WIKIPEDIA INITIATIVE NOVO MUSEU DO IPIRANGA

- The partnership between Wiki Movimento Brasil and Museu do Ipiranga started in 2017.
- Around 33K media files were uploaded to Wikimedia Commons, and around 33K items were created in Wikidata.
- In 2020, a new project called *Wikipedia Initiative Novo Museu do Ipiranga* was created in this partnership context.

WIKIPEDIA INITIATIVE NOVO MUSEU DO IPIRANGA

- **Goals:** Build an open and collaborative knowledge culture and develop tools and processes to improve the insertion of the museum in the open internet ecology, specially the Wikimedia environment.
- Established a sustainable digital community to act in production, circulation, outreach and educational appropriation of content related to the institutions, collections and research of the Museu do Ipiranga.
- Innovation and development of products and technological processes, broadly related to digital humanities and informational curation in the semantic web. **[[:pt:WP:PNMI]]**
