### SPECIAL GROWERS' COLLECTION

In order to introduce the following new top notch glads that are the very cream of glad-dom, to the florists and growers of the country, I am offering the following collection of bulbs, in size from 1 inch up—mostly up—for \$10.00 each. They are worth \$15.00 or more at wholesale in quantity. Only one collection to a customer. I am offering these at this very low price only to introduce them as I am sure that after seeing them bloom you and your customers will want more next year.

The collection contains one bulb each of Cardinal Prince, Copper Bronze, Emile Aubrun, Gold Eagle, Gloriana, Golden Dream, Golden Frills, Helen Phipps, Marnia, Minuet, Mrs. Hornberger, Mrs. P. W. Sisson, Pfitzer's Triumph and Rita Beck. You will not get another such offer this year so you had better speak quick. When I am cleaned out of any of these varieties, as I certainly shall be before the end of the season, the offer will be withdrawn. So send your \$10 now.
