STEINWAY THE INSTRUMENT OF THE IMMORTALS

HENRY STEINWAY
making his first piano

The maintenance of uniform perfection is the greatest achievement of the Steinway art. In addition to the concert grand there is the upright, the miniature grand, baby grand, parlor grand and other styles and sizes. Each of these presents a separate problem in piano manufacture. Each calls for a separate adjustment of creative effort and structural requirements. And, yet in every Steinway, no matter what the style or size, regardless of mechanical limitations, reposes the inimitable evidence of Steinway manufacture—the quality, which as Ernest Hutcheson has said, “converts a machine into a soul.”

Any new Steinway piano may be purchased with a cash deposit of 10%, with the balance extended over a period of two years. Used pianos accepted in partial exchange.

Prices: \$875 and up

NATIONAL ACADEMY OF DESIGN

THE FOUNDERS

On the 8th of November, 1825, a number of young Artists and Students established the New York Drawing Association; and soon after, on the 19th of January, 1826, they resolved themselves into a new organization, to be known as the National Academy of the Arts of Design. They thereupon chose from their number fifteen artists, who were directed to choose fifteen others, the thirty thus selected to constitute the new society. Of this body of Founders of the National Academy of Design whose names are here recorded, the last survivor, Thomas S. Cummings, N.A., who was for many years the Treasurer, and at one time the Vice-President of the Academy, died September 25, 1894.

*The Painter's Art
Starts in a Test Tube*

HIS genius, no matter how great, must express itself in chemicals; in pigments, oils and varnishes.

And the endurance of his work depends largely on the purity of those chemicals, and how skillfully they have been compounded.

Devoe Artists' Oil Colors are made with scientific accuracy. Only ingredients of absolute purity are used.

The skill and care employed in their manufacture is vouchsafed for by Devoe's 169 years' experience in the manufacture of quality paint products.
