

RAJ BHAVAN
TRIVANDRUM

January 27, 1964

I am delighted to witness a performance - a Dance Drama - based on National Integration presented by Prathibha Nrithakala Kendra, Trivandrum, and directed by the famous and distinguished Dancer Chandrasekharan. This play describes the various periods through which we have passed from the Vedic period upto the present day. It is a most thought-provoking play and one who attends this function will feel enthused and inspired and would strengthen his spirit of patriotism and love of sacrifice for his country.

Shri Chandrasekharan and his troupe and the Prathibha Nrithakala Kendra deserve the sympathy of the Government of India and the State Governments and they should encourage this Kendra to display their plays in different parts of the country. I wish Shri Chandrasekharan and his great institution every success.
