REPUBLICAN TICKET.

## ANDREW JACKSON.

"It is fortunate for the country that Gen. Jackson is likely successful, hithough such a claim, asserted by any one to be fit for public life at the end of the present four years; for in him is the only hope left of avoiding the dangers manifestly about to rise out of the broad construction new again given to the constitution of the United States which effects.

This claim is examined, in a masterly manner, by the

'Towards that distinguished captain, who has shed so much glory on our country, whose renown constitutes so great a portion of its moral property, I never had, I never and, I never and, I never had, I never

## FOR VICE PRESIDENT. MARTIN VAN BUREN.

ELECTORS
OF PRESIDENT AND VICE PRESIDENT. First District—JOHN B. PLAUCHE. Second District—THOMAS W. SCOTT. Third District—TRASIMOND LANDRY. Fourth District—ALEXANDER MOUTON.
Fifth District.—PLACIDE BOSSIER. GOVERNOR.

## J. B. DAWSON.

By yesterday's mail the New York papers were to the

with it diver to congressional conditions—and in lits least of dangerous points of view it is an important corremony, for the atternace of the citizens of New York was held on the atternace of the letth, for the purpose of adopting measures for the relief of the poor of the city, and such of labouring classes are now suffering for the want of employment, consequent upon the present interruption of Business. Committees were appointed to earry the object of the meeting into effect, and also to use their endeavours to find employment, if practical, for the poor of the city, who are now in ideases. A resolution wassessamin-usly adopted, expressing the full confidence of the meeting in the daily reports made by the board of health, and advising their fellow citizens in the country to look to that source only for correct information as to the health of the city.—A subscription paper was handed round immediately after the meeting, and fifteen hundred and ninety-fise dollars subscribed in a very few minutes.

Mr. Henry Miller has been appointed post master at Natchaz, in the place of colonel James Foster, resigned.

expired yesterday, and there is, we learn, but little probability that the printer, Mr. Benjamin Levy, will be able to accomplish what yet remains, in two or three weeks. We take leave to inquire if Mr. Levy will be compelled to pay two thousand dellars, the penalty of his bond, tog his non-

Adairs in South Carolina seems to be rapidly histening to a crisis.—The Charleston Mercury, received by Tucsday's upon the bond basis of a preminent share in the electron of Andrew Jackson, and a support alike constants an staddress to the people of South Carolina,," which is signed by both of the senators, and six of the representatives of that state in congress. It is an important and interesting document, gontaining a calm and dignified exposition of the wrongs, and a solemn appeal to the patients and public spirit, of their fellow-citizens. It

as assuming to speak in the name of the people, says-"as surely as our next legislature meets, a convention will be called to mulify the act, and as sure as South Carolina has always marched with the democracy of the union, nullifies, her position will be supported by every other and as the nomination of Mr. Wilkins was made besouthern state. Let the tariffites, therefore, think on fore any candidate for the vice presidency had been their course: South Carolina has resolved on hers!" As this manifesto belongs to the history of the times, we

shall endeavor to make room for it, as much as we depre- ety to retrace her steps, especially now that it is apparcate its spirit. Nor do we believe that the other states of the ent that the time is at hand when the true friends of south will make common cause with South Carolina, if she should be so mad as to take this rash step: they will take lican candidate for the vice presidency, and none will the new tariff, pro tanto, for what it is worth, and rely upliorations of the system hereafter.

to the port of Key West," provides that after the 1st accking to make its will and its wishes the law of the of August all ships and vessels arriving in the land. United States from the Cape of Good Hope, or any place beyond, shall be permitted to make entry at the and of his qualifications and services, the address pro said port.

The veto-message of the president seems to have struck the opposition dumb, since, with the exception of Mr. Webster's speech against it in the senate, we of the democratic party in Rennagivania and throughbave seen nothing in the shape of an argument on the subject, in the opposition press; and Mr. Webster's ef fort was so completely annihilated by the indignant phillippic of colonel Benton, that we intend to make room Or both, for the purpose of showing how complete was the triumph of the Missouri separate over the treed in the acceptance were entrusted to he care. The freedom of our brave sailors from imwas the triumph of the Missouri senator over the "god. like man" of Massachusetts. Indeed it must have been tremendous, to have provoked Mr. Clay to a display of the frailty which was exhibited by him, in "the closing scene" mentioned by a correspondent of the Charleston. scene' mentioned by a correspondent of the Charleston ister had scarcely arrived at his destination, when his Courier, whose letter we copied in our last regular mentioness was destroyed by the ano-concurrence of the measurement of the measu publication, without remark, being stinted for room. It the senate, on the casting vote of vice-president. Disis a part of the history as to the present session of congress, and forms a very appropriate finale to a session litton with detected jealous; and the federalism of the preemineatly distinguished by personal investive, conpreemineally distinguished by personal invective, confusion, and disorder. It exhibits, also, a very striking illustration of that high dignity of character, and beautiful to Andrew Jackson, and the gratification of that high dignity of character, and beautiful very striking illustration of that high dignity of character, and beautiful very striking in the preference and the preference are the preference and the preference are the preference and the preference are the preference are the preference and the preference are the preference and the preference are the preference and the preference are tiful propriety of demeanor, which are so essential, and the choice of the people.

ac commendable, in a candidate for the presidency. It "A cry of indignation ruse at once from the nation is impossible for any one to read the remarks of those gentlemen, without being fully satisfied that American senators are the most courteens gentlemen in the world, se g ty of the people's will, and that the cause was not and that there is no man so thoroughly qualified, as Mr. that of Martin Van Buren alone, but of those for whom CLAY, for the chief magistracy of the Union

Nothing can be more evident than that the opposition seeing their whole force with a view to the creation of divisions in the republican ranks, in relation to the candidate, and there was no course of a political justices. The whole aspect of the political party could be a seed to the view-presidency, under the faint and delations was now altered by the creation of geven as the property of the view-presidency, under the faint and delations was now altered by the oblitical party could into the senate, where the second set of the political party could into the senate, where the second set of the political party could into the senate, where the second set of the political party could into the senate, where the second set of the political party could into the senate, where the second set of the political party could into the senate, where the second set of the political party could into the senate, where the second set of the political party could into the senate, where the second set of the political party could into the senate, where the second set of the political party could into the senate of the political party of

This claim is examined, in a masterly manner, by the limitations of powers, and leaves the general loversment, by theory, altogether unrestrained."—THOS. IEFFERON, in Many to clear headed, strong minded man, and has more of the Romania him than any man living."—JEFTERSON. report of the delegates from Peansylvania, in the Baltiever, we extract from it some passages on the subject of the vice presidency. Of the claim set up by Pennsyl

attribute of tage avereignty not to be abandoned with-out degradation; but a parallel reason requires that in national concerns—where the will of all is to be equalby consulted—the power of nomination should be coordinate with that of election. It is the same principle
so familiar to the people in the daily difference between
county officers and those who belong to the whole comnonwealth. In order, therefore, to altern the advantage of a general conference, the windom of the early demo-eratic party adopted the mans of a congressional caucus; but practical experience exhibited certain defects in this particular organization; and it was recently re-jected by the people without the substitution of any other adequate provision.

Isth of July. Whose the other cities the dates were correspondent. At New York on the 18th, there were 188 new cases of cholers, and 72 deaths. At Philadelphia no new cases of cholers, and 72 deaths. At Philadelphia no new cases were reported on the 18th. There is nothing defenite frosh Detrict or Fort Gration.

We have Just learned (says the Journal of Commerce of the 18th, in its evening edition) that the direction of the U. States bank have resolved to loan to the city banks a million of dollars for the purpose of relieving the present pressure upon the money market. "A system of nomination to national offices by Indi-

-load and universal: there was no part of the Union

ress of the latter gentleman is certalle, it being part and parcel of the bargain between Messre Clay and Calnoun. From this view of the subject, the real friends of the president will perceive that they have but one course to pursue; and they will be true to themselves by unhestintingly supporting the nomination of MARXIN VAN BURNE to the vice-presidency.

The Pennsylvanian speaks of their great meeting which took place in Philadelphia on the 15th ultime, duction of id had been established on the subject of the yelo, as an assemblage of the old the maring was dull at former point. Clay party, aided "by that Spartan band which utilier the provident because the Seah Sin poon protocolized the president because the Florida.

Seah Sin poon protocolized the president because the Florida.

Florida. It alan est mates the number of persons who attended at about Afteen kundeed, while the three bank organs, the Enquirer, the Autional Gazette, and the United States Gaz the, compute them at even thousand. The remarks of the Pennslyvanian on he subject, will be found in our columns, from which, as well as from the Since lat Question that United States, found in our columns, from which, as well as from the Since lat Question last, - Same period last year, -8th, the feelings indulged by the friends of Jackson, on the subject of the veto-message, may be infered: "When the message was first communicated to our Philadelphia world, it gave rise to exultation among

the enemy, and to a feeling of depression among our friends. Both of these impressions arons from ignorance, and both were equally mistaken. So much noise was made about the last, that most men prophesied serious consequence from the president's veto. If has Mr. Henry Miller has been appointed post master at atchez, in the place of colonel James Foster, resigned.

The time limited for the publication of the second vome of Miller's reports of the supreme court of this state, the penalty of the second vome, and the fact is evident, that—except a more of Miller's reports of the supreme court of this state, the penalty of the second vome of Miller's reports of the supreme court of this state, the penalty of the supreme court of this state, the penalty of the state of the supreme court of this state, the penalty of the state of the supreme court of this state, the penalty of the state of the supreme court of this state, the penalty of the state of the supreme court of this state, the penalty of the state of the supreme court of this state, the penalty of the state of the supreme court of this state, the penalty of the state of the supreme court of this state, the penalty of the state of the supreme court of this state, the penalty of the state of the supreme court of this state, the penalty of the state of the supreme court of this state, the penalty of the state of the supreme court of this state, the penalty of the state of the supreme court of this state, the penalty of the state of the supreme court of this state, the penalty of the state of the supreme court of this state, the penalty of the supreme court of this state, the penalty of the supreme court of this state, the penalty of the supreme court of this state, the penalty of the supreme court of this state, the penalty of the supreme court of this state, the penalty of the supreme court of this state, the penalty of the supreme court of the sout for an application meeting on Monday next; A call sout for an application meeting on Monday next; and we are incited to produce ours, by way of a reply.

On this you may depend—there will be a meeting—

> the deak of that gentleman in the missional senate, who, it seems, is ambitious of twining the grove bays of the poet with the laurel of the orator

From the Pennsylvanian LINES FOUND IN THE SENATE ON THE SESK OF THE HONORABLE HENRY CLAY.

12th July, 1882. Oh, no! I shall not sue for them,
Their drafts shall never see,
My hands are now no more to touch
Their ence familiar fee.
From side to side I quickly turn'd—

My first vote I regret—
To day my noblest speech I mede—
Oh! cannot I forget? They bid me seek, from local banks, The fees to me so dear; Alas! no local banks can give

Five thousand every year.
The true that I behold no more The Board at discount met, No more the cashing visits me-But how ten I forget?

For oh, there are so many things For oh, there are so many things
Recal the bank to me.
Directors who are all my own,
My oft repeated fee,
The suits that vex the Jackson men;
The bribes my printers get,
Ay, each branch note I look upon
Eachids ma to forces.

Forbids me to forget. They tell me that this veto gains Old Hickory many a friend;
Alas! like me he does not need

Alas: like me he does not need
Bank notes at whist to apend.
Had he their golden favors won,
Not less were his regret;
Had he but made what I have made, He never would forget!

PHILIDELPHIA, July 18. The Great Meeting of the opposition took place on Monday, for the purpose of signalizing the distribution of some half a dozen gentlemen from the democratic ranks, and of arranging the terms on which the interacts of Mr. Clay and the Bank shall be promoted by their allied advocates. The meeting was of course a large one, since it was honoured by the presence of nearly all those who were coached into the city on a syringes complete; \$20 cases olive oil; bottle corine; nearly all those who were coached into the city on a syringes complete; \$20 cases olive oil; bottle cories; former occasion. A respectable sitizen, who opposed I bale handkerchiesis; I case of ladies stockings wift General Jackson in 1824, and cameto his support when with and without borders; 500 boxes anisette &c., &c., support was no longer needed in 1822. support was no longer needed in 1828, and who resum.
