Two targets were assigned this flight:

1. Five planes struck at a large building just outside the town of ~~XXXXX~~, with one direct hit on the building and one damaging hit on a large building, a warehouse, just across the road, south of the assigned building. All planes made strafing runs with unobserved results.
2. Mortar positions east of ~~XXXXX~~ were covered. All bombs in the assigned target area, with results not visible from the air. The pilots could not see the gun positions.
