Dear Sirs,

M. The Society's Surveyors at Genoa have forwarded to this Office a letter and sketches sent to them by your Superintendent, Mr. James Stewart, in regard to proposed alterations to your steamer "GERTY", and with regard thereto I have pleasure in stating that the proposal to plate the opening in the shade deck sides for about two-thirds of its length will be approved, provided the work be carried out to the entire satisfaction of the Society's Surveyors.

I am, Dear Sirs,

Yours faithfully,

Secretary.
