PRIME MINISTER'S OFFICE & MINISTERIAL ORDINANCE

Prime Minister's Office and Ministry of Finance Ordinance No. 4

August 7, 1948

The Regulations for the Enforcement of the Local Tax Law (Ministry for Home Affairs and Ministry of Finance Ordinance No. 1 of 1947) shall be partially amended as follows:

Prime Minister
ASHIDA Hitoshi
Minister of Finance
KITAMURA Tokutaro

Article 1. In this Ordinance, provisions relating to the Do, urban or rural prefecture shall apply with the necessary modifications to Tokyo Metropolis. In this case "Do, urban or rural prefecture," "Do, urban or rural prefecture tax" or "governor of Do, urban or rural prefecture" shall respectively read "Metropolis," "Tokyo Metropolitan Tax," and "Governor of Tokyo Metropolis."

In a case where the provisions in this Ordinance relating to a city, town or village apply to a city, town or village of Tokyo Metropolis, "Governor of Do, urban or rural prefecture" shall be taken to read "Governor of Tokyo Metropolis."

A whole affairs association shall, with respect to the application of this Ordinance, be deemed to one town or village.

In Article 2, "Article 4 of the Cabinet Order for the Enforcement of the Local Tax Law (hereinafter to be called Cabinet Order)" shall read "Article 62 of the Local Tax Law (hereinafter to be called Law)."

In Paragraph 1 of Article 3, "Article 9 of the Cabinet Order" shall read Article 6 of the Cabinet Order for the Enforcement of the Local Tax Law (hereinafter to be called Cabinet Order).

Article 4. Any person who is obliged to pay tax with respect to an enterprise tax shall declare by January 31 of each fiscal year (in the case of Paragraph 2 of Article 65 of the Law, within one month after the abolition of enterprise) the caetgries of enterprise, name of the place of enterprise owned in the year preceding (in the case of paragraph 2 of Article 65 of the law, from January 1 of the preceding fiscal year up to the time of the abolition of enterprise, the same shall apply hereinafter), the location thereof and the amount of income to the governor of Do, urban or rural prefecture of the place wherein such place of enterprise (when places of enterprise are owned in two or more Do, urban or rural prefectures, the governor of Do, urban or rural prefecture wherein the main place of enterprise is located; the same shall apply hereinafter) with the details of the income by the revenue and expenditure concerning the enterprise attached thereto.

Any person who is obliged to pay tax with respect to enterprise tax in accordance with the provisions of Article 69 of Law shall, notwithstanding the provisions of the preceding paragraph, and as determined by the governor of Do, urban or rural prefecture concerned, declare those matters required by him.

When any person who own places of enterprise in two or more Do, urban or rural prefectures, makes a declaration to the governor of Do, urban or rural prefecture wherein his main place of enterprise is located in accordance with the provisions of Paragraph 1, he shall, without delay, report the fact thereof to the governor of Do, urban or rural prefecture concerned.

Article 5. Any juridical person who is obliged to pay tax with respect to enterprise tax shall, in connection with the income enumerated in the following items, within such time limits as are specified therein, declare to the governor of the Do, urban or rural prefecture wherein his place of enterprise is located, the kinds of enterprise, the name and location of the place of enterprise owned during the business year concerned (concerning those related to liquidated income, date of amalgamation or dissolution) and income:

(1) With respect to the income of the respective business year, the date of final determination of each business year or within 30 days from the date of amalgamation or commencement of liquidation;

(2) With respect to the liquidation income in a case of dissolution, from the time of

the final determination of the remaining assets until the date of distribution thereof however, when the remaining assets are distributed in several instalments, on each occasion when the remaining assets to be distributed are finally determined;

(3) With respect to the liquidated income in a case of amalgamation, within 30 days from the date of amalgamation.

In the case of Item 1 of the preceding paragraph when final settlement is not made within two months from the date of termination of the business year, the amount of income of the said business year computed on an estimate shall be declared within two months from the date of termination of the business year and the amount of income based on the determined final accounts shall be declared within two months from the date of the determination of the final accounts of the business year concerned.

The provisions of Paragraphs 2 and 3 of the preceding Article shall apply with the necessary modifications to the enterprise tax of a juridical person.

Article 6. Any juridical person who purports to receive the application of the provisions of Article 5 to Article 7 inclusive of the Cabinet Order shall, in accordance with the following categories and together with the documents mentioned in the respective following items, make a declaration as provided for in Paragraph 1 of the preceding Article and and at the same time declare the fact thereof to the governor of the Do, urban or rural prefecture wherein his place of enterprise is located:

(1) When it is purported to receive the application of the provisions of Article 5 of the Cabinet Order, details relating to the revenue and expenditure of national subsidies, Metropolis Do, urban or rural prefectures subsidies, city, town or village subsidies;

(2) When it is purported to receive the application of the provisions of Article 6 of the Cabinet Order, details concerning the revenue and expenditure of price levelling fund account or facilities repair reserve fund account;

(3) When it is purported to receive the application of the provisions of Article 7 of the Cabinet Order, details concerning the amount of issue of share in excess of the face-value and expense for issue thereof.

Article 7. Any person who carries out an enterprise by establishing a place of enterprise in two or more Do, urban or rural prefectures or in two or more cities, towns or villages in one Do, urban or rural prefecture, shall make the declaration provided for in Article 4, Paragraph 1 or Article 5, Paragraph 1 and at the same time report those matters designated by the Prime Minister at each place of enterprise owned by him, in the case of a juridical person during the business year concerned (with respect to those related to liquidated income, the date of amalgamation or dissolution) and in the case of an individual during the previous year to the governor of Do, urban or rural prefecture provided for in the same Article.

Article 8. With respect to the enterprise tax imposed on any person who carries out an enterprise by establishing an office in two or more Do, urban or rural prefectures, when the governor of the Do, urban or rural prefecture, wherein the main place of enterprise is located determines the total amount of income which is to be the standard of tax imposition, he shall immediately notify the taxpayer of the fact thereof.

Article 9. When any person, who carries out an enterprise by establishing a place of enterprise in two or more Do, urban or rural prefectures, receives the notification of determination of the total amount of income as provided for in the preceding Article, he shall make a report within 14 days, by the respective Do, urban or rural prefectures (excluding those where the city, town or village involved within the said prefecture is one) concerning the places of enterprise within such prefectures, the following matters to the governor of Do, urban or rural prefecture concerned (excluding the governor of Do, urban or rural prefecture wherein the main place of enterprise is located):

1. Kind of enterprise;
2. The name and location of the place of enterprise owned, in the case of a natural person during the preceding year and in the case of a juridical person during the business year concerned (with respect to those related to liquidated incomes, the date of amalgamation or dissolution);
3. In the case of a natural person, yearly category, in the case of a juridical person, the business year (with respect to those related to liquidated income, the date of amalgamation or dissolution);
4. Total amount of income, the date of the determination thereof and the governor of the Do, urban or rural prefecture who made such determination;
5. Matters designated by the Prime Minister.

Article 10. When the governor of Do, urban or rural prefecture wherein the main place of enterprise is located, notifies the governor of the Do, urban or rural prefecture concerned of the amount of income, in accordance with the provisions of Article 7, Paragraph 3 of the Law, he shall notify the following matters in addition thereto:

1. Kind of enterprise;
2. The name and location of the place of enterprise in the Do, urban or rural prefecture concerned;
3. In the case of a natural person, the yearly category, in the case of juristic person, the business year (with respect to those related to liquidated income, the date of amalgamation or dissolution);
4. The total amount of income and the date of the determination thereof.

Article 11, When the governor of Do, urban or rural prefecture notifies the principal tax amount to the cities, towns or villages concerned, in accordance with the provisions of Article 8, Paragraph 2 of the Law, he shall notify the following matters in addition thereto:

1. Kind of enterprise;
2. The name and location of the place of enterprise in the city, town or village concerned;
3. In the case of a natural person, the yearly category, in the case of a juridical person, the business year (with respect to those relating to liquidated income, the date of amalgamation or dissolution);
4. The total amount of income (amount of income when the places of enterprise are not in two or more prefectures) and the rate of imposition thereof.

In the case of the preceding paragraph, where the principal tax amount to be notified to the city, town or village concerned falls under the enterprise tax provided for in Article 69, Paragraph 1 of the Law, notwithstanding the provisions of the preceding paragraph, matters enumerated from Item 1 to Item 3 of the same paragraph and the following a matters shall be notified:

1. Amount of enterprise tax;
2. Rate of imposition of enterprise tax whose standard of imposition is confined to the amount of income of the same fiscal year as the said enterprise tax.

Price Board Notification No. 626

August 7, 1948

In accordance with the provisions of Article 4 of the Price Control Ordinance, the controlled prices for scrapped and used copper, copper alloy, lead, lead alloy, zinc and zinc alloy as well as the re-refined products of lead and zinc are designated as follows and the Price Board Notification No. 814 of October, 1947 (concerning the partial amendment to the Price Board Notification No. 310 of June, 1947) shall hereby be abolished:

Director-General of Price Board
KURUSU Takeo

1. Controlled selling prices of scrapped and used copper and copper alloy (Unit: per ton)

Classification	Controlled price
Scrap of copper wire	¥90,000
Superior used copper	85,000
Ordinary used copper	80,500
New scrap of brass for board	60,500

(1) The controlled price on the above list shall include packing and wrapping charges and shall be the amount for those ex place designated by the buyer.

(2) The standard for the classifications as described on the above list shall be subject to the separate sheet No. 1.

(3) In case those selected for superior goods use from among those listed above are to be sold, the controlled price shall be the amount added by ¥20,000 or less to that of the standard concerned, and in case those selected for "Hikioroshi" use are to be sold, the controlled price shall be the amount added by ¥7,000 or less to that of the standard concerned.

2. Controlled selling prices of scrapped and used lead alloy, zinc and zinc alloy (Unit: per ton)

(1) Lead and lead alloy

Classification	Controlled price
Scrap of lead pipe and sheet	¥45,800
Lead scrap	36,500
Hard lead scrap	55,400
Type scrap	64,500
Scrap of battery cell	29,700

(2) Zinc and zinc alloy

Classification	Controlled price
Superior zinc scrap	¥32,100
Ordinary scrap of zinc	27,200
Inferior scrap of zinc	8,800
Scrap of tannium	20,700

(3) The controlled price on the above list shall include packing and wrapping charges and shall be the amount for those ex price designated by the buyer.

(4) The standard for the classifications as described on the above list shall be subject to the separate sheet No. 2.

(5) In case those selected for superior goods use from among those listed are to be sold, the controlled price shall be the amount added by ¥8,700 or less to that of the standard concerned.

3. The controlled selling prices of re-refined lead and zinc (Unit: per ton)

Classification	Fineness	Controlled price
Special grade used lead	99.9% or over of lead	¥56,000
No. 1 used lead	99.0% or over of lead	53,000
No. 2 used lead	98.0% or over of lead	49,000
No. 3 used lead	93.0% or over of lead	44,000
Used hard lead	90.0% or over of lead	65,600
Used type metal	82.0% or over of lead	75,900
No. 1 used zinc	98.0% or over of zinc	39.900
No. 2 used zinc	97.0% or over of zinc	37,800
No. 3 used zinc	96.0% or over of zinc	35,300

The controlled price on the above list shall be the amount for those ex place designated by the seller.

Separate sheet No. 1

Scrap of copper wire: Superior scrap of copper wire of 1.3 mm, or over in diameter. However, cadmium copper wire and silicon copper wire are excluded.

Superior used copper: Copper wire of 1.3-0.55 mm in diameter. Cadmium copper wire and silicum copper wire are however excluded. "Shohaku" wire of 1.3 mm or over in diameter (those tin-plated copper wires which are burnt).

Copper sheet of Nippon Kinzoku Standard: Copper are 0.35 mm or over in thickness. Seamless copper pipe, copper pole or others similar to the above which are of superior quality.

Ordinary used copper: "Shohaku" copper wire of 1.3-0.35 mm, in diameter, superior copper wire of 0.35 mm. of over in diameter which does not fall under the standard of superior used copper. Copper sheet, copper rod copper pipe and copper pole which do not come under the standard of superior used copper. Those tin-plated and soldered are, however, excluded.

New scrap of brass: Cuttings, cutout scrap of brass sheet, brass rod, seamless brass pipe, seamless brass pipe for "fukusuiki-eitai and seamless brass pipe for "Fukusuiki of Nippon Kinzoku Standard and others similar to the above which are of good quality.

Separate sheet No. 2

Lead pipe: Lead sheet scrap, electric wire of lead pipe and lead sheet and lead-plated lump which are 98% or over of lead and of superior quality.

Lead scrap: Those lead scraps which do not fall under the standard of lead pipe, lead sheet scrap, hard lead scrap, type scrap and scrap of battery cell which are of superior quality.

Hard lead scrap: Lead-antimony alloy antimony of 8 per cent or over which is of superior quality.

Type scrap: Letter type, type metal, etc. Type for typewriting use, "totan interu, line-type, etc., are however excluded.

Scrap of battery cell: Scrap of battery cell which will yield 85 per cent by refining.

3.	Copper tape for spiral tube	,,
4.	Brass tape for snap pin	Additional price same as brass tape
5.	Brass tape for radio pin	,,
6.	Brass tape for radiator	,,

d. When length is specified, the additional price of ¥2.30 per kg is charged.

(2) When additional price of quotation for special goods. (per kg)

a.	Copper tape for spiral tube	¥10.00	increase the price of quotation for copper tape
b.	Brass tape for snap button	¥ 5.00	,,
c.	Brass tape for radiator	¥ 5.00	,,
d.	Brass tape for radio pin	¥ 5.00	,,

(3) Increase in price according to the degrees of finishing

a.	Soft	¥1.80 increase
b.	Annealed, cleaned and pickled	¥3.60 ,,

5. Strip

(1) The additional price for measures

a. The additional price for tape is applied

b. When the length is specified, ¥2.30 per kg is added.

(2) For a sheet of which one or both edges are cut ¥2.30 per kg is added.

(3) For the additional price of rolled gilding strips, that for copper tape is applied.

(4) The additional price for special goods

a.	Additional price of quotation for lead-bearing brass sheet	¥3.00 increase over the price of quotation for rolled brass strip (Cu.65, Zn.35)
b.	ditto	increase according to the measures is made.

(5) Additional price according to the degree of finishing.

a. Lead-bearing brass sheet (Unit: 1 kg)

(a)	Soft	¥1.80 is added
(b)	Annealed, cleaned and pickled	¥3.60 ,,

a. The additional price of quotation for zinc sheet for photographic (quotation for sheet of measures $0.838 \times 424 \times 1212$)

¥15.00 per kg is added to the quotation for zinc sheet for printing.

b. The additional price for measures (Unit: 1 kg)

(a)	Sheet for printing	¥10.00 is added in case the sheet is of measures other than the quarted measures
(b)	Sheet for photographic	¥15.00 ,,

c. Special finishing and patent goods (Unit: 1 kg)

(a)	For printing	¥10.00 is added
(b)	For photographic	¥15.00 ,,
(c)	Patent goods	¥15.00 ,,

(2) When the length bellow 4 m is specified, ¥2.00 per kg is added.
(3) When the length of over 4 m and bollow 10 m is specified, ¥2.30 per kg in price is added for the increase over 4 m of every meter or its fraction.
(4) For pipe over 10 m, additional price of up to ¥2.00 per kg is charged.

3. Additional price of pipe of special shapes

The additional price of those pipe shall be fixed according to their circumferences, the highest being ¥4.50 per kg over and above the prices of the circular pipes having the corresponding circumferences.

4. The additional price of goods of special kinds

(1) Seamless copper pipe for printing (dyeing) roll	Three times the price of copper pipe
(2) Seamless copper pipe for paper making roll	Double ,,
(3) Dioxidized copper pipe	Three times ,,
(4) Seamless brass pipe for roll	Double the price of brass pipe (Cu. 70, Zn. 30)

5. The additional price for diameter and thickness of patent goods

(1) Aluminium-brass pipe — The additional price for brass pipe is added.
(2) Albrac pipe — ,,

6. Additional price according to the degrees of finishing (Unit: 1 kg)

Annealed, cleaned and pickled ¥4.00 is added

a. The additional price for quotation (Unit: 1 kg)

(a) Square bar	¥10.00 is added to the quotations for round bars
(b) Hexagonal bar	¥5.00 ,,
(c) Brass flat rectangular bar	¥12.00 is added to the quotations for brass round bar.

b. The additional price for diameter

(a) Square bar, Hexagonal bar	The additional price for the round bar of diameter equal to the distance between opposit sides is applied.
(b) Brass rectangular bar	The additional price for the copper tapes is added.

c. The additional price of bars of special shapes

The additional of these bars shall be fixed according to their circumference, the highest being ¥210.00 per kg over the prices of the circular bars having the corresponding circumference. The actual moulding cost, however, shall be borne by the buyer.

(3) The additional price for length

a. More than 1 m in length of uneven measure is taken as fixed measure, but in case of a bar of diameter over 40 mm more than 500 mm in length of uneven measure is taken as fixed measure.

b. When the length is specified, ¥2.00 per kg is added.

2. Commutator bar

(Unit: 1 kg)

1) Rectangular wire ¥10.00 is added
2) Square wire ¥10.00 ,,
3) Hexagonal wire ¥ 7.00 ,,

b. The additional price for diameter

For square wire and hexagonal wire, the additional price for round wire of diameter corresponding to the distance between opposite sides is applied.

c. Additional price of other wire of special shapes, shall be fixed according to their circumferences, the highest being ¥150.00 per kg over the pieces of the circular wires having the corresponding circumferences. The actual moulding cost, however, shall be borne by the buyer.

3. Additional price according to the degrees of finishing

(Unit: 1 kg)

a. Soft ¥1.80 is added
b. Annealed, cleaned and picked ¥3.20 ,,

(B) Sales Terms, etc.

1. The controlled amounts given in the present list shall be those of the products provided for in the Japanese Standard Specification or the Japanese Metal Specification. The controlled amounts or such products of particular specification as exceed the extent of the Japanese Standard Specification or the Japanese Metal Specification or of the products of such designated sizes, particular fabrication and designated specification as are other than those given in the present list shall be determined subject to the permission of the Director-General of Price Board.

2. In case a small quantity of products is ordered the increase in prices according to the quantity may be made by increasing the controlled amount, for each size, at the undermentioned rates:

(1) Sheets (including strips, Nobe-ita (rough strips), and Zinc plates)

over 50 kilograms and less than 100 kilograms ¥ 2.70 increase
,, 20 ,, 50 ,, ¥ 5.40 ,,
20 kilograms and under ¥13.50 ,,

(2) Tubes (per kilogram)

over 50 kilograms and less than 100 kilograms ¥ 3.60 increase
,, 20 ,, 50 ,, ¥ 7.20 ,,
20 kilograms and under ¥18.00 ,,

(3) Bars (including copper belts and wires) (per kilogram)

over 50 kilograms and less than 100 kilograms ¥ 1.80 increase
,, 20 ,, 50 ,, ¥ 3.60 ,,
20 kilograms and under ¥ 9.00 ,,

(4) Commutator-bars

over 60 kilograms and less than 100 kilograms ¥ 13.50 increase
,, 30 ,, 60 ,, ¥ 36.00 ,,
,, 10 ,, 30 ,, ¥ 90.00 ,,
,, 5 ,, 10 ,, ¥180.00 ,,
5 Kilograms and under ¥450.00 ,,

3. In case any of the products is fabricated, the controlled amount of its fabricating charge shall be the balance of the controlled amount of the maker's sale price after deducting from it the price of material supplied. The price of the material supplied shall be figured out by multiplying the standard required quality of material listed in the attached list with the controlled amount of the material (in case where its controlled amount is omitted, an amount which is regarded as appropriate shall be taken).

4. The controlled amount of the seller's price shall be 5 per cent increase over and above the controlled amount of the maker's price. In case the sale of an item of products does not exceed 500 kilograms, the said ratio of increase may be raised by adding the following ratios thereto:

Less than 500 kilograms and over 100 kilograms 5 per cent
,, 100 ,, 10 ,, 10 ,,
,, 10 ,, 15 ,,

5. The controlled amounts stipulated in each of the foregoing paragraphs shall be one ex designated place for the part of the maker and ex store for the seller.

6. The controlled amount stipulated in each of the foregoing paragraphs shall be one including packing charge. In case, however, the goods under consideration are for export or for the occupation forces and specifically packed, a special packing charge may be added to the price subject to the permission of the Director-General of the Price Board.
