4. REPORT OF FINDINGS

35 (AGENCY) TOTAL DENIAL
 On 27 October 1958, the files of the District Intelligence Officer, 3d Naval District, New York, New York, were consulted concerning Jacob Rosen, aka Jake Rosen and Jack Rosen, an associate of SUBJECT at CCNY, and the following pertinent information was revealed:

Jacob Rosen is mentioned in the New York Times, dated 30 July 1957, in connection with the World Youth Festival held in Moscow, USSR, in an article entitled "Moscow Reality Cools US Youth", which stated that "Jacob Rosen, 636 West 174th Street, a junior at City College, went without sleep to keep things moving. He carried a US flag at yesterday's opening, dipping it in salute to Nikita S. Krushchev and other Soviet dignitaries.....".

An article in the Daily Worker, dated 15 August 1957, page 2, entitled "41 American Youths Entrain for Peking", stated that, "Jacob Rosen signed a petition, after warnings by Acting Secretary of State Christian Hertog, stating that the signers did not consider themselves....tools of Communist propaganda", and asserting "....the right of American citizens to travel."

New York Times, dated 15 August 1957, carried an article entitled, "41 Defy Warning, Set Off for China", which stated that, "Jacob Rosen of New York, one of the leading American organizers here during the festival, went to Kiev today as an observer of the Communist sponsored World Federation of Democratic Youth. He said he would go to Peiping by plane after the session." Further extract from the Times stated that, "Most of the preparations for the tour were made with the Chinese by Mr. Rosen and Robert Williamson of New York and the Reverend Warren Mc Kenna."

The New York Times, dated 27 December 1957, indicated that Stanley Faulkner, 9 East 40th Street, New York, New York, had been retained by Jacob Rosen, 636 West 174th Street, Manhattan, and three others to bring suit against the Federal Government to return revoked passports after the group had defied State Department warnings not to tour China as part of the WYF.

FBI letter, file #100-18508, 11 October 1957, Subject: Sixth World Youth Festival with enclosures, indicates that Jacob Rosen was co-chairman of the American delegation, with Barbara Perry and Earl Williamson.

New York Times, dated 10 December 1957, indicates that Jacob Rosen would seek to re-enter CCNY after having his passport revoked for travelling in China, after warning by the State Department. The report states that Rosen had taken a six month leave of absence from CCNY to visit the World Youth Festival and relatives in Israel. Dr. Buell G. Gallegher, President of CCNY, said he expected Rosen would have, "no difficulty in being readmitted."
