THEREN of the President Pebbic Spectacies from Gorowall, Engined, respectacily amounted survival on a professional visit, with a special accumulation of professional visit, with a special instrument, and may be emuched at their Clies, every fits either of decays W. If Janon & Co. Or. CHEEVER. The Doctor appears to be rather a clever imitator of Theodors Park-THE SOUND DUES.—The recent foreign advices put us in possession of the fact that the conference in regard to the Sound dues has at least virtually settled the main point involved, as far as the European powers are concerned. The redemption of the whole dues by capitalization, in accordance with the suggestion for some time current, is no. ka's pugnacious and belingerent style, and to borish an ardent attachment for the philan CATALOGUE SALE OF SEVEN HUNDRED AND corism an argent attachment for the philan thirtypic woapons known as Sharpe's riflet and Cott's revolvers. In his discourse, which was delivered before a pictual and moties assemblage of whites, blacks and mulattoes we discover some passages clearly charac-NEWS OF THE DAY. TRIBIT LOTS OF PRINTED LOTS AND ADDRESS OF THE LOTS AN AFFAIRS IN KANAS.—Gov. Gogry is reported to have had a consultation with Gon. Case on the 21st mat., and to have given him a succinct account of affairs in Kanass up to the period of his departure. He says that in all his conduct he aimed only for the peace and welfare of the people, and that in the administration of his duties all classes were treated with the attrictest impartiality.

The Governor reiterates the opinion that was delivered before a piebaid and moiters of the depth of the standing of whites, blacks and mulattoes at a passed of the standing of whites, blacks and mulattoes at the standing of whites, blacks and mulattoes at the standing of whites, blacks and mulattoes of the words of the submer of the church militant but scarcely reconcilable with the precepts of the words of the submer on the 21st inst. and to have given him a sucernet account of affairs in Kanasa up to the period of his departure. He says that in the saggestion of the says that in the saggestion of the period of his departure. He says that in the saggestion of the period of his departure. He says that in the saggestion of the period of his departure. He says that in the saggestion of the period of his departure. He says that in the administration of his duties all classes were treated with the strictest impartiality.

The Governor retreates the opinion that the population of the Territory is still took as a state and too small for its admission as a State, and on a still research at the population of the Territory is still took as a still research in the population of the State of the said increase a sufficiently to send a representative to Congress.

On the 23d inst. Gov. Geary called at the White House, and was there introduced by the President to the Cabinet, and had with them a long conversation on the general says the Kanasa Fees State Convention in semion there had under consideration appliance of the State of North America was affected was only 2.05 per cent. The proportion in which the trade of the same of the state of North America was affected was only 2.05 per cent. We do not anticipate any serious obstructions also recommended at a special to the support of the striction of the State of the striction of the striction of the State of North America was affected was only 2.05 per cent. We do not anticipate any serious obstructions and jeopardizing the public peace.
