A number of elegant improvements are opening and widening, and shops and dwellings of more than ordinary beauty about to erected. Warehouses mando un objeto politico ofrece à las vidas of four and five stories in height are building, a circumstance demonstrating that which he actually pursued was the the value of the ground. A five story marble edifice is to be erected at the corner of Ann street and Broadway, the upper part to be occupied as a museum, and the roof to be ornamented with statues. The entire front on Broadway from Barclay to Vesey street, is to be the site of a magnificent hotel, with lies, and a Restauractur, the whole on the Parisian plan, with a quadrangle in the centre. The Green of Colombia col lege is to be improved, and will be rounded by a handsome stone wall and iron railing Sixteen or seventeen elegant dwellings will be built in one neighborhood, and the miserable wood en huts which disfigure certain districts will give place to handsome edi fices. Granite basements are used in some of the buildings. This is a convenient building stone, as it can be suffidens with exposure to the air.
