POLICE HUNT 'WOLF OF LA SALLE STREET'

31 Dead, 100 Hurt In Train Wreck!

COACHES LEAP RAILS WHILE BIG STORM IS RAGING

Pitiful Scenes At Accident Near Hackettstown, N. J.; Debris Buried Many

HACKETTSTOWN, N. J., June 16.—Thirty-one persons were killed, perhaps more, at least 100 injured in the wreck today of a special train from Chicago to Hoboken, N. J., on the Delaware, Lackawanna & Western at Rockport, three miles from here.

Reports this afternoon from hospitals in towns and cities surrounding the scene of the disaster showed that the death list was mounting steadily from figures arriving at earlier in the day. Three reasons for the fatal wreck were advanced in a tentative report made by Robert White general superintendent of the road, to the state board of public utilities. They were:

- 1.—That lightning struck the rails.
- 2.—That sand and debris were washed on the tracks by heavy rain.
- 3.—That the road bed had been washed out.

The victims were on their way to New York to sail this afternoon on the Republic of the United States line for Bremen. The engine and the two front coaches leaped the rails. The other three coaches remained on the tracks.

Most of the victims were asleep when the accident occurred at 3:30 o'clock this morning.

The wreck occurred during the height of the storm. Rain was pouring down, lightning flashed and thunder boomed. Then came the smash. At daylight steam still poured from the broken pipes from the engine. Railroad workers and volunteer rescue workers searched among the wreckage for hours.

The first eye witness story of the fatal crash was given International News Service by Miss Mabel White, daughter of Chief of Police L. C. White of Hackettstown, and one of the first to arrive at the scene. She was a spectator at a fire in the lumber yards in Hackettstown when the wreck at Rockport was received.

"I went at once to the scene three miles away in a friend's automobile," Miss White said. "We got there about half an hour after the wreck occurred."

Pitiful Scenes
"The scene was pitiable. Women, some of whom could not talk English, were going about in circles, wringing their hands and crying as if their hearts would break."

"Big, strong men, their hands and friends, went about patting them on the shoulders and trying to comfort them."

"One woman, whose child, a girl, was scalded to death, was inconsolable."

Power Trade Not for U. S., Says Coolidge

WASHINGTON, June 16.—President Coolidge does not want the government to go into the power generating business, it was stated officially at the White House today in connection with a discussion of plans for the Boulder dam and Colorado river development.

The president thinks that the government should take care of flood control in such projects and that the generating and sale of power be left to private interests.

Testifies

MISS ISABELLE POPE, fiancée of Billy McClintock, who gave testimony today at Chicago in the trial of William D. Shepherd, accused of McClintock's murder.

Dead Boy's Sweetheart Says She Made Agreement With Heirs To His Estate

CHICAGO, June 16.—Miss Isabelle Pope, fiancée of Billy McClintock, today admitted under cross-examination in the trial of William D. Shepherd, accused of murdering Billy, that she had made an agreement with the heirs to the McClintock estate that if young McClintock's will was broken she and they would share on an even basis.

She said that she was agreed Mrs. Shepherd would be "taken care of."

"Our understanding is that Billy left the bulk of his estate to the Shepherds and that there is a contest by some of the heirs in Iowa and that you have entered into an agreement with these heirs under which you are to get something?" asked Stewart.

Objection by the state was overruled.

"You will have to ask my lawyer about that," replied Miss Pope.

Judge Lynch directed her to answer.

"You know, don't you?" asked Stewart.

"Yes, I understand it's to be a fifty-fifty split," replied Miss Pope. "But the exception that \$100,000 is to be set aside for Mrs. Shepherd."

Miss Pope admitted she had an ill-feeling toward Shepherd but not against Mrs. Shepherd.

Stewart concluded his cross-examination and court adjourned for lunch.

"You loved Billy?"

"Yes."

Miss Pope, on the witness stand, thus bared her love for Billy.

Sweet-faced, serious, a hint of suppressed tears in her eyes, a sad smile now and again upon her lips, Miss Pope submitted calmly, steadfastly and with girlish simplicity to the cross-examination from Scott Stewart, chief counsel for the defense.

She told of how they first met, how first she passed him with a nod as he did all the other boys in high school. She met the Shepherds in 1921, she said.

"Billy loved his parents?"

"I don't think he did. He didn't care for them like a boy does his father and mother."

"They loved him?"

"I don't think they did."

Stewart produced the transcript of the coroner's inquest proceedings and showed where she had said that "Billy loved his mother and she loved him."

Miss Pope resumed the stand this afternoon. She was questioned about the dinner on the South Side November 3, 1924, and said her cousin and his fiancée were present and neither of them were made ill by the oysters. It had been claimed by the defense that McClintock was made ill from eating oysters at this dinner. She was then excused, after being on the stand four hours.

TAX REDUCTION PROGRAM IS UNDER WAY

President Coolidge Insists Department Heads Cut Financial Demands

By R. S. THORBURN

WASHINGTON, June 16.—President Coolidge today formally launched his 1926-27 economy program, aimed at drastic cost-cutting policies in government which may be reflected in tax reduction in the Sixty-ninth Congress.

At the president's direction department heads were requested by Budget Director H. M. Lord to attend the annual meeting of the government's business organization on June 22.

Plans to secure greater efficiency and economy for the coming two years will be outlined, according to Lord.

Coincident with the calling of the economy session came indications of a clash in Congress between the administration and advocates of tax reduction who feel government revenue can be cut more than \$500,000,000.

Avoids Open Break

While Secretary of the Treasury Mellon will submit no specific plan to Congress and will avoid an open break on new legislation he opposes revenue reduction exceeding \$300,000,000. A greater cut would force the government to borrow money to meet expenses, experts said.

The treasury revealed that the surplus for 1926 will be approximately \$250,000,000, compared to the preliminary \$373,700,000 estimate. Partially balancing this loss, however, was the probability that the 1925 surplus will exceed the estimate of \$67,000,000, by \$50,000,000.

Urges Reductions

The agricultural department increased its expenditures \$25,582,000; the navy \$14,271,000 and the war department \$9,848,000. Led by the veterans' bureau with \$22,371,000, five departments cut expenses.

President Coolidge is expected to ask department heads to use the pruning knife to get under the \$3,267,000,000 estimated costs for 1926 appropriations, for which plans have already been made.

The president will fix a maximum ordinary expenditure for the government in 1927.

JURY IS COMPLETE

HANFORD, Cal., June 16.—After long delays due to difficulty in securing a jury, the actual taking of evidence in the Lee Camp murder trial got under way today. Proof of the corpus delicti was the first task undertaken by the prosecution today.

Bathing Girls' Walk Is Bad, Asserts Doctor

SANTA CRUZ, June 16.—The bathing beauties are beautiful except when they walk. And then, listen to this: They have a lolly-pop stature and loose jointed walk.

Echoes of the California beauty pageant which came to a close here Sunday afternoon arose at today's session of the twenty-fourth annual convention of the California Osteopathic association in a talk by Dr. E. G. Bashor, president of the organization.

"Bashor was discussing the 'diagnosis of pelvic pathologies.' He presented Neptune's daughters as fine examples of physical beauty and yet lacking proper posture, balance and grace when out of the water. 'The bathing beauties we saw the other day are wonderful physical specimens of athletic development,' said Dr. Bashor, 'but when they are standing upright they have a lollypop stature and loose jointed walk. Take the swimmer out of the water and the shoulders slump forward, the walk becomes a loose jointed affair, all the grace of form displayed in the water is gone. We should teach our girls proper posture and balance.'

Charles Patrick Grogan, Young's stepson, the million dollar heir, Mrs. Young's father, F. R. Hunt, and brother, Earle Hunt, also testified before the grand jury. Detectives related the dentist's confession of the "gas murder" and the discovery of Mrs. Young's body, wrapped in tar paper and covered with cement at the bottom of the cistern in the dentist's Beverly Glen summer cabin, where Young had hidden it.

TWO NATIONS PREPARE TO HIT RIFFS

France And Spain About Ready For Joint Action In Morocco Warfare

PARIS, June 16.—The long talked of French and Spanish joint action against the Rifis in Morocco will soon be under way, Minister of Marine Borel told the cabinet today.

French warships now are in Spanish waters preparing to work with Spanish ships in naval movements against the tribes.

Two French destroyers already are patrolling the Rif coast, blockading it against incoming shipments.

Leaves For Conference
At the same time Louis Malvy, who conducted the discussions with the Spanish a month ago accompanied by a delegation, left for Madrid for the Franco-Spanish conference starting Wednesday.

The entire joint campaign in Morocco will be thrashed at the Madrid conference, according to present plans.

Premier Painleve, who arrives back in Paris today from Morocco, made three suggestions to the cabinet. They were:

First, a rigorous Franco-Spanish blockade off Rif ports to check all smuggling of arms.

Second, the disciplining of General Colombar, who will be relieved of his command because of his over-hasty evacuation of Ouzazzan.

Third, the appointment of General Daugan as commander-in-chief of all the French troops in Morocco with Marshal Lyautey remaining as resident general.

Germany Gets French Answer In Pact Plan

BERLIN, June 16.—The French answer to Germany's security pact proposals will be published Thursday. Foreign Minister Stresemann received the note from the French ambassador today and the German foreign office promptly started a translation.

GREETINGS TO KING

WASHINGTON, June 16.—President Coolidge today cabled birthday greetings to King Gustav of Sweden.

SPEEDY DEATH SOUGHT FOR DR. YOUNG

Authorities Plan To Hurry Trial Of Dentist Who Killed His Wife

LOS ANGELES, June 16.—The county grand jury returned in indictment today, charging Dr. Thomas W. Young, Los Angeles dentist, with the "gas murder" of his pretty wife, Grace Young, society matron.

The "scientific murderer," who gassed his wife to death with some form, deadly dental drug, was immediately taken to justice court for arraignment.

"Dr. Young told me he expected to get a lot of money and he entertained romantic notions about me," Miss Dorothy Leopold, the dentist's assistant, told the grand jury, relating how the killer had won her confidence.

Miss Leopold testified the dentist told her his wife had gone east to get a divorce.

She said she did not love Young and denied she had ever been engaged to marry him.

Charles Patrick Grogan, Young's stepson, the million dollar heir, Mrs. Young's father, F. R. Hunt, and brother, Earle Hunt, also testified before the grand jury. Detectives related the dentist's confession of the "gas murder" and the discovery of Mrs. Young's body, wrapped in tar paper and covered with cement at the bottom of the cistern in the dentist's Beverly Glen summer cabin, where Young had hidden it.

Prosecution Preparing To Hurry Trial Of Dr. Young

LOS ANGELES, June 16.—While the county grand jury began deliberations today on the evidence which is expected to send Dr. Thomas W. Young, Los Angeles dentist, to a speedy death on the San Quentin gallows for the confessed "anaesthetic murder" of his wife, Grace Grogan Young, Charles Patrick Grogan, 18-year-old stepson of the slayer, emphatically expressed his affection for Dorothy Leopold, the dentist's pretty 24-year-old assistant.

"I think as much of that girl as if she had been my own mother," Patrick, heir to a \$1,000,000 estate, declared. "I'm strong for her. She has been so good to me. I love her."

Miss Leopold admitted she had a like affection for the youth.

"I did care for him but there was no boy-and-girl love affair. I just confided in him—he was so lonely, the girl said."

Funeral services were held today for Mrs. Young, while Young conferred with attorneys, who prepared to launch a fight for his freedom, forecasting another court battle of alienists and law.

Roads Defeat Embalmers in Corpse Rates

WASHINGTON, June 16.—Efforts of undertakers in Des Moines, New Orleans and Washington, D. C., aided by two national organizations of undertakers, to secure lower express rates on corpses failed today when the Interstate Commerce held that the present rates are not unreasonable.

Stone Hospital, Death Threats For Foreigners

WASHINGTON, June 16.—Chinese students holding a demonstration at Wu Chow yelled: "Kill foreigners" and threw stones at the American Baptist hospital, according to dispatches received by the state department today from Consul-General Jenkins at Canton.

NANKING, June 16.—Grave anxiety was felt in the foreign community here today following a partial walkout and threat of a general strike cutting off all food and water supplies. All Chinese employes of the British consulate walked out. The consul's family has taken refuge in the American consulate. There have been no disorders so far, but the temper of the Chinese is menacing.

ENGLAND ACTS IN SLAYING OF BRITON

International Complications May Result; Woman Is Heroine In Attack

SHANGHAI, June 16.—The slaying of William McKenzie, British subject, and an employee of the municipal electricity department, and the wounding of Miss Mary Duncan, has led to international complications. The British consulate, it is understood, is lodging a strong protest, demanding the capture and the punishment of the murderers.

Although wounded in both arms, Miss Duncan took over the wheel of the automobile in which they were riding when McKenzie fell dead, and drove toward the settlement amid a hail of bullets.

The laborers' association is calling on all of China to join in a memorial demonstration June 30, all shops, factories, schools and government offices being asked to suspend business, half-mast flags and organize demonstrations.

Advices today said that Kiukiang, scene of a recent outbreak, is quiet and that 600 missionaries in the vicinity are apparently safe.

Chinese Speculators See Close Of Shanghai Strike

SHANGHAI, June 16.—Chinese exchange speculators started feverish buying of gold bars this afternoon, following rumors that an understanding will be reached tomorrow which will end the general strike which has tied up Shanghai for the past two weeks.

It is understood the Chinese negotiators are holding out for their three principal demands, namely, punishment of police, indemnity for the victims killed in the student demonstration and a return of the international mixed court.

Foreign delegates conferred, but declined to make a statement on progress of a settlement. It is understood the foreign negotiators are willing to make some concessions, possibly a return of the mixed court.

DEBT COMMISSIONS

BRUSSELS, June 16.—Belgium plans to send a debt funding commission to Washington before December 20, the foreign office announced today.

'DYING' MAN DISAPPEARS FROM LOCAL SANITARIUM WITH AID OF DAUGHTER

John W. Worthington, Under Sentence In Fraud Case, Linked With Huge United States Mail Robbery, Is Missing

John W. Worthington, the "Wolf of La Salle street," was sought by federal and county officials today, following his mysterious disappearance from the Glendale Sanitarium, 1509 East Wilson avenue, last Wednesday afternoon, where he was supposed to be dying.

Sentenced in Illinois to serve a term in federal prison on charges of using the mails to defraud, Worthington obtained permission from federal authorities to come to California for his health, and with their consent, entered the local sanitarium. Recently he was charged in Los Angeles with grand larceny and was accused by federal investigators of having been linked with the \$2,500,000 mail robbery in St. Louis in 1923.

Last Wednesday afternoon at 2 o'clock, according to sanitarium officials today, his daughter, Miss Alice Worthington, who has been residing at 2100 Chattanooga street, Hollywood, called at the hospital in a taxi. After a short visit with her father, she asked permission to take him for a "short ride." Neither Worthington nor his daughter have been heard from since.

When he failed to return to the sanitarium after a few hours' absence, Dr. H. W. Wollmer, of the sanitarium, notified the federal officials in Los Angeles. Officials have searched continuously since then through Los Angeles, Glendale and surrounding territory, but have been unable to find a trace of the former Chicago broker.

FLYER LEAVES ON JOURNEY NORTHWARD

Naval Aviator Takes Off From San Diego For Trip To Seattle

SAN DIEGO, June 16.—Lieutenant B. H. Wyatt, naval flyer, took off from San Diego bay at 6:15 a. m. today in a giant SDW naval plane for Seattle, Wash., from where early next week he will attempt a non-stop flight to San Diego.

In his flight north today Lieutenant Wyatt is expected to go first to Catalina island and from there to Point Conception, Point Arguello, Point Sur, San Francisco, Point Rena, Punta Gorda, Point Mendocino and Eureka where he will stop tonight. Tomorrow the intrepid flyer will proceed to Portland where he will stop until Friday when he will continue to Seattle.

Plans Undecided
Just what day next week Lieutenant Wyatt will attempt the daring flight back to San Diego without a stop has not been decided, but tentative plans now are that he will make the flight Sunday.

In the flight south Lieutenant Wyatt will follow the course used by coastwise ships and all ships have been asked to keep a lookout for him. The giant SDW plane has been especially equipped for the non-stop flight and carries more than 700 gallons of gasoline.

PROTEST WHOLESALE ARRESTS IN ATWATER

Action of L. A. Police Department on Glendale Boulevard Arouses Ire of Business Men in District

With nearly 500 motorists under arrest, charged with violation of the traffic ordinance for driving on the wrong side of Glendale boulevard in the Atwater district, a protest against the tactics used by the Los Angeles police department in making the wholesale arrests was being planned by business interests of the district today.

At the same time means of eliminating the necessity of "either taking the wrong side of the street or traveling several blocks out of the way" were being considered.

In the district there are crossings over the Pacific Electric tracks which run down the center of Glendale boulevard, only at two intersections. At half a dozen other street intersections along the boulevard there are no crossings over the right-of-way. Persons emerging from the side streets are obliged to travel in one direction only, and in the event that they wish to go in the opposite direction, must go several blocks out of their way to make the cross over.

Business men of the district today renewed their agitation for lowering of the Pacific Electric right-of-way as a result of the tremendous number of arrests within the past seventy-two hours. Nearly 500 motorists have been tagged during that time by a squadron of motorcycle officers detailed to the district "to break up the wrong-side-of-the-street habit."

Protests to the police officials brought forth the reply that the great number of accidents along the boulevard caused by motorists driving on the wrong side of the street prompted their action in ordering wholesale arrests.

After a partial let-up the motor officers swooped down on the district again last night, arresting several scores of persons on their way home from work in Los Angeles. At times traffic was held

up for more than a block while violators, lined three and four deep, were given tickets by the motor officers.

L. A. Contractor Buried

George C. Beldan, Los Angeles contractor, who operated extensively in the Atwater district, was buried at Forest Lawn Memorial park yesterday afternoon. Funeral services took place at 2 o'clock, at the Little Church of the Flowers. Beldan ended his life with a gun when he became despondent several days ago.

Predicts District Growth

A. C. Bollinger, extensive subdivider of Southern California, on a visit to the Atwater district yesterday afternoon, expressed his astonishment at the growth of the district in recent months, and predicted further advance in real estate and building in the section. Business property in particular is due for further advance he predicted. With completion of Los Feliz road improvements added interest should be manifest in that vicinity, he said.

Masons Attend Meeting

Royal Arch Masons of the Atwater district witnessed the initiation of Mayor George E. Cryer, Judge John W. Gates and William Gibbs McAdoo, former secretary of the treasury, in Los Angeles last night. Gold Crowns AND Tin Cans

There is no better or more serviceable piece of dental work than a properly constructed and fitted gold crown, and none so misused.

Gold crowns made by the office girl and placed in the mouth in fifteen minutes by a high speed tin can artist cannot be expected to be more than a tomato can shoved over the tooth and onto the gums.

It takes time and skill to make and fit a gold crown properly and for such the usual fee is \$12 to \$50 (and worth it to the patient.)
Our price, \$6 and \$8, is based on work in volume plus a small profit, and believe me folks, no piece of dental work done here is permitted to leave the office till as near perfect as skill and care can make it.

Special Parking Plan For Theatre Opening

Special free parking arrangements are being made for use of patrons of Bard's new Pasadena theatre which opens its doors to the public for the first time Tuesday night, June 23. For the first night all seats will be reserved and are on sale at Hunter & Williams' store at 49 East Colorado street. The management announces there are still many desirable seats available. Many of the big stars of stage and screen will be present on this gala occasion and a host of them will personally appear on the stage in conjunction with the regular mammoth vaudeville show and a world premiere photoplay which will be announced in a day or two. If you can't get seats for the opening come to the theatre anyway, hear the music of Strachans' orchestra via the microphone and loud speaker in front of the theatre and see the crowds and the stars and the big studio lights.

Many Ways One Bank Can Serve

THERE ARE few banks in the United States which can offer so many lines of banking service as the Security organization, with each line of service in the hands of specialists of training and experience.

The Security Trust & Savings Bank in Glendale is able to offer to its patrons the same diversity and the same quality of service as the Head Office.

Flyers Brave Death In Visit To Strange Land

(Continued from page 3)

est possible time were arranged. Thus Amboy did its part in the establishment of the great airway, and it was here that Hausler made his first stop on his trial flight over the completed route.

New Landing Fields
From here the flight was made to Kingman and from Kingman to Seligman, a distance of sixty miles. From Seligman, to Williams is fifty miles and from there to Winslow a hop of ninety miles was necessary. All of these towns have, in accordance with the original request of Hausler, and under his supervision, established up-to-date landing fields equipped with every available convenience for the transcontinental flyer.

On the last leg of the trip to Winslow, near Flagstaff, the flyers diverted their course to take in the Grand Canyon. Plans to make regular sight-seeing trips with tourist-passengers over the Grand Canyon, flying out of Williams, Ariz., are under way. Hausler will shortly establish this service for private individuals who will take over the work during the coming summer season.

"There is little danger in flying over this section of the country," Hausler said. "In no place is the aviator more than five miles from ample flat ground on which to land. This will make the sight-seeing tours practically safe and will be a big inducement to the tourists."

The next leg of the journey to Holbrook took the flyers over the Painted Desert and gave them a new view of a spectacle unsurpassed.

Colorful Experiences
From Holbrook it is a fifty mile jump to Grants where the interest of science has centered for the past year since the discovery near there of the lost city of the early Aztec race.

A side trip over the great lava beds, for centuries a barrier to human passage, brought the aviators their most colorful experiences of the trip. Huge craters of extinct volcanoes yawned their warning as the flyers passed. Mesas atop great masses of lava, never before visited by man or animal, became the landing fields for their sturdy aircraft. A great ice cave, frozen the year round, with chambers as big as the average room of a modern dwelling, was visited. The strange old Pueblo Bunito itself said by scientists from the Smithsonian institute who are at work among the ruins, to be older than the tomb of King Tut, was also visited.

Here the flyers found the great three and four story structures of white stone, preserved in perfect by the flows served in perfect condition by the flows of lava that buried the city centuries ago.

Pushing on farther into the great lava waste, Hausler and his companion flew over the mesa

where only a short time ago, a race of Indians, cut off from all communication with the world for hundreds of years, were discovered by Smithsonian representatives. Here lives a race, unlike other Indians of the region, on the top of a mesa from which it was impossible to gain egress because of the great flows of lava that surrounded it on all sides. Explorers found the natives, subsisting on what they themselves raised on top of the mesa and without any knowledge of a world greater than their own little village. They spoke an unknown language. They raised their own stock and manufactured their own farm implements.

After their exploits over the treacherous lava beds, where in many instances they challenged death and destruction and at other times faced starvation had they been forced to land in isolated spots from which rescue would have been impossible, Hausler and Clark flew on to Albuquerque.

Plans New Route
Hausler made another announcement upon his arrival here today. Within a few months, he declared, he will have completed his string of airways as far as Kansas City. Here the route will connect with the line already established by the air mail, to Chicago, and will give an unbroken air highway from coast to coast. Arrangements for establishing landing fields between Albuquerque and Kansas City at regular intervals, similar to the route now in existence over a like distance between Los Angeles and Albuquerque, have been made by Hausler who will direct the work of establishing the new fields.

With such a route, a transcontinental air highway will have been established and Southern California will be in a position to compete for direct air mail facilities, the southern route through Kansas City and Albuquerque being shorter, more accessible and far less dangerous than the present route taken by the mail planes, Hausler said.

Hausler has signed a contract to do the field work for the recently formed Western Aero league. He will maintain his headquarters in Glendale for this purpose and will visit by plane, every city in western America in the interest of the league during the next few months.

Says Permit Granted For Water Diversion

Editor The Evening News:— In your article in issue of June 11, "Water Rights in Verdugo Are Good." It was no doubt a matter of surprise to "small stockholders" that this goodness was ever questioned. The opinion of W. E. Evans of the law firm of Evans, Pearce & Campbell, was asked by the directors of Verdugo Canyon Water Co. in the interest of the city of Glendale.

For years "small stockholders" in the Verdugo Canyon Water Co. have been unable to obtain any use of their water within the city limits or to dispose of it by sale; their only privilege being to pay assessments for its maintenance or have pipe stock sold, usually bought by the city at a few cents a share.

Stockholders of the North Glendale Reservoir & Pipe Co., are entitled to run water through the company's pipe (governed by their number of shares in pipe line) and no more. Edward M. Lynch purchased water rights and pipe stock in Verdugo Canyon Water Co., and asked that this 175 shares of water be diverted into the system of the North Glendale Reservoir & Pipe Co., in which he also owns 147 shares of pipe stock with water rights to be taken out at a point east of Campbell street.

A satisfactory arrangement was made at the first meeting and a lease satisfactory to both parties was unanimously agreed upon for a period of five years without any threat to "sue for writ of mandamus."

Being taken out at east end of pipe line and at night, no interference with rights of North Glendale Reservoir & Pipe Co. will result. Permission having been granted unanimously by both companies for the "diversion" of the water, if it is not "diverted" who is refusing?

D. E. FULLER, Secretary, North Glendale Reservoir & Pipe Co., also Director in Verdugo Canyon Water Co.

BURBANK NEWS

BURBANK, June 16.—An excellent program has been arranged for the graduation Thursday evening of sixty-seven students of the Burbank High school. Miss Jean McGunn will direct the girls' glee club and Frank G. Heslet, the boys'. H. S. White will have charge of the orchestra. The principal address will be made by Dr. Carl Knopf of the school of religion, University of Southern California.

Motorcycle Officer F. M. Schermerhorn is in the Cottage hospital, recovering from serious injuries received when his motorcycle brakes failed to operate and he was thrown twenty feet when the machine left the pavement at San Fernando road and the Southern Pacific crossing.

Bomb explosions yesterday morning marked the beginning of the annual state convention of the Druids in Burbank. W. S. Furman, past arch and chairman of the executive committee, opened the sessions with a short address of welcome. Response was made by Noble Arch A. W. Williams. At the conclusion of the speaking a display of fireworks was shown. A street dance was held last evening.

Annexation of Burbank to Los Angeles was urged in addresses given at a meeting of the South Burbank Improvement association at the Abraham Lincoln school. Speakers were J. B. Moreland, Norman Snow, C. E. Talley, Elmer Dale and J. S. King.

Plans for a series of social functions have been made by the Burbank post of the American Legion, to be held during the next few months.

Business and degree work are highlights of today's program of the state convention of the United Ancient Order of Druids that opened a four-day session here yesterday. Tonight at 8 o'clock degree work of the Temple degree team of San Francisco will be shown at Druid's temple. At the Masonic hall degree work will be done by the Grand Circle.

Last night delegates were entertained by members of the Los Angeles Spanish colony with the presentation here of "A Night in Old Spain and Mexico." Dance numbers, depicting the national customs of Mexico, Spain and the South American republics, were the principal features.

More than 500 visiting Druids have registered, and more are expected for the last two days of the convention. All hotels have been filled to capacity and many of the delegates have been quartered in private homes.

A parade was staged by visiting delegates headed by the Municipal band last night, with Chief of Police Long, and Dr. A. E. Yale as grand marshals. At a short program held at the municipal band stand, near the city hall, opening introductions were made by Past Arch W. S. Furman; the address of welcome by Judge Watson, and response was made by Grand Noble Arch A. H. Williams. Others who talked were Grand Secretary C. A. Gugliemini, San Francisco; Miss Mid L. Fisher, arch druidess of the Burbank circle; Josie Parodi grand arch druidess; and A. E. Dufar of the Burbank Chamber of Commerce.

A display of fireworks and dancing were closing events of last night's entertainment.

FIREMEN DEFEAT CREAMERY CREW

Triple Steal By Milkmen Adds Thrills To Game; Score 15 to 5

By A. S. HALL
Of The Evening News Staff.
The Firemen walloped the Glendale Creamery, 15 to 5, in a twilight league game at the Broadway High school grounds yesterday afternoon...

The firemen set a new league record for runs in one inning when they gathered eleven in the first. Seventeen men faced the creamery pitchers during the inning, although there were only twelve legal times at bat charged. Three men walked and two were hit by a pitched ball.

Another real thrill was a triple steal pulled by the creamery crew in the second. Carter hit through the box and sent second on Nordstrom's error. Jordan walked. Both advanced one base on a balk. O. Malloy tied out Nordstrom. O. White was hit by pitched ball.

JOHN B. FOSTER'S VIEWS

Special Correspondent of The Glendale Evening News, Copyright, 1925.
NEW YORK, June 16.—The southpaw pitching menace against which managers labored frequently and fitfully in 1924, which pursued them with ferocious men this spring, has been "laid."

Whithill, the young wonder of 1924 for Detroit, is just beginning to show signs of awakening and Shaute, the Cleveland Plute of 1924 has been slammed and banged until he must feel as if he has been stepped on by an elephant.

WALLOP SPEAKER
The Athletics buried Speaker. They buried him and his Indians under a thirteen run rally in the eighth, the greatest in the history of Philadelphia baseball, and with 17 to 15. Simmons' homer with two on was the blow that broke the Indians' tomahawk.

THE BRVES BEATEN
The Cubs made it five in a row by defeating the Braves 3 to 4. Jones pitching fine ball until the ninth when he let down and the Braves scored thrice.

BENNY LEONARD TO MEET MICKEY

Kearns And Gibson Reported Busy Discussing Bout, Perhaps In August

By DAVID J. WALSH
For International News Service.
NEW YORK, June 16.—Formal announcement was expected today that within a matter of weeks Benny Leonard has thought better of his hasty retirement from the wholesome and retail glove business.

Non-active professionally for almost a year, Benny has kept himself in condition at his gym, where the tired business man may get his rest by running twenty laps around the track. The young man is said to be as sound physically as ever he was.

It is such a form-fitting transaction, in fact, that apparently Messrs Kearns and Gibson have wasted little thought on Leonard's attitude. "He's a business man," Kearns said today with a significant wink.

FRYS PHYSICAL FACTS

By PROF. BYRON G. FRY
Health Editor of the Champion Bag Puncher of America.
Written For The Evening News.
XLVII—Mountain of Health

The main advantage of exercise is that it causes a person to breathe more air into the lungs, thereby burning up more poison contained in the blood, which means purifying that great vital source of body repair material.

There are resting places by the dozens for those who need to use them until they gain strength enough to climb the mountain without a rest.

Women are especially invited as Mrs. Fry is a hiker that can hold her own with lots of the good ones, and her advice is worth listening to when any one is seeking information about health.

RINGSIDE GOSSIP BY FAIR PLAY

Special Correspondent of The Glendale Evening News, Copyright, 1925.
NEW YORK, June 16.—Inside information shows Harry Greb to be in the condition of his life.

Jack Kearns, wildest of all managers, it is said, liked that Greb-Walker match about as much as he would like two infected toes instead of the one that Mickey is reported to possess.

Leonard is getting ready for a big money bout, that is getting his mind made up to take the plunge, and the advantages he possesses in this respect is that he stands with Dempsey as the two boxers in this country who can draw the crowd.

At San Francisco, June 16.—Ray Casey of San Francisco, sent the United States away to a flying start in the premiere of the three-day Anglo-American tennis matches today by defeating P. D. Wheatley of Great Britain in straight sets. The scores: 6-0; 6-1, and 6-3.

STATE C. E. TO HEAR LOCAL MINISTER

Rev. W. E. Edmonds Will Be In Charge Of One San Diego Session

Rev. W. E. Edmonds, pastor of Glendale Presbyterian church, will have charge of the out-of-door prayer service Sunday, June 28, at the last session of the California state Christian Endeavor convention which convenes June 24 to June 28 at Balboa park, San Diego.

Ottis Ironmonger and Harold Cross will lead the song service during the convention, and Leon Mills will be soloist with Mrs. Roy Creighton and Jimmie Garth as pianists. The opening address on Wednesday night will be delivered by Rev. George P. Taubman, of Long Beach. The program Thursday will open at 8:30 o'clock with three quiet-hour periods followed by a series of Bible study classes.

Conferences on Christian Endeavor methods will be held followed by a talk by Paul Brown on graded Christian Endeavor. Professor J. Showers will be the speaker for the afternoon and Dr. A. Ray Petty of New York will speak at night.

Plan Sport Events
Friday morning the regular quiet-hour periods will be held followed by Bible study classes and conferences. Miss Mildred Haggard of Minneapolis will give an address in the morning. The afternoon will be devoted to recreation with such sports as annual ball games, and stunts. The intermediate oratorical contest will be held at night and also an address by Rev. Harry Kimmel.

The luncheon for alumni and veterans will be Saturday noon with Howard Brown in charge of the entertainment. Judge Benjamin F. Bledsoe will speak at night on the subject, "Christian Citizenship."

Schedule On Sunday
After the prayer service Sunday morning in charge of Rev. Edmonds, three mass meetings will be held in the afternoon for each division, intermediates, juniors and young people. Miss Mable Culler, of China will conduct the girls' meeting and Roy Creighton, will have charge of the boys' meeting. Three Christian Endeavor testimonial meetings will be held at night.

Addresses of officers, presentation of the convention committee and the closing address by Rev. Herbert Booth Smith of Los Angeles will be other features during the night service.

Glendale Women Take Part In Sawtelle Meeting With Attendance Of 150

Federation No. 4, Women's Relief Corps, held a meeting yesterday at Sawtelle, 150 women being present for the sessions. Mrs. Priscilla Houdyshel of Glendale, president, directed the meeting. The morning session was held in the pepper grove and at noon the company adjourned to the Women's clubhouse, where luncheon was served and a program presented. During the business meeting discussion was held regarding the permanent scholarship fund, providing that a dependent of a Civil War veteran would be eligible to take a one year's course of study at college. It was decided that the next meeting would be held August 17 at Pasadena.

C. F. Farnham, commander of Uncle Sam post, G. A. R., of Sawtelle, was present and had a small silk flag, sixty-five years old, which he had carried through the Civil war. Luncheon was served at noon.

Went from Glendale
Members of Glendale Relief Corps present were: Mrs. Priscilla Houdyshel, federation president; Mrs. Flora M. Pixley, federation secretary; Mrs. Juliana Hayes, federation publicity chairman; Mrs. Mary Bennett, president of Women's Relief Corps; Mrs. Caroline Kretchmer, Mrs. Anna Patterson, Mrs. Nina Richards, Mrs. Gertrude Tisdale, Mrs. Katherine Cory, Mrs. Jane Tuttle, Mrs. A. W. Scudder, Mrs. Augustus, Mrs. Towel, Mrs. Davis and Mrs. Krukow and A. W. Scudder and P. E. Cory.

Women's Relief Corps represented in the federation are: N. P. Banks post, Goddew post, Pasadena; Uncle Sam post, Burnside post and John A. Martin post, all of Sawtelle. Special guests present were: T. S. Stoddard, department commander; Agnes E. Stoddard, past department president of Santa Barbara. Kate Reed Humphreys, national secretary, was present to represent Grace Willard, national president, who was unable to attend, while Mrs. Adams, national past president, was there. During the afternoon a program was presented.

States Vital Facts
Secretary Smith of Sawtelle Chamber of Commerce gave a talk stressing ownership of property, enforcement of laws and recognition of God as being things of vital importance. Captain Sterling, Spanish War veteran at Sawtelle,

BARTHELMESS IN HOME LIFE FILM

Recalls Days When, As Rival Of Valentino For Honor, He Was One Chosen

In his latest First National production Richard Barthelmess is seen with his wife, Mary Hay, as his leading woman. The picture, entitled "New Toys," will be at the Cosmo theatre, South Brand and Windsor road, today for the last time. Ben Turpin is there also in "Three Foolish Weeks."

Some years ago Barthelmess and Rudolph Valentino were rivals for the role of the hero in Griffith's "Scarlet Days." Valentino had danced in a prologue in a Los Angeles theatre and had caught the eye of the director. Barthelmess had just scored a hit in "Broken Blossoms" and finally Griffith gave the coveted role to the latter. Later Valentino appeared in "The Four Horsemen" as the tango dancing Julio and became a national figure.

Following Barthelmess and Turpin at the Cosmo, Al Wilson will be seen Wednesday and Thursday in "The Cloud Rider."

Mirthful

Reginald Denny and Margaret Livingston in "I'll Show You the Town," now appearing at the Glendale theatre.

In a comedy bubbling with fresh and novel situations, Reginald Denny will be seen for the last times today at the Glendale theatre in his latest release, "I'll Show You the Town," a Universal feature. Having none of the customary comedy hook, "I'll Show You the Town" is a racy, romantic love story of an unromantic college professor whose only interest in life is the completion of his dissertation on evolution.

Circumstances constantly arise which prevent Alec Dupress, played by Reginald Denny, from carrying on his monumental work. One of the circumstances which arise is the basis for the many funny situations of Elmer Davis, rollicking story from which this production is adapted.

Promises Three Women
Alec was quick to promise and quick to perform. Hardly aware of the fact himself Alec had promised three women to show them the sights of the town the same night, though each separately, neither of the women to be aware of the others' existence.

Denny is supported by a strong cast including Marian Nixon, Cissy Fitzgerald, Lillian Tashman, Hayden Stevenson, Edward Kimball, Margaret Livingston, Neely Edwards and others.

Gilbert Thayer Gives Final Lecture Tonight

Gilbert Thayer, "the man who has made millions think," has been speaking at Hahn's auditorium. His lecture "The Greatest Crime of Civilization" is sensational because he tells the truth simply and forcefully, with the conviction of a man who has had experience, gleaned from the four corners of the globe.

Dr. Thayer will deliver the last of this series of lectures tonight at 8 o'clock at Hahn's auditorium, 109 North Brand boulevard. A question box is conducted immediately following the lectures. Everyone is invited to write a question pertaining to the subject. Dr. Thayer has delivered 360 series of lectures to packed houses in New York city, 200 in Chicago and since coming to California has delivered two series at Trinity auditorium in Los Angeles.

Verdugo To Learn Of County Water District

Additional information will be furnished property owners and voters within the boundaries of the Crescenta Mutual Water Co. district, by William Davidson, chief of the mechanical division of Los Angeles county, at a second meeting to be held in the Verdugo City Auditorium on Monday night, June 22, at 8 p. m. It is declared that a county water district is the most feasible of all the plans which have been submitted to the property owners, and plans to that end are under way. The Verdugo City Association of Commerce requests all property owners and voters in the Crescenta Mutual Water district to be present at this meeting.

who is blind, entertained with a clog dance. Chaplain Drummond of Sawtelle gave a brief talk, emphasizing the importance of bringing religious instruction back to the schools and stating that the G. A. R. posts and Relief Corps could do a great deal to bring this about. Mrs. Lula Hess sang a vocal selection to the tune of "Silver Threads Among the Gold."

We Sponsor the Memorial Hall Bond Election June 16, 1925 —BECAUSE—

1—Our soldiers and sailors—the men and women who offered and gave their lives in all America's wars—are worthy the modest memorial planned.

2—The hall will provide a center and school for patriotism, an excellent aid to the children's schools which we earnestly support. It will provide a home for all service organizations desiring to use it. At present almost all such societies meet here, there, and anywhere they can, rent and overhead holding down their membership and funds needed for civic and patriotic endeavors.

3—The memorial—one of the very few cities similar in size and ambition which has not erected an adequate token of appreciation to its veterans.

4—The memorial—neither ornate nor luxurious but substantial and serviceable—will be built, owned and controlled by the city and located where city authorities may determine.

5—The American Legion, true to its promise, is turning in the site voted two years ago to be used or sold as may be deemed best. The Patriotic and Memorial Hall association, if made custodian of the memorial, plans to maintain and care for it.

6—The memorial is a ridiculously small in proportion to the great benefits to be derived from this great civic asset. To the average taxpayer—less than \$1.00—because we know the people did not forget their sons and daughters during the trying days of war and steadfastly believe they will not forget them now.

—VOTE YES FOR THE MEMORIAL BONDS—

CHAIRMAN OF ASSOCIATION MAKES FINAL APPEAL
Fellow citizens of Glendale: We have tried to call to your attention the numerous reasons why Glendale should have a worthwhile memorial, dedicated to those who have served the nation in its hours of need and peril. The cause now hangs in the balance. The zero hour has arrived! Are we going over the top? The last minute is fast approaching—the polls close for us at 7 o'clock tonight. The minute-men at Lexington now undying fame. This association urges you to be a minute-man for the Memorial. Go to the polls at once and vote! Exercise your right and fulfill your duty as patriotic American citizens.

The 1250 members in the service societies which we represent, respectfully request you to vote "yes" on the small bond issue which means so much for the cause of patriotism and to you and to us. You remembered us during the wars! Do not forget us now! Honor your country, your city, yourselves and your veterans. Vote "YES" for the Memorial Hall.

DR. WM. C. MABRY, General Chairman.

RECALL EARLY INCIDENTS OF LODGE

Peter L. Ferry, First Exalted Ruler Of Local Elks, Presides Again

Early days of Glendale Elks lodge were recalled last night, when Peter L. Ferry, first exalted ruler of the lodge, presided over the regular meeting. During the coming weeks each past exalted ruler will be asked to preside at a meeting. It was announced by Gerald A. Dockera, exalted ruler.

Mr. Ferry's appearance in the chair recalled the institution of Glendale lodge in 1912. During his term of office 238 members were admitted to the lodge in this city, records show. The lodge was instituted October 14, 1912. On August 12 of the same year the following officers were elected: Peter Ferry, exalted ruler; William H. West, esteemed leading knight; Howard W. Walker, esteemed loyal knight; Steven C. Parker, esteemed leading lecturer; Frank B. McKenney, treasurer; F. J. Willett, tyler; Archie M. Parker, chaplain; H. E. Hoffer, secretary; David L. Gregg, F. B. McKenney and Ed M. Lynch, trustees.

To Visit Burbank
Glendale lodge will visit antedated brethren at Burbank on Friday night, June 26, accompanied by the Glendale band. Officers of Glendale lodge will conduct initiatory services on that occasion.

On Saturday, June 27, the regular monthly dance for Elks and their friends will be staged at the Glendale lodge rooms. Officers and members of Santa Monica lodge will be guests in Glendale at the meeting Monday night, June 29, when a large class of Glendale candidates will be initiated into the order.

More than 300 persons witnessed impressive flag day services conducted by Glendale Elks lodge Sunday afternoon. The principal address of the occasion was delivered by Judge Frank C. Collier of the superior bench.

Install Modern Stock For Hardware Store

A strictly modern and complete hardware stock has been installed in the hardware store at Verdugo City, in the Fowler building, by the Charles F. Berkemeyer Co. Mr. Berkemeyer was engaged in the hardware business in Los Angeles seven years and in St. Louis, Mo., fourteen, having moved direct from Los Angeles to Verdugo City.

AT LA CRESCENTA

LA CRESCENTA, June 16.—A neat sum was realized on Saturday when the Ways and Means committee of the La Crescenta Women's club gave their last entertainment at officers for the year. The supper and barn dance were all that had been promised. About 300 persons were fed during the supper hours and more served with hot dogs and sandwiches during the later hours. Before 6 o'clock people had begun to arrive, filling the long tables. Baked beans, scalloped potatoes, cabbage salad, baked ham, roast beef, pumpkin pie and coffee made up the menu.

The big barn of the Gould ranch were attractively decorated with masses of mountain flowers, baled off, being placed around the walls to form the seats. Lanterns gave a typical touch to the decorations which were done by the committee. Dicky, the pet of the Slutman family, earned money for the club by being exhibited. Dicky is a little fawn found by Mr. Slutman on the mountain side when very small and brought to the ranch. Dicky was nursed to health but never penned. He comes when called and romps around with the dogs.

The committee on arrangements express their appreciation to Mrs. Jessie Hansen, who loaned her place for the occasion.

A delightful card party was given last night by members of the O. E. S. to the Masons and their wives at the Highway Highland clubroom. The guest of honor was Mrs. Evelyn Pierce of Glendale, who gave a number of readings. High honors went to Mrs. H. J. Rosendale, a box of embroidered handkerchiefs. Mr. Roder carried off the men's consolation prize. Mr. Woodward took first honors for men, a silk tie, while Mrs. Woodward was awarded the ladies' consolation prize. A light supper was served at the close of the evening. Mr. Silver and A. F. Hopkins furnished the prizes.

P. T. A. reading circle will meet Wednesday at the home of Mrs. Jessie Hansen on East Piedmont avenue at 11 o'clock. The study of child training will be followed after luncheon by a lighter reading of a continued story dealing with family life. Everyone is to bring sandwiches, the hostess serving coffee.

Working day and night to finish the swimming pools, men of the Highway Highlands tract promise the "ol' swimmin' holes" will be ready for the big celebration on the Fourth, when everyone of the valley is invited to an old-fashioned time with races, games, speeches and supper. No firecrackers will be allowed.

Mrs. Blanche Hopkins is home again after spending some time in the Uley sanitarium suffering from an attack of pneumonia.

Two names gleaned from the Sanitarium register of guests will show how far the fame of Glendale is reaching. Among those registered during the past few days are Miss Mabel Langford of Adelaide, South Australia, and H. Stafford of Boston, Mass. The patronage of the Sanitarium continues to be very good.

Fourteen Hurt, Many Have to Flee In Fire
LAWRENCE, Mass., June 16.—Explosions and fire in the heart of Lawrence's business district late yesterday destroyed \$150,000 worth of property, injured fourteen firemen, drove hundreds of tenement dwellers from their homes and menaced the downtown section of the city. Seven firemen were injured when an explosion of paints and oils blew out the front of the burning building, which was a four story structure occupied by a hardware and paint firm.

What will become of your Life Insurance?

MOST estates are largely life insurance, left in a lump sum. Almost inevitably such money attracts "wonderful business opportunities," unseasoned advice, and is prey to the dangers of inexperience and mismanagement.

Ninety per cent of insurance left in bulk is completely dissipated within seven years! If insurance is worth buying, isn't the income it should provide worth protecting?

Under a Life Insurance Trust, this company will invest and manage your insurance, carry out your instructions, pay regular income to your heirs, and ultimately dispose of the principal as directed.

This is the safe way to leave insurance—to bring the greatest benefits to those for whom you insure your life.
