Wiki Loves Capitol Hill lessons learned
Imagine a World Without Free Knowledge

For more than a decade, we have spent millions of hours building the largest encyclopedia in human history. Right now, the U.S. Congress is considering legislation that could fatally damage the free and open Internet. For 24 hours, to raise awareness, we are blacking out Wikipedia. [Learn more.]

Why not?

(a) Advocacy is social engineering.

Lobbying as a serious business and a long-term project

- Monitoring of legislative affairs
- Writing Policy Papers and expert’s opinions
- Building up alliances and networks
- Being visible in the public sphere (with events, publications)
- Seeking partnerships and cooperations

SUCCESS begins with thinking, and
THINKING begins with asking questions!

SUGGESTIONS also play a vital part in success,
for THINKING results in ideas—and ideas and
suggestions go hand in hand.
