Name of Applicant: Kazuhide Inuzuka

Sept. 16, 1948

TO : Lt. Col. D.C. Hester,
Commanding officer, Chiba Mil. Gov't. Team.

FROM : Tamenosuke Kawaguchi, Chiba Prefectural Governor.

SUBJ : On application for the permission of the production of fireworks and common powder manufactures for plaything for 1948 (January---December)

As to the production of fireworks for appreciation and of common gun-powder manufactures for plaything in our country, permission was already given from the GHQ that downwards of 10 grams tons of black gun-powder might be used for them. Of late the Director of the Chemical Bureau, Commerce-Industry Ministry, has notified of this matter as the annexed hitherto that the applicants should form a connection with the M G T and get the permission.
I hope you will permit their application after a special consideration.

30 JUL 1948

SUBJECT: Manufacture and Use of Fireworks and Pyrotechnics

TO : Commanding Officer
Tokyo Military Government Team,
APO 181

1. Previous instructions prohibiting the manufacture of fireworks are rescinded. Manufacture of fireworks and party devices is authorized in accordance with Memorandum for the Japanese Government from General Headquarters, Supreme Commander for the Allied Powers, AG 471.86 (29 Dec 47)ESS/IN, SCAPIN 1836, subject: "Manufacture of Industrial Explosives and Accessories, dated 29 December 1947. This memorandum authorizes utilization of a maximum of 10 tons of black powder in the manufacture of industrial explosives and accessories.

2. Attached is a list of plants in your zone of responsibility authorized to manufacture fireworks and pyrotechnics. No limit is placed on the amount of fireworks and pyrotechnics to be manufactured by each plant. The Economic and Scientific Section, General Headquarters, Supreme Commander for the Allied Powers, will maintain coordination with the Japanese Ministry of Commerce and Industry to insure that not more than 10 tons of black power, or its equivalent in raw materials, is consumed in the manufacture of fireworks and pyrotechnics.
