## CLEAN-UP DAYS

MAY 8, 9, 10 and 11

**SEE SPECIAL NOTICE IN CIVIC ASSOCIATION REPORT**

### CIVIC ASSOCIATION ELECTION—CLEAN-UP WEEK

The Narberth Civic Association Met Last Thursday Evening and Elected the Following Officers and Directors

President—Joseph H. Nash.  
Vice-presidents—A. C. Shand, James Artman, A. J. Loos.  
Secretary-Treasurer—Geo. M. Colesworthy.

Directors—W. Arthur Cole, Mrs. C. P. Fowler, Henry C. Gara, W. R. D. Hall, George M. Henry, H. R. Hillegas, Charles E. Humphreys, Daniel Leitch, E. A. Muschamp, Mrs. A. Perry Redifer, Mrs. A. B. Ross, Fletcher W. Stites, Walton M. Wentz, A. E. Wohler, Mrs. Charles W. Young.

A resolution was adopted, fixing on May 8 to May 11 inclusive, as "clean-up" days, to correspond with the date fixed by other Main Line communities. Mr. Walton M. Wentz has offered the use of the borough team for these four days, and the town has been distributed as follows:

Wednesday, May 8, the south side.  
Thursday, May 9, north side, all east of the east side of Narberth avenue inclusive.

Friday and Saturday, May 10 and 11, north side, all west of the west side of Narberth avenue inclusive.

#### Important Clean-up Notice

To make the clean-up effective, the active and intelligent co-operation of all residents is imperatively necessary.

All rubbish must be placed in convenient receptacles at the front of the residences. The collectors will not go into cellars nor other inaccessible places after the rubbish. Remember, there will be only one team, and there will not be time to waste in helping get the stuff together. To insure its being collected, have it on the pavement early on the days designated for the district.

An interesting questionnaire was read, prepared by the Butterick Publishing Company, New York, on community activities. The questions were answered and the Civic Association will get the benefit of reports from nearly 7000 towns on various plans for improving community life.

After the routine business had been disposed of, the president-elect, Mr. Joseph H. Nash took the chair. He announced that various committees would be appointed and reported at a meeting to be held on Friday evening, May 17, at the Y. M. C. A. All the new officers and directors are expected to attend, and as many other members of the association as can come. It is hoped that this will be a banner year for the Civic Association. Meetings will doubtless be held regularly each month.

### Change of Office Hours Y. M. C. A. Directors Meet

The Main Line Federation of Churches desires to announce that beginning this week the acting secretary, Mrs. Cloud, will be in her office at the Y. M. C. A. Building on Thursday afternoons from 3 to 4. Her purpose is to help in all ways possible those who are in need of advice or financial aid.

The Federation is the clearing house for charity and reconstruction work. Although fostered by the churches the association does not narrow its field to church work or church members. It is unique in its broad field of activity.

Any person knowing of a family in which there is prolonged sickness or any other distressing factor which may render deserving people helpless will confer a favor upon the association by notifying them.

Watch for the article in Our Town from time to time. Read "How Old is Your Brain."

A number of our Narberth boys have arrived safely on the other side. Among these are George Smith, William Durbin and Robert Towne.

The regular monthly meeting of the Board of Directors of the Narberth Y. M. C. A. was held May 6, 1918, with President Charles E. Kreamer in the chair and a large attendance of members.

Numerous matters of importance were discussed, and Mr. Bowen, according to the monthly report submitted, is accomplishing good results in the work here.

A Girl Scout Troop recently organized has been accorded the privileges of the building and gymnasium; subject, of course, to the usual gymnasium rules. This is another organization to be added to the many now meeting within the building and we wish them success in their endeavors.

Members of the association now in the service of their country will have their dues remitted during their term of service, also be accorded the privileges of the game room without charge during this period.

It is with regret the board finds it necessary to announce the resignation of two active workers at this time. Mr. Frank E. Northine has found it necessary to give up the work here as a director because of his intention to leave Narberth in the near future and will not be able to continue his efforts in our behalf.

Mr. David D. Stickney, our worthy treasurer, had found it necessary to present his resignation for the same reason. Mr. Stickney has been a faithful and untiring worker in behalf of this association and it is with much regret that it becomes necessary to lose the services of these two gentlemen.

Upon accepting these resignations the board proceeded to the election of a new treasurer to succeed Mr. Stickney, resigned, and Mr. Daniel Leitch was unanimously elected to fill the vacancy.

### A CALL TO PRAYER

Church Bell to Ring at Noon

In accordance with the custom inaugurated in many communities it has been decided to call the people of Narberth to prayer by the ringing of the bell of the Presbyterian Church each day at noon. Wherever you may be at that time, you are requested to pause, if but for a moment, and offer up a petition to Almighty God for His blessing upon our nation in this hour of peril, and for a speedy return of a permanent and righteous peace. This call is for all people who pray and believe in the power of prayer.

### WOMEN'S LIBERTY LOAN COMMITTEE

#### MAKES A RECORD DRIVE

The most favorable comments have been heard for the magnificent work done by the women's local committee under the direction of Mrs. C. P. Fowler.

From the very inception of this patriotic work all the women representatives of the various women's organizations manifested the most energetic and intelligent co-operation which is so essential to the success of such an undertaking.

The splendid spirit apparent from the very start stood the women well in hand on Thursday evening, April 11, when word came about 5 o'clock that a Canadian officer had definitely been procured to speak at the mass meeting scheduled for the above date. Every effort was made to get in touch with the public so that they might know that in spite of the inclement weather the meeting would be held as arranged. Placards were hastily made and placed in shop windows, announcements were made wherever possible and boys were stationed at the railroad station with megaphones to catch the attention of the homecoming residents with results exceeding the most sanguine expectation of the women's committee.

Those present acclaimed it one of the best meetings of its kind ever held in Narberth. Judge Moore, of Bryn Mawr, also spoke on this occasion.

Their further untiring efforts were demonstrated by the splendid parade which was held prior to our flag raising on Monday evening, April 29.

and which culminated in a partiotic rally with tangible results in the form of subscriptions amounting to \$60,000.

Not one of the least striking features of the parade was the ten marines, each carrying a flag of the Allied nations, headed by Mr. Newton Compton, one of our local boys in uniform, carrying the stars and stripes. Other units of the parade were the Boy Scouts, Goddesses of Liberty, Women's Liberty Loan Committee, a unit of the Women's Land Army, Red Cross, Girls' Patriotic League, school children, and finally the Home Guards.

At the conclusion of the outdoor program an entertainment primarily arranged for the visiting marines in the form of a musical and dance was held in Elm Hall, and much enjoyed by all. It seems hardly necessary to state that no account of this Third Liberty Loan drive can be considered complete which fails to express appreciation of the praiseworthy work done by the representatives of the various local women's organizations, which embraced Women's Community Club, Ladies' Auxiliary, Ladies' Aid of the Presbyterian Church, Ladies' Aid of the Methodist Church, Ladies' Aid of the Baptist Church, Narberth Branch of the Suffrage Association, Westminster Circle, Ladies of St. Margaret's Church, Fortnightly Club, Kings Daughters, Needlework Guild.

The Women's Committee also wish to take this opportunity to record their high esteem for the unflinching operation tendered them by the Men's raising on Monday evening, April 29.

### THE WAR CHEST CAMPAIGN

For the Counties of Philadelphia, Montgomery, Delaware, Chester and Bucks of Last Week

On Wednesday evening Mr. Percival Roberts gave a dinner at the Plymouth Club that was attended by upwards of one hundred prominent men of Montgomery county. The guests from Narberth were Messrs. Gara, Shand, Loos and Stites. At this dinner Mr. E. T. Stotesbury, president; Mr. Horatio G. Lloyd, chairman of the Executive Committee, and Directors A. E. Berry and L. Leo Hunt, of the War Welfare Council of Philadelphia and vicinity, explained the objects of the War Chest organization of the five counties named above.

The following questions and answers briefly summarize the purposes and advantages of the War Chest and War Welfare Council:

What is a War Chest?  
A community fund—in this case a Five Counties fund—providing money for approved war relief.

For how long?  
For one year—it is expected. You give once to the War Chest, and you are probably through for that year.

What area will the War Chest represent?

Five counties: Philadelphia, Montgomery, Delaware, Chester and Bucks. What is its advantage?

It takes the place of constant money-raising "drives" and "campaigns" for war relief purposes, they are concentrated in one War Chest campaign.

Will it include "Liberty Loan" and "War Saving Stamp" and "Thrift Stamp" campaigns?

No. Those are investments, not gifts for war relief.

But other than those, will there be no "drives" for war relief contributions?

No. The War Chest will take their place.

What other advantages has it?  
It saves you from constant calls; it protects you from possible unworthy war relief schemes; it insures your money going where it is most needed for war relief.

Then it is like my bank account upon which I draw when I want money?

Exactly. The war relief organizations draw upon the War Chest. When an approved war relief activity is in need of funds it does not conduct a "drive" or "campaign" as now: it will apply to the War Chest.

What activities, for example, will be entitled to share in the War Chest?

Such war activities as are endorsed by the President of the United States, the Secretary of War, the Secretary of the Navy or are approved by the Board of Directors of the War Welfare Council. These activities include among others:

The American Red Cross.  
The Y. M. C. A. War Work Council.  
The Young Women's Christian Association.  
The Knights of Columbus.  
The Young Men's Hebrew Association.  
The Commission on Training Camp Activities of the War and Navy Departments.  
The Salvation Army.  
National Jewish War Relief.  
The Boy Scouts of America.  
The Community Recreation Service, together with similar national and local approved war relief activities. (Continued on Fourth Page)

### EDITORIAL

The stars on Narberth's honor flag look proudly down.  
Beaming approval on our ever loyal town.

The Third Liberty Loan Campaign, just concluded, is merely a preliminary skirmish. Already notice has been given that fifteen billions more must be invested by loyal Americans to complete the necessary job of effectually suppressing the rampant Hun and convincing them of the error of their ways. We must never lose sight of the fact that it is an investment, and one of the best we will ever have an opportunity of making. It not only pays good returns and interest, but safeguards all the rest of our possessions and helps make the world a decent place in which to live.

The real measure of our loyalty to the boys who are doing the fighting will be the liberality with which we contribute to the War Chest. The money realized by the Government from bond sales must be used for transportation, equipment and supplies. There will be none from that source for the comforts and attentions that can only be supplied by the Red Cross, Y. M. C. A., Salvation Army, Knights of Columbus, Hebrew Association, Boy Scouts and half a dozen other organizations. It is these organizations that keep up the morale of the soldiers and sailors, constantly reminding them that we at home are thinking of them and working for them day and night. Pour the dollars into the War Chest with unstinted hand.

### CULTIVATION OF STAPLE FOOD CROPS COMPULSORY IN ITALY

The Italian minister of agriculture has decided to make obligatory the cultivation of certain staple food crops in excess of the quantity formerly grown.

During the spring the cultivation of potatoes, corn, and vegetables will be

increased at the expense of such crops as mint, clover and forage. A certain portion of the land must be held for autumn sowing.

### NOTICE—HOUSE CLEANERS!

The King's Daughters will hold a rummage sale May 28. Any contributions will be most acceptable. Kindly notify Mrs. N. E. Smedley and they will be called for immediately.

### OUR MONEY NOT WASTED

All the money being expended for war purposes is not going to be a waste. Some of it is going to be shot away; some of it is going to be sunk at sea; some of it is going to be invested in machinery that will be useless in time of peace.

But a very great portion of it is being spent for things that will be as valuable when peace comes as now, though not so imperatively needed then—ships for instance. And as for the immense amount spent for adapting our manufacturing plants for war purposes, it is estimated that 90 per cent of our war machinery can and will be used for other manufacturing work after the war.

The invisible and intangible forces, the moral forces of the world, the soul and conscience of mankind are fighting on our side.

### MORE THAN 102,000 BOYS ENROLLED FOR FARM SERVICE IN SIX MONTHS

The enrolment of more than 102,000 boys between 16 and 21 years of age for farm work this season in the boys' working reserve in the United States Employment service has been made by six States, according to an announcement of the Department of Labor. The States first reporting were California, 22,000; Indiana, 18,845; Illinois, 25,000; Ohio, 18,000; Tennessee, 44,200; Wisconsin, 14,000.

In Rhode Island high school boys are being enrolled in the reserve trained in handling farm machinery and sent in groups by automobiles to farmers to demonstrate their ability.

Men's colleges and universities are making prompt response to the request of Secretary of Labor Wilson that their students be enrolled in the Public Reserve and placed on farms this summer to assist in food production. They will be placed with farmers through the United States Employment Service, with the aid of the county agents of the Department of Agriculture.

### CIGARETTES IN THE TRENCHES

We have received a communication from a gentleman whom we respect very highly, which we cannot endorse for publication in Our Town. It is a protest against supplying our boys in the trenches with cigarettes. There is a State law against the sale of cigarettes to minors, which we will be glad to assist the authorities in enforcing. Depriving men "over there" of cigarettes is a very different matter.

Everybody is aware of the terrible strain under which soldiers and sailors exist at the front and at sea. The terrific concussion of never ceasing gun fire, the horrible sight of wounded and dying comrades, the blood, mud and filth amid which they exist, with every nerve and muscle strained to the breaking point, demand a sedative of some kind. It is the universal testimony of the men themselves, and of the many observers who have been there, that the "fags" or cigarettes are invaluable in giving this "first aid" under such conditions. Many a poor lad, frightfully wounded and unable to suppress his groans of pain, has begged for this relief and quieted down when received.

Workers at the front have sent out urgent appeals for tobacco, and especially for cigarettes. They know the conditions. Far be it from us to deprive the boys of anything that would alleviate their sufferings in the slightest degree. We doubt whether there are half a dozen men in Narberth who would endorse our mistaken friend's appeal.

The Editors.

To the Editor of Our Town:

To say that I am proud of Narberth is putting it mildly. It is fine to have lived there and to have had a small part in boosting "The Year Round Home Town." How splendid it is, my friends, to see that flag on the tennis field. As I passed the other day and saw it from the train I felt like saying, hurrah! You who live in Narberth will surely carry your heads

higher than ever. I always did have faith in the town, and how well she has rewarded me. Long may it live!  
E. H. Blackall.

The following is a copy of a letter from George B. Sheldon, one of the Narberth boys who went into the service. Should anyone like to write to him his address is "U. S. Marine Corps, Fifth Regiment Supply Company, American Expeditionary Forces, France, via New York.

The box he referred to in his letter was mailed here on November 30, 1917, from members of the church. On Active Service With the American Expeditionary Force, Any Old Place in France,  
March 31, 1918.

Dear Friends of the Baptist Church of the Evangel:

Received package today. I am at loss for words to express my appreciation. It contained everything which one can not obtain here.

Five of us are billeted in a large room in a French house. There was plenty of candy and cake for all, and I will have enough tobacco to last for months.

We have been stationed in the town all winter, and we are preparing to leave in a few days, to where I do not know, but I hope it is to the front. The French people with whom we live are giving us a farewell supper tonight and as you know the French excel in culinary efficiency. We find these people very courteous, they fully appreciate the fact that any American success is their success, and leave nothing undone to prove it. I have seen much of Northern France, enjoyed most of the pleasures such as Liberty to Paris, good health and best of all we have a Y. M. C. A. where we hold Sunday school and other religious and social gatherings. Of course, we have experienced a few hardships such a cold, rainy and muddy conditions under which we drilled and worked. I often thank God for the spiritual inspiration I received in the church, the Sunday school and at the young people's meetings. It helps now, when such things count so much. Should I never return to thank you personally, we will meet in that great beyond, where all deeds of kindness are rewarded according to God's great plan.

Must close. I would sure appreciate a letter from anyone.

Very sincerely,  
George B. Sheldon.

## Cub Writes Concerning Various Local Topics

To the Editor of Our Town:

I've been thinkin' it'd be a good idea to keep copies of some of the current newspapers, especially those which tell of very important doings on European battlefields, also copies of pictorial papers showing our boys in camp, on ships, in Europe, etc. These ought to be very interesting in years to come. Children of the present day do not realize the importance of the history that is being made during their young lives, but later on they will appreciate that they have lived during the most wonderful period of the world's history. There will be books published after the war, of course, but I doubt whether they will have the same interest as the pictures and newspapers which were issued while the great struggle was actually on.

The third Liberty Loan now has gone over the top and there will be no further use for the buttons which have been pinned to our coat lapels. This gives occasion for another of those unusually bright ideas of mine and that is that we save those buttons as mementoes of the great war, to hand down to our descendants. I can just imagine about fifty years hence when my great grandson is showing my Liberty Loan button to a friend and saying: "This button shows that my great grandfather was in a large measure responsible for winning the war when the U. S. A. went to the rescue of the Allies, who were almost beaten, and brought home the bacon by smashing the Kaiser to bits."

(Of course, I mustn't let the story go thundering down the pages of history that I only paid \$50 for the bond, a dollar down a week.)

Then the friend will be shown my photo in the old family album and I can hear him say: "How brave and how handsome!"

After coughing up 45,000 cold bones for Liberty Bonds like the good patriot and sport that he is, it's tough to be accused of raising the rents so that his tenants will have to make the real sacrifice, while you get all the credit. I am referring to William T. Tell him not to mind these dreadful slanders against his fair name, as long as he gets his 4 1-4 per cent.

Now if Congressman Watson's gang will only add to its other trifling indictments of Fletcher that the latter hired and instructed the gunmen in the Fifth ward matter, the evidence will be complete and the case go to the jury.

Don't get the idea that the extraordinary increase in the number of soft collars which are now being worn is due to a desire on the part of our citizens for greater comfort. It may look that way, but the real reason is that our Chinese laundryman moved to parts unknown and failed to leave his address or the community's stiff collars behind.

Everybody hasn't heard this one. It comes from our old friend, Cattell. "Why is a slacker like a piece of custard pie? Because he's yellow all through and hasn't crust enough to go over the top."

For the enlightenment of those who are curious to know what those things are in Bert Simpson's backyard—those white strips fluttering on a string, looking like the doll's wash hung out to dry—I beg leave to advise that they are scare-sparrows. Bert isn't taking any chances after last year's experience when he spent \$10 for seeds and got about 10 cents worth of truck in return. He's discontinued the selling of sod, as he didn't find it profitable last year. He used a micrometer in laying out his present garden and has great hopes for this season's crops. Far be it from me to throw any cold water on his attempts to increase the food supply, but I can see tennis balls dropping all around his garden and the athletes in white pants tramping on his beans, etc., before long.

Walter Odiorne was out in a great big touring car last Sunday. Do you remember how he left his Ford standing out in the cold a few weeks ago, walked home in a fit of absent-mindedness and forgot all about it? Well, I've been awfully uneasy ever since Sunday because when a man is affected like that, there's no telling what he'll do. Now, just for instance, supposing, as it were, he had one of those fits come over him and while in that condition he picked up a \$5000 car and drove it home—and this town full of automobile insurance men, all of them amateur sleuths—mercy, how could Walt explain things?

"Cub."

## THE NARBERTH WAR CHEST ORGANIZATION

At the meeting held after the dinner recently tendered by Mr. Percival Roberts to representative Montgomery men, Mr. Alexander C. Shand, Sr., was appointed chairman of the Narberth Committee. Mr. Shand has asked the following ladies and gentlemen to serve on the committee: Mrs. C. P. Fowler, president of Women's Community Club; Mrs. David D. Stickney, president of Ladies' Auxiliary Y. M. C. A.; Mrs. Fletcher W. Stites, president of Narberth Red Cross Society; Miss Maizie J. Simpson, Mr. Henry C. Gara, secretary; Mr. Charles V. Noel, treasurer; Mr. Fletcher W. Stites, vice-chairman; Mr. A. J. Loos, vice-chairman.

A meeting of citizens will be held on . . . . . At this meeting, a body of solicitors will be organized, to make a house-to-house canvass of the borough, as has been done in previous campaigns.

The campaign will begin on Monday, May 20, and continue until Monday, May 27, inclusive. The slogan will be "31 to 1," meaning that the boys "over there" give the entire 31 days of a month for our defense, to the one day's earnings per month that we will be asked to give to back them up.

The advantage of boiling down ten campaigns to one, for funds for various causes, appeals to everyone. In addition, regular, systematic giving, in place of the haphazard method previously employed, will yield far better results. Every man, woman and child in Narberth is expected to contribute something to the War Chest. Everybody is asked to give this matter careful and conscientious thought, and to be ready to respond promptly and generously to the solicitors when they call.

## THE TRUTH ABOUT INFAMOUS ATTACKS ON FLETCHER W. STITES

Lies of the Scheidt-Grundy-Money-Beer-Barrel Nailed

The Stites and Ambler Campaign Committee, at Norristown, yesterday issued a statement declaring that its candidates had nothing to do with the Vare faction of the Republican party and characterizing as "pure campaign mendacity" the flood of letters and newspaper advertisements used by the Henry W. Watson Campaign Committee in its effort to defeat Fletcher W. Stites for Congress, Charles A. Ambler for the State Senate and Charles F. Mebus for the Assembly.

The statement follows:  
"During the past few weeks the Watson managers, using the names of prominent men of Bucks and Montgomery counties to help carry the thing through, have been circulating malicious campaign falsehoods.

"These letters have been slinging mud at Fletcher W. Stites, candidate for the Republican nomination for Congress against Mr. Watson. They have stated that he is and has been a tool of the Vare-Smith Contractor Combine in Philadelphia."

"This is absolutely untrue, and the men who are circulating this statement, and a similar one about Charles A. Ambler, know their scurrility to be lies, made up out of the whole cloth and to be without the slightest foundation.

"They have adopted this method in an effort to confuse the voters and draw their attention away from the real issues—the election of legislators and a State Senator who will vote for ratification of the Sheppard national prohibition amendment; the election of a Congressman who will forget party lines when a question involving loyalty to the Government in its task of winning the war is concerned, and the administering of a severe rebuke to Congressman Watson for his votes on war measure and measures of national importance."

In consequence of the campaign of mendacity of the Watson managers, the following letter has been sent to every voter in Montgomery county:

Dear Sir—The Joseph R. Grundy-Adam Scheidt alliance is busy again at its accustomed work of debasing one of the most sacred things you enjoy—your right of franchise. Through use of the names of others and with an unlimited fund of money at its disposal this alliance is flooding the mails with letters and the newspapers with advertisements in the effort to defeat the ratification of the Sheppard national prohibition amendment and to divert your attention from the painful record of Congressman Henry W. Watson, who supported the infamous, pro-German McLemore resolution; voted against the war revenue bill when his Government needed money; to say nothing of his vote against the Sheppard national prohibition amendment when the world needed grain for food.

This is the same Joseph R. Grundy who opposed the passage of the Child Labor and Workmen's Compensation laws and other progressive legislation and who, with Scheidt, demands the right to name all candidates for legislative offices in your county, although Grundy lives in Bristol, Bucks County, Pennsylvania.

This is the same Scheidt whose brewing company was required by the United States Court to pay a large fine for its contribution to the "slush-fund" to debauch elections and has distinguished itself for its activities in connection with the hateful German-American Alliance.

Fletcher W. Stites, a man of clean character and signal ability, is a candidate for Congress in this district.

Charles A. Ambler, a man with a fine public record and a faithful servant of the people, is a candidate for the State Senate.

Captain Henry H. Fetterolf, a resident of Collegeville, a Civil War veteran and a farmer, who is held in high regard throughout the Third Legislative district, is a candidate for the Assembly.

Against these men a campaign of vilification is being waged based upon the far-fetched alleged connection with certain miserable factional quarrels within the city of Philadelphia. None of these candidates is in any way even remotely connected with this mess, and we believe that the good Republicans of Montgomery County care not a whit whether Vare chokes Penrose or Penrose throttles Vare.

But you are interested in naming

your own candidate for office in this county and district. The question before you is not "contractor rule," but whether you propose to select your own candidates or have it done for you by Grundy and Scheidt.

It takes about \$1200 to send one letter to each Republican in our district, and not having the Grundy-Scheidt campaign money-barrel at our disposal we cannot deluge you with letters. But even if we could we would hesitate to do so, although our purpose is to back up the Government by the ratification of the Sheppard National Prohibition Amendment. We feel that this large sum of money might well be used for some more patriotic purpose. What do you think of the Scheidt-Grundy money-barrel being used in an effort to nominate candidates who are not pledged to back up the Government by the ratification of the Sheppard National Prohibition Amendment?

The Grundy-Scheidt letters say nothing of the real issues.

Very truly yours,  
Stites and Ambler Campaign Committee.

## THE FIRESIDE

(Continued from First Page)

ter Florence have returned to their home on Wynnewood avenue, after spending the winter in the city.

Mr. and Mrs. Edgar Taylor, Chestnut avenue, entertained on Sunday Dr. and Mrs. C. F. Taylor, of Philadelphia, and Mrs. Ohr, of Indiana.

Mr. Laurence R. Dougherty, brother of Mrs. C. T. Moore, has been visiting with his wife and son, at the home of Mr. and Mrs. C. T. Moore, of Merion avenue.

The Thrift Stamp and War Stamp drive begins May 12. Decide how many War Stamps you will pledge to buy per week, or month, then sign up when the committee calls.

On Thursday, Mr. S. Townsend Zook, of 112 Elmwood avenue, met with a serious accident while playing golf. He was hit in the head by a golf stick in the hands of another person.

Have you been up to the school to see what the boys and girls are doing to help win this war? Why not visit the first grade knitting class at 3 o'clock on Wednesday afternoon?

Don't forget the big event in the school on May 10 and 11. All pupils from the little tots to the high school will have some part in the circus. Proceeds for the gymnasium equipment and Red Cross.

The Women's Committee of Narberth, of the Third Liberty Loan, did splendid work throughout the drive and it was largely due to their efforts that the parade and flag raising was such a splendid success.

How about that unfortunate family you heard of the other day? Have you informed the Main Line Federation of Churches? Phone, Bryn Mawr 151-J, or see Mrs. Cloud Thursday afternoons from 3 to 4 at the Y. M. C. A.

On Saturday night a varmint of some kind killed eleven young chicks in the chicken house of Mrs. E. S. Haws. The animal gained entrance through a small hole. The chicks had been bitten at the throat and piled in a corner of the pen.

Mrs. Clement Booth entertained at luncheon last Monday in honor of her son, Russell Lyon Booth, the occasion being his sixth birthday. The following were present: Miss Jane Nash, Miss Barbara Booth, Master Stanton Nickerson and Master Philip Nickerson.

May Day brought tokens of respect and love to the directors and faculty of the Narberth School. Every director found a May basket before his place at the dinner table and the teachers' baskets adorning their desks. Not all boys or girls are as thoughtful as they sometimes seem.

The International Shipbuilding Cor-

poration, Washington, D. C., want to find places for their clerical force to room or board in and around Philadelphia. If anyone in Narberth can furnish accommodations Mr. W. C. Poor, 108 Forest avenue, will gladly put them in touch with the parties interested.

An interesting recital was given recently in the auditorium of the Combs Conservatory of Music, Philadelphia, in which Miss Ethel Ridge appeared with conspicuous success. Miss Ridge's rendition of Combs' "Norwegian Dance" was all that could be desired and confirms the belief of her friends and admirers that she is destined to a successful career.

Healthy membership growth is in order at our Y. M. C. A. Twenty-two added last month makes the total 267. Constant gradual increase is more a sign of good health than hurried membership campaigns. The order of the day for members should be to respond promptly when a renewal notice is received and ask your nearest neighbor to join. Persistence wins!

A great pleasure has been derived by the children of the Main Line on Saturday afternoons by those who have attended the special juvenile photoplays at the Palace Theatre, Ardmore. Such plays as "Cinderella," "The Prince and the Pauper," "Alice in Wonderland," "Snow White" and many others are shown, including Charlie Chaplin or Mutt and Jeff or a carefully selected comedy with the feature play. At 3 o'clock on Saturday afternoon many little hearts are made happy.

## SUFFRAGE NEWS

The May meeting of the Narberth Branch of the Woman Suffrage party will be held at the home of Mrs. Charles Walter Young, Righter's Mill road, on Friday afternoon, at 3 o'clock. Mrs. George H. Wobensmith, leader of the Twenty-third district, will speak at the meeting. You are cordially invited to be present.

### Fete for Overseas Hospitals

On May 16 on the estate of Mrs. Charles A. Munn, at Radnor, will be the "Fete au profit des Hospitaux d'Outremer." It is under the auspices of the Pennsylvania Woman Suffrage Association to raise money for the hospitals which the National Woman Suffrage Association is supporting in France. These hospitals, staffed entirely by women, have rendered wonderfully by service in the battle-torn regions. One section was caught in the German drive in Picardy and is now working in the battle region; another section is working in the south of France.

Dr. Laura E. Hunt and Dr. Marie K. Formad are two Philadelphia physicians with the unit. While these women are ministering abroad to the wounded, this affair will afford opportunity for the women at home to show what they can do.

Mrs. Borden Harriman and Mrs. Herbert Hoover will speak at the fete. There is to be a war supper, a fire hospital ambulance demonstration, a tractor plow run by women, a children's cotillion and dancing for the grownups.

No farmer can plough a field by turning it over in his mind.

## THE WAR CHEST CAMPAIGN

(Continued from First Page)

Will this not require careful decision?

It certainly will. Each war relief activity will be carefully investigated before any money is given from the War Chest.

Regardless of race, creed or color? Absolutely. The only point recognized will be the worthiness of the object and its application to war relief.

Who decides on this?

The Board of Directors of the War Welfare Council.

Who comprises this board?

The officers are: E. T. Stotesbury, president; Joseph R. Grundy, vice-president, Bucks county; H. A. Beale, Jr., vice-president, Delaware county; Pervical Roberts, Jr., vice-president, Montgomery county; William C. Sproul, vice-president, Chester county; Drexel and Company, treasurer.

What is the War Welfare Council?

An organization for which a charter has been applied under the laws of the Commonwealth of Pennsylvania.

Who are the members of the Council?

Every contributor to the War Chest. Each member will be entitled to one vote at all meetings of the Council.

How can I contribute to the War Chest?

By giving a definite sum each month for one year.

How much should I give?

All you possibly can. Give until it hurts.

Why should I give?

Because our boys are giving their lives for you.

### YOU

You stay at home, have your regular meals; your bed; your pleasures; you keep your position; your loved ones are around you. All that you love you have at your hand.

### HIM

All that the man who goes to fight for you is away from home. He leaves his home, his job, his loved ones. He eats when he can and sleeps where he can; in mud and rain, if need be. And he offers his life.

### COMPARED TO HIM

Your life is safe and pleasant. Isn't the mere giving of money a small thing for you to do, when you think of what he is doing for you? Figure what you give to the War Chest on that basis. He goes; you give.

## RUMMAGE SALE

The semi-annual rummage sale is scheduled for Friday, May 10, on Woodbine avenue.

Anyone having articles for the above sale will kindly phone Mrs. H. S. Bradley, Narberth 1688-J, and they will be called for on or before the date mentioned above.

The Women's Community Club will act as hostesses to the Montgomery County Federation of Women's Club on Thursday, May 23, in the Presbyterian Church.

A card party and dance will be given by the club during the latter part of May. Detailed announcements will be made in the next issue.

### CATHOLIC WOMEN KNITTING

Last Monday evening the members of the Ladies' Benevolent Guild of Our Mother of Good Counsel Church, Bryn Mawr, were requested by their spiritual director, Rev. J. A. Nugent, O. S. A., to speed up their knitting of sweaters, socks and wristlets for the soldier boys, so that a large shipment could be made by June 1. The ladies promised to do all they could and if they worked as they did in the Liberty Loan campaign, the result will be agreeable to all concerned. Heretofore the ladies have been working as individuals, but from now on organized effort will produce good results.

## MAY 12 TO MAY 18 PLEDGE WEEK

Systematic and Thorough Canvass of Narberth to be Made by Liberty Loan Committee, Assisted by Boy Scouts

The period from Sunday, May 12, to Saturday, May 18, inclusive, has been set aside for an intensive campaign to secure "pledges" from as many individuals as possible, indicating how many War Saving Stamps they will buy during the balance of the year. Pledge Cards will be carried by solicitors. This is the plan which has been carried out by several Western States with marked success, and we hope to obtain equally good results. During this "Pledge Week" we expect to awaken tremendous public interest in War Saving Stamps. Solicitors will also carry Order Postcards (W. S. 138).

It is believed that an intensive campaign will be of great aid in securing a great number of "pledges." This campaign will be held by the Liberty Loan Committee, and followed up by the Boy Scouts, who will make collections during the balance of the year.

Narberth has already sold \$13,000, and our quota is \$50,000.

The above department should be of the greatest use to the community, the list contains the name of every professional man, tradesman, mechanic, shopkeeper, etc., who does or can in any way serve his fellow-townsmen, and who is progressive enough to add name to list of Register. As it is difficult for those contributing their time and efforts to the production of "Our Town" to personally either know or interview all such, it would be most helpful if those not now found in the printed list would send in a memo of their names, address, phone numbers and businesses or professions for listing. This will cost as follows: 10 cents each issue for 2 lines; 5 cents for each additional line.
