(" Allah allowed men to hit or beat their wives if they disobey them , but it must not be too hard beat ") (30 of prophet Mohammed sayings)

__ About the author : Dr. Amer Al-Husiny is the first one who was able to collect all prophet Mohammed sayings in one book . It's called (الكامل في السنن) . It contains (60,000) sixty thousands of prophet Mohammed sayings .

He also has , till the time of translating this book , (150) a hundred and fifty other books about prophet Mohammed sayings in many topics .

But all these books in arabic language , so I started to translate some of these books to be available and easy to read for english language readers .

This is the book number (29) , in the author's series books in arabic .

(الكامل في أحاديث أذن النبي في ضرب النساء ولا ترفع عصاك عن أهلك)

_ Notes by the translator :

_ About this form : Imam ... tell in his book ... about (Name) . This (name) is one of prophet Mohammed companions , or one of their students . Those are the very best source to know the real right Islam .

_ When it's mentioned that Imam ... tell in his book ... about comapnion (Name) . It's does not mean that this is the only Imam who tell this saying about this companion , but the author mentions at least one source for the saying .

_ In some sayings you will find (as the previous one) . In the original book of the author , if many companions say the same thing , he repeated the saying every time . But in the translation , I mention the saying one time , then instead of repeating it again and again , I say (as the previous one) .

__ Saying's number may be slightly different between the different editions of the books .

The book's translation

Beginning in name of God and blessing on all his prophets .

In my first book I collected all prophet Mohammed sayings . It contains sixty thousand (60,000) of prophet Mohammed sayings . Then I started to collect his sayings in specific topics to be more easy to reach and read .

In this book , I collect all prophet Mohammed sayings that the husband is allowed to hit or beat his wife is she does not obey him . The book contains (30) sayings .

__ This rule made some people say some things like :

__ Some asked why the women are considered as prisoners . What is the high virtues that God gave to men to make the women prisoners under them .

__ Some talked about the rule of allowing men to beat their wives if they do not obey them . The wife in Islam must obey any order that her husband gives her . But the vice versa is not allowed . They asked , are men have higher virtues and brains so they have these rules for them ? Or just being a male is an enough for being above the women .

__ Some talked about that if the wife wants to complain of her husband , she should go to her family and his family . So , why it's not the same for the husband . Why giving the stick to men to beat their wives if they do not obey them . Why just been created as a male is an enough excuse and justification to beat his wife .

__ So , there might be more research to find ways that bring peace upon all people . And the book is only for collecting prophet Mohammed sayings in this rule .
