PRIVATE INSANE HOSPITAL & INFIRMARY.—Dr. HAMMOND

respectfully inform the public that having been advised by some of the most celebrated of the Medical Faculty of this city, to open a private institution for the reception of Insane Patients, at some eligible spot on this island, he has selected a well known, high, airy and universally healthy spot, the HAMILTON SPRINGS PLACE.

It is delightfully situated on the east bank of the Hudson River, eight miles from the city, on the Bloomingdale road—commanding a fine view of the North River, sloping steambots, &c. as they pass and repass. There patients are furnished with every kind of exercise and amusement, such as riding, hunting, fishing, sailing, gardening, warm, cold, shower, fresh and salt water bathing. In consequence of opening this institution, Dr. H. has discontinued his old establishment in Massachusetts; consequently his whole attention is now paid to this. In this Institution, (which is entirely separate from the Insane Hospital,) the following patients are received, viz: those that are laboring under chronic, nervous or cachetic diseases, males or females of intermperate habits, such as are unmanageable by parents or guardians; for patients of the latter description who have neglected their education, a private instructor is provided. Dr. H. is happy to state, from the success he has met with, (both in his old establishment and this) in restoring to health and reason patients of the above descriptions, he is induced to believe that patients are restored in much less time and in a greater degree, in this, than in public Asylums, being well aware that the public have certain prejudices against both public and private hospitals, such as the prostration & keepers of them being harsh, overbearing, tyrannical, and in some instances, cruel to their patients. In order to do away such feelings, so far as respects himself, he begs leave to refer those who may be interested, to the Rev. Samuel Garrison, No. 229, Broadway; Valentine Mott, M. D., professor of Surgery in Rutgers' Medical College, Park Place; W. W. Benney, esq. corner of Cedar and Nassau streets, New York; and in Boston, to the Rev. Howard Malcolm and A. A. Dime, esq.
