prepared by the late colebrated physician Dr. Francis Bertoly. This well known medicine in syphilitic cases has been used in the U. States upwards of 30 years with the greatest success; and though mercury enters into its composition, wet its remarkable properties consist in this fact: if prescribed in any quantities, and frequently repented, it never affects the mouth in the remotest egree, there is, therefore, no salivation, no feter of the breath, no destruction of the teeth, nor any of that long catalogue of disgusting effects so uni versally attending the use of mercury in its natuthe Encyclopedia Americana, a Dictionary ral form as is usually prescribed; this is a circumstance not to be overlooked. This medicine is no Politics, brought down to the present time, and companied by a small pamphlet, called The Art companied by a small panishlet, called "The Art of Euring One's Self," plainly pointing out its application, which may be performed without the alkion of the German Conversations Lexicon—aid of a second person: in company cases out the conversations of the German Conversations of the conversations of the German Conversations of the conversatio aid of a second person: in common cases one bottle effects a cure.
