MEMORANDUM FOR RECORD:

GD P&P EJW/bs
11 March 1949

SUBJECT: Supplies Required to Support Plan ROCKWORK

1. RYCOM rad E-21429 AID, dated 9 March 1949, stated that training had been initiated on plan ROCKWORK and local supplies made available. Class IV project was being prepared to cover supplies required to support plan. Pending submission of such project, authority was requested to requisition on Z/I.
2. G-4 Opns (Maj. Stafford) stated that T/A based on Plan would be more satisfactory and more flexible than a Class IV project which would also entail yearly budgeting. G-3 TC (Lt. Col. Herberts) concurred in use of a special T/A as best means of obtaining equipment.
3. JSPOG (Col. Babcock) advised that plan ROCKWORK had been returned to RYCOM for revision.
4. By this action, RYCOM is advised that requisitioning on Z/I is dependent upon D/A approval of T/A based on an approved plan. Class IV project is not desirable.
5. Within policy.
6. Completes action on G-4 Journal No. 78863.
7. Concurrences: G-3 TC (Lt. Col. Herberts)
JSPOG (Col. Babcock and Col. Breden)
G-4 Sup (Col. McLemore)
G-4 Opns (Maj. Stafford)
