

God Help Kentucky!

AN ANTHEM.

Lord from thy heavenly throne
Thy holy will be done ;

God help Kentucky !

Teach us true liberty,
Make us from tyrants free ;
Let our homes happy be,

God help Kentucky !

The wiles of Lincoln's men,
Do thou with might restrain,

God help Kentucky !

Help thou when power doth press,
Aid thou in our distress ;

Thou whose dread name we bless,

God help Kentucky !

Give us staunch honesty,

Let our pride manly be ;

God help Kentucky !

Help us to hold the right,
Give us both truth and might—
Lord of all life and light.

God help Kentucky !

Give us the power to stand,
Firm for our native land ;

God save Kentucky !

Drive with thy Almighty power
The invaders from our door,

Let them be seen no more,

God save Kentucky !
