of hits. For all targets give location and effect of hits, and identify by numbers above. Use additional sheets if necessary).

Morning search planes 21 and 24 V311 strafed a 40'foot boat with its bow on the beach near the elbow pier on the lagoon side of Wotje Island. The boat was of the type which normally has an engine amidships but this one had none. Numerous hits were scored in the strafing runs in which 2000 rounds of ammunition were expended. The boat was left seriously damaged although it did not catch fire nor was the stern observed to settle in the water.

Morning search planes (21 and 24V311) strafed a 40° boat of the whaleboat type which was found with its bow on the beach south of the elbow pier on Wotje Island. Three runs were made parallel to the beach, coming from north to south. Bullets were seen to enter the craft, but it did not catch fire. It is considered to have been seriously damaged.

The pilots participating in this search were:

2dLt. F. R. Syoboda USMCR

### AIRCRAFT ACTION REPORT

RESTRICTED (Reclassify when filled out)

XIII. MATERIAL DATA. (Comment freely on performance or suitability, following check list at left.

In all respects all material functioned satisfactorily.
