injured man having been made comfortable. He is now in Vancouver and in good condition.

OBITUARY The funeral of the late Lucy Jane Knechtel took place on Wednesday afternoon from the Catholic Hall, where a large number of friends attended the service. The floral tributes were beautiful, showing the esteem in which Mrs. Knechtel was held by her many friends. Mr. Maynard and Mr. Smart conducted the service, which the remains were laid to rest at Ross Bay Cemetery.

The funeral of Lewis A. Barber, infant son of Mr. and Mrs. Barber, will take place on Friday morning at 10:30 o'clock from McCall Street. Funeral charges covered by the deceased. Rev. H. V. Hitchcock will conduct the service, after which the remains will be laid to rest at Ross Bay Cemetery.

Funeral services for the late John Savannah will be held at the B.C. Funeral Chapel on Friday at 2:30. Interment will be made in Royal Oak Burial Park.

Prosecution in liquor cases brought by the city police against five separate accused opened to-day with C. L. Harrison for prosecutor. Mrs. Nellie Clausen, Sam Clausen, George Kendrick, George Chapman and Mrs. Ellen Ferguson are charged on remand with breach of the Liquor Act. Hearing opened in the case of Rex vs. Mrs. Ferguson continues.

GASOLINE CAUSE OF FATALITY, SAY COURT'S JURY Victim of Accident Was Conscious While on Fire

The extreme danger of the use of gasoline for household purposes was stressed at an inquest held this morning at the Sands Funeral Company premises under Coroner E. C. Hart. The inquest was called to consider the tragic circumstances under which Mrs. Margaret Corbett Martin, wife of Norman G. Martin, 123 Buxby Street, met her death, following an explosion at the home on Tuesday at 10:40 a.m.

The jury, after seven minutes deliberation, found a verdict of accidental death and suggested that every care be given to the likelihood of an explosion arising in the future from similar circumstances.

While standing in the pantry the elderly woman was conscious of a terrific explosion, which was followed by a falling of provision jars all around her.

Witness rushed into the kitchen in time to see the unfortunate victim of the accident stumbling from the bathroom in a mass of flames. Mrs. Martin, Sr., then tried to put out the fire that had started in the kitchen, using water without success.

Commander Maurice B. Maude, R.N., retired, seventy-seven-year-old navigator, who will attempt to reach England in a twenty-five-foot deck-type sloop, left Mayne Island yesterday morning at 8 o'clock and was expected here before noon today.

PRINCE OF WALES WAS WELCOMED IN CAPETOWN TO-DAY Archbishop of South Africa, General Smuts, former Premier, and Sir Thomas Smart, Commissioner of Public Works, welcomed the Prince as he stepped on South African soil. Just as he landed, the sun burst through the mist. CROWDS CHEERED As the Prince drove through the city, the route was packed with cheering crowds, who gave the visitor the heartiest of welcomes. A feature of his escort which interested the Prince was a body of South African Mounted Rifles, superbly mounted. The principal function in the welcome to the Prince was the civic meeting in the large open spaces fronting the City Hall, which was packed to its utmost limit. SHOOK HANDS WITH MANY The arrival of the Prince was marked by a tremendous outburst of cheering. He was greeted by the Mayor and the city council, who presented him with a number of addresses was presented, the Prince shaking hands with all who made the presentations and making appropriate replies. SPEECH BROADCAST The Prince replied to the addresses at the civic meeting after his landing, voicing the idea of the development of Capetown as a health resort for the whole world. Loud speakers broadcast the speech throughout the city, and the Cape wireless station distributed it over the whole Union. The Prince was given all possible honors on landing. The Earl of Athlone, Governor-General, accompanied by Princess Alice, his wife, boarded the Repulse to greet him, while hundreds of South Africans in white coats surrounded the battleship. Premier Hertzog, the Cabinet Ministers, the Speaker of the House and the President of the Senate, the

Cured Her Rheumatism Knowing from terrible experience the suffering caused by rheumatism, Mrs. J. E. Hurst, who lives at 254 Davis Avenue, 2544, Bloomington, Ill., is so thankful at having cured herself that she is anxious to tell all who suffer just how to get rid of their torture by a simple way of her own. Mrs. Hurst has nothing to sell. She has only this to say: "I have cured myself and I can cure you. Write her at once before you forget."

PHILLIES BEAT GIANTS SECOND GAME IN A ROW

McGraw Tries Three Pitchers, But Philadelphia Cracked Ball on the Nose

Boston Turns Back Brooklyn; Detroit at Last Trips Up Sisler's Indians

New York, April 30—Cold weather and wet grounds forced the postponement of all but three major league games yesterday.

At New York the Phillies beat the Giants for the second consecutive time by the score of 13 to 9 after pounding three Giant pitchers and using four themselves.

Virgil Barnes rushed into the box in the eighth after Dean and Greenfield had faced the ambitious Phillies, was hit unmercifully and before the inning had ended the visitors had scored four times and won the game.

Meantime, the Cincinnati Reds were idling with the Cubs, owing to cold weather. Nevertheless, the Giants' defeat brought the Reds to within half a game of the league leaders.

In Brooklyn the lowly Boston Braves beat Brooklyn 10-3, sending four pitchers to the showers under an avalanche of seventeen hits, while the Dodgers counted twelve times off Jesse Barnes, formerly of the Giants.

In the American League the only game played was between Detroit and St. Louis, the Tigers winning their first game in the last eight starts by a score of 11 to 5. George Sisler stretched his continuous hit record to fifteen games by connecting safely three times.

WASHINGTON STILL LEADS The cold snap put a crimp in the game between the Senators and Boston. However, Washington is still leading the American League and today will play the Philadelphia Athletics in Washington.

Before the contest, the first world championship ever won by a Washington major league baseball club, will be raised at Griffith Stadium. President Coolidge is planning to attend the ceremonial.

Another day of rest for the New York Yanks left them in seventh place. West grounds at Philadelphia compelled the postponement. The Yanks are off today for a four-game series in Boston.

New York, April 30—Once again the New York Giants went down before the Phillies yesterday 13 to 9. In a slugfest which ended for two hours and a half, Dean of the Giants and Fillinger of Philadelphia were knocked out of the box in the first inning.

R. H. E. Philadelphia 13 15 2 New York 9 9 3 Batteries—Fillinger, Couch, Ulrich, Knight and Henner; Dean, Greenfield, Barnes and Devine.

BOSTON HITS HARD Brooklyn, April 30—Boston batted four Brooklyn pitchers hard yesterday and won 10 to 3. Herb Thormahlen gave the Braves five runs, five hits and a half. Dean of the Giants allowed the Dodgers twelve hits but was effective with the bases occupied.

R. H. E. Boston 10 18 2 Brooklyn 3 12 2 Batteries—Barnes and Green; Thormahlen, Eash, Hubbel, Gescher and Taylor.

AMERICAN LEAGUE Detroit, April 30—Detroit bunched hits against wild pitching and won its first game in the last eight starts, defeating St. Louis 11 to 5. Sisler made three hits and continued to the fifteenth game of his continuous hit record.

R. H. E. St. Louis 5 10 1 Detroit 11 13 2 Batteries—Wingfield, Vangilder, Daforth, Clemons and Severid; Whitehill, Doyle, Stoner and Bessler.

At Chicago: Cleveland-Chicago postponed, rain.

R. H. E. St. Louis 5 10 1 Detroit 11 13 2 Batteries—Kunz, Fowler, Arlett, Delaney and Baker; Plummer and E. Baldwin.

LOSING STREAK ENDS Los Angeles, April 30—Sacramento broke its losing streak of eight straight defeats, winning over Los Angeles yesterday 7 to 3, when Ray Koening held the Angels to four hits.

R. H. E. Sacramento 7 14 1 Los Angeles 3 10 1 Batteries—Koenig and Shea; Wright, Ramsey and Sandberg.

SEALS LEAD ALL WAY SAN FRANCISCO, April 30—Gene Valia hit a home run on the first ball pitched by Murphy of Salt Lake in the first inning of yesterday's games, and the San Francisco team was never headed. The Seals collected 19 hits off three Bee pitchers, while Williams held the visitors to seven singles.

R. H. E. Salt Lake 4 7 4 San Francisco 19 15 1 Batteries—Murphy, Bahr, Perry and Peters; Williams and Yelle.

CLIMBS IN TWELFTH Portland, Ore., April 30—Portland got out of the cellar again by knocking Vernon into it by winning

Pictorial Golf Instruction Wrist Action in Making Shots

Wrist action has always been a mystery to the average golfer. In the early days of his golf career he hears little else from his fellow golfers but "get your wrists into it." This advice often comes from one who himself does not know what wrist action means and how to apply the wrist power.

GOOSEMAN WINS Wilmington, Cal., April 30.—Ernie Gooseman of San Diego, a contender for the featherweight title, defeated Ruby Lavins of Los Angeles in a ten-round fight here last night. The bout was fast and close, Lavins was floored momentarily twice.

RUTH GETTING BETTER New York, April 30.—Considerable improvement is reported in the condition of Babe Ruth, heavy hitter of the New York Yanks. He will not be a yard from the clubhouse for several weeks.

Montreal Football Clubs Boycott Connaught Cup Competition

Montreal, April 30.—Montreal league clubs will boycott the Connaught Cup competition if they heed the recommendation of the league executive which at a meeting last night went on record as being against any club from that league bringing the Dominion championships. The action of the league executive followed upon a ruling by the Province of Quebec ball association council that no guarantees could be added for traveling expenses when playing out of town club or vice versa.

School Lacrosse Match Is Won By George Jay Team

Defeated South Park Twelve 8-5 Yesterday Afternoon in Close Battle

In a hard-fought lacrosse game the George Jay School defeated South Park yesterday afternoon at the Royal Athletic Park, by a score of 8-5. Both teams played well and taking into consideration that this was only the second match of the School Lacrosse League the brand of lacrosse displayed by the youngsters was good.

Amateur Basall League Will Hold Meeting Tonight

A meeting of the executive of the Victoria Amateur Baseball League will be held tonight in room 800, Belmont Bldg. It is almost certain the Commercial Travellers will enter the league and make fourth team. A schedule was drawn up and the teams to participate in the opening game on May 16 will be decided tonight.

Canadian Wreing And Boxing Titles Decided at Winnipeg

Winnipeg, April 30.—Fourteen Canadian boxing and wrestling titles were decided at the Dixon championships, which opened at the Board of Trade Building yesterday. Close to 3,000 fans throughout five hours of wrestling and boxing bouts in all, the fifteen titles, six went out of Province, seven were won by Winnipeggers, and two championships were won by Manitobans outside the city.

Draw Announcer for The First Round of Macaulay Golf Title

The draw for the first round of the annual club championship of the Macaulay Golf Club has been made. The draw is as follows and the round will be played on Sunday:

Championship Flight H. Law vs A. Christopher. W. B. Christopher vs J. G. Macbeth vs H. M. Hurley. J. G. Macbeth vs H. M. Hurley. V. M. Gallion vs J. T. Marshall.

Staples Beaten by Yard in Thrilling Mainland Bike Race

Vancouver, April 30.—Flashing to the front in the last hundred yards in one of the closest finishes in the history of the Vancouver Bicycle Club, rode to win by a yard from Charles Staples of Victoria, in the sixth annual Daily Province bicycle race in the record time of 17 minutes 47 3/4 seconds.

Sweeping Away Wins

Havre de Grace, Md., April 30.—Sweeping Away won the \$10,000 Chesapeake stakes for three-year-olds here yesterday afternoon. Over-olds were second and By Himself third. Sweeping Away ran the mile and a sixteenth over a heavy track in 1:47 1/5. Two-dollar mutuels paid \$140.

EDWARDS FLOPS CHAPLAIN

Portland, Ore., April 30.—Hub Edwards, light-heavyweight wrestler of Chicago, took two straight falls from Abe Kaplan, Chicago, here last night.

They Carry Mack Punch Simmons and Lamar Figured to Keep Athletics in Race This Season

AL SIMMONS, LEFT, AND BILL LAMAR Weakness in the outfield, featuring a decided lack of batting power, has for several years been a chief concern of Connie Mack in rebuilding his club. It has been solved.

In Al Simmons and Bill Lamar, Mack figures he has two of the best outfielders in the American League. He defies you to name two other outfielders he would trade them for.

American Tennis Titles Do Little Passing Around

Perhaps there is no other major sport where titles change hands less often than in tennis.

Both Men and Ladies' Title Holders, As a Rule, Have Been Good Repeaters

For glancing down through the list of national champions in both the men's and women's events, one finds a most remarkable record of repeat winners during the past fifteen years. In other words, when a reigning champion has ever produced a new champion, it has usually remained there for a spell.

P. Nurni Gallows To More World's Marks On California Track

Los Angeles, April 30.—Pasvo Nurni thrilled 35,000 fans at a bargain-counter track meet here last night by topping his own thirty-year-old record of 4:43 2/5 for the mile and a half run.

JOHNSTON IN LIMELIGHT

In 1915, William M. Johnston, another California product, led the field, followed by Williams in 1916 and the succeeding year. Johnston won the honors back again by beating William T. Tilden 2nd, in the final round. In 1920, however, Tilden turned the tables on Johnston and has held the title ever since.

Sande Wins Again

Jamaica, N.Y., April 30.—Earl Sande, laid low by a broken leg in the upper rung two years, 1912 and 1913. He literally "burned" himself out of the following year when he started the tennis world by defeating the two Australian stars, Wilding and Brookes, in the Davis cup classic, losing to B. Norris Williams 2nd.

Knockout For Flowers

Savannah, Ga., April 30.—"Tiger" Flowers of Atlanta knocked out Sailor Darden of New York in the fifth round of a scheduled twelve-round bout here last night.

Brentwood Eleven Wins First Cricket Match of Season

University School Unable to Hold Students in Wednesday League Game

Brentwood College won the honor of being the first winner of the 1925 cricket season. Yesterday afternoon Mount Talmie Brentwood scored a win over the University School by 106 runs to 19. This was the first game in the Wednesday Cricket League.

The University eleven were hypnotized by the bowling of Brentwood. Not one of their players reached double figures and six were dismissed without a score. Bryden took five wickets for only four runs and led the bowlers.

Brentwood did very well at bat and ran their total beyond the century. Crear topped the side with a well played 58. Only two Brentwood players failed to score while seven reached double figures.

As a result of their win Brentwood leads the Wednesday League. The scores were as follows:

Table with columns: Player Name, Runs, Wickets. Includes University School and Brentwood College scores.

University School: Howden, b. Bryden... 1. Tye, b. Dorman... 2. D. D. Gordon, b. Bryden... 2. Brinkley, b. Bryden... 0. Benson, b. Bryden... 1. D. C. Gordon, b. Bryden... 0. Skilling, b. Dorman... 7. Cabellu, b. Bryden... 0. Holms, not out... 0. Total... 19.

Brentwood College: Cocks, b. Holms... 1. Scott-Moncrieff, b. b. Howden... 1. Howden, b. D. D. Gordon... 13. Crear, b. b. Gordon... 58. Wilson, b. b. Holms... 10. Dorman, b. b. Holms... 12. Henderson, b. Gordon... 0. Bryden, b. Gordon... 0. Bryden, b. Brinkley... 11. Phillips, not out... 4. Malkin, b. Graham... 2. Extras... 2. Total... 106.

Bowling Analysis: University School—O. R. W. Dorman... 4.8 4 5. Bryden... 4.3 4 5. Rounds... 2 3 1. Brentwood College—O. R. W. Holms... 6 33 3. Gordon... 4 26 1. Howden... 4 24 2. Graham... 10 5 2.

Huddersfield Are Again Champions In English Soccer

By Holding Notts County to Draw Yesterday Yorkshire Men Won Pennant

London, April 30.—Huddersfield Town clinched the championship of the English Football League yesterday afternoon, when at Nottingham, they played and one-goal draw with Notts County. Thus for the second year in succession the Yorkshiremen are stamped champions of English soccer.

While they still have one game to go, playing Liverpool at Huddersfield on Saturday night, they have field on Saturday a definite lead that it will be impossible for West Bromwich to overtake them. West Bromwich, who are runners-up at present, may find themselves ousted from this position on Saturday by Bolton Wanderers, whom they play at West Bromwich. But in any case even if the Bolton should win a single game, they will be unable to equal the average of Huddersfield. This is utterly out of the question.

The champions and runners-up stand as follows: Team—P.W.D.L.F.A.P.T. Huddersfield... 41 21 15 5 63 27 97. West Bromwich 41 23 9 58 24 55. Yesterday's games resulted as follows:

ENGLISH LEAGUE—FIRST DIVISION Aston Villa, Blackburn 2. Liverpool 1, Huddersfield 1. Liverpool 1, Cardiff 2.

THIRD DIVISION Southern Section Plymouth 5, South End 8. Northern Section Durham 5, Nelson 1. (Friendly) Corinthians 4, Crystal Palace 1.

RUGBY: Bridged 6, Cardiff 6. Northern Union Hunslet 9, Wakefield 7.

Jim Riley Hitting Ball Hard in South

Jim Riley, former Vancouver baseball star and Coast League hockey player, covered himself with glory in the opening game of the Southern League. The big fellow connected with the ball for two homers and two doubles out of four trips to the plate. His team lost, 15-12.

There you have the men and women titlists in the realm of United States tennis since 1909—seven of them all told. It shows that crowns in the net game, as a rule, are not simply year-to-year ornaments.

Mrs. Wightman was the champion in 1919, but the next year Mrs. Bjurstedt, returning to Mrs. Mollory, won back her much cherished laurels and added three more titles to her list. That's pretty close to an average reign of three seasons.

Over the same length of time the United States women's crown has been claimed by but five members of the fair sex. They are: Helen Hotchkiss, Mary K. Browne, Mollie Bjurstedt (later Mrs. Franklyn I. Bjurstedt), Mrs. George W. Wightman and Helen Wills.

Helen Hotchkiss ruled the throne in 1909-10-11. In 1915, Mollie Bjurstedt gained the honors and held them all told, since 1909—seven of them all told. It shows that crowns in the net game, as a rule, are not simply year-to-year ornaments.

Mrs. Wightman was the champion in 1919, but the next year Mrs. Bjurstedt, returning to Mrs. Mollory, won back her much cherished laurels and added three more titles to her list. That's pretty close to an average reign of three seasons.

**Pure Milk**

In a modern package. That is all there is to Carnation Milk—just pure milk with part of the natural water content taken out by evaporation.

All the food value of full-cream milk is left in. No artificial sweetening or other preservative is added.

Sold by grocers through-out British Columbia.

Write for free recipe book.

**Salvation**

for the worst

Under the flowing tide of life, carried on the current of circumstances, can be found, by those who look for them, the devil, the moral degenerate, the outcast. Can these people be transformed and inspired with hope?

The Salvation Army answers with an unmistakable "Yes!" and points to the multitude it has influenced who today are reformed, regenerated and good citizens, many fighting for the redemption of their fellows.

The Self Denial effort is your opportunity to help the Salvation Army officers who, deep in the gloom of the underworld, are working day and night for God and the People.

**Diamond Jubilee Self-Denial Effort, 1925**

Gifts marked "Self Denial" can be handed to the local representatives of the Army in Canada West.

**American Home to Be Seen in France**

New York, April 29.—A model American home of ten rooms and three baths, built and completely furnished in New York, will be shipped to France and set up in the Grand Palais at Paris as a part of the United States section of the International Exhibition of Household and Labor Saving Devices, October 22 to November 16, it was announced here today by Arthur Williams, vice-president of The New York Edison Company, who has been chosen president of the American Section of the Exhibition. The house will be a gift from the United States to the French Department of Public Instruction, under whose auspices the exhibition will be held.

The decision to send a model American home to Paris was made as a result of the report of Albert Brodant, general commissioner of the National Office of Industrial Research and Inventions, that French women have heard so much of the comforts of American homes, particularly of the modern American kitchen and laundry, they are beginning to demand American house furnishings, household appliances, and labor saving devices. The constant comparison of the heating, plumbing and lighting facilities of French homes and hotels with those of this continent on the part of tourists and American residents in France, Mr. Brodant said, also has induced a strong demand for American household equipment among the hotel proprietors and apartment owners of France who hope to induce visitors to stay longer and perhaps become permanent residents of France.

**Benefits of Massage Without Massage**

You all know the splendid benefits of expert facial massage. But do you also know that if improperly done, or too frequently, it tends to loosen the skin, weaken the muscular foundation, producing sags and wrinkles?

If more women only knew it, all the good of massage, and more, with no harmful effect, may be had by applying a simple mixture of powdered tartaroc and lemon juice, a spoonful of each. This, instead of making the face sabby, does the very opposite. Its action is perfectly astounding. In your mirror you are wrinkling, age lines and sagging. Literally "pressed out"—in less than fifteen minutes! A beautifully rounded contour results, and a youthful pink glow mounts the cheeks. You can obtain an original package of powdered tartaroc from any druggist, enough to bring the cost of each treatment down to three cents or less! It's the greatest thing yet discovered to make old-looking faces young looking. (Adv't.)

**PARIS TO NEW YORK FLIGHT NEXT JULY**

Distinguished Aviators Set Date for \$25,000 Prize Bid

Paris, April 29.—The long proposed flight from Paris to New York will be attempted about July 29, it is announced by Paul Taranovsky and Francis Col, both distinguished aviators who were severely wounded during the Great War. They will attempt to win the \$25,000 prize offered in 1913 by Raymond Orteff for the first flight from Paris to New York and return. They plan to fly via England, Ireland, Newfoundland and Nova Scotia in a hydro-aeroplane.

**BEDTIME STORY**

**Uncle Wiggily Helps Scooter**

Copyright, 1922, by McClure Newspaper Syndicate.

Just as Uncle Wiggily was about to hop out of his hollow stump bungalow one day to go adventuring he heard some voices whispering in the hall. At once he knew who was talking.

"Those are some of my new little rabbits," whispered the bunny uncle and daddy to himself, for he had married a widow rabbit with a great many children. "I wonder what trick they are trying to play on me now?" For Nipper and Napper, Tingle, Tangle and Jangle, as well as Scooter and Tooter—to mention only a few of the bunnies—were full of fun—always trying to play tricks on their new daddy.

Then Uncle Wiggily heard Jangle say: "When Daddy Wiggily comes along you ask him to sit down in this arm chair to rest his poor, weary bones."

"Yes, I'll do that, Jingle," whispered Jangle. "But what will you do? There isn't any fun in just asking him to sit in a chair. But I'll 'I know," went on Jingle. "But when you ask him to sit in the chair I'll slip up behind him, pull it away and he'll fall on the floor. But I'll put a cushion down for him to fall on so he won't hurt his rheumatism. Won't that be a fine joke?"

"Oh, assumptions!" whispered Jangle. But Uncle Wiggily laughed

What's in the hole? asked Jingle.

to himself, and when he went in the hall and Jangle asked him to sit in the armchair, instead of doing that Uncle Wiggily hopped over and sat in the rocking chair. And as Jangle wasn't there to pull that chair away, the bunny didn't fall.

"Oh! Oh!" said Jangle. "Thank you, my dearest, for giving me a chair to sit in," spoke the bunny gentleman, and he twinkled his pink nose in a queer way and blinked both eyes at the little rabbit girl. So their joke didn't turn out the way they expected, and they felt rather foolish, which was quite proper.

Then Uncle Wiggily said: "Come now, my dears, we shall go look for an adventure."

"I think this was quite kind of him, don't you? Especially after the trick Jingle and Jangle tried to play on him. But Uncle Wiggily always was that way. So forth he hopped over the fields and through the woods, followed by Jingle and Jangle, until, at last, they reached a place amid the trees and saw Mr. Twistytail, the gentleman pig, looking down into a deep hole.

"Hello, Mr. Twistytail!" greeted Uncle Wiggily. "Are you looking for some acorns to pop out of that hole?" "No," granted the pig. "But something must soon come out of that hole, for I saw something go in, and it hasn't come out yet, for I have been here ever since."

"What's in the hole?" asked Jingle. "Is it the Wolf?"

"No, it is too small to be the Wolf," the pig answered. "To me it looked like a little bunch of white cotton." And then Mr. Twistytail looked at Uncle Wiggily's short tail, and at the tails of Jingle and Jangle, and went on, "It's a rabbit—that's what it is! A rabbit went down in that hole and it hasn't come out! It was the little bunch of white fur on his tail that I saw!"

"Oh, maybe it is one of my wife's little bunnies!" said Uncle Wiggily. Then he called down into the hole: "Who is there? Come out, no one is going to hurt you!"

Out of the hole a voice answered: "I am Scooter, but I can't get out of the hole! I am stuck fast in it. I've twisted and turned and wiggled and wiggled, but I can't get out. I thought there was an opening at the other end of this hole, but there isn't! Please get me out!"

"I will," said Uncle Wiggily. Then the bunny gentleman, with his strong paws, made the hole much larger, and when he had dug down some distance, there was poor Scooter, all jumbled up into a ball of fur. Mr. Longears helped him out and said:

"Never jump into a hole, Scooter, until you are sure there is a way out!" And the little rabbit boy said he never would again.

So he learned his little lesson, and was better for it. And if the rag doll doesn't lose one of her shoes butting her eyes down the crack in the board walk, I'll tell you next about Uncle Wiggily's May basket.

**Mond Declares Gold Standard a Mistake**

London, April 30.—Sir Alfred Mond, addressing the Commons yesterday, said he doubted the wisdom of the country's return to the gold standard, saying "it would be the British monetary system to that of the United States and make the London bank rate more subservient to Wall Street than it had in the past, "in order to obtain a purely sentimental result."

**VICTORIA-NANAIMO ROTARIANS TO HOLD INTER-CLUB PARTY**

**200 Visit Duncan Yesterday; Hon. Dr. Sutherland Speaks on Highways**

Almost 200 Victoria and Nanaimo Rotarians, with their ladies, last night held a joint celebration at the Duncan Agricultural Hall. Norman E. Carter, retiring president of the Nanaimo Club, acted as chairman, and after the supper had been disposed of, called on C. F. Davey, M.P.P. for Cowichan-Newcastle, to introduce Hon. Dr. W. H. Sutherland.

Sutherland "as a Minister who runs his department in the interest of the country at large, and not with an eye to political results."

**VAST AREA SERVED**  
Dr. W. H. Sutherland described the Provincial roads situation as one of the most serious problems before the people. He hoped "to live up to at least a part of the kindly remarks of Mr. Davey."

The main trunk roads mileage to be looked after by the Province equals over six times the distance from Vancouver to Montreal, he said. Problems are aggravated by scattered settlement, the whole Provincial population is only equal to Greater Toronto. As seventy-five per cent is resident in the cities, the great provincial roads system is constructed and maintained for less than twenty-five per cent of the population, he pointed out.

One of the serious problems resides in the fact that most of the early trails were to serve traffic northwards from the International boundary.

With the advent of the motor car conditions changed, and demands are made on the taxpayers for better constructed and located highways. Last year 219,000 cars came into British Columbia on tour, bringing

a transient population in excess of the resident inhabitants of the Province.

**GAS TAX EQUITY**  
The gasoline tax had been instituted in great measure to collect from visitors a reasonable contribution towards the cost of the highways used by them. The tax was being used to provide interest and sinking fund on bond issues made for new highways.

Dr. Sutherland appealed for consideration by truck operators, pointing out that hundreds of thousands of dollars would be saved if trucks kept off the roads when the frost is coming out of the ground. "Some one has to pay for such terrific damage," he pointed out, telling of one truck which, on one journey over a few miles of closed roadway, inflicted damage costing over \$14,000 to repair.

Oiling highways will be continued on the Island Highway as far as possible, the cost being from \$1,000 to \$1,200 per mile as compared with \$2,000 per mile for concrete. Dr. Sutherland said the results last year were satisfactory and give promise of a good, easily maintained surface after three or four yearly applications.

**PROVINCIAL HIGHWAY**  
Dr. Sutherland dealt with the Provincial Highway, pointing out that the possibility of trans-Canada travel without having to enter the United States was a great inducement to interprovincial traffic among Canadians.

**PAVING MUST PAY**  
He explained that hard surfacing was being performed at those points where experience has shown that maintenance of gravel roads exceeds the cost of interest and sinking funds on the bond issues. A general hard surface programme is impracticable in British Columbia, he believed, because of the scattered population and the difference in landownership as compared with Washington State, where the landowners fronting paved roads pay a direct tax for the highway.

**MAYOR MOVES THANKS**  
Mayor Pendray thanked Dr. Sutherland for his promise of continued attention to Island roads. He expressed the willingness of Victoria to co-operate with Nanaimo and other Island communities, in attracting a larger share in the tourist traffic and then moved a unanimously adopted vote of thanks to the Minister for his attendance, address and promises of service.

Miss M. A. Witley, president of the Kuntuks Club, and Miss Lottie Bowron, past president, represented that organization, other guests of the evening being Mayor Murray of Duncan, Dr. D. E. Kerr, president of the Associated Boards of Trade of Vancouver Island, and C. F. Davey, M.P.P.

The Victoria Rotary orchestra provided many musical numbers during the supper and also played for the dancing which closed the evening's celebration.

Dr. J. McPhee presented President Carter of the Nanaimo Club with a token of the appreciation of the members for the most successful year, notable for high attendance percentage, no withdrawals from the club and an access of new members.

Ernest Eird, the new president of the Nanaimo Club, was introduced to the gathering.

Many suggestions were made in support of more frequent joint meetings, the clubs cheering each other and chorusing "Jolly Good Fellows" as a precedent to the dancing.

**ELECTION PETITION HINGES ON DATE**

**Judge to Decide if North Vancouver Provincial Case is to Proceed**

Vancouver, April 30.—Whether the North Vancouver election petition has not died a natural death is a point which counsel for J. M. Bryan, M.P.P., and Percy T. Masterman, returning officer, will seek to have determined before R. S. Lennie, counsel for the four defeated candidates, is permitted to continue his application for a commission to take the evidence of 270 absentee voters as to which candidate they marked their ballots for. The Liberals contend Mr. Justice Murphy fixed April 21 as the outside date for affidavits alleging fraud, and that when Mr. Lennie permitted that date to pass his whole case collapsed.

**AMBASSADORS NOT GOING TO ANGORA**

London, April 30.—Efforts of the Turkish Government to force the principal powers to recognize embassies to the new capital at Angora are not meeting with success. According to diplomatic circles in London, the powers intend to "stand pat" on their decision of some months ago to remain in Constantinople, notwithstanding the fact that the Turkish officials have sent them note after note on the subject.

Angora, among the diplomats, is looked upon as a nice, quaint, antiquated mountain village, a splendid town for the wool trade and other commercial purposes, but altogether unfit as a home for ambassadors and others who are accustomed to all the comforts of civilization. The surroundings, they declare, are insanitary, and it appears the governments of all the ambassadors concerned have tacitly agreed to back up their representatives in their determination not to move.

There was talk some time ago that the German ambassador had made arrangements to have a portable bungalow sent from Berlin to Angora to serve as an embassy, but this has not as yet appeared, and the report current now is that the Germans too have entered the agreement to remain in Constantinople, or its suburbs, where permanent embassies were built years ago.

"He's a nice man to take a girl fishing. I must say," said the pretty girl.  
"My darling—how dreadful!" cried her mother. "Confide in me. Tell me what he did."  
"He just fished," explained her daughter, petulantly.

Subscribers to the first 25,000 Preference Shares to receive 40% Common.  
Subscribers to the second 25,000 Preference Shares to receive 30% Common.  
Subscribers to the third 25,000 Preference Shares to receive 20% Common.  
Subscribers to the fourth 25,000 Preference Shares to receive 10% Common.

On January 15, 1925, following an act of the Department of Marine and Fisheries, it became legal to catch and use for reduction purposes the untold millions of fish known as Filchards in Districts Nos. 1, 2 and 3.

The demand for the products, fish meal, fish oil and fish fertilizer, so exceeds the supply that the Esperanza Fisheries Limited has had offers from six of the leading brokerage houses in this line of business to contract for the output for the next two years at a profit that will assure large dividends.

The officers and directors of the Esperanza Fisheries Limited do not claim to be what are termed "Leading Citizens" who are generally found on a prospectus, from whom we have had several offers.

Investors do not realize that the said "Leading Citizens" usually expect a large block of shares for the use of their name, which actually means nothing to the success of the Company but a loss to the investors.

Having put our own money into this business, we do not propose to carry any deadwood. The said "Leading Citizens" as a rule have no knowledge of the business, and although of little or no use to the Company, are among the first to look for their dividends when declared, which is at the investors' expense.

We again refer you to the above men who are interested, their years of experience, their knowledge of the business, the fact that they themselves are heavily interested. To put this deal over they put up the necessary money for advertising, and NOT ONE CENT OF THE INVESTORS' MONEY HAS BEEN EXPENDED FOR THIS PURPOSE.

The Fishing and Reduction Industry as conducted by the successful companies is safer and sounder than any other business, for the reason that all available scientific information is used in making locations. It is the law of averages that yield the enormous dividends that are paid.

The Esperanza Fisheries Limited do not expect to do better than many of the large American firms are now doing, but we do know we can do as well for we have followed the same principle.

The Fishing and Reduction Industry today is one of the safest investments in the world.

We are convinced that you will give your support to this movement and lay the foundation for a yearly income.

It is to your best interests to forward your application as soon as possible, and by so doing secure the greatest number of the Bonus Common Shares.

We believe that this is the opportunity you have been looking for to associate yourself with real men, who understand their business, thus making an organization built upon mutual trust, confidence and co-operation.

Orders for these shares will be filled as received, bonus shares allowed accordingly.

Out-of-town subscribers may wire reservations at our expense. Investors will buy bonds at 4% and 5% from those who use your money in just such enterprises as we now offer you, from which they net 10 to 30%.

You take the advice of your banker, who does not wish you to withdraw your money, not realizing the fact that any bank is but a commercial enterprise which must be made to pay.

Why should a banker advise you to withdraw money on which they are paying you nothing (on a checking account), or 3 1/2 to 4% on a savings account which they themselves are loaning out locally and elsewhere, and investing in the natural resources of the country, thus making the difference between what they are paying you and what they themselves receive.

Just because you yourselves have not the judgment or the opportunity to make your own investments.

When the general public wakes up to the fact that they can themselves make their own investments in the great resources of this country and receive direct the dividends which are paid, they will then commence to realize the dividends that are due to them and not to the medium of huge profitable financial or banking institutions which, in the end, the public maintains.

**Symbols of health and happiness**

Fairy grains that raise and keep them in the children's cheeks

RED, rosy cheeks are the symbols of thy childhood. Sparkling eyes, the challenge of good health.

The wonderful fairy grains, puffed to 6 times normal size, give rosy cheeks and sparkling eyes.

Changeable appetites of childhood hand variety. These fascinating grains meet every dent in the many ways they may be served.

At meal time or in the evening, served with milk or cream. After school, the children like it their pockets with these delicious nut-like grains.

Quaker Puffed Rice and Quaker Puffed Wheat are the whole grains, rich in minerals and carbohydrates. Milk or cream adds vitamins. They satisfy youthful hunger but do not tax youthful digestion. Aliked, ready to serve.

Your grocer has Quaker Puffed Wheat and Quaker Puffed Rice. For variety, keep a pack of each in the house all the time.

For Lunch Time

Try puffed grains for lunch, either with or without meat. When you are fatigued, they bring sustenance without uncomfortable heaviness.

Dated this 28th day of April, 1925.  
**STYRON & WALKER**  
 Applicant.

## TIMES CROSS-WORD PUZZLE

Another puzzle for Bible and crossword puzzle fans. It refers mainly to perhaps the most popular of all Biblical incidents. Now see how much of your Bible you know.

1	2	3	4	5	6	7	8
9	10	11	12	13	14	15	16
17	18	19	20	21	22	23	24
25	26	27	28	29	30	31	32
33	34	35	36	37	38	39	40
41	42	43	44	45	46	47	48
49	50	51	52	53	54	55	56

**HOW TO SOLVE THE CROSSWORD PUZZLE**  
 Every number in the form represents the beginning of a word, reading either horizontally or vertically. If there is a black square in the left of the puzzle, the word is horizontal; if above it, the word is vertical. The same number may of course begin both as a horizontal and a vertical. The definitions for the correct words are given below, with numbers corresponding to those on the form. Run through the definitions till you find one that you recognize, and put it in its proper place on the form, one letter for each white square. Continue in this manner till the form is completely filled. If you have solved the puzzle correctly it should read both horizontally and vertically with words corresponding to the definitions. The correct solution of to-day's puzzle will be printed in the next issue of the Times.

**HORIZONTAL**

1. The place of man's creation. Gen. 2.
4. A god. Gen. 18.
7. First man. Gen. 2.
8. Adam. Gen. 2.

42. Wet soil.
44. Upper part of thigh, where one holds a child. 2 King.

## "The Circular Staircase"

By MARY ROBERTS RINEHART

"I couldn't hear, but his voice was strange; it sounded startled. I waited for him to call out again, but he did not, so I went down stairs. He was sitting on the porch step, looking straight ahead, as if he saw something among the trees across the road. And he kept mumbling about having seen a ghost. He looked queer, and I tried to get him inside, but he wouldn't move. Then I thought I'd better go up to the house."

"Didn't he say anything else you could understand?" I asked.

"He said something about the grave giving up its dead."

Mr. Jamieson was going through the old man's pockets, and Gertrude was composing his arms, folding them across his white shirt-bosom, always so spotless.

Mr. Jamieson looked up at me.

"What was it you say to me, Miss Innes, about the murder at the house being a beginning and not an end? By Jove, I believe you were right!"

In the course of his investigation the detective had come to the inner pocket of the dead butler's black coat. Here he found some things that interested him. One was a small flat key, with a cord tied to it, and the other was a bit of white paper, on which was written something in "Thomas" cramped handwriting. Mr. Jamieson read it; then he gave it to me. It was an address in fresh ink—

**LUCIEN WALLACE,**  
 14 Elm Street, Richfield.

As the card went around, I think both the detective and I watched for any possible effect it might have, but beyond perplexity, there seemed to be none.

"Richfield?" Gertrude exclaimed. "Why Elm Street is the main street; why Elm Street?"

"Why do you remember, Halsey?"

"Lucien Wallace!" Halsey said.

"That is the child Stewart spoke of at the inquest."

Warner, with his mechanic's instinct, had reached for the key. What he said was not a surprise.

"Yale lock," he said. "Probably a key to the main room."

There was no reason why Thomas, an old and trusted servant, should not have a key to that particular door, although the servants' entry was in the west wing. But I had not known of this key, and it opened up a new field of conjecture. Just now, however, there were many things to be attended to, and leaving Warner with the body, we all went back to the house. Mr. Jamieson walked with me, while Halsey and Gertrude followed.

"I suppose I shall have to notify the Armstrongs," I said. "They will know if Thomas had any people and how to reach them. Of course, I expect to defray the expenses of the funeral, but this relative must be found. What do you think frightened him, Mr. Jamieson?"

"It is hard to say," he replied slowly. "But I think we may be certain it was fright, and that he was hiding from something. I am sorry in more than one way; I have always believed that Thomas knew something, or suspected something, that he would not tell. Do you know how much money there was in that worn-out wallet of his? Nearly a hundred dollars! Almost two months' wages—and yet these darkies seldom have a penny. Well—what Thomas knew will be buried with him."

Halsey suggested that the grounds be searched, but Mr. Jamieson vetoed the suggestion.

"You would find nothing," he said. "A person clever enough to get into Sunnyside and tear a hole in the wall, while I watched downstairs, is not to be found by going

## BULGARIA UNABLE TO GET SOLDIERS

Sofia, April 29.—The Bulgarian Government is considering calling army classes to the colors as it has been unable to get the 7,000 additional soldiers recently authorized by the Council of Ambassadors in Paris to pacify the country.

The killing of another terrorist suspect near here after a desperate struggle with the police is reported. Discovered carrying a package of bombs concealed in two flower baskets, the man killed an official who attempted to arrest him.

Police traced him to a house, but he took refuge in a nearby canal from which, for six hours he held the police at bay. He was finally bombed to death, but only after seven policemen had been killed.

## ARMY MODEL AIR ROUTE IS SUCCESS

Washington, April 29.—The United States Army Air Service for three years past has been operating with notable success a model airway system between Texas, Illinois and New York. The mileage increased from 95,350 in 1922 to probably more than 300,000 in 1924, and as soon as the model is safe and dependable, the army will be ready to withdraw in favor of civilian fliers.

The army planes carry official mail, passengers on official business, motion picture films and spare airplane parts, making the transfers from one flying field to another. The route does not overlap the mail system of the Post Office Department, and there is no night flying.

The southern lap extends from San Antonio to Dallas, Texas, to Muskogee, Okla., to Kansas City, Mo., to Belleville, Ill. (St. Louis). The northern lap extends from Belleville to Rantoul, Ill., to Dayton, O., to Cleveland, W. Va., to Washington, D.C. (Bolling Field) to New York City (Mitchell Field). There are also side routes from Dayton to Mt. Clemens, Mich. (Selfridge Field) and from Washington to Hampton, Va. (Langley Field).

In 1923, 104 flights were attempted, 88 being exactly on schedule, with a total of 1,234 hours flown, covering 98,250 miles. In 1923, 127 flights were attempted, 92 being exactly on schedule, with a total of 2,157 hours flown, covering 186,490 miles. In 1924, to September 30, the latest available figures, 127 flights were attempted, 74 being on schedule, with a total of 2,144 hours flown, covering 229,000 miles.

## DOCTOR ADVISED AN OPERATION

Read Alberta Woman's Experience With Lydia E. Pinkham's Vegetable Compound

Provost, Alberta.—"Perhaps you will remember sending me one of your books a year ago. I was in a bad condition and would suffer awful pains at times and could not do anything. The doctor said I could not have children unless I went under an operation. I read testimonials of Lydia E. Pinkham's Vegetable Compound in the papers and a friend recommended me to take it. After taking three bottles I became much better and now I have a bonny baby girl four months old. I do my housework and help a little with the chores. I recommend the Vegetable Compound to my friends and am willing for you to use this testimonial letter."—Mrs. A. A. ADAMS, Box 54, Provost, Alberta.

**Pains in Left Side**  
 Lachine, Quebec.—"I took Lydia E. Pinkham's Vegetable Compound because I suffered with pains in my left side and back and with weakness and other troubles women so often have. I was this way about six months. I saw the Vegetable Compound advertised in the 'Montreal Standard' and I have taken four bottles of it. I was a very sick woman and I feel so much better I would not be without it. I also use Lydia E. Pinkham's Sensitive Wash. I recommend the medicines to my friends and am willing for you to use my letter as a testimonial."—Mrs. M. W. ROSS, 580 Notre Dame St., Lachine, Quebec.

## Germany Is Expected To Honor Promises

London, April 29.—With Hindenburg at the head of the German Government and a new Government recommended in France, the British have fallen back on a policy of "wait and see" so far as the European security situation is concerned.

British officials presume Germany will stand by her securities proposals, which on this side of the Channel at any rate were adopted as the basis of negotiations for the building of a permanent peace in Europe.

They further presume that Hindenburg will confirm and continue the present German Cabinet, which as the Government that made the recent proposals accepted by Foreign Secretary Chamberlain as "honest and sincere."

British officialdom takes the view that further developments depend largely upon France. In a fortnight or so, it is thought, Foreign Minister Briand will visit London and continue the conversations begun by M. Herriot as Premier with Mr. Chamberlain in an effort to reach some basis for assuring the security of Western Europe.

## THE GUMPS—THE TUG OF WAR

I CAN'T STAND THE DELICIOUS SMELL OF THAT COOKING MUSH LONGER—TALK ABOUT FRAGRANCE—THE AROMA OF THAT HAM AND CABBAGE BEATS MY PERFUME! I EVER HEARD OF— I KNOW NOW HOW A FELLOW FEELS WHEN HE SWIMS AGAINST THE CURRENT ABOVE NIAGARA FALLS— I'VE ONLY LOST A HALF A POUND AND I'VE SUFFERED ENOUGH TO MAKE THE SIZE OF A SARDINE

HOW I'D LIKE TO BE ALONE ON A RAFT IN THE MIDDLE OF THE PACIFIC OCEAN WITH A BIG THICK TENDER PORTERHOUSE STEAK— I'LL TELL THE WORLD ONE OF US WOULD BE MISSING BEFORE WE REACHED LAND

IF MY BODY WAS HALF AS STRONG AS MY APPETITE I'D MAKE SAMPSON AND ATLAS LOOK LIKE A COUPLE OF CAME-EATERS— IF A JELLY-FISH HAD MY APPETITE HE'D MAKE THE OCEAN UNSAFE FOR SHARKS AND SWORD FISH— IF MY APPETITE GETS ANY BIGGER I'LL HAVE TO BUILD A WAREHOUSE TO KEEP IT IN—

## BRINGING UP FATHER

I KNEW IF I BOUGHT AN UMBRELLA THAT IT WOULD STOP RAININ'

HEY—FRIEND—WANT AN UMBRELLA? I'LL GIVE IT TO YOU!

ALL RIGHT!

I CERTAINLY HATE TO CARRY AN UMBRELLA WHEN IT CLEARS UP.

ALL I WANT IS FOR SOMEONE TO SPEAK TO ME SO I'LL HAVE AN EXCUSE FER HITTIN' 'EM!

RADIO ACHIEVEMENT

Johannesburg, South Africa, April 28—A radio duet of violin and piano was broadcast here recently with the players forty miles apart. Both used

head phones attached to crystal sets and were able to hear one another perfectly. The violinist was in the studio of the broadcasting station, while the sounds of the piano were carried forty miles by land line.

To Drill Oil Wells  
In Alberta Field

Calgary, April 28—One of the most extensive oil drilling programmes prepared by any one company for the coming season is announced in connection with the sale of a section of land in the Wainwright field to the Mutual Oil Company of Vancouver. The contract stipulates that drilling must commence by August, and must continue until a well has been drilled on every sub-division, which means sixteen wells will be drilled. Development is being done with British capital.

The section in question is situated North of Wainwright, about three miles from the British Petroleum Company wells.

BEEKEEPING ON VANCOUVER ISLAND MAKES GOOD PROGRESS

Association Has Enrolled Many New Members; First Demonstration of the Season Will be Held May 6

"Beekeeping on Vancouver Island is steadily growing in favor, and the ever-growing numbers of new beekeepers are taking it up in an intelligent and up-to-date manner. It is a hobby or industry whichever you like to call it, which has an almost irresistible fascination for an intelligent and nature-loving idealist," writes Florence A. Greenwood, secretary of the Vancouver Island Beekeepers' Association. "It requires a methodical and practical mind. There are a very large number of beekeepers who have the intelligence and idealistic qualities, but are lacking in the methodical and practical part of it. There always has been a great deal of sentiment and a certain amount of superstition connected with beekeeping, and it is surprising to find the gross ignorance of some old-time beekeepers, who stick to the old ways because their grandfathers or grandmothers did it. Needless to say these people have never found beekeeping profitable, but only a pleasant and interesting (sometimes also expensive) hobby."

NEW ENTHUSIASTS

"Since the Vancouver Island Beekeepers' Association has been formed it has drawn many new enthusiasts into the ranks. To be sure many of the older beekeepers belong to the mainland associations, but the fact of having lectures and demonstrations right at hand, and ever ready help in difficulties available at any time, gave the prospective beekeeper confidence to venture forth on his undertaking. It is an ideal recreation for nature lovers, and even if one's life must necessarily be spent in an office, the possession of one or two hives of bees offers an ideal form of recreation as well as a very profitable one if intelligently handled.

"It has been insistently pointed out that the only way to be a successful beekeeper is to own a hive of bees and practice as you read. Some people think they should read up and learn about them first, but the surest way is to learn by experience. Secure your bees, then join your local association, and avail yourself of its benefits, which will include lectures and practical demonstrations, reduced subscriptions to the foremost

bee-journals of the day, as well as the most authentic and modern books on beekeeping, reduced prices on bee equipment, as well as bees and queen bees and many other benefits.

"The Vancouver Island Beekeepers' Association have their headquarters at the Dominion Experimental Station, Sidney, where the members and others are always sure of practical advice and help at all times. Indeed, beekeeping has become so popular within recent years that the district threatens to become overcrowded for the amount of bee pasture to be had.

MEMBERS SCATTERED

"As the members are scattered in all parts of the island from North to South, it is endeavored to hold meetings and demonstrations in different districts as far as possible where several members are located within a reasonable distance. The first demonstration of the season is arranged to be held at the Ormond Apiary, 3725 Douglas Street, on Wednesday, May 6, when the Provincial Assistant Apiarist, Mr. Finlay, will conduct the demonstration. All beekeepers, other than members, are always invited to these demonstrations, and information on all beekeeping topics gladly given when required. To add to the educational value of these meetings, beekeepers are invited to prepare written questions on any doubtful point, and these are explained or demonstrated for the benefit of all present."

Information regarding the association may be had from P. A. Greenwood, R.M.D. 2, Victoria, or at the Dominion Experimental Station, Sidney.

UNION OPPONENTS OPTIMISTIC AS TO FUTURE OF CHURCH

Attorney-General Hopeful That House Will Solve Acute Situation

That the Presbyterian Church in Canada would rise, phoenix-like, from the ashes of disruption stronger than ever, spiritually, financially and numerically, was the optimistic tenor of the addresses given at St. Andrew's Church last evening at a meeting of non-concurrents. Hon. A. M. Manson, who spoke briefly on the legal aspects of the situation, echoed the note of optimism when he forecast that the Legislature could be not sufficient to find a way to solve an acute situation and safeguard the rights of the minorities.

ATTORNEY-GENERAL NEUTRAL

Anticipating the objections which might be voiced in some quarters to the Attorney-General's bill, the Province taking any part in the subject under discussion, Hon. A. M. Manson stated that his first answer to such an objection was a personal one. "I was a Presbyterian before I was an attorney-general and in all probability I shall be a Presbyterian long after I am an attorney-general. His second answer was that he appeared on that platform not as an advocate of any particular cause, but in a strictly neutral position. It was essential, he avowed, that the Attorney-General should hold the scales with exactitude, observing his duty to all factions and all sides.

The Minister deplored the weakness and fallibility which had been evidenced even in the Church during the past one and a half years of controversy. He described as tragic the words of the speaker of men who stand in the church, ministers as well as laymen, accusing each other with bitterness and harshness. Such a description applied to both sides of the controversy, he said, to Presbyterians equally with Unionists.

HISTORY OF BILL

Having thus established his neutral attitude on the matter, the Attorney-General proceeded to review the history of the Church Union Bill and its passage through the Legislature. It came up as a private bill, and so did not emanate from his office but went before the Private Bills committee.

Its passage through the hands of the committee was a stormy one, and

the committee heard representatives of both sides and struggled endlessly with it. Faced with an impasse owing to the opposing factions refusing to compromise, the bill was reported to the House by the committee. There a similar situation arose, a situation aggravated by the late arrival of the bill before prorogation, a day or two before prorogation. In desperation and after a vigorous fight, the House gave up the despair of finding a solution and the bill was passed in its present form, said Mr. Manson. He stated that from his observations at the time of the discussion in the House, he seemed that had it been presented at an earlier stage in the session it would not have gone through in its present state.

MINISTERS OR LAWYERS

"The House tried to look at this bill fairly, and dispassionately and tried to do the best that could be done for the minorities. But it was only under the threat of the bill being talked out that we were able to get in some minor amendments," continued the Minister. The similar situation existed with the Dominion bill. The Federal House was unable to effect a compromise between the parties concerned, so gave it up and passed the bill. Perhaps it would have been better if all the ministers had kept out of this controversy and left it to the lawyers to settle. Perhaps the ministers were too interested and were not good enough to do that. However, I cannot but feel that the legislation as passed is not satisfactory to the minorities."

Observing that the time for controversy had now passed, Mr. Manson proceeded to touch upon Section 9 of the bill, which had been drawn up by the legislative council, and which he stated was a very good one. He stated that in which it was reported by the Private Bills committee, he had broad original force in this section gave broad powers for protecting the minorities, but it had met with disaster and in his opinion the substituted section was not so satisfactory.

COMMISSION APPOINTED SOON

The commission of three called for by the bill would be appointed shortly, said the Minister. This commission would be a merely advisory in nature, and in his opinion should be composed of men dispassionate and fair, men capable of acting as impartial, unbiased judges. The report of this commission would finally be presented to the Legislature when the Attorney-General felt that it was reasonable consideration, with due regard for the rights of the minorities, whether Unionist or whether Unionist.

PLEA FOR FAIRNESS

Mr. Manson in concluding his brief analysis of the legal aspect of the case, reiterated his plea for the attitude of fairness on the whole matter. "Out of this whole controversy has come disunion, not union, in my opinion. Or perhaps it is not even disunion, but merely a parting of the Presbyterian Church, until we now have a Presbyterian Church with every aspect of a state in a merely artificial sense. I wonder if those who are keenest for union would have voted as they did if they could have seen into the future."

"This I hope I could say before the Unionists or even before the Methodists," he continued, "is not true disunion, but a parting of the way. Let us make a sacrifice they will. Let us make a sacrifice even if we are in the majority, and let those who do not see eye to eye with us worship Christ according to their views."

REV. E. G. THOMPSON

Rev. E. G. Thompson of Vancouver was optimistic as to the look of the Presbyterian Church in Canada. Much of the apprehension he had met among adherents of the church was the result of lack of knowledge of the true facts. It had always been the experience of the

Presbyterian Church to emerge stronger than ever after periods of storm and stress. "Divergences of opinion have taken place slowly, but have counselled us to go slowly. But we have thrown out the dove of peace and replaced it with the pigeons and a gander," he said. "The engineers of the church threw open the throttle and sent us on our way to destruction, but a few faithful ones gathered around us and have helped to set the train back on the right track again."

SPIRITUAL REVIVAL

His travels through British Columbia and as far as Toronto, continued Mr. Thompson, had shown much cause for encouragement for non-communicants had shown remarkable courage in the face of great difficulties, and had adhered to their old ties, and had without ministers and told that their only hope lay in joining the Unionist cause, they had remained steadfast to the Presbyterian Church.

Both in Ontario and in British Columbia, Mr. Thompson found the Presbyterian Church strengthened by a spiritual revival created by the controversy over Church Union. Many former adherents of the Presbyterian Church in the Old Land Presbyterian Church in Canada, found old memories revived, and they had come to the rescue of the church threatened with destruction, and were replacing those who had seceded with the unionist cause.

CHALLENGE UNIONISTS

At the board meeting in Toronto, Mr. Thompson said he found Presbyterian students discriminated against in the allocation of missions in favor of those who were pro-unionist. He further challenged the published figures on the voting in British Columbia, declaring that in that Province there were only 150 mission fields and self-supporting congregations in all, yet the unionist majority declared that 200 had voted against Mr. Thompson's statement that the Loggers' Mission board called at fifty-two Presbyterian churches, and no roll call, so no vote could be taken. Yet the unionists set this down as fifty-six congregations in favor of the unionist. Similar situations existed elsewhere throughout the Province, he said.

In the Okanagan he found an overwhelming majority in favor of union, but since learning the facts, a number of congregations which had voted for the union had petitioned the session for another vote to be taken, and there was every likelihood that many Presbyterian congregations would be re-established.

FINANCIAL FUTURE

The financial future of the Presbyterian Church was equally hopeful, according to Mr. Thompson. He said that while practically all the mission fields voted union, all the larger congregations in the cities voted for the unionist. These cities voted for the unionist because they were the financial support of the missions, showing that their financial support could be counted upon for the Presbyterian cause.

After June 10, the momentous day in the history of the Presbyterian Church, he confidently expected to see men and money available for the carrying on of its work at home and in the mission fields. The congress in the mission fields, the congress for June 5 to 10 would deal with all problems and matters of policy, and would be a real assembly, inasmuch as for the first time in the history of the church in Canada each congregation would be represented by a minister, an elder and a representative of the Women's Missionary Society, he concluded.

A MISSIONARY CHURCH

Rev. R. J. Douglas of New Westminster endorsed the former speaker's optimistic survey of the situation and spoke at length upon the conditions in the Okanagan Valley, where the handicap of distance had added to the difficulties encountered by the loyal adherents to the church. "If our church is going to be worth while saving, we must continue to be a missionary church for the sake of those isolated congregations who have been so loyal."

Dr. Clay briefly touched upon some of the misconceptions arising through the controversy. Concerning the strength of the Presbyterian Church, he pointed out that with voting still in progress, 423 congregations

had remained Presbyterian, while a number of new ones were being organized. He was confident that before long there would be 1,000 non-concurring congregations, representing a quickened, revived and energized church.

As the cost of the controversy, Dr.

Clay quoted figures received from Toronto which gave \$500,000 as the probable amount expended by the Unionists, while a report from the same place suggested that the cost to the Presbyterian Church was about \$100,000 making a total of \$600,000 spent in these twenty years

in wrecking the Presbyterian Church in Canada. Dr. Thomas Miller presided at the gathering, which was held in St. Andrew's Church.

Learning without thought in labor lost. Thought without learning is perilous. —Confucius

Stopped!—by the "Giant Grip" of the Hercules

It looked like a nasty fall! But the Little Brake that weighs only 29½ ounces saved the rider from plunging into the deep ditch.

It is in such emergencies the cyclist is thankful he has a Hercules Brake.

While ounces lighter than others, the new Improved Hercules is easier to adjust, and requires less adjusting than others. It can be adjusted more closely and still coast more freely and farther than the average coaster brake.

Having all these advantages, is it any wonder there are five times as many Hercules Brakes in Canada as all other makes combined?

As it can be attached to any bicycle, there is no reason why every rider should not have a Hercules.

All C.C.M. Bicycles are equipped with the new Improved Hercules Brake and the C.C.M. Triplex Hanger, without extra cost.

Prices Again Reduced  
The new C.C.M. models are beautiful. Prices have again been reduced. They're now \$20 to \$25 less than the after-war "peak" prices. The biggest values since pre-war days.

hard to remove, therefore no time is wasted when removing the rear wheel for any purpose.
