6. Supply. The supply system during the month of November operated with no significant problems. However, WD 40 is desperately needed. All companies were rehabed in position or at THON SON LAM. Class IV supplies have been no problem during the month.

7. Motor Transport During the month of November truck support was not adequate to fulfill the Battalion's resupply, personnel movement and normal house keeping requirements continued breakdown of vehicles during assignments deprived the battalion of transportation in some cases for the entire day.

Civic Action On 21 November 1968 when the Battalion began operating with the 2nd ARVN Regiment we also emphasized the pacification program by conducting Med-Cap's whenever and where ever possible in cooperation/coordination with the 2nd ARVN Regiment. Soap and candy were distributed at every Med-Cap and a dentist was added to our medical staff. One incident occurred during the month with a Vietnamese boy being accidentally wounded by a rifle bullet. The boy was not seriously injured and after investigation the matter was settled so that relations remained excellent. Treatment of Vietnamese went as follows:

10. Intelligence During the month of November 1/3 operated in its assigned AO, and made several significant findings of intelligence value.

From the 1st to the 10th of the month enemy activities in the AO were light. D-1/3 had one incident of a line probe with mortar support at KHE GIO BRIDGE (YD 025546) in the early morning of 1 November. This area was searched thoroughly and indications were found that the enemy had been in the area, but nothing else was found.

From the 10th to the 14th enemy activities increased in the AO. Co B 1/3 on LZ MAC (YD 967617) received intermittent sniper fire from vicinity (YD-973615), 60mm mortar and 82mm mortar rounds from vicinity (YD 976616) and a line probe during this period of time. This indicated that the enemy was definitely operating in the MUTTER'S RIDGE area.

On the 14th of the month Co A/1/3 made contact with an estimated platoon of NVA on Hill 461 vicinity (YD 946624). The enemy was securely in position on the hill. Results of the encounter were 5 NVA KIA, 1 AK-47, 24 82mm mortar rounds, numerous ChiCom grenades, and one directional mine. (See accompanying recap).

From the 15th to the 20th enemy activities were reduced slightly, but enemy findings were increased in 1/3's AO. Co C operating from Hill 461 vicinity (YD 930620) made findings of 75-82mm mortar rounds, numerous small arms rounds and 2 fresh graves vicinity (YD 930620). Co C took 30-60mm mortar and 82mm mortar rounds vicinity (YD 930627). The enemy was observed by an AC and air strikes were utilized resulting in 4 NVA KIA and 1 USMC KIA.

During this same period of time Co A operating from LZ MAC made findings of 25-82mm mortar rounds, 3 RPG rounds, miscellaneous small arms, and bunkers vicinity (YD 956600). Co D at CAMP CARROLL and KHE GIO BRIDGE made findings of mines and observed an ambush along Route #9. They took 1 detainee during this time.

From the 21st to the end of the month 1/3 conducted cordon operations in the vicinity of Route #1, North of DONG HA. 100 V.C. suspects and 44 draft dodgers/deserters have been detained they were being screened by the ARVN's. Recon teams attached to 1/3 during the cordon operations made several findings to the west of Route #1, FSA vicinity (YD 200714) and bunkers, vicinity (YD 200721). They also made
