Florists Wholesale Price List for July and August 1919

of High Class Flower Seeds and Bulbs for Early Planting

James Vick's Sons, Seedsmen, Rochester, N.Y. The Flower City

GIANT FLOWERING PANSIES

We have discarded the old style, small flowered, so called Standard Pansies and under the heading of Giant Flowering Pansies we list the better known named varieties of the popular "Giant" strain. Seed should be sown in mid-summer where it can be shaded and watered and the plants given the protection of leaves or straw over winter where they are not planted in cold frames.

GIANT FLOWERING PANSIES

We have dropped the old fashioned "Standard" or ordinary sized Pansies from our list of named varieties.

Pkt. 25 cts., 1/8 oz., 50 cts.

paniculata, perennial, white, fine for cutting	40 3 50
" double, (true) (Crop failure)	

HUNNEMANIA-Fumariaefolio, (Bush Escholtzia) Hardy Annual.

This plant is a native of Mexico and because of the resemblance of its foliage to California Poppy is sometimes called Bush Escholtzia. The petals are broad, much ruffled and of beautifully satiny texture. The plant is of bushy habit, with sweet scented, yellow cup-shaped flowers, three inches or more across. The flowers have wavy borders and stand up like Tulips. A good pot plant, and outside blooms from the middle of July to killing frost.

¼ oz., 15c. 40

MIGNONETTE

Machet Perfection. Plant dwarf and vigorous of good habit, producing large spikes of very sweet-scented flowers. Fine for cutting. 1-4 Ounce, 25 cents.

Allen's Defiance. Spikes from twelve to fifteen inches long, deliciously fragrant. Spikes have been kept three weeks after cutting, retaining the fragrance till every bud opened. 1-4 Ounce, 25 cents.

Goliath. The plants are compact in habit, with rich, green foliage, and the immense trusses of highly-scented flowers are borne on erect, strong, stiff stalks. It is especially suited to house culture. 1-4 Ounce, 50 cents.

Large Flowering. Very large, true pyramidal shape. Reddish-colored flowers borne on strong stems, well above the dark green, slightly crumpled foliage.

White Pearl. White; strongly scented. 1-4 Ounce, 35 cents.

SCHIZANTHUS—Mixed varieties 1.4 oz., 15c. 50

" Wisetonensis, splendid pot plant. 1-32 oz., 15c.

SMILAX, BOSTON, (Myrsiphyllum asparagoides,) 35

STOCKS

A Money Making Crop

Do not overlook Winter Flowering Stocks in making your plans for the coming season. This is one of the most profitable crops for florists and deserves a much more prominent place than ordinarily given it.

Stocks grow very rapidly, throw out numerous side branches, all of which bear very double fragrant flowers valuable for cutting. They grow so rapidly, bloom so profusely and continuously and require relatively so little attention that they are a real money making crop. Our offering of Stocks shown on this page includes all the very best and most popular varieties.

STOCKS, CUT and COME AGAIN

New Early-Flowering Long-Season Spencer Sweet Peas

Immense waved orchid-like flowers on long stems that bloom four weeks earlier than the late Spencers, and continue to blossom for four months. For forcing or open-ground culture.

Early Morning Star. Deep orange-scarlet or flame color in standard with rich orange-pink wings. It does not burn in the open, and under glass will be magnificent. The flowers are large and of best Spencer form, and are borne in threes and fours in wonderful profusion. Packet of 25 seeds, 20 cents.

Early Song Bird. We are sure this will be the early pale pink for florists. The flower is the same color as the "Florence Morse Spencer," and has the same excellent form and features of "Mrs. Hugh Dickson," but is on white ground. The placement of the flowers is splendid for packing, and the flowers are borne on long stems in threes and fours. Packet of 25 seeds, 20 cents.

Early Melody. Deeper shade of pink than "Early Song Bird," on white ground, closely resembling "Countess Spencer" and near "Hercules." Can be described as rose pink on white ground. Four large well-waved flowers are borne on nearly every stem. Packet of 25 seeds, 20 cents.

Early Spring Maid. The color is light pink on cream ground, and blossoms have the same splendid characteristics as "Mrs. Hugh Dickson." There is no other Early Spencer cream-pink as attractive as "Early Spring Maid."

Packet of 25 seeds, 20 cents.

Early Snow Flake. Pure white. This is the best Early-Flowering Spencer we have seen. The blossoms are very large and of the best waved Spencer form. The flowers are borne in wonderful profusion on long stems. This will be in great demand by all who grow for market. Packet of 25 seeds, 20 cents.

Early Heather Bell. This will be one of the most popular shades with all florists, as it will be so useful in making up for any occasion. Flowers are very large, borne in fours and threes on stout stems. Color is a rich, pleasing mauve. After standing in water becomes mauve lavender.

Packet of 25 seeds, 20 cents.

Winter-Flowering Sweet Peas

Grown Especially for Forcing

	Per oz.	1/2 lb.	Per lb.
Christmas White, (Mont Blanc)	\$0 10	\$0 35	\$1 25

There is Money in Hardy Perennials

Hardy Perennials are again coming into favor and they seem likely to become again the most popular of all flowers. The most exclusive new realty sections being opened up throughout the country are being decorated largely with Hardy Perennials and it is no uncommon sight to see stately clumps of Hollyhock and Delphinium adorning the nooks and corners of the grounds of the most beautiful dwellings. Hardy Perennials are essential in every landscape gardening project. No home garden is complete without masses of the numerous varieties of Hardy Perennials that lend themselves freely to color schemes and produce a profusion of flowers over a long period. The Florist who is prepared to supply the demand during the building revival, which is sure to come within the next year will reap a rich harvest. Moreover, he will find that the flowers are always handy in making up designs and set pieces. If in doubt as to just what varieties to use for different purposes do not hesitate to write us. In no other way can one secure larger returns from a slight investment than with Hardy Perennials.

LILIUM TIGRINUM—The Old Fashioned Tiger Lily

BULBS FOR EARLY PLANTING

Not less than six bulbs of a kind at the dozen price, 25 at the 100 or 250 at the 1000

We list below a few bulbs that are used for summer and early fall planting. Your order for these varieties should be placed at once so that they may be sent you immediately on arrival, for the early flowers usually bring more money than any others. Freesias should be sent you immediately; Callas will be ready in August, and French bulbs, such as Romans, Paper Whites and *Lilium Candidums* should all be ready for delivery in August.

Our complete descriptive catalogue of bulbs will be ready for mailing about September 1st. If you do not receive a copy promptly, ask for it. In the meantime we very strongly recommend that you place your order with us for Dutch bulbs at the earliest possible moment. Our stock is grown by the best bulb growers of Holland and our prices are always in line with the quality of seeds or bulbs that we supply.

Early Roman Hyacinths

We have imported this popular variety of bulbs for a great many years from one of the most reliable growers of France and they have always given uniform satisfaction. We expect to be able to make delivery in August.

One of the most popular varieties for florists and gardeners. Can be brought into bloom in November if planted in August, and a succession of blooms can be had the entire winter. Crop very short this year. Pure White, 12 to 15 centimeters. Per dozen, 85c; per 100, \$6.00; per 1000, \$55.00.

Pink Romans, per dozen, 75c; per 100, \$5.00

Blue Romans, per dozen, 75c; per 100, \$5.00

Narcissus, Paper White Grandiflora

Superior in every way to the ordinary Paper White. Very popular for forcing. Can be brought into flower in about 30 to 40 days. Will do well in ordinary house temperature

and with no special care. For growing in shallow dishes in pebbles and water they are superior to Chinese Lilies. Flowers are larger, more attractive in color and possess a more pleasing fragrance. Pure White 13 centimeters or over, per dozen, 40 cents; per 100, \$2.25; per 1000, \$20.00.

Chinese Lilies are so high priced that there will be an enormous demand for Paper Whites.

EARLY ROMAN HYACINTHS

Double Roman Narcissus

One of the best varieties for forcing. Flowers white, with yellow centers. Deliciously fragrant.

Per dozen 30 cents; per 100, \$1.75; per 1000, \$15.00.

NARCISSUS, PAPER WHITE GRANDIFLORA

LILIUM HARRISII (True Bermuda Easter Lily)

slender stems. Unsurpassed in stateliness and beauty. Large size bulbs, per dozen, \$8.00. Extra large bulbs, per dozen, \$1.50 ; per hundred, \$10.00. Mammoth bulbs, per dozen, \$1.75 ; per hundred \$12.00.

Miniature Hyacinths

These are small bulbs, single flowering and excellent for growing in pans, pots or boxes in the house, or in the open ground. They bloom early and very freely. May be planted close together with charming effect. Very valuable and popular with florists everywhere.

Named varieties, \$3.00 per hundred ; \$27.00 per thousand,

Hyacinths for Bedding or Pot Culture

Single Hyacinths, unnamed separate colors, 15 to 16 centimeters, \$3.50 per hundred; \$33.00 per thousand.
 Double Hyacinths, unnamed separate colors, \$3.85 per hundred ; \$25 per thousand.
 First size named Hyacinths for pot culture, \$1.25 per dozen ; \$9.00 per hundred.

LILIES

Special Notice Regarding Japanese and Bermuda Lilies

At the time of going to press the market price of lilies from the different sources of supply not having been fixed we are booking orders at open prices. The supply is very short and cost of production very high. We advise that you send us your orders at once that we may reserve your bulbs for you on arrival. The price will be fixed in accordance with market conditions and you will be notified at the earliest possible moment. We will ship as soon as we have your approval of our quotations.

Lilium Harrisii

(True Bermuda Easter Lily)

Invaluable for florists. Can be forced into bloom by Christmas. Our stock comes direct from one of the best growers in Bermuda, to whom we pay special prices to secure extra good bulbs, well-grown thoroughly ripened, carefully packed. We believe this stock will give perfect satisfaction.

Lilium Longiflorum

or Japanese Easter Lily

This magnificent lily is a great favorite for forcing and outdoor planting. It resembles L. Harrisii in color and shape. While it cannot be brought into flower quite as early, it is a great favorite to follow Harrisii. Flowers are pure white, trumpet shaped and exquisitely fragrant. We offer only the best imported stock.

Lilium Longiflorum Formosum

Strong healthy bulbs, peculiarly unsusceptible to disease. Forces readily. Free bloomer. Especially recommended for florists. A growing favorite.

Lilium Longiflorum Multiflorum

A popular type of the well-known Japanese Easter Lily. This will be especially popular this season because of the scarcity of Harrisii

Lilium Longiflorum Giganteum

Dark stem variety. A little later and more hardy than Multiflorum, the most popular of all the lilies.

Lilium Candidum

from Northern France

This variety is sometimes called the Annunciation Lily or the Madonna Lily. Good for forcing, also used for outdoor planting. Its snowy white flowers are borne on long

HYACINTH

Calla Lilies

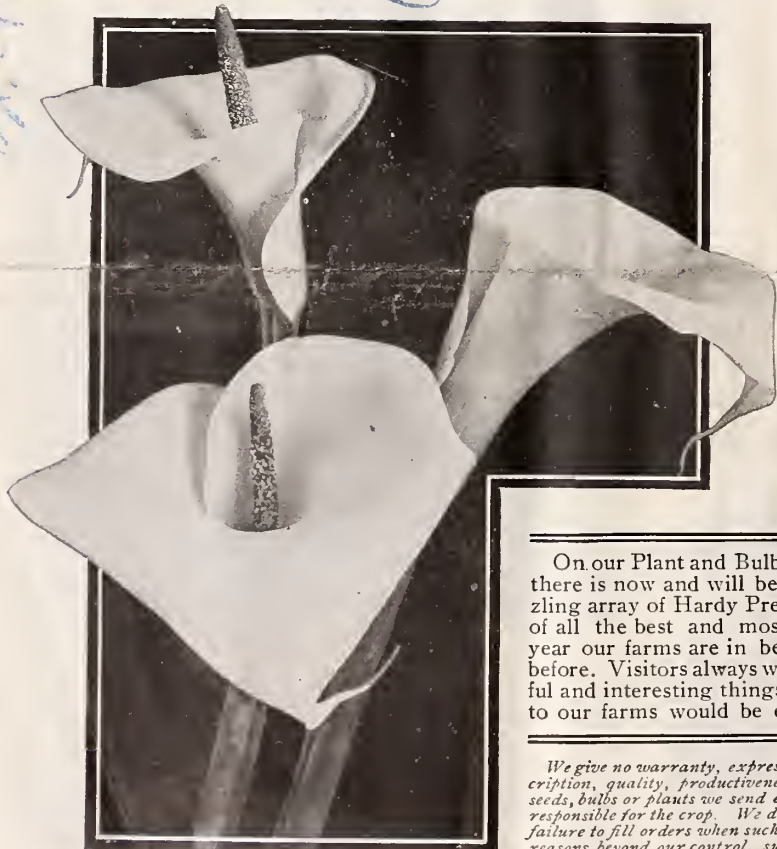

Dry Bulbs

Owing to the shortage of the other Lily stocks there is bound to be a tremendous demand for Calla Lily bulbs. We have a very select stock of bulbs, two inches and up, which we offer at \$1.75 per dozen or \$12.00 per hundred.

Superior for forcing. Our bulbs are thoroughly ripened and come direct from one of the largest growers in the world.

On our Plant and Bulb Farms at Barnard, N.Y., there is now and will be until "freeze-up" a dazzling array of Hardy Perennials, Shrubs and Plants of all the best and most popular varieties. This year our farms are in better condition than ever before. Visitors always welcomed. So many beautiful and interesting things are to be seen—a visit to our farms would be eminently worth while.

We give no warranty, expressed or implied, as to purity, description, quality, productiveness or any other matter of any seeds, bulbs or plants we send out, and will not be in any way responsible for the crop. We decline responsibility for delays or failure to fill orders when such delays or failures are caused by reasons beyond our control, such as strikes, fires, damage by flood, or other losses. All offers subject to confirmation by us on receipt of acceptance.
