Read The Times

Ernest McGaffey, secretary of the Vancouver Island Development League, went over to Vancouver yesterday with a quantity of literature for distribution at the National Apple Show being held there this week.

It is anticipated that in about two weeks' time blocks sufficient to complete the paving works on Yates and Broad streets, Douglas street will have been treated at the re-paving works, when the plant will be closed down for the present season.

The B. C. Marine Railway Company is making excellent progress in the big repair job to the steamer Princess May. Some three hundred men are employed, and as the work will last for several months the payroll at the works is a big one.

It is likely that the city engineer, at the next meeting of the streets committee of the city council, will recommend that the wharf to be erected at the foot of Queen's avenue between the properties of the Taylor Mill Co. and Lemoy, Gonnason & Co. be done by day labor instead of by contract.

John Watson, corner Fort and Davie streets, desires it stated that the local in yesterday's paper, to the effect that he had taken out a permit for alterations to his house, should have read "repairs." The building inspector's record shows that the permit was issued for "alterations, repairs and additions" to the value of \$350.

Believing that topographical and climatic features are to some extent unfavorable for experiments in aviation, W. W. Gibson, the local inventor of a flying machine, will next spring take his monoplane to some point in the prairie provinces, possibly in the vicinity of Calgary. Mr. Gibson intends making several improvements in his machine before his next attempt at flight. He will spend the winter in Mexico, returning to Victoria in the spring and then going east.

A grand concert will take place next Tuesday evening, November 8, at 8:15 o'clock, under the auspices of the Men's Own Bible Class, at the lecture room of the First Congregational church, Pandora avenue. The following ladies and gentlemen have kindly consented to contribute to the programme: Mrs. W. Stenland, Mrs. Gleason, Miss N. Scowcroft and Messrs. R. Morrison, J. Dunford, Hunt, and Gannon. Admission 25 cents.

Thus far there have been but few enquiries from local contractors relative to the work of repairing the Smith's Hill reservoir, and it is believed but few bids will be received. A firm in Vancouver is among the number likely to tender. The conditions imposed on the successful contractor are most onerous, as, besides putting up a guarantee bond, he must leave 25 per cent of the contract price with the city for a period of five years.

With commendable enterprise David Spencer, Ltd. have opened up in a portion of the Driad hotel, and their extensive line of stock is almost complete. There is a very large and full assortment of men's furnishings, and the general line of dress goods and silks, veilings, neckwear, umbrellas, and napery is fully covered. The large drawing room of the Driad on the second floor has been converted into a beautiful millinery show room, where the very latest creations from New York and Toronto are on sale. The showing of the beaver hats which have been so popular is especially fine. In the cloak and mantle departments, the line for ladies and children is fully covered. A very beautiful assortment of the latest fancies in evening dresses and wraps, which arrived last evening from New York, needs only to be seen to be appreciated, and the popular dress-makers, Miss MacMillan and Mrs. Angus, will be found on the third floor. A large shipment of furs will arrive in a few days.

OBITUARY RECORD

At one time prominent in sporting circles and at the time of his death a real estate agent of this city, Cecil Eustace Berkeley, 849 Burdette avenue, passed away early this morning at St. Joseph's hospital, after a short illness from pneumonia. His demise, which came rather suddenly, is greatly lamented by his numerous friends, amongst whom he was a general favorite. He was at one time employed by R. P. Ribbet & Co.

Deceased, who was born in Queens, was in the prime of life, having just passed his twenty-ninth birthday. When a young boy he removed from the Coal City to Victoria with his parents. He received his education at the public school here and graduated from the High School with honors. While attending school he entered into every class of sport and after leaving the educational institutions he became a leading athlete in several clubs. For many years he played soccer for the "Titan" team.

In military circles he was well known. He was a sergeant in No. 1 company of the 14th Regiment, having been connected with that organization for the past ten or eleven years. The late Mr. Berkeley was a five-year member of the Boy Scout movement and had been a member of it since its inception in this city. He was scout master of B. troop, and by his kindness, generosity and unselfishness he greatly endeared himself to the boys. The funeral will be a military one, and will be held at the place of Saturday afternoon at 2:30 o'clock from Christ Church schoolroom and a few minutes later at the cathedral. Rev. E. Barton will officiate and the remains will be interred in Ross Bay cemetery. The Fifth Regiment and Boy Scouts will attend in a body.

RECEIVED BY DUKE

Capetown, Nov. 3.—Hon. R. L. Lemieux, Canadian postmaster-general and representative of Australia and New Zealand, have called on the Duke of Connaught, who is here to officiate at the opening of the first union parliament.

—Canton Victoria No. 2, I. O. O. F. will give a social dance in I. O. O. F. hall Monday evening, November 7, for Odd Fellows and their friends.

—The Laborers' Union will meet on Friday evening in the Labor hall at 7:30 o'clock. Important business affecting the laboring class will be considered.

—The charge against Peter Jensen for shooting and wounding Miss Estella Carroll was this morning dismissed by Magistrate Jay, plaintiff not wishing to prosecute, and reiterating that the affair was an accident.

J. J. Williams, the druggist, whose place of business was destroyed in the late fire, has just returned from the mainland with a full and complete stock of drugs, etc. for his new premises on Fort street, where he will in a few days open up.

—An improved schedule for the operation of the street cars on the Foul Bay line was put into effect to-day by the B. C. Electric Railway Company. Cars leave the Foul Bay terminus 2 1/2 minutes before and 7 1/2 minutes after the hour, and the half hour, and the city on the hour and each quarter. The cars have previously been operated on a twenty minute schedule.

BORN.

NOBLE.—At 1702 Belmont avenue, on 1st November, to the wife of Walter Noble, a daughter.

BERKELEY.—At St. Joseph's hospital, on the 29th Nov. 1910, Cecil Berkeley, a native of Nanaimo, B.C., aged 29 years.

The remains will repose in the chapel of the B. C. Funeral Furnishing Co. until Saturday morning, at Christ Church cathedral. Interment in Ross Bay cemetery.

LIQUOR ACT, 1910 (Section 42.)

Notice is hereby given that on the first day of December next application will be made to the Superintendent of Provincial Police for renewal of the hotel license to sell liquor by retail in the hotel known as the Mayne Island Hotel, situate at Mayne, Islands District, in the Province of British Columbia.

Dated this 1st day of November, 1910. C. J. McDONALD, Applicant.

Local Improvements

The Municipal Council of the Corporation of the City of Victoria, having determined that it is desirable:

- To construct curbs, gutters and boulevards (including maintenance) on both sides of Work street, from Bay street to Hillside avenue.
- To construct curbs, gutters and boulevards (including maintenance) on both sides of Queen's avenue, from Douglas street to Blanchard avenue.
- To construct a permanent sidewalk of concrete on the west side of Blanchard avenue, from Bay street to Queen's avenue.
- To grade, drain and macadamize with bitumen, Shelburne street, from Edmonston road to Hillside street.

And that the said works shall be carried out in accordance with the provisions of the Local Improvement General By-Law and amendments thereto, and the City Engineer and City Assessor, having reported to the Council in accordance with the provisions of section 4 of said by-law upon each and every of said works of local improvement, giving statements showing the amount estimated to be chargeable in each case against the various portions of real property to be benefited by the said works, and the reports of the City Engineer and City Assessor, aforesaid having been adopted by the Council, NOTICE IS HEREBY GIVEN that the said reports are open for inspection at the office of the City Assessor, City Hall, Douglas street, and that unless a petition against any proposed work of local improvement above mentioned, signed by a majority of the owners of the land or real property to be assessed for such improvement, and representing at least one-half of the value of the said land or real property, is presented to the council within 15 days from the date of the first publication of this notice, the council will proceed with the proposed improvement upon such terms and conditions as to the payment of the cost of such improvement as the Council may determine.

WILLINGTON J. DOWLER, City Clerk, office, Victoria, B. C., November 4th, 1910.

SAANICH COUNCIL NAMES DELEGATES TO CUT OFF QUEUES

Will Press for Amendments to the Municipal Act—Local Matters

At the Saanich council meeting, held last Saturday afternoon in the Glenford avenue chambers, Reeve Nicholson and Councillor Grant were appointed delegates to represent Saanich municipality at the annual meeting of the B. C. Union of Municipalities, to be held at Salmon Arm, B. C., on Thursday and Friday, Nov. 10th and 11th.

Saanich delegates at the last annual meeting secured the endorsement of the Union to many needed amendments to the Municipal Clauses Act, but the Attorney-General had no time for serious consideration to so formidable a task previous to the last election, and nothing was done with these recommendations. It is expected, however, that at the coming sitting of the legislature the Municipal Clauses Act will receive the attention, and in this hope the delegates are instructed to press for a re-submission of the amendments of last year.

H. J. Pollard wrote asking if the council intended putting a sewer or drain pipe across his lot on Dufferin avenue, and also gave notice that he intended to build a residence there. He will be informed that nothing will be done this year.

G. Spencer, secretary of the Local Option League, Vancouver, submitted many proposed amendments to the Municipal Clauses Act, along the lines of license restriction and moral reform. The council was of opinion that this question could be better considered at a meeting of the Union of Municipalities. The communication was received and filed.

R. Emmerson wanted permission to lay a pipe across Dufferin avenue. Referred to road superintendent with power to act.

C. P. Bennett wanted to dig a drain along Whittier avenue for the purpose of draining that street and incidentally improve conditions on his own property. This took the same course.

Another drainage trouble came from Cadboro Bay, where Mr. Maynard wants the council to put a surface drain through his property to prevent flooding in the rainy season. The clerk will notify him that no funds are available to drain private property.

Day & Boggs were solicitous that the watercourse from Lost to Swan lake be kept in good order. Received and filed.

R. Fowler, church warden of St. Mark's, asked for a sidewalk from Boleskine road to Tennyson avenue. This was referred to the road superintendent with power to act.

Councillor Freeman introduced H. Hambleton, who presented a petition for a sidewalk from De Rousie's to Carey road, agreeing to lay it if the planking were furnished. It was pointed out that many new residences have recently been built there and several others will be built at once. The plea of "no provision in the estimates" this year was the regretful reply, and favorable consideration for next year promised if any of the councillors survive the January elections.

Councillor Grant asked if a shed would be provided this year for the new roller. The Reeve gave assurance that this would be done.

The same councillor wanted provision made for a permanent gravel supply throughout the district, as some of the pits in his ward were giving out.

The Reeve said that this was one of the questions the council would soon have to consider, and a means found to overcome the difficulty.

Jed Pim, road superintendent, reported encroachments on the public highways, one at Gordon Head and the other at Saanich. Both offenders will be ordered to put their fences on the lines given by the superintendent.

Ryan & Lang were asking to hire the street grader to work on sub-division streets in Ward 2. This was left to the road superintendent, after which an adjournment was taken.

TAKE EVIDENCE ON TECHNICAL TRAINING

Members of Royal Commission Hear Witnesses at Port Arthur

(Special to the Times.)
Port Arthur, Ont., Nov. 2.—After taking of evidence on matters pertaining to the necessity for technical education, the royal commission which commenced a tour of the west here yesterday left to-day for Port William.

The principal evidence taken at an extended session last night related to the need for training along lines which would promote the development of the iron resources of the district.

J. Dix Fraser, manager of the Atkinkam iron furnaces, told of the success in experiments made to produce commercial iron from highly sulphurized ore, and predicted that with this success there would be great development, necessitating many technically trained men.

The labor council, board of trade, women's civil league, building trades and plumbers also submitted evidence along various lines.

DESTRUCTION OF THE BATTLESHIP MAINE

Member of Board of Investigation Declares Mine Was Exploded Under Vessel

Kansas City, Mo., Nov. 2.—That the battleship Maine was blown up by a mine beneath it as it lay in Havana harbor, that the secretary of war, the secretary of the navy and President McKinley knew this before war was declared against Spain; that they knew the name of the man who threw the electric switch which caused the bomb to explode, and that they had a part of the cable leading to the mine, was the statement of Captain Jasper Brady, a member of the board of officers commissioned to investigate the destruction of the big warship and the death of its men.

Capt. Brady's statement was made in a lecture delivered here. When the battleship is raised, he predicted, the truth of his statement will be substantiated by the discovery of a big jagged hole in the bottom of the vessel, the points of which protrude inward.

Jose Zavaldo, a Cuban electrician at Moro Castle, Capt. Brady said, was the man who turned the switch causing the explosion of the mine. Zavaldo was afterwards shot by orders of General Blanco.

Capt. Brady intimated that he would not now make public the statements he had here if not for the fact that the government engineers were already working about the vessel preparatory to raising it. He said that the investigation corps have discovered records that prove the Cuban electricians connected with the affair.

Statement Ridiculed.

Washington, D. C., Nov. 2.—High officers of the army and navy service pronounce as ridiculous the statements made by Captain Brady in his Kansas City lecture regarding the blowing up of the battleship Maine. No piece of cable is now in the possession of the navy department, as Brady asserted, these officers declared. They considered the other statements equally without foundation. The detailed statement Brady made regarding the destruction of the Maine was received with interest in army and navy circles, but no officer was found who could affirm the story.

POLICE STATISTICS.

October in police circles was considerably more active than was the previous month. A total of 297 cases were handled, classified as follows: Assault 5, auto speeding 1, begging 3, carrying concealed weapons 3, infractions of city by-laws 10, drunks 79, forgery 5, gambling 13, grievous bodily harm 1, insulting language 1, keeping vicious dog 1, infraction of juvenile act 1, liquor regulation act 1, malicious injury to property 1, neglect to provide for family 2, obscene language 1, obtaining money by false pretences 1, pointing revolver 1, stealing 8, infraction of steam boiler act 1, safe-keeping 59, truancy 2, unsound mind 2, vagrancy 5. Total 297. Arrests numbered 125 and summons cases 21, convictions were 111, offenders sent up for trial numbered 4 and 21 were discharged. The patrol wagon responded to 149 calls during the month.

AUSTRALIAN RAILWAYS.

Melbourne, Nov. 2.—The federal government intends to bring railway employees under commonwealth control. As the states still retain the railways themselves this means that the union will fix the rate of wages while the states will pay. The federal government's action is regarded as a short cut to unification and the obliteration of the states which, however, promise to make strenuous opposition to enforcement.

FORMER MINISTERS INDICTED.

Lisbon, Nov. 2.—All members of ex-Premier Franco's cabinet have been indicted jointly with Franco.

All the Words of the Poet Could Not Do Justice to Our Magnificent Display of Coats, Suits and Dresses

Campbell's
"THE FASHION CENTER"

MELTON PRIOR DEAD.
Famous War Correspondent and Artist Passes Away.

London, Nov. 2.—Melton Prior, war correspondent and artist for the Illustrated London News, who saw some 24 campaigns and revolutions, died yesterday.

Melton Prior, who was born in London, represented the Illustrated London News in over 24 campaigns and revolutions, his first appearance on the battlefield being in the Ashantee war in 1873. He was present at the Carlist rising, and afterward went through the Herzegovinian, Servian, Turkish, Kaffir, Dauso, Zulu and Boer wars; Egyptian campaign of 1882, Sudan and Nile expeditions, Burmese war, Venezuelan, Brazilian and Argentine revolutions, Jameson raid, Matabele war, Afridi war and Northwest India frontier campaigns, and Cretan insurrection. He was in Ladysmith during the siege in 1900. From 1872 to 1886 he was only one year without seeing service. His last campaigns were the Somaliland expedition and the Russo-Japanese war.

In 1875 he went to Athens with the Prince of Wales, accompanied the King of Denmark's expedition through Iceland; and was with the Marquis and Marchioness of Lorne when they came to Canada, visiting Victoria. He was present at the Berlin conference, and was at every state ceremony during his stay in England; also at the funeral of the late and wedding of the present Czar of Russia. He was also present at the Durbar at Delhi. In 1891 he travelled with King George when as Prince of Wales he visited Victoria. Since the Russo-Japanese war he made a trip to Afghanistan to make some pictures regarding the life of the Amir.

FORMS OF CIVIC GOVERNMENT.

Few people seem to understand what is meant by a board of control or government by commission. A day or two ago the city council voted down the scheme for a board of control, and there seems to have been a general opinion abroad that in doing this they were preventing Mayor Morley instituting a system by which he would draw a larger salary and secure more arbitrary powers than he at present enjoys.

With a commission in charge of the civic government there is no council and no ward system. Four commissioners are usually elected for a term of two years, retiring alternately, so that two are elected each year. This provides for a measure of continuity.

better for her to adopt the commission form of government than the other. At any rate nothing should be done hastily, but the people should be made properly to understand the advantages and disadvantages of each method before any definite action is taken.

VICTORIA'S FIRST PRIZE APPLES.

Victoria district has beaten the whole northwest of this continent with the best carload of King of Tomkins apples. This apple is one of the finest grown, and it is produced without the aid of irrigation.

Victoria district is particularly noted for the early variety of apples. The fruit is usually shipped direct to the market, and by this time there is little of the choice fruit left.

HAVE THE THEATRES MORE INFLUENCE THAN THE CHURCHES?

A sailor who is a stranger to Victoria, discussing the local theatrical performances yesterday, gave it as his opinion that they were "pretty rank."

This brings us to the question of which has the greater influence in Victoria, the theatres or the churches? A little gathering of thinking men were discussing this subject a few days ago and most of them were regular attendants at churches, yet the consensus of opinion among them was that the theatres had the more powerful influence on the life of the community.

The discussion of this subject led a step further, and the attitude of the clergy in regard to the theatre was discussed. It was stated that few of them had ever attended any of these places, where most of the members of their congregations were seen regularly.

If the influence of the theatres is as great as was stated, it is for such bodies as the Victoria Ministerial Association to be busy men for a little while until some of the features of these places of amusement have been eliminated.

people to rid them of. The local theatrical managers are not to blame for the low features or the degrading pictures. They are simply a part of the circuit. It should, however, be an easy matter to have these eliminated altogether from the programme.

AIR, LIGHT AND MUSIC.

One of the speakers at the Town-Planning Exhibition and Conference, held recently in London, said: "Give us light and air and music and you will not know the next generation."

In spite of the campaign conducted in this province by the Anti-Tuberculosis Society there are still many windows which do not open, and rooms which remain shut from one week end to another.

There are homes even in the city of Victoria where the sound of music is seldom heard. This is a money-making period in our history, and too little attention is paid to the essentials of health, of which music may be considered an important one.

There is a rush for land in the United States. There would be here if people only knew where to rush.

Apparently the country is behind the present British Liberal government. Two men recently appointed to seats in the cabinet have been returned by increased majorities.

We hope any discussion in regard to the best location for the bridge across the harbor will not delay the construction. It should not take long for experts to decide where it ought to be built.

Some of the British Conservative leaders are now advocating the abolition of the right to capture merchant vessels in time of war. After a time it may be possible to so narrow operations as to include only those who precipitate the trouble.

What a wealthy city Victoria would have been to-day if the McBride government had done its duty in regard to land settlement years ago! Vancouver Island can beat the world in fruit growing. The thing is now to put the people on the land.

Victoria is to have a professional baseball team and to take part in a series of games under the Northwest League. Hitherto the same professional variety—a good many degrees below zero. Although the players in the new Victoria team will not be Victorians, the people here will have an opportunity of watching the American game as played scientifically by experts.

LOS ANGELES EXPLOSION.

Los Angeles, Cal., Nov. 3.—Earl Rogers to-day received a commission as special deputy district attorney, and began service with the special grand jury that is investigating the Times dynamiting. It was said his part in the investigation will be to examine witnesses subpoenaed in San Francisco and brought to Los Angeles.

REAL ESTATE MAN KILLED FOR GOLD

Shot Dead on Lonely Bridge—Murderer Escapes With Over \$5,000

(Times Leased Wire.)

Salem, Ore., Nov. 3.—A determined search was begun by the police for the slayer of J. E. Roberts, a real estate man, who was shot and killed and then robbed of from \$5,000 to \$7,000 on a lonely bridge near the state reform school shortly after dusk last night.

The police are not looking for a professional thief, but instead are bending every energy toward ascertaining the identity of a resident of Salem who knew Roberts and who purchased the new .38 calibre revolver which was found lying by the body with three chambers empty.

Roberts was found lying on the bridge a few minutes after the shooting by Earl Gardner, who was driving to his home. Gardner said that he did not hear the shots.

Two bullets had torn through Roberts' hat while a third found lodgment in the left side of his head. He died an hour afterwards without regaining consciousness.

When attacked, Roberts was driving to the home of his brother. He carried with him a large sum of money and gold with which he had intended to wipe out a debt on a farm. Several days ago Roberts drew \$7,500 from the bank and as no trace of the money has been found thus far, many are inclined to believe that he carried approximately the entire sum with him.

It is the theory of the police that the murderer knew that Roberts carried the money and lay in waiting for him at the bridge. The satchel in which Roberts carried the money was found near the bridge. It had been slashed down the side and its contents abstracted, save \$193.

ENGINEER KILLED IN TRAIN WRECK

Two Other Railway Employees Injured—Fireman Scalded to Death

(Times Leased Wire.)

Seattle, Wash., Nov. 3.—Officials of the Great Northern road are making a searching investigation of the derailment and wreck of a work train a few miles east of Cascade tunnel yesterday, in which John Smith, the engineer, lost his life and two other men were injured.

A rescue party of employees of the Great Northern and of the construction company, which has charge of the improvements, was quickly organized and the men taken from beneath the tangled mass of rails and timbers.

They were placed in a special train and rushed to the hospital at Wellington. Smith, who was badly crushed about the head and body, was dead when the hospital was reached. Ward had received a broken leg and serious bruises about the body, while Bezzon received internal injuries.

Killed by Explosion.—Billings, Mont., Nov. 3.—While running at the rate of 30 miles an hour and shortly after passing Newton station, east of this city, the engine of a Northern Pacific freight train exploded, killing Fireman Owen Jones, fatally injuring Engineer Ben Wilson, and seriously scalding John Pollard and John Peterson, who were stealing a ride to this city.

Fireman Jones, who fell under the engine, was literally cooked, and his left leg was torn from his body. He succeeded in crawling out from under the engine and lived in agony for several hours. Engineer Wilson was seriously scalded, but it is thought he has a slight chance for recovery. The two tramps may recover.

GOLD FROM ALASKA.

Seattle, Wash., Nov. 3.—According to an announcement to-day, the United States assay office in this city has received exactly \$1,731,469 in gold from Alaska fields during the month of October. Several large shipments were received during the last two days of October, too late for melting and to be included in the report. These will be merged with the November receipts.

REVOLUTION FEARED.

Honduran Commandant, After Defying President, Defeats Force of Government Troops.

San Salvador, Nov. 3.—After defying President Davilla of Honduras and the civil authorities, Commandante Valladares, who ran amuck several weeks ago and drove foreigners from Amapala, is reported to-day to have defeated a detachment of government troops sent to dislodge him.

Valladares and his followers manned rapid fire guns at the customs house and trained them on the government forces with deadly effect. The government fears that success may precipitate a revolution. American marines have been landed near Amapala, protecting American lives and property.

and the association to this year observe the world-wide week of prayer at the Y. M. C. A., which is held from the 15th to the 20th of the present month. It was also decided to take steps for the holding of a public meeting shortly for the purpose of laying the claims before the public of missionary work in China to which the local branch each year contributes \$200. Mr. Lee, a missionary from China, was in the city on Thanksgiving day and enthusiastically told of the prospects of work in that land.

The following passed membership into the association: L. C. Powell, W. H. Townsend, Arthur D. Buck, F. E. Ramsay, S. A. Phillips, W. T. Parks, H. M. Bigelow, J. G. Bunting, W. Ariens, Charles Moore and E. J. Deibel.

WASHINGTON, Nov. 2.—All lands lying within the Warm Springs reservation, Oregon, bordering on the Des Chutes and Metrolitus rivers, and extending back therefrom a quarter of a mile, were withdrawn by Secretary Hallinger for possible water power development. Washington lands amounting to 750 acres also have been withdrawn for water power sites. These lands are situated along the Tye and Sauk rivers.

WASHINGTON, Nov. 2.—Lieutenant John Purvis of the Philippines Scouts has been dismissed from the army for drunkenness, abusing the municipal president of Galbayog, Samar, and for failing to report for duty.

NORTHWEST DELEGATES TALK TRANSPORTATION

Schedule Meeting Not for Several Weeks—Split Series Passed Up

A Times Leased Wire dispatch from Seattle this morning says:

The directors of the Northwestern baseball league bolstered up things in good shape at the "mutual understanding" meeting held in this city yesterday.

President Dugdale, of Seattle, was appointed to represent the Northwestern league at the annual meeting of the national association in Chicago on November 14 and 15.

President Joe Cohen, of Spokane, set the ball rolling for better transportation rates. The matter will be taken before the railroad commission and if necessary before the legislature.

Judge Robert H. Lindsay, who succeeded W. H. Lucas as president, presided.

Victoria was represented by Leonard A. Wattleit, who has done much to make semi-professional ball popular in the island city.

"Victoria is a substantial, growing city," said Mr. Wattleit, "and the business men realize that it will be a good thing to once more introduce professional baseball. We have the cooperation of the public and newspapers. Our park is located near the heart of the city and while we shall have to be conservative at first, we are confident that we shall be a better asset to the league in 1912 than in the season to come. Getting together an entirely new team is a hard task but we shall do our best and hope to keep out of the cellar."

The schedule meeting will not be held for several weeks. Judge McCredie, of Portland, who does most of the figuring in this respect for the Coast league, has been requested to look into the matter and what he figures out will have a lot of weight.

The Coast league dates in Portland will have to be avoided and arrangements made to take care of Victoria and Vancouver on Sunday, as they are not permitted to play on the home grounds on that day. The split series feature, tried last season, will be eliminated. Victoria will probably have about eight or nine weeks of ball for the first season, while Tacoma will have more than last season, special attention being given to the Sunday games.

Owing to the reception to the Rainbows officers and crew, coming next week the annual dinner of the British Campagners' Association has been postponed to Wednesday, November 18, at Clay's. The tickets and invitations issued for the ninth will hold good for the sixteenth.

Subscribers for Victoria Musical Society season tickets are requested to remit their subscriptions to the secretary, Clifford Denham, box office, Victoria theatre, without delay. The first concert is on Friday, November 11, and season tickets are now being mailed. On the 11th Miss Liza Lehmann will, with the assistance of an English quartette, render her own compositions "Persian Garden," "Nonsense Songs,"

The Caledonian Society elected officers last evening, as follows: President, Dr. G. L. Milne; first vice-president, J. J. Riddle; second vice-president, William Gault; treasurer, A. M. Aikens; secretary, James Wattleit; financial secretary, J. J. Riddle; marshal, J. G. Burnett; warden, George Duhan; pipe major, Edward Wishart; auditors, Messrs. Forsyth and Manuel. These officers were installed by Past President E. B. Paul. The reports showed the society to be flourishing and sound financially.

First Presbyterian church school-room was crowded to the doors Thanksgiving night, and a large number were unable to secure admittance. The concert was a huge success, musically and otherwise. The singing by the choir was especially good. Among the outstanding numbers were the solos by Mrs. Perry, Mrs. Staneland, Mrs. Butler, Miss Sexsmith, Miss Sheritt, R. Morrison, P. Gordon, W. Galt, J. G. Brown; the Highland dancing of Miss Christie; and the Scotch readings by Miss Lawson and Donald A. Fraser. Mr. Larrigan's piccolo solo was much enjoyed. Mrs. Lewis Hall had an arduous task in playing the accompaniments for all the artists, which she performed in splendid style.

The members of the Woman's Canadian Club are asked to unite with the Alexandra Club, the Welsh Society and the Ladies' Musical Club in entertaining the Ladies' Welsh choir in the Alexandra clubrooms to-morrow afternoon from 4 to 6. The hon. president, Mrs. T. W. Paterson, and the president, Mrs. F. B. Pemberton, have kindly consented to act as hostesses for the Woman's Canadian Club. Mrs. Jenkins will represent the Welsh Society, Mrs. Croft and the other officers the Alexandra Club, and Mrs. R. D. Das, in the absence of Mrs. J. H. Helmcken, president, will be hostess for the Ladies' Musical Club.

The Skene Lowe Studio will re-open at the corner of Yates and Douglas Sts., over Cochran's Drug Store, Thursday, November 3rd, with a completely new and up-to-date equipment.

THE Behning Player Piano

Gives To All the Musical Pleasures Once Enjoyed—Only by a Few

Many people do know, and everyone ought to know that the Behning Player Piano is the piano which can immediately make skilled musicians of us all.

By means of the phrasing lever and other unique features, the Behning Player Piano gives even to the novice full and complete mastery of expression. It is this fact that has earned for the Behning Player Piano the approbation of nearly all the world's great musicians—to the exclusion of all other instruments claiming to make the same musical results possible.

We have just received a Large Shipment of these beautiful instruments in the finest artistic cases. If you will favor us with a call at our store you will be certain that it is the Behning Player Piano you are investigating and not one of the instruments of similar nature which fails to reach the artistic standard set by expert musicians.

The provincial revenue from timber during October was \$122,990.

Forty feet adjoining Rink, between Quadra and Vancouver streets, at a bargain.

THE B.C. REALTY CO.,
622 Trounce Ave.

P. H. Hillis, assisted by A. J. Bracc, was a Thanksgiving Day host of the B. G. Orphanage children, taking them for a trolley ride about the city and suburbs, winding up with a feast in the evening.

During the month of October the total receipts at the custom house were \$162,486.45, as compared with \$145,337.34 for the same month last year. During the past month the duty collected amounted to \$115,597.13 as compared with \$102,733.43 during the same month last year, and \$47,864 was collected from Chinese.

A Christmas trip to Europe will be run by the Northern Pacific railway, which has arranged to run a personally conducted excursion from Seattle, November 26, to New York and Portland, Me., to connect with steamers sailing December 3 for Europe. Pullman sleeping cars will be run from Vancouver and Seattle to New York and Portland, the Celtic and New York sailing from New York and the Laurantie from Portland.

The Victoria branch of the Imperial British Israel Association commenced the winter session Tuesday night in No. 1 hall, A. O. U. W. building. The president gave the opening address, under the title of "God's Way Among the Nations." This, being the first of a series, will be followed by "Canada's Share in the Promised Land," "The Patriarchal Vision Revealed in the Prophetic Word," "The Wisdom of God's Choice Demonstrated" and "A Share of Joseph's Blessing in the Lap of Canada and America."

At the annual congregational social given by the Ladies' Guild of the Metropolitan Methodist church, despite the inclement weather conditions, the schoolroom was crowded, with members of the congregation and their friends. An excellent programme, in which the Sunday school orchestra, led by Jesse Longfield, Mrs. E. Parsons, Miss G. Steinmiz, Miss Bromley-Jubb, contributed, was rendered. The most interesting item on the programme was the scarf drill by thirteen young

NEWCOMBE NEEDS SUPPORT OF MEN

FIRST McKECHNIE CUP GAME NOVEMBER 12

Teams Selected for Practice Match Saturday—J.B.A.A. Forward-Drill To-night

The first McKechnie cup match takes place a week from Saturday in Victoria, when the representative Rugby team of the city, composed of James Bay and Victoria Rugby club players, must meet the representative eleven from the Terminal City, Victoria on the showing made at the Oak Bay park on Monday last.

There was a "poor sport" remark made at Oak Bay park Monday morning while Victoria was getting a licking. This is it: "Victoria is only playing a weak team because it does not want Vancouver to know its strength until the McKechnie cup games."

Newcombe, who was the only Victoria man in ripe condition on Monday, knows Vancouver can get a line on the Victoria players any day in the week, the same as it has been possible for Victorians to get a line on Vancouver and California. While Vancouver was piling up points this remark was heard: "Victoria does not want to win to-day." Victoria could not win. That is a cinch. But if it had been a case of not trying to win it was introducing the tactics of the poorest kind of professionalism in sport into the game.

And now with ten days to get in hand Newcombe is out to get a team into condition. Newcombe is a hard-working Rugby enthusiast and the best half in the city. He is always in condition, and while the players who did not turn up last Monday are in bed yawning of a morning, Newcombe can be seen footing it along the Dallas road and keeping his wind in order. If he can get his team out by Saturday week and have the men trained into anything like form he will be doing a big thing. In preparation for the first McKechnie cup game Newcombe has called a practice game for next Saturday afternoon. He has selected two fifteens which will oppose each other at Oak Bay. They are as follows: Red—Full back, Johnson; three-quarters, McGuigan, Vincent, Nason and Gillespie (H.); half backs, Newcombe and Gillespie (A.); forwards, Ronald Gillespie, Shoto Gillespie, Spencer, Hoggood, Heinke, Miller, Sweeney and Jeffs. Blue—Full back, Cooper; three-quarters, Thompson, Cars, Henderson and Dendrodt; half backs, Morton and Dickson; forwards, Simpson, Wolley, Macgachan, Milligan, Kennedy, Scott, Brown, Day, Meredith, Garland, Sweeney (J.) and Newman.

ORDINARY BRICK GASHES JOHNSON

Champion Pugilist Rides in a Non-Union Taxi and Draws Wrath of Strikers

Chicago, Nov. 3.—Champion Jack Johnson is speeding toward New York today with his head swathed in bandages. Jack was the victim of a near-sleep-producer, caused by a brick thrown by a sympathizer of the striking garment workers.

THREE MATCHES FOR WRESTLER DR. ROLLER

Meets Westergaard, Zybszco and Ordnham Inside of Two Weeks

Chicago, Nov. 3.—There are busy days ahead of Dr. F. Roller, the Seattle wrestler, who has designs on the heavyweight championship relinquished by Frank Gotch. Roller will meet Westergaard to-night in a bout in this city. Westergaard has agreed to throw Roller at least once in an hour. The doctor is confident that his old opponent cannot turn the trick. Tuesday night Roller will appear in Pittsburgh, where he will meet Zybszco, the Polish champion. On Monday, November 14, Roller will meet Ordnham in Minneapolis for the American championship.

FIRST ROUND WILL END ON SATURDAY

North Ward Likely to Stay at Top—Bays Select Team for Victoria West

When James Bay and Victoria West players meet at the Royal Athletic park on Saturday afternoon for the first time this season in the Victoria and District Association Football league schedule, the Bays will make a strong bid for the position in the league score table which they held for a time, but then through bad luck on the part of the men forming the team were compelled to drop.

SPORT NOTES

Johnny Evers, Not in Hopeful Mood

Chicago, Nov. 3.—The worst fears that were entertained when Johnny Evers broke his ankle towards the end of last season are held by the clever little second baseman himself. "I don't believe I will be in a Cub uniform next year," Evers said in discussing the probable line-up of the Chicago Nationals next season. "Difficult plays come frequently around second base, and a second baseman needs two good ankles to get away with them. I believe that by laying off a season, I will come back in great shape. If my ankle does not feel as strong as ever, I will not sign a contract. Anyhow, I shall wait a while before making up my mind."

COAST BASEBALL LEAGUE

HURT IN FOOTBALL GAME

NEW HAVEN, Conn., Nov. 2.—In a scrimmage between the Yale Varsity and the Freshman football team today, John Reed Kilpatrick, right end on the varsity and an All-American, was kicked in the abdomen and side and removed from the field in an automobile. The coaches tonight were unable to give the extent of his injuries or state how long he would be out of the game.

UNIVERSITY AND HIGH SCHOOL RUGBYITES TIE

Both Teams Played Well Yesterday Afternoon, Each Making One Try

During a heavy down-pour of rain, Rugby teams representing the High school and University, schoobattled for supremacy yesterday afternoon at Oak Bay park, but at the expiration of time both aggregations found themselves on equal terms, each having scored a try (3 points). This was the second match in the inter-scholastic series and at present the Mount Tolmie school has a lead, having defeated the collegians once and drawn with them.

Despite the adverse weather conditions many of the enthusiastic supporters of the two schools braved Jupiter-Pluvius and gathered on the sidelines under the shelter of umbrellas. As the players emerged from the fray at the conclusion of the game with their mud-bespattered visages they resembled a bunch of tar-babies.

High School was successful in securing the kick-off and they gradually worked the ball down toward their opponents' goal. The University backs kicked the ball out to save themselves, but on the throw-in the collegians forced the pigskin farther down the field. When suburbanites cleared the ball and sent it into black and yellow territory the backs quickly returned it to the forwards, who made determined efforts to evade the tackles of the University three-quarters. Ten minutes had not elapsed before Day, High School captain, drove a speedy kick to the full-back, who failed to make the catch and it bounded behind the posts. McCallum, who was following up, immediately responded to the occasion and raced for the touch-down. He was followed by nearly the whole University team but he bested them all and fell up the ball. Sam Touhy tried to convert the touch, but owing to the difficult angle from which he had to kick he was unable to negotiate.

In the scrums High School had a decided advantage. Very little combination was witnessed during this half, the ball being an slippery that the players found it no easy matter to be accurate in passing. Long runs were also omitted from the game as the field was so heavy.

University's only score was made in the initial half. After McGuigan had advanced the ball towards High School's goal Wyld, the speedy three-quarters, secured a pass from Arbutnot and with almost a clear field he dashed across the line. McGuigan failed in the attempt to convert. Play for the greater part of this half was at University's end, although several times the backs attempted to rally the forwards to extend themselves a little more.

In the second half the High School forwards strenuously endeavored to score a winning goal and right up to the last cherished high hopes that they would be successful, but each time they were defeated by the backs. Dickson, Touhy and Day made time for the goal, but were brought to earth. Combination was tried but it proved to be of little advantage, mis-catches being registered and giving University an opportunity to force matters. McCallum came within an ace of scoring in this half. Picking the ball up from a scrum he made a lightning run for the line. He slipped through McGuigan's tackle, but in dodging the full-backs McGuigan, who had followed closely, collared him only a few yards from the desired line. Alas, for hopes so fondly nursed, and efforts of renown; High School had to rest contented with a draw, for when the final whistle blew they were no farther ahead than at close of the first half.

Criticising the whole game, the collegians can be said to have had a slight advantage, although at times the University boys were very dangerous. The High School forward line was in better condition than their opponents and the three-quarters showed better speed. The next game between these two teams, which will take place some time next week, will decide which of these fifteen has a right to claim the championship. The line-ups were as follows:

University	Position	High School
McDonald	Fullback	E. Steele
McGuigan	Three-quarters	Dickson
Shaw	Three-quarters	Touhy
Wade	Three-quarters	Westcott
Decker	Three-quarters	Boggs
Beech	Half-backs	Clark
Greery	Half-backs	Warnicker
Day	Forward	Day
Thorsen	Forward	McKay
Rand	Forward	Berterton
Arbutnot	Forward	Campbell
Woodward	Forward	Scott
Hobson	Forward	McMillan
Roe	Forward	Gardiner
Wyld	Forward	McCallum

Reserves: University, McAllary; High School, Sprinkling.

A WELSHMAN'S APPRECIATION.

Writing last night from Vancouver to Manager Clifford Denham, of the Victoria theatre, J. M. Morgan, choir-master at Metropolitan Methodist church, says: "It would be futile on my part to attempt to criticize the performance of the celebrated Royal Welsh Ladies' choir. Each item was executed, even three or four times. From the time they started until they sang the National Anthem they held their audience, which filled the Vancouver Opera House to its utmost capacity. The Principality was well represented and we Welsh folk can justly feel proud of our kinswomen. The individual voices were in good form and the choir as a whole superb. Madame Hughes-Thoms conducted with her usual ease and grace and it really did me good to see her as fine as ever. I can assure you that Victoria music-lovers are going to have a treat on Friday, listening to what is undoubtedly the best vocal aggregation that has reached the shores of the Pacific."

A meeting of the committee arranging for the annual show of the Victoria Poultry and Pet Stock Association was held last evening in Sylvester's Feed Store, when the special prize list was considered.

Lieut.-Col. Pugmire, who is responsible for the Salvation Army's prison and social operations in Canada, is delivering his interesting lecture, "Life Behind Prison Bars," in Salvation Army citadel to-night. The colonel has for the last twelve years successfully carried on work among prisoners. His lecture will be of a very interesting and educational character. It will show what is being done for the more unfortunate members of society. Everybody interested in this Christ-like work should make an effort to be present. The colonel is a very interesting speaker and a pleasing singer.

In spite of the inclement weather about 80 young people assembled in the lecture room of St. Andrew's church last evening, when a very merry Halloween party was held. The large room lent itself admirably to the occasion and was suitably decorated with trails of ivy and branches of evergreens, riding on the walls pictures of witches, while on their legendary broomsticks were much in evidence. An enjoyable social programme rendered by Misses Angus, Murisett, Eva Russell and Ada Robertson and Albert Robertson, was followed by an amusing cobweb guessing contest, in which Mr. Angus was winner. Misses Kitty Andrews and Jean Polson, under the shelter of pine-trees, told fortunes to the amusement of all who wished to dip into the future. The refreshments, which were largely of pumpkin pies, cakes and apples, associated with such occasions, were very much enjoyed, and the singing of "God Save the King" brought a most enjoyable evening to a close. The committee of arrangements included Messrs. McKay, Armstrong, Penman and the Misses Russell and Clearblue, who were uniting in their efforts to promote the pleasure of their guests.

WEATHER BULLETIN.
Daily Report Furnished by the Victoria Meteorological Department.

Victoria, Nov. 3.—5 a. m.—An important high barometer area is spreading inland over the Pacific slope and more settled weather may ensue. Rain has been general on Vancouver Island and the Lower Mainland, and a southerly gale has occurred on the Oregon and Washington coasts. Comparatively mild weather prevails throughout the prairie provinces.

Forecasts.
For 24 hours ending 5 p. m. Friday. Victoria and vicinity—Light to moderate winds, generally fair and colder at night.
Lower Mainland—Light to moderate winds, generally fair and colder at night.
Reports at 5 a. m. Victoria—Barometer, 30.02; temperature, 46; minimum, 45; wind, 4 miles N. W.

J. FOSTER
Has Purchased The WINDSOR CIGAR STAND Government street, lately kept by Frank Le Roy, and will be pleased to see his friends and former customers. All first class brands of Tobacco and Cigars in stock.

The Morning Post Paris correspondent says that as soon as the next session opens the Paris municipal council will take in hand the execution of the public works, for which a loan of £38,000,000 was authorized last December. A first issue of £9,000,000 will shortly be made by the city of Paris, and the council is to draw up by November, at the latest a definite list of the works first to be proceeded with. The loan is to be applied solely to purposes of general utility, such as widening and beautifying the streets, sanitation and so forth.

SEALED TENDERS addressed to the undersigned, and endorsed "Tender for additions and alterations to the Public Building, Nanaimo, B. C." will be received at this office until 4:00 p. m. on Monday, November 28th, 1910, for the work mentioned.

Plans, specifications and form of contract can be seen and forms of tender obtained at this Department, on application to the Caretaker, Public Building, Nanaimo, B. C., and at the office of Mr. Wm. Henderson, Resident Architect, Victoria, B. C.

Persons tendering are notified that tenders will not be considered unless made on the printed forms supplied, and signed with their actual signatures, stating their occupations and places of residence. In the case of firms, the actual signature, the nature of the occupation and place of residence of each member of the firm must be given.

Each tender must be accompanied by an accepted cheque on a chartered bank payable to the order of the Honorable the Minister of Public Works, equal to ten per cent. (10 p.c.) of the amount of the tender, which will be forfeited if the person tendering declines to enter into a contract when called upon to do so, or fail to complete the work contracted for. If the tender be not accepted the cheque will be returned.

The Department does not bind itself to accept the lowest or any tender.

By order,
R. C. DESROCHERS,
Secretary,
Department of Public Works,
Ottawa, October 27th, 1910.

Newspapers will not be paid for this advertisement if they insert it without authority from the Department.

The Evening Chit-Chat

BY RUTH CAMERON

We have a family cat. She is an extremely gentle little ball of silver grey fur with beautiful blue eyes. Such is the amiability of her disposition that we call her "Sweetness." Like the cat of washing powder fame, she has never scratched yet.

For the Theatre

Most ladies aspire to looking their best—their very best—when attending the theatre, and in this direction we can be of material service to them.

OPERA GLASSES

Handsome Opera Glasses—Le Mairre—with or without handles in black or white pearl and black pearl with gun-metal finish; exquisite mountings in chased or plain gold. Prices range from \$40.00 to \$50.00.

OPERA BAGS

Great is the convenience for the lady who possesses an Opera Bag. At present we are showing a very charming line of these in beaded and fancy designs, some in the rather popular spangled effect. In the beaded bags all the new shades are here to match your evening gown.

HAIR COMBS

As the finishing touch to the lady's evening apparel comes the comb. There are scores of the newest combs here awaiting your inspection. Some are quite plain, while others are of fancy designs set in brilliant and other tasty ornaments.

Challoner & Mitchell Co., Ltd. JEWELLERS. 1017 Government St. Victoria, B.C.

year. Yesterday the decoration committee, under the direction of Sergeants Carson and Clayards, started on the work of decorating the women's building at the fair grounds, in which the ball will be held on the 17th inst. One of the features a year ago was the decorations, and the committee in charge promises that this year the effect will be even better.

Mrs. G. G. Fraser will receive on Friday afternoon at her home, 621 Simcoe street.

James L. Lapcombe, agent at Atlin of the White Pass & Yukon Railway Company, has come down for the winter.

Mr. and Mrs. Peter Turner, 1929 Yates street, returned last evening from Vancouver, where they have been visiting W. Folland Grant.

Ernest McGaffey, secretary of the Vancouver Island Development League, left this afternoon for Vancouver to visit the First Canadian National Apple Show, being held there.

J. Ballantyne and daughter, Christchurch, New Zealand, have been visiting their cousin, G. Jennings Burnett, of this city, for a few days, on their return journey from Paris and London.

Mrs. W. H. Wood entertained at a merry young people's party last evening at her home on Cook street, in honor of Dr. Sidney B. Peele and Dr. George Wilson, of the Vancouver General Hospital staff, and Dr. Marchant of this city, members of the class of "Old McGill 1910," and college friends of her son, F. G. C. Wood.

SOCIAL AND PERSONAL

Mrs. H. E. Morton spent Thanksgiving with mainland friends.

Mrs. John A. Turner, 1920 Yates street, is receiving this afternoon.

Dr. and Mrs. O. M. Jones are expected home in a few days from England.

Mrs. and the Misses Biggs, of Vancouver, are making a short visit with Victoria friends.

Rev. Frank Pratt and Mrs. Pratt, Vancouver, are on a visit to Victoria, and will spend several days here.

C. H. Dickie, Duncan, president of the Portland Canal Mining Company, is registered at the Empress hotel.

H. E. Beasley, superintendent of the E. & N. Railway Company, left for Vancouver yesterday afternoon.

Mrs. John Francis, who has been visiting relatives in Seattle, returned yesterday after a most enjoyable visit, and none on overcoming it?

Dr. and Mrs. Watt, William Head, are going to take up their residence at Esquimalt for the winter months.

Mr. and Mrs. Warner and family are staying at the Empress for a fortnight before going east on a three months' trip.

Mr. and Mrs. John Hopkins, who have been in town renewing old friendships, left on Tuesday on their return to Montreal.

Mr. and Mrs. Hugh Altin, Nanaimo, passed through Victoria yesterday on their way to California for an extended holiday.

Mr. and Mrs. Eyle-Smith of Vancouver, who have been holidaying at the Oak Bay hotel, have returned to their mainland home.

Miss Queenie Abrams, Vancouver, returned home Monday after spending a few days with her friend, Mrs. F. Zieldmeyer, Michigan street.

Mrs. Guy Phillips, Revelstoke, and Miss Maud Phillips, are paying a visit to relatives in town before leaving on a six months' visit to New York.

T. H. Holt, executive agent of the Canadian Northern Pacific, spent the holiday at the Empress, with Mr. Coulson, in whose company he had motored from Nanaimo.

Frederick K. Lins, manager of the Empress hotel at Stewart, arrived in Victoria yesterday. He will be entertained at the German Club on Saturday night, when he makes his last public appearance as a bachelor. His marriage to Miss Wilkerson will take place on November 8.

The many friends of Mrs. Frank Andrews, who has been spending the summer with relatives in the maritime provinces, will be sorry to learn that her health has not improved as she had hoped, and she will not be able to start on her return journey for several weeks yet.

Members of the Alexandra Club, of the Ladies' Musical Society and of the Ladies' Canadian Club are asked to remember the reception to be tendered the members of the Royal Welsh Ladies' Choir at the Alexandra club rooms tomorrow from 3.30 to 6.30 p. m. The choir will be met at the Seaside boat at 2.35 by the Welsh residents of the city.

The sale of tickets for the forthcoming police ball indicates that the function will be one of the most successful of the season. Last year's event proved the society event of the

Special Features of Monterey Place

LIGHT TAXES—A tax of 13 mills on the land only—none on the buildings. The saving is a big item, soon amounting to the price of your lot.

Close to Car, Close to Beach, Close to School, Water and Sewer

Just as much money as has been made in Victoria City residential property will be made in Victoria Suburbs, and the place where the quickest and largest profits are going to be made is Oak Bay. "Too far out" you say? No, it isn't. Don't measure the distance by miles when you compare it with other offerings. Measure it by minutes and you'll find it close to the centre of the city, for Oak Bay enjoys the best car service in the city—and the best cars travel that direction. Monterey Place is only 3 minutes walk from the Oak Bay car. Sidewalks, boulevards and other street improvements are to be commenced at once and the streets of Monterey Place will be the prettiest in Greater Victoria. Such improvements are going to greatly enhance the value of this property. It's the person who buys property in such locations before the improvements are completed who gets the biggest profits from their realization, and that is why

Special Features of Monterey Place

LANES IN REAR—There are lanes in rear of every lot. An excellent feature and something lacking in most subdivisions.

SPLENDID SOIL—Soil is the very best and is in a high state of cultivation.

BUILDING RESTRICTION of \$2,000.

Monterey Place—A Money-Making Spot

Your Opportunity

It goes without saying that real estate operators on a large scale have been shrewd enough to realize the wonderful opportunity opening up before them in the Victoria of today.

There never has been such an opportunity for them—or for you. Just as much money as has been made in Vancouver real estate is going to be made in your own town—your opportunity is NOW. Don't worry about the chances you have missed, just get in and make good now.

Unquestionably the time to buy is TODAY and the best place to put your money is in Monterey Place lots.

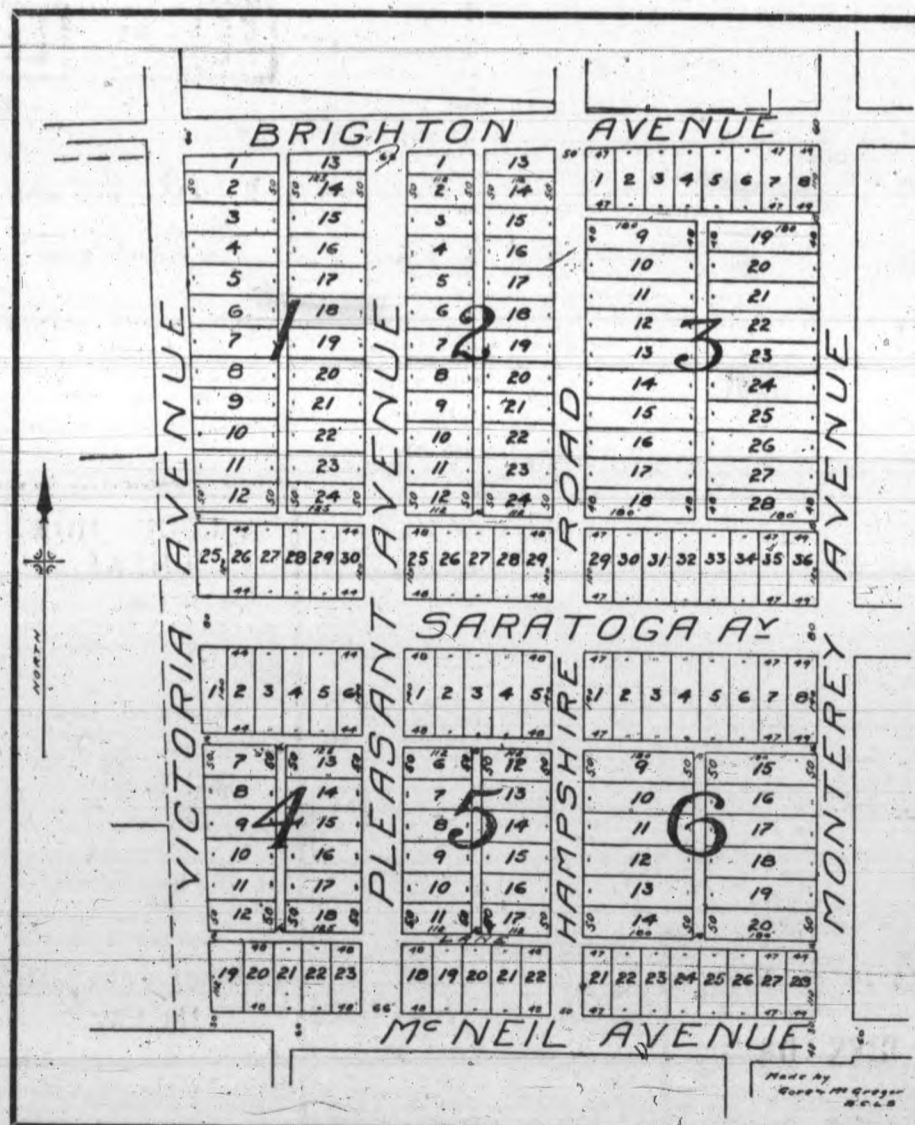

Choice residential property is going to be in great demand and there's nothing nicer than Oak Bay property and nothing better in Oak Bay than this subdivision of ours.

Let Us Show You This Property

Come in and get maps and further particulars and let us show you over the property, and come today, because the lots are selling and the longer you delay the more you are going to pay for them. See what we have

What We Offer in Monterey Place

To the Home Seeker—

"Monterey Place" offers a home site in a charming, healthy section at low prices. Values are sure to rapidly increase. It means a desirable home from the present and a big investment for the future.

To the Home Builder—

"Monterey Place" offers ideal conditions. There is a \$2,000 building restriction—working no hardships on anyone, yet insuring the home builder the advantages of high-class residences and a desirable class of people.

To the Investor—

"Monterey Place" offers a means of making money quickly. There's absolute security and a certainty of quick profits—its the opportunity of the year for the man with a little capital.

No Delay in Improvements

You don't have to wait months, or years, for improvements in "Monterey Place." Sewer is already on three streets and will be quickly extended through the entire property. Water mains are there. Streets are going to be graded at once and cement sidewalks and boulevards laid.

In other words, you have all the conveniences of the city NOW, and without the high city taxes. The saving in taxes soon amounts to the price of your lot.

ADELAIDE CALLS AT MONTE VIDEO

ROYAL GOES ON RUN TO MAINLAND SOON

C. P. R. Will Re-Boiler Charmer and Retain Her in the Ferry Service

On her way to this port from the Clyde the new C. P. R. steamer Princess Adelaide, which will be used on the night run to Vancouver, was at Monte Video on October 31. The Adelaide, owing to her limited coal capacity, is making a comparatively slow trip but will arrive here about the middle of December.

Shortly after her arrival the Princess Adelaide will be placed in service, replacing the Princess Royal, which will relieve the Charmer after making one trip to the north. The Royal sails tomorrow afternoon for Skegway and on her return will immediately take the place of the present night boat, which is to be withdrawn permanently.

The C. P. R. has announced that the Charmer will not be sold, as various reports have stated, but will be fitted with new boilers, thoroughly overhauled, and employed in the coast service as a spare vessel. This news will be particularly gratifying to local travellers who have come to regard the Charmer, despite her age and comparative slowness, as one of the safest and most reliable vessels that has ever plied between Victoria and the mainland.

Although the demand for rapid transportation and increased accommodation have induced the C. P. R. to secure the magnificent 18-knot Princess Adelaide for the ferry service, the intention of the company to retain the

Charmer in its service meets with general satisfaction for sentimental reasons if on no other account.

NOTABLES ON MAKURA.

On the Canadian-Australian liner Makura, which sails for Sydney, N. S. W., to-morrow, a particularly large assembly of notables will travel from Vancouver, according to a dispatch from the latter place. Among her passengers will be General Godfrey, who is on his way from England to take command of the New Zealand military forces; Hon. Mr. McKenzie, minister of lands, and Dr. Meade, who are going in connection with immigration business; Sir Robert Lockhart, Countess of Harrowby, Lady Ryder, Viscount Sanden, Mr. W. H. Triggs, editor of one of the principal newspapers of New Zealand, and Mrs. Triggs; Dr. I. E. Barnett, one of the leading physicians of Dunedin; N. Z. Mrs. Bennett and two sons; and Mr. and Mrs. Berry. Mr. Berry is one of the large merchants of Melbourne, and during his stay in Canada has purchased a large quantity of merchandise for export.

INVITE BOARD OF TRADE.

The local board of trade will be invited to take part in the excursion of the Coast Commercial bodies from Portland to B. C. on the G. T. P. steamer Princess Rupert to Hawaii next February. The demand for accommodation has led the Seattle chamber of commerce to allow all commercial bodies to be equally represented. The excursion now being called the North Pacific Coast Commercial excursion. Several reservations have been allotted for sale to the local office of the G. T. P., where folders and information can be obtained.

INABA MARU'S CARGO.

Advice received by E. R. Stephens, agent for the Nippon Yusen Kaisha Company, state that the steamship Inaba Maru is due here on the 10th inst., with 545 tons of cargo for this port and 47 passengers to be landed here, the latter including 22 Chinese.

BRITISH YEOMAN OUT.

The British barque British Yeoman, which has been loading at the Hastings mill for South Africa, will tow to sea to-day with 1,624,699 feet of lumber.

LIFEBOAT DEPOTS IN COMMISSION

Commander Thompson Returns From Trip to West Coast

Commander Thompson, commissioner of life-saving stations for the marine and fisheries department, has returned from his trip to the life-boat stations at Ucluelet, Clayoquot and Bamfield on the west coast, after placing these depots in commission. To-day he inspected the government steamers Quadra and Newington, and on Saturday will probably inspect the fishery patrol vessel Eideido.

To a Times reporter this morning Commander Thompson stated that the west coast life-boat stations went into commission on Tuesday, the crews having been secured and all made ready for the coming winter. He is ready for the United States life-saving vessel Stromboli at Neah Bay on his way from Clayoquot and was shown every courtesy, a drill being performed for his entertainment. Asked if he could say anything for publication regarding the condition of the life-boat stations and government vessels, Commander Thompson said that he was not in a position to talk of these matters which he would deal with in his usual report to the department.

BOSCOWITZ STEAMERS HERE.

Completing her last trip under the Boscowitz flag, the steamer St. Denis came to port from the North yesterday afternoon and will be here for several days undergoing repairs before being taken south by Capt. Davis to run on the Salvador coast.

The Ventura, of the Boscowitz line, completed unloading 2,000 cases of salmon at the outer wharf last evening and will sail for the North to-night.

WILL REPLACE COLUMNS.

Heavier Supports to Be Placed in Engine Room of Prince George During Lay-Off.

Capt. Nicholson, manager of the G. T. P. coast steamship service, who came over from Vancouver last night on the Prince George, stated that the latter vessel would be out of commission for a month. During that time the George will be fitted with heavier columns in her engine room, this work being done at Esquimalt. Afterwards she will lay up at the G. T. P. docks and undergo a thorough overhauling. Early in December the steamer will resume the northern run, the Prince Rupert being laid off for a thorough overhauling preparatory to her excursion trip to Hawaii. Asked if the G. T. P. was contemplating the purchase of a new steamer suitable for the Queen Charlotte run Capt. Nicholson replied in the affirmative. The selection of this vessel may be made by Capt. Simon Mackenzie who is now on a trip to Great Britain.

SEGURA TO REPAIR.

The British ship Segura, Capt. Davies, which was towed to Tacoma by the tug Lorne on Tuesday after discharging cargo at Vancouver, will be docked to have her hull examined before loading wheat for Europe. On the voyage out the Segura sprang a leak, which was temporarily repaired by the ship's carpenter.

OTTER TAKES CABLES.

The steamer Otter is to-day at Vancouver loading cable for the extensions of the Dominion government telegraph and telephone line through Gulf points. She will put off cables at Powell River, Quathlasi Cove, Mary Island and Lund, which will be connected up with land wires, establishing a through line from present Campbell river terminus.

QUEEN DUE TO-NIGHT.

The steamship Queen is due from San Francisco to-night with a large cargo, including 192 tons of general freight to be discharged here.

FIRST PRIZE COMES TO VICTORIA GROWERS

Carload of Local Apples Swept Everything Before Them at National Show

In face of the keenest competition from mainland fruit, the carload of King apples exhibited in the First Canadian National Apple Show, now in progress at Vancouver, by the Victoria Fruit Growers' Exchange was awarded first prize. This exhibit has attracted the attention of all visitors to the show owing to its high quality, rich color and artistic manner of arrangement.

That Vancouver Island fruit growers are coming to the fore is proven by this result. This is probably the biggest prize that local apples have won and although the island was only able to exhibit one carload it shows that the fruit men are gradually working their way into the limelight and that before long will be able to outdistance all other districts in every variety of fruit.

Okanagan Kings were among the competitors which the island products were pitted against. Despite the reputation which that district had made for itself the exhibitors from that part had to doff their hats to the Vancouver Island fruit.

The carload exhibited in the Terminal City was composed mostly of apples grown in the Saanich peninsula, although several boxes came from Galliano and Salt Spring Islands.

No word has yet been received here as to the result of the competition for the best carload of apples in the show. The Vancouver Island fruit is also entered in this class.

PERSONALS.

Mr. and Mrs. H. F. Cardwell, Calgary, are among the latest arrivals here from the prairie. They are staying at the Empress.

Mrs. T. Cornish, Cowichan Bay, is spending a few days here.

Dr. Houghton, Salt Spring Island, is in the city to welcome G. Houghton, London, Eng., who has just arrived here.

Mrs. McKenzie Cleland, Mrs. J. Gordon and Mrs. R. B. McMicking are among the ladies who have been appointed to confer with the committees already appointed on the question of a technical school for Victoria.

Mrs. G. M. Leishman spent the holiday with friends in Vancouver and Westminster.

Gerald H. Leishman left this week for Vancouver to accept a position with Club & Stewart in the Terminal city.

Dr. A. Knight, chief veterinary inspector for the province, is to address a public meeting of dairymen at Chilliwack to-morrow under the auspices of the B. C. Dairymen's Association, on sanitation.

Mr. and Mrs. C. W. Newbury, Miss Newbury and Mrs. J. A. Wilson left on this afternoon's boat en route for Southern California, where they will spend the winter.

Mrs. T. H. Leeming, Dallas road, will not receive to-morrow afternoon.

Mrs. Arthur Burdick, 515 Rupert street, will be at home to her friends to-morrow.

MAINLAND VISITOR GETS BAD BEATING

First Case in Police Court Resulting From Closing Restricted District

The first police court case, as a result of the closing of the Chatham and Herald streets restricted district, was heard this morning, where Joseph O'Kelly was fined \$20, with one month's hard labor in default, for a brutal assault on Andrew Smith, a resident of Mission City, who appeared as the prosecuting witness with one side of his face beaten black and bruises over the lower part of the face and much swollen lips.

The beating took place at the Imperial hotel, Douglas street, where Hazel Burns, formerly an inmate of Chatham street, occupies a room. The woman, in the police court this morning, admitted her avocation had up till the last day of October been that of a prostitute, but said she had sufficient money saved to live on, and was rooming at the hotel until she had settled on some occupation.

Smith said he visited her last night at her room, having been guided there by O'Kelly, and gave the woman \$15. As soon as she received the money she left the room and told him to wait till she returned. When he got tired of waiting he went in search of her, and discovered her in another room, where she persisted she had not received any money from him. Smith started an argument, when along came O'Kelly, who chased him down the passage and finally on catching him beat him up till his face was life raw beef.

The woman, called to give evidence, gave her story that she had sufficient money saved to live on at the present time. She admitted having met Smith, but denied having received any money from him. She had directed him to a room and left him in it. She admitted having got out of Chatham street with the rest of the inmates according to the instructions issued by the police.

O'Kelly, a man of the "tough" type, proved an unsatisfactory witness in the box on his own behalf, and had to be admonished by the magistrate. He claimed he had chased Smith from the building, but had not assaulted him.

Smith, when the case had been heard, announced for the benefit of the court that he was returning to Mission City at once.

William Steadman and Malcolm Wilson were acquitted on a charge of having stolen a bottle of whiskey from the steamer Titan yesterday morning. Three witnesses from the longshore gang at work on the ship supported this morning and supported the statements of the accused men who denied the theft.

The longshoremen were in court in force and on several occasions interjected remarks when evidence was being heard. When the verdict was given the crowd shouted and stamped approval. Mr. Aikman appeared for Wilson.

FENCING

Victoria is to have a fencing school. P. R. West, one of the best known English fencing instructors, who has been in British Columbia for two years, during which time he has established the art of the foil and mask as a sport in Vancouver, has come to Victoria to duplicate his Vancouver operations.

Mr. West says he has met with decided encouragement and will, within a short time, he will also import foils and masks. He will also import foils and masks from France to the other members of the club. He has visited the University school and the V. M. C. A. with a view to having junior classes started, and probably fencing will be taken up by both institutions shortly. Public and private classes will be established soon.

HUGE METEOR.

Johannesburg was startled recently by the largest shooting star or meteor ever seen in the district. Its light was equal to that of a naval searchlight at fifty yards' range. The sky was illumined for three minutes and the streets were as light as if it were day. Natives were terrified, believing that the end of the world was at hand.

The astronomical observers at the local observatory were nearly blinded. The director of the observatory estimated that the meteor was only 150 miles from the earth. The head of the meteor he says was pear-shaped and half the size of the moon in diameter. The tail was straight at first, but afterwards turned towards the south.

The Victoria and District Association Football League will meet to-night at the V. M. C. A. rooms at six o'clock, with President J. G. Brown in the chair. Secretary Leaney wants all delegates to be present. The business is formal and important.

809 GOVERNMENT STREET OPPOSITE POST OFFICE

The Home
of the
Manufacturer
Midway between
Winnipeg and
Vancouver

Medicine Hat, Alberta

The Natural Gas City of the West

Any one and every one can buy one or Two lots in the Best City in the West

The
Grand Trunk
Pacific
Have already secured
Options in
Medicine Hat

THE CITY OF MEDICINE HAT

The Only Natural Gas City West of the Province of Ontario. Price, while they last \$100, \$5 Cash and \$3 per Month

\$100 Per Lot
\$5 Cash
Bal. \$3 mon.

Property in Medicine Hat has increased 150 per cent. in last twelve months. Buying a lot to-day for \$100, on such easy terms, will surely mean \$300 to you inside of one year. Can you make money faster or easier? Medicine Hat has a population to-day of 10,000, and in two years it is bound to be 30,000 people. The Home of the Manufacturer. A large number of manufactories now there, and inquiries every day.

Medicine Hat is on the main line of the C. P. R., midway between Winnipeg and Vancouver, and terminus of the Crow's Nest. The G. T. Pacific have already secured options in Medicine Hat, and will be there in a short time. Why not buy now, when the price of lots are so cheap and on such easy terms?

Medicine Hat today is making more rapid progress than any prairie city west of Winnipeg. Medicine Hat building permits for October, 1910 showed an increase of 269 per cent. over the corresponding month last year.

Medicine Hat today owns and operates Eight Gas Wells, and supplies Gas to the manufacturers at 5c. per thousand cubic feet, manufactures, owns and operates five gas wells in the city.

The Home of
the Cheapest
Power in the
World

Just look at these improvements that have taken place in Medicine Hat this year:—

14 miles of Natural Gas Mains.

11 miles of Sidewalk.

11 miles of Water Mains.

7 miles of Sewer.

3 miles of Macadamized Streets.

12 miles of Graded Streets.

There is now being installed a \$50,000 Electric Power Plant to be operated by Natural Gas, and have just completed a \$75,000 Collegiate Institute.

CENTRAL PLACE

Our property is known as CENTRAL PLACE, and was given its name owing to its location, being within easy walking distance of the Postoffice. We guarantee that these lots are all high and dry and level. Anyone buying a lot in Central Place and finding them other than represented we will refund money and 10 per cent. interest. We believe this is to be the best buy in Western Canada today.

"The City That Was Born Lucky"

We also protect the purchaser in this way. If, after having paid 6 monthly installments, that if anything should happen the purchaser, we at once give to his heirs a clear title to the property, which we have in our possession.

This will be the best residential district in Medicine Hat, as no home of less value than \$2,000 can be erected on this property.

Now, Investors, this is a chance of a life-time at this price.

\$100 Per Lot, \$5 Cash
Balance \$3 Per Month

Never before in the history of industry have natural resources, so necessary to the success of any manufacturer, been found in such liberal quantities as exist in Medicine Hat to-day.

Canadian, American and British capital invested in Medicine Hat has proven so successful as to bring two of the largest manufacturing plants in Canada to this city.

By March 1st, 1911, the Alberta Clay Products Company, Ltd., will have their great plant completed, and this plant alone will ship more than 50 cars, loaded with Medicine Hat's clay products, daily, which will consist of building blocks, sewer pipe, building, paving and fire brick. The capacity of their sewer pipe plant alone will be more than 30 cars, per day.

The development and success of the Alberta Clay Products Co. has proved to the world the possibilities of the clay industry in Medicine Hat, and its future is guaranteed by the wonderful development of this new empire.

 Open Saturday Evenings, 5 to 10. ESTABLISHED 1880.

Port Alberni

You can safely invest your money in Port Alberni. As we previously told you, Port Alberni property is the best buy on the whole Pacific Coast of America. Outside of the enormous trade to be developed with the Orient steamers, the steamers trading via the Panama canal, and here let me say the insurance rate on ocean going steamers is cheaper into Port Alberni than into Vancouver, B. C., which cheapness of rates eliminates the so-called danger of passage up the Alberni canal, the only drawback that is ever put forward as against Port Alberni being the best ocean port of the whole Pacific Coast. Outside the fact that Port Alberni is the terminus of two transcontinental railway lines, we have enough timber, mineral and farming land alone to develop a city of fifty thousand population. To those who wish to invest, I may say that at some future date the C. F. R. and C. N. railroads will run to the northern end of Vancouver Island, but you will have mountains of time in which to clean up large sums by investment in Port Alberni, with which, when the proper time arrives, to buy at the northern end of this island. We will give you due notice of said time. We have a LIMITED number of GOOD BUYS in Port Alberni. ACREAGE, SUBDIVISION LOTS AND INSIDE LOTS.

PASSING SHOW

Blyden Company's Return.
 An evenly-balanced play presented by an evenly-balanced company is, perhaps, the most correct way to describe the production of "Sweet Clover" by Huron L. Blyden and his associate players at the Victoria last evening. The performance was thoroughly enjoyed by the fairly large audience which assembled to welcome the company back to the theatre in which it has made so many successes and so many friends. Among the regular patrons of the Blyden productions the opinion was generally expressed that "Sweet Clover" is the best show yet presented both as regards acting and staging.
 Two additions to the players greatly strengthened the cast of ten characters.

MISS HILDA GRAHAM, appearing in "Sweet Clover," at the Victoria Theatre.

actors in which members of the company were most happily placed. As Jerome Holcombe, a New England farmer, Richard Scott had an opportunity to display his talent as a character actor and availed himself of it so well that he won continued applause. Eldridge Grosvenor, a young attorney, was admirably played by Verne Layton, while Harry Lewin and Gilbert Woodland, the last-named being a recent addition to the company, were quite at home in the respective roles of Jack Hamilton and Albert Slade.
 First among the male characters, however, was that of Job Mason, an old friend of Jerome Holcombe, whose lovable traits of character and occasional idiosyncrasies were brought out in inimitable style by Mr. Blyden.

Miss Hilda Graham, as Jerome's daughter, was fully equal to her role, playing up to her usual good form and neglecting no chance to make her talent tell. Miss Gibson and Miss Kathleen Gordon, two favorite players of the company, supported Mr. Blyden and Miss Graham exceptionally well, while Miss Emily Cooper, a young and pretty ingenue who has just been added to the troupe, was warmly applauded for her work as Sunny Andrews.
 "Sweet Clover" will be again presented to-night and the Blyden company will then complete their season of "The Burglar" which will be played on Saturday afternoon and evening. In the latter play Victorians will be given an opportunity of witnessing the remarkable playing of "Baby" Duclie Cooper, commonly acknowledged the finest child actress for her age in the continent. Miss Cooper hails from Portland, where she has made many successes.

New Grand Theatre
 The act of Charles Wayne and company staged at the New Grand this week, is worthy of the wide praise showered upon it by the audiences which fill the theatre at every show. There are three scenes to the turn, the central one being shown by moving pictures and depicting a continuation of the first act, which is done by Mr. Wayne personally. The third act is a continuation of the first, with the playlet resumed exactly where the moving pictures ended. This new idea is most successful and with the addition of several dances and songs Charles Wayne and company prove a delightful success. Little Bud Heim and his talented sister give a funny comedy turn and both are splendid young performers. Thomas Potter Dunn, a yodler and humorist, is successful in all he does; Johnston Davyport and Ledella supply the comedy for the bill, and Kretore has the instrumental end of it well provided. Thomas J. Price is singing "A new song and there are also moving pictures at the end of the show."

GRANT TO FAIR
 New Westminster's Mayor Will Sign Cheque—Under Strenuous Protest.
 New Westminster, Nov. 3.—The fate of the cheque for \$2,000 for the R. A. and I. society was decided at the last meeting of the city council, when the opinion of the city solicitor was read. It said in short that "the mayor must either sign or go to jail," and as Mayor Lee has some important work to do, the cheque will be signed, although under strenuous protest. All the aldermen except Ald. Bryson, were in favor of giving the society the cheque immediately, although they did not desire to uphold Mr. Keary's statement.
 The dispute arose when the council passed the annual grant to the R. A. and I. society, and the mayor refused to sign the cheque on account of what he considers insults to the city. The supposed insults were made by Mr. Keary at the annual meeting of the society.
 The matter was finally referred to the finance committee, with power to act, and indications are that the cheque will be passed over to the society.
JOHNSON AS POLITICIAN.
 Pugilist Will Deliver Number of Speeches in New York State.
 New York, Nov. 3.—Jack Johnson, heavyweight champion pugilist, is going into the political ring. The colored Democratic societies will be in his corner and he will go after Col. Roosevelt as soon as the gong sounds.
 "Roosevelt did not help the colored man at Brownsville," said Jack, "and we are not going to help Roosevelt."
 The colored fighter is scheduled to make a number of speeches in which the Brownsville affair is to be tangled up with New York politics.
 —How about a clothes basket? Large split baskets with two handles, 50c and 65c. Strong willow baskets at 75c, 80c, 90c, \$1.00, \$1.65, \$1.95 and \$2.25 at R. A. Brown & Co.'s, 1302 Douglas street.

DRAKE HARDWARE COMPANY
AT THEIR NEW HOME

The drill with adjustable tension.
"Yankee" Tools
 best meet the needs of every man—mechanic or householder, who drives screws or drills holes.
"Yankee" Automatic Drill No. 44
 with adjustable tension spring
 is the only drill in which the strength of the spring can be regulated to suit hard or soft wood, large or small drills. Prevents undue breakage of drills. Pushing on the handle operates the drill; and a turn of the wrist adjusts the tension. Furnished with eight drill-points, 1/8 to 1/64, in magazine in handle, arranged to show all in plain sight.

We are here in our new store and glad to welcome old friends and new patrons to our spacious up-to-date premises whether they come as purchasers or merely as "lookers." Hardly yet quite as "shipshape" as we intend to be, but come and see—we know you'll make allowance for it, especially as we can offer you everything you need in Hardware—goods that guarantee our promises. Just a few things enumerated from the many:

RUSSELL & ERWIN'S BUILDERS HARDWARE, the best on the market. Builders and those who contemplate building should see our fine new stock.
MARTIN-SENOUR'S PAINT for exterior and interior work—100 per cent. pure, sold subject to chemical analysis.
PAINTERS' SUPPLIES, guaranteed quality and price

ELECTRIC LAUNDRY IRONS, FIRE IRONS, SPARK GUARDS, BRASS COAL SCOOPS, BRASS CANDLESTICKS AND TRAYS, Etc., WASHING MACHINES, WRINGERS, CHURNS, CURTAIN STRETCHERS, TABLE CUTLERY, SAFETY RAZORS, CLOTHES HANGERS, TROUSER STRETCHERS, Etc.
ALABASTINE, the most sanitary of all wall decorations, etc

DO YOU USE EDGED TOOLS?

MECHANICS' TOOLS, everything required by the up-to-the-minute workman.
BUTCHERS' TOOLS, an unrivalled supply.
OIL HEATERS, OIL STOVES, etc. ENAMELWARE, an unapproachable line for the housewife.
BROOMS AND BRUSHES, a full supply.
Heating Stoves
 For coal or wood, the heavily nickelled or the plain kind. All prices.

Gurney-Oxford Ranges
 These embrace the "New Chancellors" in three sizes, gas combinations to fit either of "Chancellor" ranges, black or polished tops. "Quick Meal" ranges, same quality as the "Chancellor," but not so expensively trimmed. "Golden Nugget" range, another splendid cooker for a light purse. "New Nugget," a still easier priced range, also the "French Range," best of all cooking apparatus for hotels or restaurants.

When you need any of the above we sell, don't run off somewhere else and buy them. Come here to our splendidly equipped new store and look over the new stock! ask questions and prices and then look elsewhere if you desire. We know you'll come here to purchase, because it will be to your distinct advantage to do so.

PLANS FOR CRUISERS ARE NOW APPROVED

Set Expected Soon—Seven Canadian Midshipmen Join Niobe

Ottawa, Nov. 2.—The Canadian cruiser Niobe is expected to remain at Halifax or in the vicinity of that port most of the winter.

The seven young Canadians who have been in training as cadets aboard the cruiser Canada, have been transferred to the Niobe and advanced to be midshipmen.

The plans of the Bristol cruisers, from which the new Canada cruisers will be built are expected to reach Canada shortly, the improvements the Admiralty has been making have been completed. One set of plans will be available for inspection by builders in either Canada or England.

MAY NOT SEEK SECOND TERM.

Washington, D. C., Nov. 3.—President Taft yesterday threw Washington into a state of excitement by an indirect declaration that he would not again be a candidate for president in 1912. Taft declared he expected to be living in Cincinnati in 1914.

Administration circles and correspondents, who immediately set about verifying the report, found that he had made the statement unofficially to a committee of women representing the Sisterhood of Rodeph Shalom, a Jewish congregation of Pittsburg who had invited the president to attend their convocation celebration in Pittsburg in 1914 in commemoration of the 100th anniversary of peace among the English-speaking nations.

"Thank you, ladies, I expect to be living in Cincinnati then and will be delighted to run over," were President Taft's exact words.

Whether or not it was a whim of Taft's to announce his retirement in that way, and he was really in earnest, or whether he was having a quiet joke is not known.

Taft's remark, coming as it does shortly after the reports that he does not expect to be a candidate for a second term, which emanated from friends of the president at Beverly, is regarded as an indication that he may soon make some definite statement on the subject.

NANAIMO STATISTICS.

Nanaimo, Nov. 3.—Customs returns for Nanaimo and district for the month of October totalled \$13,761.98, an increase of over \$500 over those of the previous month. The collections of the local inland revenue office for the month of October totalled \$2,322.64. There were recorded with Government Agent Thompson last month: births, 28; deaths, 19; and marriages 5. During the same period 14 mineral claims were recorded.

MILL CHANGES HANDS.

Nanaimo, Nov. 2.—The Ladysmith Lumber Company has purchased the sawmill and other property of the Red Fir Lumber Co. It is the intention of the purchasers to overhaul the mill.

and with the additional machinery which they intend to add the mill will be up-to-date in every respect. On or about January 1st the entire plant will be started up with the expectation of keeping it in operation the year around at its full capacity.

WEEKLY WEATHER REPORT.

NOTICE

IN THE COUNTY COURT OF VICTORIA, IN PROBATE, IN THE MATTER OF THE ESTATE OF MARY CLIVE THOMPSON, DECEASED, AND IN THE MATTER OF THE OFFICIAL ADMINISTRATORS' ACT.

Notice is hereby given that, under an Order made by His Honor Judge Lamberton, dated the 21st day of October, A. D. 1910, 1, the undersigned, was appointed Administrator of the estate of the above deceased.

All persons having claims against the said estate are hereby requested to send particulars of such claims in or to be filed with me, on or before the 25th day of November, 1910, and all persons indebted to the said estate are required to pay such indebtedness to me forthwith.

Dated at Victoria, B. C., this 28th day of October, A. D. 1910.

WILLIAM MONTEITH, Official Administrator.

NOTICE is hereby given that application will be made by the undersigned to the Board of Licensing Commissioners for the City of Victoria at the next regular sitting thereof for a transfer of the liquor license held by me in respect of the premises known as the "Gordon Hotel," Johnson Street, in the said City of Victoria, to Harold Stuckey.

Dated this 15th day of October, 1910.

JOSEPH BELL

NOTICE

Notice is hereby given that I intend to apply to the Board of Licensing Commissioners for the City of Victoria at its next sitting for a transfer of the license now held by me to sell wines and liquors, by the bottle, on the premises situated upon the southeast corner of Douglas and Johnson streets, in the City of Victoria from myself to I. H. Pickard.

FRED CARNE.

BENEVOLENT SOCIETIES ACT.

And in the matter of the Natural History Society.

In accordance with the provisions of the Act, notice is hereby given that it is the intention, four weeks after date, to ask for an amendment to the Constitution of the Natural History Society of British Columbia whereby the name of the Society shall be changed to that of The Historical and Scientific Society of British Columbia. For the promotion of the study of the natural sciences and historical research a general meeting of the Society will be held in their rooms on Monday, the 28th Nov. at 8 p.m.

DO YOU KNOW HOW TO COOK QUINCES?

Quince Jam or Marmalade is delicious, but they are exceedingly nice and wholesome when merely baked this way: Put whole, ripe Quinces in the oven in a pan and bake thoroughly. When done, remove the skins, place in a glass dish, sprinkle plentifully with sugar and serve with cream.

LOCAL WIRELESS TALKS 2,000 MILES

Victoria Station in Communication With Transport-Dix

When the U. S. transport Dix was nearly 2,000 miles away from Cape Flattery on her way from Honolulu to Seattle, where she arrived Sunday, she was in wireless communication with the Dominion government station at Gonzales Hill.

In a report to the transport department Lieut. Bum, commanding the Dix, praises the efficiency of the outfit installed on the vessel when she was last in Seattle. The transport is fitted with the latest type of De Forest apparatus and Lieut. Bum states, in his report, that wireless communication was constantly maintained during her voyage across the Pacific, the radius of the equipment being over 2,400.

The long talk across the Olympic mountains to the Dix, over 2,000 miles of land and water, which was accomplished by the local station is the best yet accomplished there. The Gonzales Hill apparatus is a 2-kilowatt Marconi set with an average radius of 300 miles, although this distance is very frequently exceeded at night when conditions are most favorable to wireless communication.

SEATTLE MARU IN FROM THE ORIENT

O. S. K. Liner Arrives a Day Ahead of Schedule Although Met Bad Weather

Although bucking a strong south-east gale for two days on her trip across the Pacific and Tuesday running into dense fog the Osaka Shosen Kaisha liner Seattle Maru came to port yesterday a day ahead of schedule time. The Japanese liner left Yokohama on October 17 and encountered favorable weather until the 27th when she met with strong head wind and sea. On the 29th the weather moderated and she made a quick run to port.

Thirty-one passengers came over in the O. S. K. steamer, 6 saloon and 25 steerage. Of these 7 Asiatic steamer agents landed here. The cargo totalled 300 tons deadweight and included 605 packages of silk and silk goods worth, approximately, \$300,000. Before continuing to Tacoma the Seattle Maru discharged 18 tons of general freight at the latter wharf.

Officers of the steamship confirmed the report that the Tacoma Maru would be fitted with wireless for her next trip eastbound.

BANKDALE TO DOCK.

The steamship Bankdale, which recently discharged at the Chemical works, returned to port late yesterday and is in the dock at Esquimalt for examination. The steamship touched on the Humboldt bar while on her way up coast and broke all the blades of her propeller, which will probably have to be replaced. The Bankdale has been fixed to sail for the west coast of South America from the Sound this month.

CLAIM FOR SALVAGE.

The Puget Sound Tugboat Company, owner of the tug Lorne, of this port, has billed the American schooner Bangor for \$5,000 on account of services rendered to that vessel by the tug. The Bangor went ashore in Beecher bay and was towed off by the tug which then took her across the strait, turning her over to the tug Holyoke, which towed her into Port Townsend.

PROTESILAUS ON WAY.

On her way to this port from Liverpool the Holt liner Protesilaus left Hong Kong on Monday. The Protesilaus has 16,000 tons of cargo, including a large shipment of structural steel for Vancouver.

CLAN LINER COMING.

The Clan line freighter Clan MacFarlane has been fixed to bring sugar from Java to Vancouver for the B. C. Sugar Refinery company.

SCORES FOREIGNERS.

Winnipeg, Nov. 2.—After two foreigners had been found guilty of offences against women in the assizes, Chief Justice Howell declared that unless these people had a policeman at their elbow they did not feel inclined to respect women.

Considerable excitement is reported at Chase over extremely rich samples of gold ore brought from Crow's Foot mountain, about 25 miles from the town.

Parlor Furniture

little house-maid says have a nice parlor for her and yourself

HERE'S WHERE WE EXCEL—WHAT WE SAY WE MEAN

HERE'S WHERE YOU SAVE—THE LADDER OF ECONOMY

Mrs. Homelover:

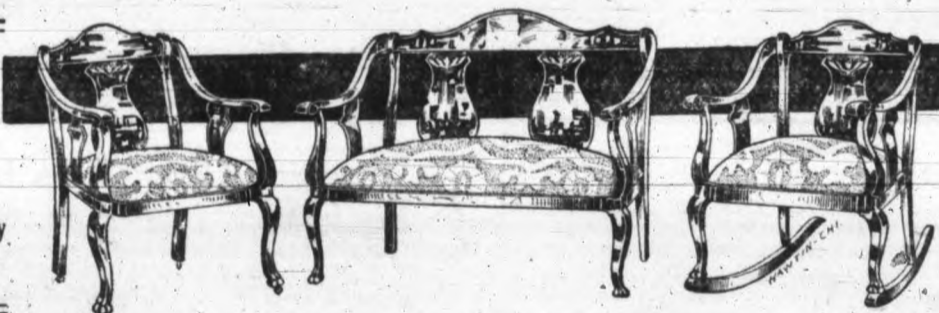

Have a nice parlor anyhow. There is where you entertain your guests. What is the use of living, anyway, unless you get something out of life, and how can you get more out of life than by being surrounded by beautiful things in the very place you spend most of your time—at home.

These things will beautify your parlor.

When you are ready for the rest of the house, come to us.
