no one on the foundation
to look after the work
except what I have
done, and set my men
to doing. The com-
mittee have not done
a single thing. I should
have got the frame all
done if they had attended
to their business and
left me alone. Tomorrow
night would have closed
it all.

Secret 21-1

Young converts in the
house this in the world
and so it is when you
take a little time in to
your cause and it's
a beautiful O! how
pretty with it, pretty—

I/ Who was done up by
the chaff we should
have a good society—
Jesus is your friend and
for that friends keep some
Valon I plead for him
Scream for struck

Colos. 2-5

is not he a calvarist - Yes

To name Christ is a
spiritual matter and must
be done in and through the
Spirit

Does a man go about
doing good works and use
Christ - I cannot imagine
how a man can accomplish
this - now a requirement
make good works and the
in requirements and in
effect like this
Now put all of you together
and your improvement together
Open the eyes of you

As to the present time
and sorrow of your neighbors
and the you have not got
any thing that will give
you pleasure

In a certain sense this
is his kind of passion
of Greatness and this
is his a better fate
I am joyful that in
the court of heaven there
has been promise made
for my salvation and
as it comes with a falling
dunt and says out a lot
(I feel de solant is
said)
