**FORMER SOLDIERS
REPAID AMOUNTS**

Ottawa, March 6.—(Canadian Press).—Answering a question in the House yesterday, Hon. Charles Stewart, Minister of the Interior, stated that the following amounts were due to the Dominion in the provinces in

the year 1922 under the Soldiers' Settlement Scheme.

British Columbia, \$449,500; Alberta, \$871,794; Saskatchewan, \$788,790; Manitoba, \$185,080; Ontario, \$232,531; Quebec, \$39,628; Maritime Provinces, \$131,140.

Mr. Stewart said the following amounts had been paid to date: British Columbia, \$294,330; Alberta, \$201,309; Saskatchewan, \$481,628; Manitoba, \$218,008; Ontario, \$188,178; Quebec, \$24,149; Maritime Provinces, \$31,421.

**CENTRAL ONTARIO
POWER INQUIRY**

**Commission Criticizes Manner
in Which Money Was Spent**

Toronto, March 6.—"Unscrubbing" of the central Ontario system of power properties controlled and operated by the Ontario Hydro-Electric Commission, in connection with which the Provincial Government is liable for an outlay of more than \$12,000,000, is recommended in an interim report issued by the Hydro-Electric Inquiry Commission, headed by W. D. Gregory, K.C., which has been investigating the system for some months.

The report states that the price paid by the Provincial Government in 1916, on the recommendation of the Commission, for the various properties of the Electric Power Company will be "rather a matter of bargaining than valuations and inventories." The inquiry commission finds that the province took all the risks in the purchase and the municipalities benefiting took none. In the case of some of the contracts, no sinking fund was established. It is declared that a considerable portion of the \$3,823,185 voted by the Ontario Legislature for the central power system was wrongfully diverted for other purposes and that the commission, in diverting them, was guilty of a breach of faith and showed a flagrant disregard of the law.

The report says it is probable that no member of the commission other than Sir Adam Beck, the chairman, knew of this diversion.

"This was not corruption," says the report, "but an absolute disregard of the authority of Parliament. Steps should be taken to render such diversion impossible in future, it says."

As to the development of further power in Central Ontario, a study should be made of the resources of the French River and the advisability of carrying Niagara power into Central Ontario.

The report is signed by the chairman and all the members of the inquiry commission: Messrs. J. Haney, Lloyd Harris, J. Allan Ross and R. A. Ross.

**TWO ONTARIO
BILLS KILLED**

**Legislature Rejected Assessment
Act Amendments**

Toronto, March 6.—The Ontario Legislature killed two bills yesterday afternoon on the second reading.

The House divided on a bill proposed by A. C. Lewis, Northeast Toronto, to amend the Assessment Act. The amendments were suggestions from the Union of Ontario Municipalities. Strong opposition developed to any tinkering with the Assessment Act, several members declaring that it was already amended past recognition.

Premier Drury said that as the bill was not a Government measure, the House could do what it saw fit. The bill introduced by Carl Hieuth, South Waterloo, making the use of free textbooks compulsory in all schools was also defeated on second reading.

J. B. Johnson, Simcoe, got second reading for a bill amending the Insurance Act. It provides that fire insurance in Ontario must be taken out through Ontario agents.

**NEGOTIATIONS FOR
SALE OF DOUGLAS
HOTEL PROCEEDING**

Negotiations for the sale of the Douglas Hotel to Regina interests are now in progress, it was learned today. It is expected that the deal will be closed immediately and that the hotel will be operated under new management. The new proprietors, it is understood, are experienced hotel men.

**FLORIDA CHILD HAD
A NARROW ESCAPE**

Gretna, Fla., March 6.—Lightning struck the home of Mr. and Mrs. J. R. Herrington here, wrecked a "kiddie coop" in which their baby was sleeping and burned a hole in the floor near the "coop," but did not rouse the child from slumber.

**Household
Necessity**

Make Gillett's Lye your household assistant. Use it for making soap for washing dishes for cleaning sinks for washing greasy pots and pans. It cleans and disinfects.

**EFFORT TO PRESERVE
FOREST WEALTH**

**Commons Resolution Urges
Federal Provincial Govern-
ment Co-operation**

Ottawa, March 6.—The resolution moved by Mr. Michael J. Liberal member for Restigouche and Madawaska, N. B., urging co-operation between the Federal and Provincial Governments to preserve the forest wealth of Canada was carried with-out division in the House of Commons last evening.

Rt. Hon. Arthur Meighen spoke of the forest losses by fire and disease, saying the rate of depletion in Canada was faster than the rate of production.

The preservation of forests was vital to agriculture, declared Meighen. Trees assisted in retaining the rainfall, which was essential to the production of crops. He was con-vinced discussion of the subject was worthless unless it resulted in some specific idea of recommendation. He therefore suggested, first, that the government might pass a prohibition or a very heavy duty on the export of wood pulp. Secondly, the provinces might agree to the adoption of uniform regulations regarding the burning of slash and the care of forests. But, if everything else failed, said Mr. Meighen, the Dominion might be justified in making failure to clear slash an offense by Federal legislation.

Air Patrol.

New G. McQuarrie, Conservative, Westminister, paid a tribute to the work which had been done by the air patrol station in patrolling the forests of British Columbia.

"I am told," he said, "that some of our trees in British Columbia have taken a thousand years to grow. Now if one of these trees is burned down and we have to wait for another to grow."

"We won't wait," interjected Hon. Jacques Bureau.

Mr. McQuarrie said he hoped the government would not be so economical as to close the air station in British Columbia.

Hon. W. S. Fielding paid a tribute to the work of education in matters of forestry now being done by Frank Barnjum. He had a good deal of sympathy with Mr. Barnjum's idea that Canada should impose an export duty on timber, but there were difficulties in the way of carrying it out.

Would Pay National Debt

Supporting his resolution, Mr. Michaud said the forest wealth of the Dominion was sufficient to pay Canada's national debt.

There had been 4,000 forest fires in Canada during 1922 which had caused an immense loss far greater than all the lumbering operations together.

It had been stated that the area of forest growth destroyed would be equal to a strip one mile wide reaching from Halifax to Winnipeg. It was more important to prevent fires than to extinguish them. Forest fires added to the burden of taxation. The Provincial Governments had asked the help of the Federal Government and this should be given. The lumber industry was one of very great importance to the Dominion and to nearly every province.

Suggestions Welcomed.

Hon. Charles Stewart declared himself wholly in favor of the idea of co-operation of the Provincial and Dominion Governments. His department would welcome any suggestion from the provinces with regard to curbing loss by fire and insect pests. Most of the provinces now controlled their own natural wealth but the Federal Government was very happy to aid them in its preservation.

**TO ENCOURAGE
MORE MAGAZINES**

**Increase in Canadian Publi-
cation Object of Commons
Resolution**

Ottawa, March 6.—United States magazines versus Canadian magazines was a question debated in the Commons yesterday afternoon. H. C. Hocken, Conservative, West Toronto, introduced a resolution encouraging the production of Canadian periodicals. He advocated a duty on the advertising pages of United States magazines of fifteen cents a pound, or ten cents a pound on the weight of the whole magazine.

John Evans, Progressive, Saskatoon, moved an amendment that all materials used in the making of a Canadian periodical literature were necessary.

The amendment was declared lost, but the main resolution carried.

Magazines' Opportunity.

During his speech Mr. Hocken said Canada could not claim to have a national literature in the same sense as that which prevailed in the United Kingdom or the United States. There was no country in the world in which there was so much material for good writers as in Canada. Yet United States publications had a very strong hold upon the Canadian market. Nor was it the best of United States publications which had the largest circulation. There were many which were frothy, anti-British, and even suggestive, which ought to be discouraged.

Great Increase.

Conditions of the Canadian publisher were getting worse each year. In 1912, United States magazines entering Canada were valued at \$821,000. In 1922 the value, said Mr. Hocken, had risen to \$3,192,000.

The first reason why the Canadian publisher was unable to compete with the United States publisher was the cost of the raw materials. While paper in Canada, he said, cost 25 per cent more than in the United States. The same applied in price was true of ink, art work, engraving and other things going into production. Then, the United States publisher had a domestic circulation which covered up his overhead cost. He dumped his surplus into Canada, and thus his Canadian circulation was kept up at a cost of paper, press work and freight.

Mr. Hocken objected to the admission of United States Sunday school papers on the ground that they constantly featured United States heroes in their pages and influenced the minds of very young Canadians in favor of the United States.

Finally, Mr. Hocken suggested that the government should place a duty on the advertising sections of United States publications coming into Canada.

Little Advertising

W. C. Good, Progressive, Brant, said that many of the more objectionable magazines contained very little advertising, and how Mr. Hocken proposed to prevent importation of them.

Mr. Hocken replied that that might be done by banning importation or by imposing a tax of say 10 cents a pound on the weight of the whole magazine.

E. W. Robinson, Liberal, King's, agreed that obscene literature should be banned, but he protested against the imposition of a censorship. He doubted whether Canada could produce a national literature either by shutting out other literature or by means of cheap paper.

Rt. Hon. Arthur Meighen asked whether Mr. Robinson was aware that many Canadian writers had gone to the United States because they could not get a market in Canada, and their writings were now coming to Canada through United States channels.

"Certainly," replied Mr. Robinson, adding that some Canadians, including Sir Gilbert Parker, had gone to England. The question to be solved, however, was whether we could produce a Canadian literature merely by shutting out other literature. The cheap United States magazines were sold in Canada because there was a demand for them.

T. W. Caldwell, Progressive, Victoria and Carleton, agreed that it was desirable to exclude certain United States magazines, but he did not favor Mr. Hocken's remedy. He would rather see the duty on paper removed, and also that the export of pulp wood logs was prohibited or placed under a heavy tax.

**GREAT WIRELESS
STATION IN BRITAIN**

London, March 6 (Canadian Press Cable).—The Government has decided to erect a wireless station for communication with the Dominions, Premier Bonar Law announced in the House of Commons yesterday.

The Government has also decided to licence the erection of private wireless stations in Great Britain for world-wide communication, the Premier stated.

An Empire wireless policy has long been urged upon the Government, as well as the encouragement of private wireless enterprise. The Times, which has been one of the strong advocates of an Empire wireless chain under central control, recently said: "At present it is often a matter of comment that more news of the Dominions does not appear in the newspapers here. A substantial part of the reason for any dearth there may be of news from overseas lies in the high cable rates. One of the first results that it is hoped to reap from a co-ordinated wireless system is a cheap news service."

**REV. CANON KUHRING
DIED IN TORONTO**

Toronto, March 6.—The death occurred here last night of Rev. Canon A. Kuhring, well-known clergyman of the Church of England in Canada and a chaplain with the Canadian forces during the war.

DEAN BROCK ELECTED.

Vancouver, March 6.—Dean R. W. Brock, of the Department of Geology of the University of British Columbia, is again chairman of the Mining Bureau of the Vancouver Board of Trade, having been returned to office at the annual meeting of the bureau yesterday.

**MRS. GARDELLE
APPLIES FOR DIVORCE**

Los Angeles, March 6.—Yvonne Gardelle, dancer and actress of stage and screen, has filed a suit for divorce from Carlton Gardelle, sculptor, it became known today. She alleged Gardelle, who was her guardian before he married her, was cruel to her.

Her true names, Alice Y. Gardner and Clyde A. Gardner, are used in the complaint, which was filed in the Los Angeles County Superior Court. They were married twice—in Reno, Nevada, in 1921, and in Los Angeles in 1922.

DESERTION CHARGE.

Montreal, March 6.—That the arm of the Society for Protection of Women and Children in a long-on-ward march from Montreal to Calgary to arrest a man who is alleged to have deserted his wife and children three years ago, was proved yesterday in court when Andrew St. Marie appeared on a charge of desertion. The warrant was served on St. Marie in Calgary. He was remanded on bail until Wednesday.

DUTIES ON METAL.

Vancouver, March 6.—At its annual meeting yesterday the Mining Bureau of the Vancouver Board of Trade endorsed a resolution of the Associated Boards of Trade of Eastern British Columbia recommending that the Federal Government impose the same duties on scrap copper, zinc and brass imported into Canada as upon the virgin metals imported.

**Further Cases of
Influenza Reported**

HOW TO ESCAPE THE DISEASE.

**Importance of Immediate Attention to First Symptoms
of the Malady**

Most Dangerous Form Often Mistaken for a Simple Cold

Reports from different parts of the country point to the probability of another and widespread outbreak of influenza, or grippe. The extremely serious character of this disease and the extraordinary rapidity with which it spreads make it of the utmost importance that every person should have some knowledge of how it can often be escaped.

It is now known to be a fact that this highly contagious disease does not attack every one who is exposed to it. It is perfectly clear that if it did do so no one would escape an attack during an epidemic. It has been proved to the point of absolute certainty that influenza only develops in those who have had their vital forces, or powers of resistance to infection, reduced below a given level of safety. This reduction of the vital forces may result from repeated exposure to cold or dampness or it may and often does result from some minor illness that has been quite forgotten. It is for this reason that an outbreak of influenza often follows a prolonged period of severe weather and generally claims for its sufferers the old and enfeebled or those in a debilitated condition.

With this understanding of why some are more apt than others to contract influenza, it is plain that the best way to escape the disease is by keeping the vital forces at the highest possible level. This can be done by the use of a reliable restorative. As a matter of fact, the timely use of a promptly acting restorative often prevents an attack of influenza from assuming a dangerous type.

One of the greatest dangers connected with influenza is that the disease, during its onset, is often mistaken for a simple or ordinary cold until some sudden turn for the worse reveals the critical condition of the sufferer. To guard against any such misfortune, it is advisable to look upon certain symptoms as possibly due to influenza and to begin taking a restorative as soon as they are felt. These symptoms are "running of the nose," headache, backache, low or high fever, chilly sensations and a feeling of exhaustion.

Strong stimulants of all kinds should be avoided. It is true that they do give temporary support to the heart and to the nervous system at times, but this action is always followed by a corresponding depression, which may prove disastrous. It is far better and safer to take such a restorative as *Winocorin*, which has been prescribed by physicians in these cases for almost half a century. One dose of *Winocorin* three or four times a day is quite sufficient for one whose strength and vital forces have been exhausted, and it is an admirable tonic for those who are exposed to or are recovering from influenza. Naturally, all sorts of remedies are being advertised at this time, and the most extravagant claims are being made for some of them, so it is all the more important that no substitute for *Winocorin* be accepted from a dealer. Avoid disappoinment and possibly worse by insisting that you get *Winocorin*, the famous restorative and general tonic recommended by over 10,000 physicians.

Winocorin is sold by all first class druggists—\$1.20 per bottle.

Triumphs of M. Jonquelle

By MELVILLE DAVISSON POST
THE WOMAN ON THE TERRACE
INSTALLMENT NO. I.

Monseigneur Jonquelle, the Prefect of Police of Paris, was a moment late. An angry voice reached him at the turn of the path. It was a tenor, low, manning voice. The words were not clear, but the intent in the voice was unmistakable. For a mere fraction of time he remained motionless as in some indecision; then he went forward swiftly.

It was evening. The soft colors of a sort of twilight day were on the Mediterranean. The many-colored city of Nice was lying below the mountain of olive trees and the tropical gardens of the Villa of Cimiez. The whole scene was from a country of the fairy; the romantic frontier of some kingdom of wonder legend.

There were two persons on the long terrace of the villa when Monseigneur Jonquelle approached. The villa was small and exquisite—a sort of jewel-box hidden in a garden of tropical luxuriance, inclosed by a high wall surmounted by a tile border.

Free Trial. Forget Gray Hair

Mary T. Goldman's Hair Color Restorer is a clear, colorless liquid, clean as water. No greasy sediment to make your hair stringy or streaky, nothing to wash or rub off. Restored color even and perfectly natural in all lights. No danger of streaking or discoloration. Faded hair or hair discolored by unsatisfactory dyes restored just as safely and surely as naturally gray hair.

My Restorer is a time-tested preparation which I perfected many years ago to bring back the original color to my own prematurely gray hair. I ask all who are gray haired to prove its worth by sending for my special patented Free Trial package.

MAIL COUPON TODAY

Send today for the special patented Free Trial package which contains a trial bottle of Gray Restorer and full instructions for using the couponing test on one lock of hair. Instructions on how to use the Free Trial package in your home. If you are not satisfied, please return the package to me. No obligation on your part.

IN WOMAN'S DOMAIN

CHAPTER CONTINUES WORK FOR HOSPITAL

Florence Nightingale Chapter, I.O.D.E., to Assist in Armories Dance

The Florence Nightingale Chapter, I. O. D. E., at its meeting yesterday nominated the regent, Mrs. H. F. Crowe, as Provincial Councilor, together with Mrs. Curtis Sampson and Mrs. H. P. Hodges. Two new members were received into the Chapter and a third was proposed for membership.

Mrs. H. K. Prior announced the dance to be given by the Liberal Association in the Armories to-morrow evening in aid of the tubercular ward. Mrs. Porter reported on the weekly teas given to the patients, which she will again convene this year. Mrs. Scarborough Young reported on her letter work and consented to accept the chairmanship for the coming year. The monthly donations of \$2 to the Girl Guides and \$5 to secondary education were voted, and \$5 was given towards the weekly teas at the Jubilee Hospital.

Broke All Records By Fox-Trotting Over Nine Hours

Sunderland, Eng., March 6.—What is claimed to be a new world's non-stop fox trotting record was established early to-day by Edgar Van Olfert and Miss Ollie Einnerty, who danced for a half hour without stopping. Neither took food during the long period on the floor and both finished comparatively fresh.

The record made in Glasgow Saturday by two Scottish dancers.

London, March 6.—Hardly had the nine and a half-hour fox-trotting record made at Sunderland come through to-day when it was announced from Scotland that two members of the staff of a dancing establishment in Edinburgh had made a record of 14 hours 35 minutes for continuous dancing.

Events to Come

Rev. T. E. Rowe will address the members and friends of the Guild of Health on Wednesday evening at 8 o'clock in the Cathedral Schoolroom.

At the last play-practice on Friday of last week, the members of the Missionary Service League of St. Paul's Lutheran Church decided to give their humorous play and musical concert on Tuesday evening, April 10, the members of the society have been working faithfully, and a fine entertainment is promised.

At the mid-week Lenten service at St. Paul's Lutheran Church, Wednesday evening, at 7:30, Rev. R. F. Kibler, will speak on the subject, "Philat", an Easy Way to Quiet One's Conscience."

A silver tea will be given by Sisters Emily and Pauline McConnell, of Carre Rebecca Lodge, at 1015 Em-pion Avenue on Wednesday afternoon.

The O. C. T. Temple Lodge will meet in the women's Institute Rooms in the city block this evening, March 5, at 8 o'clock.

Mrs. Ricketts will be at St. Paul's Anglican rectory, Esquimalt, to-morrow morning to receive donations for the rummage sale which will be held on Thursday afternoon at 2:30, under the auspices of the Ladies' Guild. It is requested that all donations be sent in before 3 o'clock to-morrow.

The Women's Educational Club of Columbian College will meet on Thursday, March 7, at 7 o'clock, at the home of Mrs. W. J. Sippell, 818 Johnson street, E. S. Barr, of Victoria, High School, will give an address on "Modern Progress in Canadian Education," a good musical programme will also be provided.

Mrs. H. Catterall is kindly lending her home, 1016 Linden Avenue, on Tuesday evening, March 13, for the sixth of the series of card parties given by the A. S. C. Progressive Club will be played, the games to commence at 8:15. The ladies will serve refreshments at the close. Intending players are asked to assist the Social Committee making reservations with Mrs. McAllister, 2506.

NO SPARTAN

Mrs. Naag—No wonder my hair is turning gray when I think of all the mental anguish you have caused me! Naag—But, my dear, you—at least have not suffered in—or silence!—New York Sun.

A Woman's Pride

Mr. F. Ashley Sparks, Windsor, Road, Oak Bay, left yesterday afternoon to spend a few days in Seattle.

Mr. and Mrs. W. D. Thomson, of Regina, have arrived at the Empress Hotel.

Miss Kitty MacIure, who has been visiting in Vancouver as the guest of her aunt, Mrs. S. McLagan, has returned home.

Mr. and Mrs. Macrae Blair, of Catharine Street, have as their guests their daughter, Mrs. George D. Wood, of Winnipeg.

Mr. and Mrs. John A. Turner, of The Uplands, have been spending the past few days in Vancouver, guests at Gloucester Lodge.

Mrs. C. C. Tunnard, Roslyn Road, will leave on Saturday for England for a three-months' visit with her mother, Mrs. J. Kingstone, Aspendon, Buntingford, Hert.

Miss Leslie Warnock was the hostess at a delightful handkerchief party this afternoon at her home on St. Louis Street, Oak Bay, in honor of Miss Sally Watson, a popular bride-elect.

Mr. and Mrs. V. Case Morris, of Salt Spring Island, have just returned from an extended visit to relatives in England. They will be guests at the Strathcona Hotel before leaving for their home in the Islands.

The Ladies' Auxiliary to the Army and Navy Veterans' Association held a whist drive last evening in the Victoria Women's Institute rooms, Surrey Block, when Mrs. Hildgar and Mrs. Johnson won the first prizes and Mrs. Hood was awarded the consolation prize.

For their weekly game of bridge, the following members of a bridge club were the guests of Mrs. Codville, Work Point Barracks, yesterday evening: Mrs. E. Ross, Mrs. Westmoreland, Mrs. Cobbett, Mrs. Carvosso, Mrs. H. E. Ridewood, Mrs. A. Jones, Miss Pooley and Miss Mabel Eberts.

The Foresters' Social Club are planning to put on a jolly entertainment on Wednesday night in the Foresters' Hall on the officers and members of Court Victoria, commencing promptly at 9 p. m. The members of the court are invited to bring along their lady friends to enjoy the fun. The court meeting will begin at 7:30 promptly in order that the club will be given ample time for their activities.

YOUR HOME AND YOU

By HELEN KENDALL
Placing the Grand Piano

One of the most difficult pieces of furniture to place correctly in a room is the grand piano. It is an awkward, unwieldy object—although it is decorative as well, and adds enormously to the inviting charm of a home, provided it is in the right position.

Several things have to be taken into consideration in giving the grand piano just the right angle and having it face the right way. To begin with, the comfort and convenience of both performer and listeners must be thought of first. The piano must be placed so that the best of light falls on the music both in the daytime and in the evening. The light should fall on the keyboard and music rack at such an angle that the player is not in his or her own shadow. This means that during the day the key-board should be near a window, in a diagonal position, permitting the light to fall over the player's shoulder.

March 4, at 2 o'clock, at the home of Mrs. W. J. Sippell, 818 Johnson street, E. S. Barr, of Victoria, High School, will give an address on "Modern Progress in Canadian Education," a good musical programme will also be provided.

Mrs. H. Catterall is kindly lending her home, 1016 Linden Avenue, on Tuesday evening, March 13, for the sixth of the series of card parties given by the A. S. C. Progressive Club will be played, the games to commence at 8:15. The ladies will serve refreshments at the close. Intending players are asked to assist the Social Committee making reservations with Mrs. McAllister, 2506.

Put absolutely nothing on top of a grand piano except, perhaps, a piece of some rare fabric. Vases, photographs, bows, anything movable, is apt to vibrate at the touch of the keys and either rattle or affect the tone of the piano. A beautiful piece of Oriental embroidery, a strip of antique brocade, or some such decorative fabric, will relieve the black expanse and give a spot of beauty in the piano corner.

Keep the piano closed when not in use, and keep the windows near it closed in damp weather. Changes in temperature or humidity affect the strings very noticeably, and the piano should be protected from such changes.

Laces and Ribbons Of 1880 to Grace Women of 1923

Chicago, March 22.—Bustles more graceful than those grandmother wore will be a necessary part of the apparel of the well dressed woman this Spring. Mme. Alla Ripley, president of the Fashion Art League of America, said to-day in discussing models to be shown at the League's convention here March 12-14, E. "It will not be the stiff ungraceful thing our grandmothers wore," she explained, "but will be a mass of ruffles and lace. The laces and ribbons and other returns to the very feminine styles of 1880 that are now being featured, demand that the material be bunched into fullness somewhere."

HINT FOR GERALDINE

"So you asked Geraldine to marry you?" asked a man of the other. "Yes, but I don't have any luck," replied his friend. "She asked me if I had any prospects." "Why didn't you tell her about your rich uncle?" "I did, hang it all! Geraldine's my aunt now!"—London Daily Mail.

BEAUTIFUL GIFTS SENT TO DUKE OF YORK'S BRIDE-ELECT

Queen Alexandra Sends Furniture and Queen Mary Diamonds

London, March 6.—Wedding presents for Lady Elizabeth Bowes-Lyon, whose marriage to the Duke of York will take place on Thursday, April 24, are already beginning to arrive at 17 Bruton Street, the town house of Lord and Lady Strathmore, the parents of Lady Elizabeth.

Among these are a beautiful diamond bracelet from Lord Revelstoke and a diamond brooch from a member of her family.

From Lady Mostyn has come a fine cut glass cup, while in several cases furniture has been selected as being the gift most likely to be useful to the royal household. Queen Alexandra has sent Lady Elizabeth a very charming little combined bookcase and china cupboard to commemorate her engagement.

It is with similar congratulations that the Queen has sent to Lady Elizabeth a diamond pendant of most delicate workmanship.

It is understood that the list of bridesmaids' names which is to be submitted to the King is almost complete. Only one other has now to be chosen. The latest addition to the list is that of the Hon. Diamond Hardinge, only daughter of Lord Hardinge of Penshurst, whose engagement to Captain Robert Abercromby has been announced.

Simple Ceremony

It is anticipated that the wedding ceremony will follow more closely on the lines of that of Princess Patricia than on those of Princess Mary. No costly stands will be erected, nor will the general arrangement of the wedding be so magnificent as on that occasion.

There will be a bridegroom's procession and a King and Queen's procession through the Abbey.

Woman Speaker in State Legislature For First Time

Montpelier, Vt., March 6.—(By Canadian Press).—For the first time in the history of the State Legislature a woman sat recently as speaker of the House of Representatives. She occupied the chair during the introduction of twenty-five bills, and was loudly applauded as she handed over the reins to the Speaker.

The presence of three women members led the legislature to declare a "ladies' day" in their honor. Miss Leoline Meach, representative from Montpelier, had the honor of being the first woman to preside as Speaker. Messages from Governor Redfield Proctor were delivered to House and Senate by two women clerks in the Governor's office, Miss Helen E. Dell, of Proctor, took a message to the Senate, and Miss Mary Fowler, also of Proctor, took one to the House. Mrs. Mary G. Nye, Montpelier, the only woman in the Senate, presented a communication from the Senate to the House.

PARKVILLE W. I.

The Parkville W. I. held their monthly meeting on February 28, at which Miss Stewart of the public library, Victoria, spoke in a most interesting and intelligent manner on "books for boys and girls," saying of what vital interest good books are, and how they lengthen and enrich the span of life. Other topics of the meeting were discussed such as the district nurse; donation of \$5 to the Berrygrove Association for the delegate expense; \$5 to Hirst Bros. for feeding an old horse during the recent heavy snowstorm; the sending of groceries and milk to a family in distress at Errington, and the coming institute dance on Easter Monday.

Mothers' Welcome.—The Mothers' Welcome under the auspices of the Esquimalt Child Hygiene Committee will take place to-morrow afternoon at 2:30 in the Parish Hall. It is to take the form of a social, and a good programme is being arranged.

A Beautiful Complexion
A clean healthy skin is the first requirement of a beautiful complexion. Try the simple, sure, way to skin loveliness.

Begin using Lifebuoy tonight. You will be surprised at the improvement it will make in your skin in a very short time.

All Roasts
gain in flavor and tenderness when cooked slowly. Slow roasting is best accomplished in a genuine "Wear-Ever" Seamless Double Roaster. The meat rests on the detachable rack and the juices drop through the perforations, preventing any soddening of the underneath part of the roast, and facilitating the making of the gravy. This useful "Wear-Ever" Utensil, which will last your lifetime, comes in several different sizes. Ask your dealer.

There were thirty-two members and friends present, and three new members joined. A social evening was arranged to welcome the secretary, Miss Shakespear, when she returns from her wedding trip.

Safe Milk
A Nutritious Diet for All Ages. Keep Horlick's Always on Hand. Quick Lunch; Home or Office.

"Wear-Ever"

Equivalents Women's Institute.—A series of dressmaking and military classes will be commenced under the auspices of the Esquimalt Women's Institute shortly. All women desiring to take advantage of this opportunity are requested to communicate with Mrs. S. Bowden, telephone No. 4013X.

"Day by Day, In every way, I am getting Better and Better!"

MANY people are finding improved health and greater comfort in the change from tea and coffee to Instant Postum.

Perhaps your failure to improve in health is due to Caffeine, the nerve-irritant in tea and coffee.

You can easily find out. Just stop tea and coffee, and drink delicious Instant Postum instead.

Instant Postum is a fragrant, wholesome table beverage, free from any harmful ingredient. It is made instantly in the cup, at the table, either strong or mild as preferred. Just add boiling water and stir; then cream and sugar to taste.

Maroons Reported To Have Changed System

Vancouver May Try to Follow System Inaugurated by Cougars in Opening Game of Play-Off Here Tomorrow Night; Cougars Confident That They Will Be Good Enough to Win Although They Expect Maroons to Play a Tight Game.

Lloyd Cook and his maroon-clad followers have had their heads bowed in deep thought during the past week. They are anxious to win the championship of the P. C. H. A. but they are plainly worried. They have to dispose of the Cougars before they can claim the honor and that's the biggest problem they have had to grapple with since they took up the game.

Rumors emanating from Vancouver lead to the conclusion that Vancouver is planning a surprise attack on Victoria tomorrow night in the opening game of the play-off at the local arena. Although The Times put a couple of high-priced detectives on the trail of these rumors they were unsuccessful in securing any thread of information that would give any idea as to what the new system is to be. In the past Vancouver's play has been featured by three and four-man rushes, with plenty of fast boring in and always a vigorous player, like Skinner, hanging around in front of the net.

May Try Victoria Style. It is thought that to-morrow night Vancouver will try to play the Victoria game. They will maintain a three-man defence, using Mickey Mackay as a rover, which position he played so effectively in the seven-man game. This would leave them with only Boucher and Skinner to make the two-man rushes and they would not get very far, for while Boucher is a fine back-checker and Skinner is good on boring-in, their records do not show them as real goal-getters. Cook, Duncan and Mackay are the best scorers on the Vancouver team.

The Maroons, however, will not be desperate to get goals here. They will play safe, cautious hockey with the one idea of keeping the Cougars from scoring, and wait until the final game in Vancouver to get counters. The Maroons have a great reputation for playing tight hockey in the play-off series. Last year they nosed out Seattle in the tightest series in the history of the league.

No Pic for Cougars

The Cougars realize that they will have a tough team to contend with in both games. They will not find the Maroons pie like the Mets were last Friday night. Seattle failed to back-check and the Cougars were through with ease. But with Skinner and Boucher harrying them all the way, and the rest of the team, Harris and Demery tearing along behind, the Cougars will have to use all their tricks to pull through.

Seats Go Fast

Victoria has gone hockey mad during the past few days and, although tickets for to-morrow's game did not go on sale until yesterday morning there was not a reserved seat left at five o'clock in the afternoon. It was the quickest sale in the history of the arena. This morning Manager Patrick put the unreserved seats on sale and they were snatched up as readily as the others. In the past the unreserved seats have been sold only at the rink on the night of the game. The town sale, however, will prevent a line-up at the rink and the fans can get inside immediately they arrive.

Vancouver fans are puzzled over the outcome of the series as are those in Victoria. Andy Lyttle, sporting editor of The Province tries to help out the fans with some figures, but he winds up with the statement that it looks like a toss-up. He has the following to say:

Can the Maroons trim the Cougars in a two-game series? That is the complex question which faces hockey fans this coming Wednesday night and again here on the Monday following.

There are a lot of other questions to be asked, no doubt, but that is the paramount issue. Here are some comparative figures which may help the propheet.

Indoor Polo Games Will Start To-Night

Teams Representing Great Britain and U.S. to Play in New York

New York, March 6.—Friendly rivalry in many arenas the United States and Great Britain will renew their struggle for supremacy in the sporting world to-night in the first indoor polo match ever held between the two nations.

Twelve Bike Teams Remain Together

New York, March 6.—Twelve of the 15 teams in the six-day bike race were still on even terms at 8 a. m. here after thirty-two hours of riding. They had pedaled 601 miles and 5 laps.

About Fifty-Fifty

Any way one looks at it, therefore, it's pretty near a toss-up. Wednesday's match at Victoria may give the fans a better line on the relative merits of the clubs. If the Maroons win they'll be odds-on favorites.

FIRST GIRL RIDER TO PUT A HORSE OVER A MOTOR CAR

This thrilling leap is being made by Corn Cob, the world's champion jumper, owned by James McCleave, a fairs throughout the Pacific Coast, winding up with the Horse Show at Portland, Ore. One of the new jumps is termed the "Human Hurdle." A six-foot-seven lad takes the place of the pole and one gets a thrill when the horse rushes into the wings and makes the leap. Corn Cob is also to be schooled to leap a string of four horses.

NEW RECORD MADE FOR MARATHON HOCKEY

Ottawa, March 6.—What is believed to be a record was made here last night in a hockey game in the Manufacturers' League when the Canadian Pacific Railway defeated the E. B. Eddy team four to three in a game that went seven ten-minute systems. Parley's goal was the only one scored. This meant two hours and ten minutes of hockey.

BAYS INTERMEDIATES WIN CHAMPIONSHIP

Defeat Onwegos 37-20 in Intermediate "A" Boys' Hoop Series

By virtue of their win last night over the Onwegos by 37-20 the James Bay Methodists won the Intermediate "A" Boys' Sunday School Basketball League championship. The Onwegos put up one of the hardest games that the Bays have yet had to fight and only the "Red" shooting of Bothwell and Wachter saved the team from defeat. "Red" Hastings was the high man for the losers running up a high score of 15 points.

This is the first Sunday School League championship to be decided. The Bays won all their games. In the Intermediate "B" Boys' League the St. Andrew's boys scored an easy win over the St. Mark's five 22-8. For St. Andrew's Robertson scored 11 points, while MacLean secured 4.

In the Senior "B" Men's League the St. Mary's quintette had no hard task in winning from the Metropolitan five 32-3.

FALCONS TIE COUNT WITH PORT ARTHUR

Third and Deciding Game Set for Decision To-morrow Night in Winnipeg

OLD COUNTRY FOOTBALL

London, March 6.—The following league association football games were played yesterday:

Second Division. Southampton 3, Portvale 1. Third Division—Southern Section. Merthyr 3, Northampton 0. Rugby Results. Devonport Services 17, Blachheath 5. Bedford 11, Bridgewater 6.

Champions Are Frozen Out of N.H.L. Play-off

Canadiens and Ottawa Will Compete for Honors; St. Pats Tried Hard

N.H.L. Standing

Team	P.	W.	L.	D.	Pts.
Ottawa	24	14	9	1	29
Montreal	24	13	9	2	28
Toronto	24	12	10	1	27
Hamilton	24	8	18	0	12

Toronto, March 6.—The first game in the play-off for the championship of the National Hockey League will be played at Montreal on Wednesday and the second game in Ottawa on Friday. The merits of goals on the round will decide the winner.

Hamilton, March 6.—Hamilton failed to stop Canadiens getting into the final game of the season here last night. The flying Frenchmen walked off with a four-goals victory. Vesina, in the Canadiens' net, played a wonderful game.

Summary

First period—1, Canadiens, S. Cleghorn, 7:40.
Second period—2, Canadiens, Joltat, 17:10.
Third period—3, Canadiens, Boucher, 4:00; 5, Hamilton, Burch, 11:15.

Toronto, March 6.—Toronto defeated Ottawa here last night two to nothing in a bitterly fought game. Considerable ill-feeling was shown, Ottawa players starting it, with St. Pats retaliating, and the fur flew. Harry Cameron was prominent for the St. Pats and scored both goals. Babe Dye failed to score but nevertheless led the league goal-getters with twenty-six counters. W. Boucher, Canadiens, was right behind with twenty-five.

Summary

First period—No score.
Second period—No score.
Third period—1, St. Patricks, Cameron, 2:00; 2, St. Patricks, Cameron, 12:00.

ANOTHER SCOTTISH GOLFER COMING TO STATES TO SETTLE

London, March 6.—Martin Cromb, the 20-year-old champion of the Men's Scottish Golf Links, and one of the best known players of the North, will leave for the United States shortly to try his luck as a professional golfer. He is understood to have received offers from several United States clubs.

EMPRESS BILLIARDS

The final match for the Empress billiard handicap championship will be played this evening at the Empress Billiard Parlors at 8 o'clock between W. Kroeger (r. 80) and Jones (r. 25).

WILL DETERMINE TEAM TO MEET WESTS IN CUP FINAL

Supporters of the Wednesday Football League will have a chance tomorrow afternoon to camp on the sidelines and watch one of the games in the Jackson Cup series. Owing to the fact that all games in the series to date have been played on Saturdays the folks who follow soccer but have their weekly half holiday on Wednesday have not been able to enjoy the cup tie.

Interest is Keen. Much interest is being taken in this game and it is expected that a record crowd will watch the teams in action. The Wednesday league are sure of plenty of support as the league is anxious to get a team in the finals and, if possible, win the Jackson Cup for the first time in history.

WILL MEET GODFREY

New York, March 6.—(Canadian Press)—It was announced to-day that Jack Renault, Canadian heavyweight champion had been matched to meet George Godfrey, a protege of Jack Johnson. The bout will be staged at the Pioneer Athletic Club on March 9.

Jimmy Wilde May Not Pass Up Record Purse

World's Flyweight Champion Reported Matched With Pancho Villa, Although New York Is a Little Sceptical About His Coming; Villa Chosen Over Genaro Because Sports Writers Favored Filipino In Bout.

New York, March 6.—There was some scepticism in sporting circles to-day over the prospects of Jimmy Wilde coming to this country and defending his title as world's flyweight champion against Pancho Villa, the little Filipino who lost the United States title in the division to Frankie Genaro here last week. While there was some doubt expressed over the success of Promoter Tom O'Rourke, who announced that he had received a cable from Wilde accepting terms for a bout with Villa on June 16, there was general hope that Wilde would come.

ENGLISH CRICKETERS DRAW WITH NEW SOUTH WALES FINE ELEVEN

Sydney, N. S. W., March 6.—(Canadian Press Cable via Reuters)—The touring English cricketers played New South Wales a drawn match yesterday. The visitors scored 275 in their first innings and 296 in their second period at bat. New South Wales replied with 314 and 102 for five wickets.

EDMONTON SCORES WIN OVER REGINA

Edmonton, March 6.—Edmonton made it six out of seven from the Regina Capitals by taking the local team into camp last night by a score of 3 to 1. Opportunity lost by the Capitals, smart thinking by the Eskimos and the wide margin which Winkler has on "Bill" Laird, decided the issue in favor of the visitors.

W. C. H. L. Standing

Team	W.	L.	D.	Pts.
Edmonton	17	9	1	35
Regina	14	14	0	28
Calgary	12	15	0	24
Saskatoon	7	19	2	16

Capitals Still Out Looking for Points to Make Play-off; Calgary Has Chance

Regina, March 6.—Edmonton made it six out of seven from the Regina Capitals by taking the local team into camp last night by a score of 3 to 1. Opportunity lost by the Capitals, smart thinking by the Eskimos and the wide margin which Winkler has on "Bill" Laird, decided the issue in favor of the visitors.

May Not Pass Up Big Purse

O'Rourke announced that, although no flat sums were mentioned—as guaranteeing him is against the New York law—he offered Wilde 87½ per cent of the gate receipts. Villa would take 12½ per cent. The temptation of a big purse, the largest ever paid a flyweight, may be an inducement Jimmy won't overlook.

WORLD'S FLYWEIGHT CHAMPION REPORTED MATCHED WITH PANCHO VILLA

Villa, instead of Genaro, was selected because O'Rourke said he believed most newspaper critics thought the Filipino should have been awarded the decision in last Thursday's bout. The Filipino is a novelty in a ring and has proved a gate magnet from his debut here. In addition he is a scrappy, clever boxer and a hard hitter.

WON TITLE IN 1916

The world's title was taken by Wilde from Young Symonds, an Englishman, in 1914. He defended it against all comers and fought non-championship bouts with men above his weight, one of whom, Jack Sharkey, won a decision over him at Milwaukee, June 11, 1918. He later defeated Babe Asher, Mike Ertle, Hobby Dwyer, Mickey Russell, Patsy Wallace, Edling Murray and Frankie Mason.

TIMES DAILY - PICTURE PAGE

Marshall Lyautey
Resident Governor of French Morocco, is dangerously ill.

Stating German Side of Case

Photo shows prominent Germans in the Ruhr presenting the German side of the case to American newspaper men. Standing is Dr. Grutzner, head of the 'civilian' government in Dusseldorf. Sitting, left, is Dr. Meuer, acting mayor of Essen.

Cardinal Vannutelli,
Dean of the Sacred College, is active in the movement for a reconciliation between the Vatican and the Italian Government.

Battling Million-Dollar Blaze

Freezing point temperature, causing streams of water to congeal in icy mass on the walls of the burning structure seriously hampered the work of firemen when they battled the recent blaze which destroyed Omaha, Neb., packing plant of Armour & Company. Loss is believed to have been well over a million.

"For Mother"

Some coal comes from the Ruhr mines—enough to supply the homes of the miners. Here is the son of a miner in Bochum, carrying a packet of coal to his home from the mine. Natives are most hostile in Bochum.

"Blue Devils" Form Spear-Head of French Thrust

Leading the advance of the French military forces into the Ruhr are the famous "Blue Devils," the picturesque regiments recruited in the Vosges. Here they are shown entering Recklinghausen, the point of France's deepest penetration into the German industrial region.

May Yohe Again on Stage

Sir William Duff Reid
owner of the Newfoundland Railway, has been found by the superior court to be fully capable of managing his affairs and appointment of a trustee has been rejected.

May Yohe
International footlight favorite of some years ago, may again climb to the pinnacle of theatrical fame. At least that is her aim, and she has begun toward fulfilling it by appearing at a small Melrose, Mass., theatre. In her heyday Miss Yohe hobnobbed intimately with kings and mighty nobles, and her romances intrigued the interest of two continents.

Romance

Mlle. Aileen Asta Peters (above), Swiss actress of prestige and wealth, is now the bride of W. W. Clark (lower) of Cherryvale, Kas., but, clad in overalls, he's keeping right on the bridge building job. "In fact the boss didn't like it very well when I took time off to get married," Clark says. The romance started when Clark was with the A. E. F., and culminated when Mlle. Peters arrived in Cherryvale with eight trunks, having come the 5,000 miles from Zurich to see why he delayed.

Unscrambling the Eggs

Lines of communication have been thrown into a hopeless tangle by the strike of German workers in the Ruhr. Here is a French postman acting as switchman in Recklinghausen railroad yards for one of the infrequent trains.

SCHOOL DAYS

By DWIG

WHY MINDS LEAVE HOME

The Daily Verboten Bulletin

Young French officers are shown here posting the proclamations in public places to inform Ruhr citizens of the rules which must be observed during the period of occupation.

CAPACITY HOUSE
 FOR "PASSION"
 Special Programme Was Presented Last Evening at Royal Victoria

It is said the advent of the new super-drama, "Passion," to be presented by the Associated First National and the Royal Victoria to-day, marks a new and progressive era in motion picture production. This massive attempt at excelling in the silent division is not only described as tremendously big in its story and settings, but it establishes new standards in the scope and power of visualization. Stress is laid on the new technical perfection with which it is claimed to be filmed; there is a depth of panoramic perspective which has never been seen on the screen before—big pulsating scenes from the pages of life which seem doubly realistic because of the stereoscopic character of the photography. In "Passion" there is a system of photography which has discovered the method of reproducing not merely shadows and reflections, but bodies and scenes which are endowed with their true dimensions. This novel device marks a new style of entertainment.

"Passion" has for its story an intimate version of the life and adventures of the ill-fated French milliner, Jeanne Marie Vaubertier, who rises from her lowly place among the masses to the command of a king and the nation through her irresistible charms. Later she becomes the storm centre in the thrillingly tempestuous times when the whole populace revolts because of its hatred of this very product of their kind. Great intensity is added to the dramatic character of the whole narrative through the fact that the object of all this public indignation has lost all her unlimited power when she is obliged to grapple with her opponents. She is more than game in her fearful struggles until a former slave of hers turns traitor to her cause, which results in her being incarcerated and later beheaded. Running throughout the play is one of the most gripping love affairs conceived of visualization.

able—it being the undying love of Jeanne's first love sweetheart, a love which finally brings disaster to him, but not until he has given some gallant demonstrations of how far a true lover will go for the object of his affections.

DOMINION

In spite of the fact that Reginald Denny is considered more of a master of subtlety on the screen than of the black-and-blue action, interviewers invariably are more interested in his "Universal Player's" splendid athletic ability and well developed physique. He presents such a wholesome healthy spirit that art fades from the mind of the interviewers and he gets more interested in Denny's horse, his sports and his "philosophy of good condition."

CAPITOL

Part of the omnibus in Reginald Barker's production, "Hearts Aflame," a Metro picture at the Capitol Theatre is furnished by one of the most popular children on the screen, Richard Hendrick, who will be remembered by most fans for his performance in John M. Stahl's "The Child Thou Gavest Me." In the role of the orphan who is being cared for by Helen Foraker, played by Miss Nilson, he has ample opportunity to use the infectious smile that has made him so beloved to his public since he began to work in pictures.

COLUMBIA

Greeted by one of the largest and most enthusiastic audiences that have attended the Columbia Theatre for some time, "Bells of San Juan," a William Fox production, starring Charles Jones, opened a three days' run yesterday.

 Tickets at \$1.50 and \$1.00, now on sale at Pantages Box Office on Tuesday, March 13.

ern character, assured the audience that they were to see a worthwhile production.

PLAYHOUSE

To-morrow night the Playhouse will again offer the sparkling comic opera, "The Cabaret Girl," which attracted large and enthusiastic audiences last week. This piece has been the rage of London for the past six months, and Victorians are fortunate in being able to see and hear it so soon. The picture is more than charming, in fact it is one of the best compositions yet heard. Chock full of comedy, the story is depicted of the adventures of a famous cabaret performer whose love affair is the cause of plenty of complications in the way of impersonations and mistaken identity. There are in the cast those who have made previous Playhouse shows the success they have been, and in addition Miss Marnie Fraser in the title role. The box office is open every day, and seats may be booked for any performance in advance. "The Cabaret Girl" will open on Wednesday night, and will run for the balance of the week with a matinee on Saturday.

Harmless Means of Reducing Fat

Many fat people fear ordinary means for reducing their weight. Here is an extraordinary method. Extraordinary because while perfectly harmless no dieting or exercise are necessary. Marmole Prescription Tablets are made actively in accordance with the famous Marmole Prescription. You reduce steadily and easily, with no ill effects. Procure them from your druggist at one dollar for a case or send price direct to the Marmole Co., 1615 Woodward Avenue, Detroit, Mich. (Adv.)

"WHEN KNIGHTHOOD WAS IN FLOWER" COMING TO DOMINION

Among the rare antiques used in the Paramount-Cosmopolitan production, "When Knighthood Was in Flower," starring Marion Davies, which opens at the Dominion Theatre next week, is a statue of the Madonna carved in the 15th century by Heintzelner, the famous carver, carved out of solid wood and gilded, and valued at \$4,000.

EDWARD JOHNSON COMING TO ROYAL

Edward Johnson, the tenor whose performances this last season were the sensation of the Chicago Opera Company, will be the artist presented by Mrs. Ricardo at the Royal Victoria on Tuesday. He is a native Canadian of the finest artistic gifts, and for the last eight years he has been the most celebrated tenor in Italy's leading opera houses. Abroad he sang under the name of Edouard di Giovanni; he created practically every new tenor role in the modern Italian operas by Puccini, Verdi, and Rossini.

TRY MAGNESIA FOR STOMACH TROUBLE

It Neutralizes Stomach Acidity, Prevents Food Fermentation, Sour Gassy Stomach and Acid Indigestion

Doubleless if you are a sufferer from indigestion, you have already tried pepsin, pancreatin, charcoal, drugs and various digestive aids and you know these things will not cure your trouble. In some cases do not even give relief.

But before giving up hope and deciding you are a chronic dyspeptic just try the effect of a little Bisurated Magnesia—not the ordinary commercial carbonate, citrate, or milk, but the pure Bisurated Magnesia which you can obtain from practically any drugist in either powdered or tablet form.

Take a teaspoonful of the powder or two compressed tablets, with a little water after your next meal, and see what a difference this makes. It will instantly neutralize the dangerous, harmful acid in the stomach which now causes your food to ferment and sour, making gas, wind, flatulence, heartburn and the bloated or heavy, lumpy feeling that seems to follow most everything you eat.

You will find that, provided you take a little Bisurated Magnesia immediately after a meal, you can eat almost anything and enjoy it without any danger of pain or discomfort to follow, and moreover, the continued use of the Bisurated Magnesia cannot injure the stomach in any way so long as there are any symptoms of acid indigestion.

FAVOR CLOSING OF ONE CITY FIRE HALL

Aldermen Would Save Money by Eliminating Duchess Street Equipment

Closing of the Duchess Street Fire Hall was discussed by the City Council last night, and the idea gained considerable support. A definite decision on the matter will be reached next week.

Alderman R. H. B. Ker urged the Council to refuse to accept responsibility for accidents to city fire apparatus going to Oak Bay. This idea was widely supported, and will be considered again.

"If the Duchess Street Hall is being kept open merely to give Oak Bay fire protection I think it should be closed," said Alderman David Leeming, himself a resident of Oak Bay. "There is no reason for us to spend money on that hall if the city's needs can be served from Yates Street."

JASPER HIGHWAY ROUTE ADVOCATED

Says Premier Oliver Made Fine Impression in Edmonton

Endorses Western Grain Shipments

A good roads emissary from Alberta is in the city in the person of Alderman Kenneth A. Blatchford, of Edmonton. Mr. Blatchford is at the Empress Hotel and his purpose in coming here is to meet Alderman Todd, together with other representatives of the B.C. Good Roads Association, and talk things over.

There is a long stretch of abandoned railway right-of-way in Alberta, from which the rails were removed to be sent to France during the war. The subsequent union of the Grand Trunk Pacific with the Canadian Northern has rendered this right-of-way unnecessary for railway purposes and the proposal now is to utilize it as part of the Jasper Highway. According to Alderman Blatchford there is every prospect that this will be accomplished during the present year.

The Federal Government, he says, is quite willing to hand it over to Alberta, and not much work would be required on its grade and bridges are in good shape. The road would enter British Columbia by way of the North Thompson River, and the chief difficulty is in the Alberta district, where a good deal of work would have to be done. Alderman Blatchford is hoping to be able to arouse the interest of Coast people in the project and have it put through without further delay, he stated to The Times.

Speaking of the movement of grain to the Pacific Coast, he expressed the opinion that what is primarily needed is the formation of a central authority in Vancouver in the form of a grain exchange. "This," says Alderman Blatchford, "would enable prices to be quoted in Vancouver just as in Winnipeg. Edmonton stands to gain immensely by adequate elevator capacity in its own city and Vancouver, through the clearing and streamlining of grain before it is sent westward. With proper facilities there is no reason why all the grain west of Saskatoon should not come this way."

Alderman Blatchford declares that a most favorable impression has been created throughout the province by Premier Oliver's statement with regard to freight rates. "He created a better impression in Edmonton than any British Columbia speaker has ever done before," says the alderman. "Not only has the City Council of Edmonton appropriated a sum to investigate the matter and to carry on propaganda among the farmers, but the Premier managed to swing the general debate on freight rates in favour of the movement, as is shown by the resolution which the Legislature of the province adopted the other day."

LEASE WILLOWS TO B.C. AGRICULTURAL ASSOCIATION AGAIN

But Council Demands Grounds Be Used for Athletic Purposes

Call Conference of Sports Bodies to Plan Use of Park

The B. C. Agricultural Association was last night given another year's lease of the Willows grounds, but in deciding on this lease the City Council stipulated that the Association call a conference of athletic organizations to frame plans for the wider use of the grounds for athletic purposes.

A strong effort was made by a portion of the Council to bring about an arrangement whereby the city and Oak Bay would manage the Willows jointly.

Recommendations wider use. Alderman W. J. Sargent, who proposed this line of action of the Council, gained wide support. Alderman Leeming and Alderman Todd both agreed with the Association call for the use of the Willows should not be confined to racing and agricultural affairs. Alderman Leeming said that the Agricultural Association, which controls the grounds, had done little to encourage the use of the Willows for athletic purposes.

Alderman George Sangster, Secretary of the Agricultural Association, warmly defended the Association's use of the Willows and said that he had managed the Willows he had acted solely in the city's interests and had eliminated deficits on the grounds of Oak Bay.

IMPERIAL SERVICE MEDAL PRESENTED

Frank E. Murton Is Given Recognition for Services

Having given the Dominion Government twenty-nine years of faithful service in the position of letter carrier, Frank E. Murton, of 499 Superior Street, was superannuated in July, 1921, and presented with the Imperial Service medal at the post office building yesterday afternoon.

The presentation of the medal was made by Postmaster Bishop.

Mr. Murton is a native of Sault Ste. Marie, and came to Victoria in 1891, securing a position on the Post Office staff at the old site in 1894.

TWO PAVING STRIPS ON JOHNSON STREET IS COUNCIL'S PLAN

Committee to Choose Engineer to Investigate Costs

Two strips of paving fifteen feet wide each will be laid on Johnson Street from the new Johnson Street Bridge, westward, as a result of a decision reached by the City Council last night. When the B. C. Electric Railway Company decides to route its street cars along Johnson Street it will be able to lay its tracks in the space between these two strips of paving. Tenders for the paving work will be called by the city immediately.

Alderman E. S. Woodward and E. B. Andros urged the Council to lay only a strip of paving and thus save money.

They argued that the Electric Railway Company had declined to lay tracks on Johnson Street so that no further consideration of street car requirements was needed.

A special committee composed of Mayor Hayward and Aldermen Sangster and Leeming will select a neutral engineer to investigate City Engineer F. M. Preston's estimate of the cost of finishing the Johnson Street Bridge. The committee will be allowed to spend \$150 in this investigation.

COWPER'S SHORTAGE AGAIN CAUSES SECRET DEBATE

Saanich Council Closes Doors at Reeve Watson's Suggestion

The secret session practise which has marked every sitting of the Saanich Council last night took a more emphatic aspect than ever, the doors being closed to the public before 9 o'clock, after only an hour of general debate on municipal matters. The report of the auditors on the Cowper deficiencies comprised the secret business which Reeve Watson desired kept from the public.

The long delayed yearly report, which was signed by the auditors a week ago, was issued. It gave data identical with the material informally presented to the ratepayers at the annual elections, save for the inclusion of Clerk Cowper's deficit of \$10,919.45, which is shown as a suspense account.

GIRLS HEARD ADDRESS

Special to The Times. Metchosin Mrs. N. Dixon, organizing secretary of the Diocese Branch of the Women's Auxiliary, visited Metchosin on Saturday afternoon formally to organize the Girls Branch recently formed in the district. The members of which had gathered at St. Mary's Vicarage for that purpose. Mrs. Dixon talked to the girls of their responsibilities and of other interesting subjects, her visit being much enjoyed by the young members. After closing prayers, tea was served by the hostess and superintendent of the branch, Mrs. F. Comley.

The Metchosin Women's Institute will meet to-morrow afternoon at Metchosin Hall, when Mrs. N. Howard will speak.

IMPLIES LACK OF BUSINESS METHODS

Councillor Kirkham Would Pay Able Workers More Than Relief Men

"To put the Saanich works department on a business-like basis" was Councillor H. O. Kirkham's reason for moving at last night's session of the Council, for \$3.50 as the minimum wage for able-bodied employees, other than relief workers.

His motion was as follows, being seconded by Councillor Macnicol: "Whereas the Saanich Municipality finds it necessary from time to time to give employment to a number of men in the form of relief work and whereas, it is not desirable that the wage should be the same for relief as for permanent work, therefore, he resolved that the minimum wage of the employees of the Works Department for other than relief workers be not less than \$3.50 per day."

Councillor Macnicol stated his support to be due to a desire to get a higher basic scale, even if only a few men benefited.

Councillor Brooks declared opposition to any raise. Councillor Robertshaw opposed any sectional increase not benefiting all the men, urging all men be paid the \$3.50 scale. Councillor Lehman objected that teamsters were overlooked, and Reeve Watson wanted delay to allow for a motion on the Council, Councillor Vantreghel being absent.

Eventually Councillor Kirkham converted his motion into a notice to be presented again next week.

LOCAL MOOSE SELECT OFFICERS

Brother Copeland Is Dictator and Supreme Lodge Representative

The regular meeting of Victoria Lodge, No. 1399, was held on Friday evening, and the attendance was exceptionally large. At this meeting the annual election of officers took place, and in addition a number of new candidates were elected to membership.

The following is the list of officers for the ensuing term: Dictator, Bro. E. Copeland; vice-dictator, Bro. W. M. Ritchie; preside, Bro. W. D. Taylor; treasurer, Bro. J. P. Parnall; Trustees, Bro. C. Cumling (three years); Bro. A. McCoy (two years); Bro. W. B. Wilson (one year); secretary, Bro. J. F. Pearce (three year term); Physician, Bro. Dr. Howard Miller; Supreme Lodge representative, Dictator, C. E. Copeland; Alternative, Bro. W. A. Hurd, past dictator.

The installation of officers was scheduled for a meeting on March 16, but as it has been deemed necessary to initiate a number of candidates on this night, the regular lodge meeting will be held and the installation ceremony staged at a special meeting in the K. of P. No. 1 Hall on Friday evening, March 23.

After the installation a social event will follow for members and their wives, members of the Women of Mooseheart Legion, and Junior Order members. Dictator, C. E. Copeland.

Reports from the heads of the various convention committees were given at the meeting, all of which show progress, and the annual report of the dictator was well received. Social events during the past season proved a success, and the recent Entertainment Ball Committee report

WANTS TO HELP OTHER WOMEN

Grateful for Health Restored by Lydia E. Pinkham's Vegetable Compound

Toronto, Ont.—"I took Lydia E. Pinkham's Vegetable Compound for headache and for weak and dreary feelings caused by my condition. Sometimes I felt so bad that I couldn't do my housework. My neighbor told me of your medicine and I read about it in the 'Toronto Telegram' and thought I would take it. I got very good results. It built me up and I have told several friends what it has done for me. You may use this testimonial as it may be of help to some one who has suffered as I have."

—Mrs. J. Lee, 26 Harvie Avenue, Toronto, Ont.

Mrs. Lee is willing to write to any girl or woman suffering from such troubles, and answer any questions they may like to ask.

Women suffering from female troubles causing headache, irregularity, pains, bearing-down feelings, and weakness should take Lydia E. Pinkham's Vegetable Compound. Not only is the worth of this splendid medicine shown by such cases as this, but for nearly fifty years letters like this have been received from thousands of women.

You might be interested in reading Mrs. Pinkham's Private Text-Book upon the "Ailments of Women." You can get a copy free by writing the Lydia E. Pinkham Medicine Co., Cohasset, Ontario.

HOUSING SCHEME PAILED BURDENS ON SOLDIER BUYERS

Saanich Finds Peak Price Homes Heavy Load

"A kindness to turn them out," last night was Councillor Macnicol's remark on the condition of the housing scheme, as at present operating in Saanich.

S. Campion and others had appealed to the Council for leniency in the terms under which they are purchasing homes. Councillor Macnicol considered strict adherence to the agreements to be tantamount to turning soldiers out of their homes.

Reeve Watson inquired, "what is your opinion as to the condition which will result if we modify the time clause?" and drew forth Councillor Macnicol's summary and the charge "it is wicked, the houses were built at the peak of prices, one is standing at \$2,800 on our books, and we could only get a bid of \$1,900. Conditions will get worse as the years pass."

It was noted that, if the Council overlooked the letter of the bargain, and in some instances accepted smaller instalments, all purchasers would demand a like favor, while the benefit to men in arrears would be nil, as assessments would have to be added to make-up accrued arrears.

Councillor Macnicol was appointed to take up the Campion case, after a discussion marked by sympathy, but little hope of assistance being legally possible.

SIDNEY HEARS RADIO

Special to The Times.

Sidney—The usual progressive five hundred was held at the Deep Cove Social Club Hall. Twelve tables were occupied. The first prizes were won by Mrs. Sorenson and B. Copthorne. The consolation prizes were won by P. Bradbury and N. Alder. Supper was in charge of Mrs. Matthews and Mrs. Mears. During supper Mr. Birstowe recited "The Origin of Scandal" and "Little Jacob Strauses."

A radio telephone has been installed at Resthaven Sanitarium. The other evening, through the kindness of Dr. Parrot, some of the local residents were enabled to listen to a concert which was being held in San Francisco. John McCormick sang "I Hear You Calling Me." There were also three male quartettes and three pieces on the organ by Miss G. Salsbery. It was all very distinct.

There was a very large crowd at the Bachelors' Ball at the Deep Cove Social Club Hall. The committee in charge of the arrangements were O. Clark, B. Copthorne, W. Horth, R. Matthews and G. Sayles. The music was provided by Mrs. Gleason of Victoria, and Mr. Robinson, of Elk Lake. Dancing continued until 3 o'clock. Cards were provided for those who did not dance. Several tables were occupied. An excellent supper was thoroughly appreciated. Those in charge of the arrangements for the evening were: O. Clark, R. Clark, T. Lindsay, J. Simpson and G. Sayles. A very hearty vote of thanks was given the bachelors by the president and vice-president of the ladies' committee, and was responded to on behalf of the bachelors by W. Horth. The evening ended with the singing of "For They Are Jolly Good Fellows."

There's no place like home, even if it is a homely place.
