11. At the time of your assumption of office as official, whether or not the arrangement that the previous approval be obtained from the Zaibatsu or the direct Zaibatsu affiliate regarding assumption of the position of official existed between the Zaibatsu company where you served and the Zaibatsu or the direct Zaibatsu affiliates.

a. Whether or not the arrangement existed in writing.

None.

b. Details of circumstances under which you assumed the position of official; particularly whether or not the Zaibatsu or the direct Zaibatsu affiliate was concerned in approving your assumption of office.

In November 1941 I fell sick and when I was recuperating myself after proposing to resign from the Okura Enterprise Co. Ltd. as ordinary managing director, in November 1942 inasmuch as the shares of the Nippon Dunlop Rubber Co. Ltd. were, by virtue of the Enemy Property Disposition Ordinance, bought by Okura Trading Co. (Present Naigai Trading Co. Ltd.) 55% and five other companies 9% each (shares of ¥8,000,000 face value at ¥15,200,000), I was offered to take the post of Managing Director of the same company. Thereupon, I, having already been recovered from illness made up my mind to accept the offer and have assumed the post until now.

Incidentally, in 1936 there was concluded an agreement between the Dunlop Co., England and Okura-gumi that the Nippon Dunlop Rubber Co. would transfer 55% of its share to the Japanese company and reorganize the company into a joint undertaking by Japanese and English capital. But this was not realized due to incapability of remittance of money by Exchange Control Law.

This will account for the Okura Trading Co. having taken over 55% of the total shares at the time of disposition of Enemy properties referred to in the preceding paragraph.

TO : Mr. Tetsu Katayama, Prime Minister
APPLICANT : Chuo Rubber Industry K.K.
SUBJECT : Application concerning Designation as Non-Zaibatsu Appointee under the Law for Termination of Zaibatsu Control (Article 6. 1 (b))

February 1948

1. Since the status of Shinichi Yamada (Managing Director of the Chuo Rubber Industry K.K.), is liable to be considered as coming under the provisions of Article 5 by virtue of Article 3, paragraph 2 of the "Law for Termination of Zaibatsu Control", this application is submitted in accordance with paragraph 1 (b) Article 6 of the said Law, and it is requested that Yamada be designated as a non-Zaibatsu appointee.
2. As shown in his personal questionnaire, Shinichi Yamada, Managing Director, Chuo Rubber Industry K.K., graduated from Keio University in April, 1910, and immediately entered Okura-Gumi Gomei Kaisha. He was first assigned to the Tientsin branch office, and worked in various branch offices in China for many years. He was mainly engaged in trading.
3. Following the Manchurian Incident in 1931, the militarists assumed power, and opposed the flow of Japanese Zaibatsu capital into Manchuria. By order of the military clique,

clique, the Okura interests were forced to merge their Manchurian investments including the Penhsihu Coal and Iron Co. and separate them from their enterprises in Japan. The Okura Enterprise K.K. was set up to handle the business in Manchuria as a holding company. Accordingly, the Okura Enterprise K.K. is not of the same character as other holding companies. It was merely an organ for the transmittal of military orders. All affairs concerning shares held by the company were decided upon by the Okura Zaibatsu head, Kishichiro Okura who was also the president of Okura Enterprise K.K. Other officers of the said company had no power to decide matter.

4. Because of his long experience in China, Yamada became managing director of Okura Enterprise. However, he had no authority to decide matters. Most of the Okura interests had invested in the Manchurian mines, and in this field the Okura Mining K.K. were powerful. Since Yamada belong to the Okura Trading K.K. his taking office in Okura Enterprise K.K. was unique.

5. Yamada possessed no shares in Okura Enterprise, even nominally. His status was that of a robot representing the president by order of the Authorities in Manchuria, and also to transmit orders from them to Tokyo.

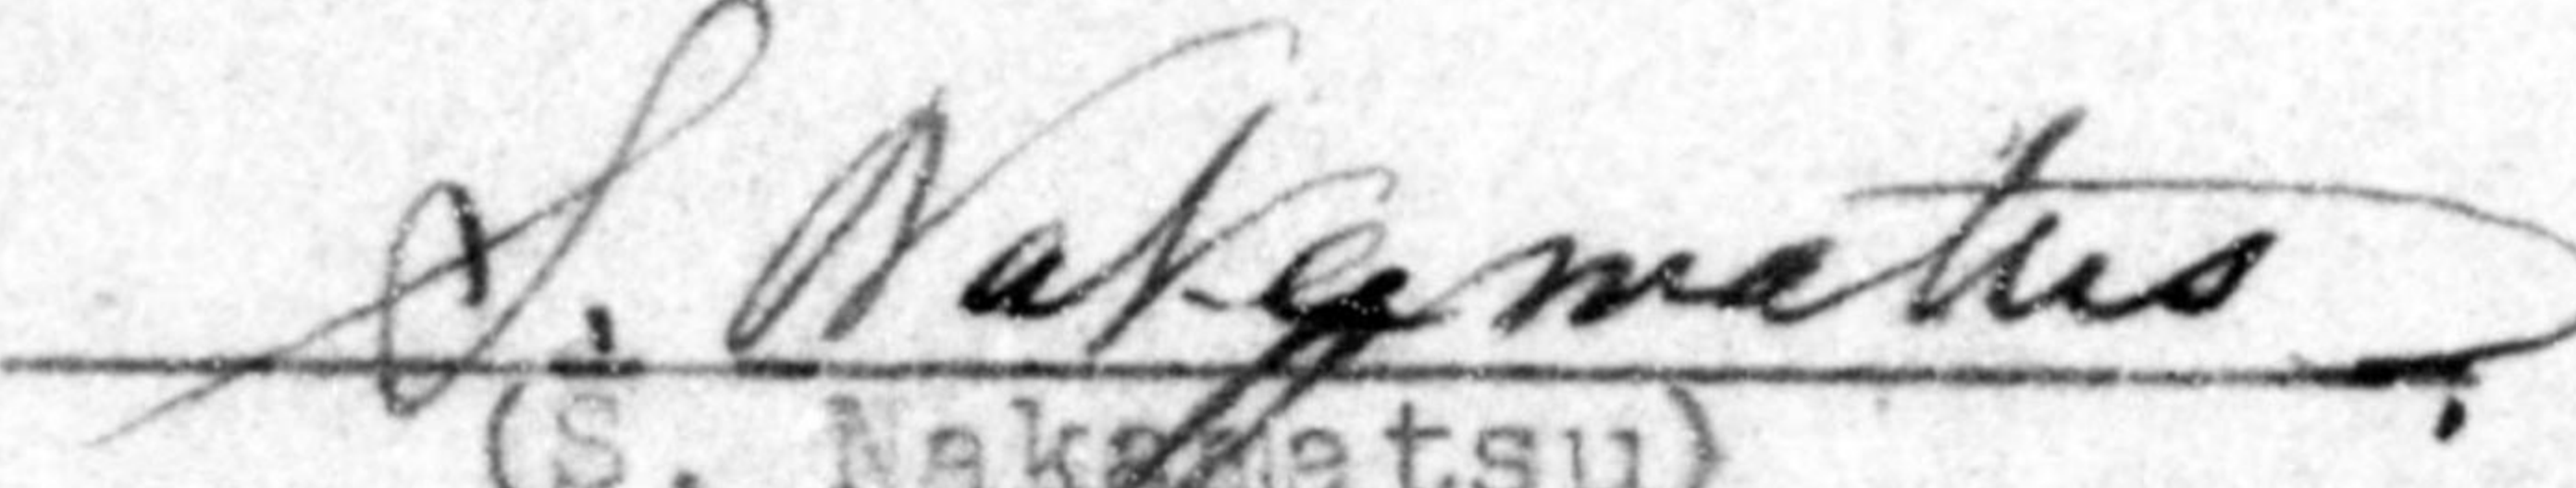

6. As shown in his personal questionnaire, Yamada resigned from Okura Enterprise K.K. in November 1941 because of illness and returned to Japan. In November 1942, by virtue

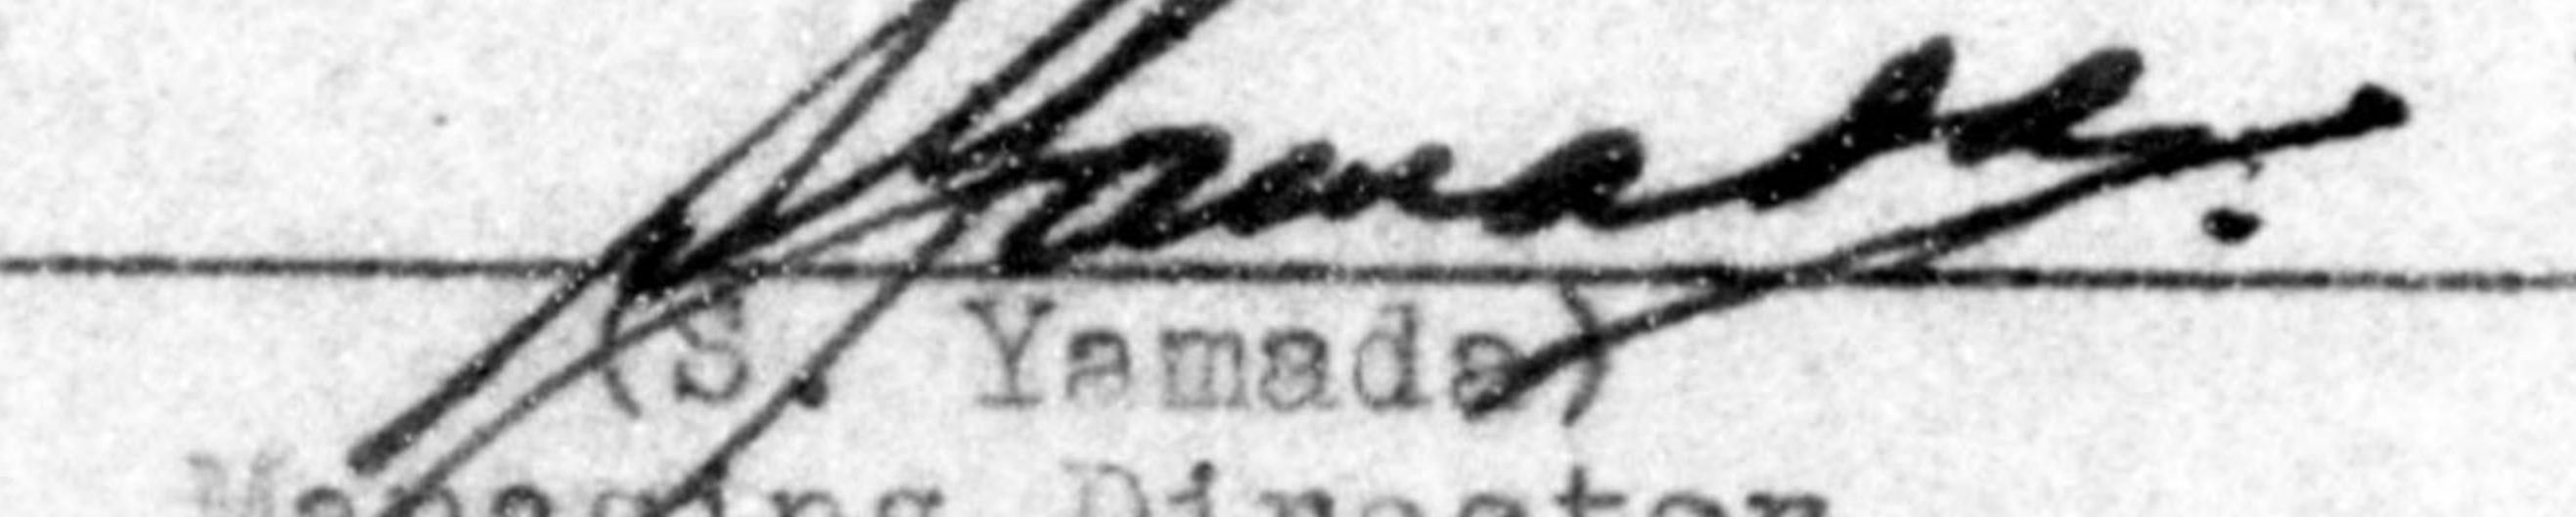

of

of the Enemy Property Custody Ordinance, the shares of the Nippon Dunlop K.K. were sold to Japanese interests. The officers of this company were changed, and at a meeting of shareholders, Yamada was elected managing director. He is not a relative of the Okura family. Yamada was elected at the same time as Shinkyō Nakamatsu, the president (formerly high official of the Ministry of Commerce and Industry), and director and chief of accounts section, Shizuka Kakimi (formerly staff of the Ministry of Finance). Yamada was elected on an equal footing with these persons, and his election did not have to be confirmed by any of the Okura Zaibatsu firms.

7. As indicated above, the circumstances surrounding Yamada's appointment, and the manner in which he carried out his duties, all show that he cannot be called a Zaibatsu Appointee, pure and simple. Because of these reasons, it is hereby requested that Yamada be designed as not coming under the category of Zaibatsu Appointee, under the provisions of Paragraph 1 (b), Article 6, Law for Termination of Zaibatsu Control.

Subject: Petition for removal of designation as
person to whom the "Purge" Ordinance is
applicable as a "Zaibatsu" company officer

Sir:

For the reasons given below, and in accordance with the provisions of Article 7 of the Elimination of Zaibatsu Family Control Law, I hereby submit this petition, accompanied by documentary evidence and the prescribed questionnaire duly filled in, for official recognition of the fact that I personally was or am not connected in any way with Zaibatsu control or appointments.

Reasons

1. The undersigned has no connection whatsoever, either by marriage or by blood-relationship, with any of the Asano Zaibatsu or family members thereof.
2. No agreement existed between the Nihon Kokan Kogyo K.K. and the Asano Zaibatsu or its directly controlled Asano Honsha K.K. requiring previous approval in regard to appointment of officers. The appointment of the undersigned was effected without previous acknowledgment by the Asano Zaibatsu or its holding company.
3. My election to officership by the General Meeting of Shareholders of the Nihon Kokan Kogyo K.K. on March 31, 1944 took place because my services were required by the Company in the exploitation of the Kusatsu and Suwa iron mines. I am experienced in mountain region transportation because I am a civil engineer, who after graduation from the Imperial University in Tokyo was engaged in hydro-electric power generation and railway construction projects. Therefore, as Director, my services were limited to technical advice and counsel, and I was never entitled to powers higher than those exercised by the high executives of the Company.
4. Officership in Asano Zaibatsu companies by the undersigned was limited to the Nihon Kokan Kogyo K.K., so there was never a concurrent holding of more than four posts. Since I resigned on October 15, 1947, I am no longer an officer of the Nihon Kokan Kogyo K.K.

Very sincerely yours,

Y. Yamada

SUBJECT: CERTIFICATION
TO : Whom it may concern

This is to certify that the following facts are true
to the best of my knowledge:

1. There existed no agreement between the Nihon Kokan Kogyo K.K. and the ASANO Zaibatsu or its directly controlled holding company, the ASANO HONSHA K.K. requiring the authorization by the latter of the appointment of Mr. Yutaka Yamada to directorship in the Nihon Kokan Kogyo K.K. The appointment was effected without such authorization.

2. Mr. Yutaka Yamada was requested to assume directorship in the Nihon Kokan Kogyo K.K. because his knowledge and long experience in the construction of transportation facilities made his services invaluable to the Company in the hauling of iron ore at the Kusatsu and Suwa Mines. He was, therefore not entitled to any powers higher than those exercised by the high executives of the Company.

3. Mr. Yutaka Yamada was appointed Director of the Company on March 31, 1944, and he resigned on April 9, 1947.
