To Mr. Smith Crowe

Re: Information requested by you from the request for order and process for the production of Kawabe, Masakasu as a witness in behalf of defendant HATA, Shunroku.

It is cited in the request that the facts to be proved by the witness is the policies, utterances, and actions of the defendant Hata during the time in which he is charged by the indictment.

The relevance of the testimony is in its tendency to establish that Kawabe, Masakasu associated with the accused Hata in various capacities at the time charged in the indictment, is in its tendency to establish that the accused took no part in any of the conspiracies charged to him and was not in any wise connected with the planning, initiating or waging of wars of aggression.

Memorandum to: Mr. Crowe ✓

From: Mr. Edward P. Monaghan

Date: 29 April 1947

Lt. Gen. Matsui, Takuro

a. He was in Nanking at the end of the war and it is believed he is still there, a prisoner of war of the Chinese.

Lt. Gen. Sawada, Shigeru

a. The witness is either in Shanghai or Nanking, having already been tried by the Chinese there.

Lt. Gen. Kawabe, Shozo

a. The witness is now in Sugamo Prison, Tokyo, Japan, a prisoner of the Allies.

Lt. Gen. Harada, Kuniakichi

a. The witness is now in Java or Singapore, having been sent there from Tokyo by the Allies.

Gen. Okamura, Neiji

a. The witness is now in Peking, a prisoner of war of the Chinese.

The facts to be proved by these witnesses are the policies, utterances and actions of the accused HATA during the time in which he is charged by the indictment.

The relevance of the testimony of these witnesses, all of whom were associated with the accused HATA in various capacities at time charged in the indictment, is in its tendency to establish that the accused HATA took no part in any of the conspiracies charged to him, and was not in any wise connected with the planning, initiating or waging of wars of aggression.
