Koishikawa.

May 14th 1904.

Dear Prof. Koizumi:-

I should be very much pleased
if you could favor me with your company
at supper on Wednesday next, the 18th instant,
5 o'clock. The party will consist of some
members of the faculty of the department
of Literature (Waseda University).

Hoping that you are not engaged
on the same evening.

Very truly Yours.

Sanae Takata.
