 d Stops on signal.
 e Saturdays only.
 f No baggage checked for this train.
 g Stops Sundays 4 28 PM.

Note A—For schedule of Nantasket Beach Branch service see special poster and leaflet.

HELL GATE BRIDGE

THIS GREAT BRIDGE, connecting link between the New Haven and Pennsylvania R. R. systems takes its name from the Hell Gate Channel which it spans. There is probably no feat in the history of railroad engineering which has so greatly aided the development of freight and passenger traffic as the building of this remarkable structure. By means of this route, it is possible to travel from Canada to Florida, or from Boston to St. Louis without the necessity of changing trains. It may be rightly termed the Gateway to the West and South.
