CABINET ORDERS

I hereby promulgate the Cabinet Order concerning Right or Qualification to receive Pensions, Annuities, etc. to be acquired by the Person who has been granted Cancellation of or Release from the Designation as falling under the Memorandum or as Unacceptable to Educational Service.

Signed: HIROHITO, Seal of the Emperor

This sixteenth day of the tenth month of the twenty-sixth year of Showa (October 16, 1951)

Prime Minister
YOSHIDA Shigeru

Cabinet Order No. 335

Cabinet Order concerning Right or Qualification to receive Pensions, Annuities, etc. to be acquired by the Person who has been granted Cancellation of or Release from the Designation as falling under the Memorandum or as Unacceptable to Educational Service

In accordance with the provisions of Article 5 paragraph 3 of the Imperial Ordinance relating to the Exclusion, Retirement, etc. in respect to Public Offices (Imperial Ordinance No. 1 of 1947) and of Article 5 paragraph 3 of the Cabinet Order concerning the Exclusion, Removal and Reinstatement, etc. of Member of the Educational Service (Cabinet Order No. 62 of 1947), the Cabinet establishes this Cabinet Order.

(Purpose of this Cabinet Order)

Article 1. Matters necessary for the acquisition of the right or qualification to receive private or public pensions, annuities, or other allowances or benefits (hereinafter referred to as "the allowances or benefits") under the provisions of Article 5 paragraph 3 of the Imperial Ordinance relating to the Exclusion, Removal, etc. in respect to Public Offices (hereinafter referred to as "Imperial Ordinance No. 1") or of Article 5 paragraph 3 of the Cabinet Order concerning the Exclusion, Removal and Reinstatement, etc. of Member of the Educational Service (hereinafter referred to as "Cabinet Order No. 62"), by the person who has been granted cancellation of or release (hereinafter referred to as "the person released from the designation") from the designation as person falling under the Memorandum or as person unacceptable to educational service (hereinafter referred to as "the designation") in accordance with the provisions of Article 4-(2) paragraph 1 of Imperial Ordinance No. 1 or of Article 4-(3) paragraph 1 of Cabinet Order No. 62 shall be provided for by this Cabinet Order.

(Right or Qualification to receive Pensions to be acquired by the Person released from the Designation)

Article 2. With regard to the right or qualification to receive pensions under the Pension Law (Law No. 48 of 1923) to be acquired by the person released from the designation (hereinafter referred to as "the Pension") in accordance with the provisions of Article 5 paragraph 3 of Imperial Ordinance No. 1 or of Article 5 paragraph 3 of Cabinet Order No. 62, if he comes under any of the following items, it shall be in accordance with the provisions of each item concerned:

(1) In case the person released from the designation is a person who received the designation as one falling under the Memorandum and as one unacceptable to educational service, he shall, only when he has been granted cancellation of or release from both these designations, be deemed to have been granted cancellation of or release from the designation on the day of his cancellation of or release from the designation whichever the later, and the provisions of Article 5 paragraph 3 of Imperial Ordinance No. 1 or of Article 5 paragraph 3 of Cabinet Order No. 62 shall apply.

(2) In case the person released from the designation came under the cases provided for in Article 9 paragraph 1 item (2) or (3), paragraph 2 of the same Article or Article 80 paragraph 1 of the Pension Law after the day of his designation and before the day of his cancellation of or release from the designation, he shall be deemed not to have the right or qualification to receive the pension concerned.

(3) In case the person released from the designation was designated and separated from

public service under the Pension Law (including the case substantially deemed similar thereto), if he has been punished with a penalty not lighter than imprisonment after the day of his separation from office and before the day of his cancellation of or release from the designation, he shall be deemed to have held his public service continuously under the same Law from the time of his separation to the time of his punishment and the provisions of Article 51 of the said Law shall apply.

(4) In case the pension to be acquired by the person released from the designation is an annuity, the amount of the said pension shall be that computed by applying the provisions of laws and orders fixed in regard to the amendments of pension amounts in consequence of the revision of pay basis of the national public service personnel.

(5) In case the person released from the designation is a deceased person, he is deemed to have deceased on the day of his cancellation of or release from the designation, and the provisions of Article 5 paragraph 3 of Imperial Ordinance No. 1, or of Article 5 paragraph 3 of Cabinet Order No. 62 shall apply.

2 In the case coming under the provisions of item (5) of the preceding paragraph, if the person released from the designation has acquired the right or qualification to receive an ordinary pension in accordance with the provisions of Article 5 paragraph 3 of Imperial Ordinance No. 1 or of Article 5 paragraph 3 of Cabinet Order No. 62, he shall be deemed to come under the case provided for in Article 73 paragraph 1 item (2) of the Pension Law and the dependency pension under the provisions of the same Article or lump-sum dependency allowance under the provisions of Article 81 of the same Law shall be granted only to the person mentioned in item (1) or (2).

(1) Out of the bereaved family of the person released from the designation, the one who did not come under the case provided for in Article 9 paragraph 1, Article 76 or Article 80 paragraph 1 of the Pension Law before the day when the person released from the designation was granted cancellation of or release from the designation;

(2) Out of the brothers and (or) sisters, who are the members of the bereaved family of the person released from the designation, the one who came under the case provided for in Article 81 paragraph 1 of the Pension Law on the day when the person released from the designation deceased and on the day when he was granted cancellation of or release from the designation.

(Starting Time of Granting Pensions which are Annuities)

Article 3. The pension which is an annuity to be acquired by the person released from the designation in accordance with the provisions of Article 5 paragraph 3 of Imperial Ordinance No. 1 or Article 5 paragraph 3 of Cabinet Order No. 62 shall be granted from the month covering the day of cancellation of or release from his designation; provided that, in the case coming under the provisions of paragraph 1 item (5) of the preceding Article the person released from the designation shall not be granted the pension which is an annuity, but the bereaved family shall be granted the dependency pension under the provisions of Article 73 of the Pension Law, or lump-sum dependency allowance under the provisions of Article 81 of the same Law, from the month covering the day of cancellation of or release from his designation.

(Allowances or Benefits other than Pensions)

Article 4. The allowances or benefits other than pensions shall be granted according to the provisions of the preceding two Articles and as provided for by the party granting allowances or benefits.

(Procedures for Granting Allowances or Benefits)

Article 5. The procedures for granting allowances or benefits shall be in accordance with the order under the Pension Law as for the pension, and in accordance with the regulation by the party granting allowances or benefits as for other allowances or benefits.

Supplementary Provision:

This Cabinet Order shall come into force as from the day of its promulgation.

Prime Minister
YOSHIDA Shigeru
Minister of Education
AMANO Teiyu

I hereby promulgate the Cabinet Order for Partial Amendments to the Regulations regarding the Granting of Pensions.

Signed: HIROHITO, Seal of the Emperor

This sixteenth day of the tenth month of the twenty-sixth year of Showa (October 16, 1951)

Prime Minister
YOSHIDA Shigeru

Cabinet Order No. 336

Cabinet Order for Partial Amendments to the Regulations regarding the Granting of Pensions

In accordance with the provisions of Article 18-(2) of the Pension Law (Law No. 48 of 1923), the Cabinet establishes this Cabinet Order.

The Regulations regarding the Granting of Pensions (Imperial Ordinance No. 369 of 1923) shall be partially amended as follows:

Article 19-(2) shall be amended as follows:

Article 19-(2). In case a person whose designation as a person falling under the Memorandum has been rescinded in accordance with the provisions of Article 4-(2) paragraph 1 of the Imperial Ordinance relating to the Exclusion, Retirement, etc. in respect to Public Offices (Imperial Ordinance No. 1 of 1947; hereinafter referred to as Imperial Ordinance No. 1 in this Article) (the person shall be hereinafter referred to as a Memorandum depurgee in this Article) wishes to apply for a pension provided for in Article 5 paragraph 3 of the same Ordinance, or in case a person whose designation as being unqualified for the teaching profession has been cancelled in accordance with the provisions of Article 4-(3) paragraph 1 of the Cabinet Order concerning the Exclusion, Removal, Reinstatement, etc. of Member of the Educational Service (Cabinet Order No. 62 of 1947; hereinafter referred to as Cabinet Order No. 62 in this Article) (the person shall be hereinafter referred to as an Educational depurgee in this Article) wishes to apply for a pension provided for in Article 5 paragraph 3 of the same Order, the application shall respectively be accompanied with the documents mentioned in items (1) and (3) or mentioned in items (2) and (3), besides complying with the other provisions of this Chapter:

(1) A copy of the certificate, issued by the Prime Minister or the governor of To, Do, Fu or prefecture, stating that the designation of the person as falling under the Memorandum has been rescinded, and bearing the date of the above rescission;

(2) A copy of the certificate, issued by the Minister of Education, stating that the designation of the person as being unqualified for the teaching profession has been cancelled, and bearing the date of the above cancellation;

(3) A statement showing clearly that the Memorandum depurgee or the Educational depurgee does not fall under the provisions of Article 2 paragraph 1 items (2) and (3) of the Cabinet Order regarding Right or Qualification to receive Pensions, Annuities, etc. to be acquired by the Person who has been granted Cancellation of or Release from the Designation as falling under the Memorandum or as Unacceptable to Educational Service (Cabinet Order No. 335 of 1951; hereinafter referred to as Cabinet Order No. 335 in this Article), or that though the person falls under the provisions of item (3) of the same paragraph, he is qualified to receive a pension.

Regarding the application of the preceding paragraph, in case the Memorandum depurgee or the Educational depurgee received a pension-deed before, the application for a pension based on the rescission of the designation as a person falling under the Memorandum or the application for a pension based on the cancellation of the designation as a person unqualified for the teaching profession shall be presented to the Deciding Office, together with the documents mentioned in items (1) and (3) of the preceding paragraph or those mentioned in items (2) and (3) of the same Article respectively, irrespective of the other provisions of this Chapter.

In case a Memorandum depurgee or an Educational depurgee is a decedent, if his surviving dependents wish to apply for a dependency pension or a lump-sum dependency allowance based on the right to or qualification for a pension provided for in Article 5 paragraph 3 of Imperial Ordinance No. 1 or in Article 5 paragraph 3 of Cabinet Order No. 62, the application shall respectively be accompanied with the documents mentioned in items (1), (3) and (4) in the case of a Memorandum depurgee or those mentioned in items (2), (3) and (4) in the case of an Educational depurgee, besides complying with the other provisions of the Chapter:

(1) The document mentioned in paragraph 1 item (1);

(2) The document mentioned in paragraph 1 item (2);

(3) The document mentioned in paragraph 1 item (3);

(4) A statement showing clearly that the applicant falls under the provisions of Article 2 paragraph 2 item (1) or (2) of Cabinet Order No. 335.

Regarding the application of the preceding three paragraphs, in case the Memorandum depurgee or the Educational depurgee falls under the provisions of Article 2 paragraph 1 item (1) of Cabinet Order No. 335, the application shall respectively be accompanied with the documents mentioned in paragraph 1 item (2) in the case of a Memorandum depurgee or his surviving dependents, or those mentioned

in item (1) of the same paragraph in the case of an Educational depurgee or his surviving dependents, besides the documents mentioned in the preceding three paragraphs.

The following Article shall be added next to the same Article:

Article 19-(3). In case a person who was removed from public service in accordance with the provisions of the SCAP Memorandum of October 4, 1945, relating to Removal of Restrictions on Political, Civil and Religious Liberties and who has been cleared from the purge with respect to reinstatement as a public official in accordance with the provisions of the same Memorandum (hereinafter referred to as depurge in this Article) (the person shall be hereinafter referred to as a depurgee in this Article) wishes to apply for a pension provided for in the Prime Minister's Office Ordinance regarding the Non-Application of the Provisions of Article 8 paragraphs 2 and 4 of the Special Instances of the Pension Law (Prime Minister's Office Ordinance No. 43 of 1951; hereinafter referred to as Office Ordinance No. 43 in this Article), the application shall be accompanied with the documents mentioned in the following items, besides complying with the other provisions of this Chapter:

(1) A copy of the certificate, issued by the "honzokucho", stating that the depurgee has been depurged, and bearing the date of the above depurge;

(2) A statement showing clearly that the depurgee does not fall under the provisions of Article 3 paragraph 1 items (1) and (2) of Office Ordinance No. 43, or that, though the person falls under the provisions of item (2) of the same paragraph, he is qualified for a pension.

Regarding the application of the preceding paragraph, in case the depurgee received a pension-deed before, the application for a pension based on the clearance of the purge with respect to reinstatement as a public official shall be presented to the Deciding Office, together with the documents mentioned in items (1) and (2) of the preceding paragraph, irrespective of the other provisions of this Chapter.

In case the depurgee is a decedent, if his surviving dependents wish to apply for a dependency pension or a lump-sum dependency allowance provided for in Office Ordinance No. 43, the application shall be accompanied with the following documents, besides complying with the other provisions of this Chapter:

(1) The documents mentioned in paragraph 1 items (1) and (2);

(2) A statement showing clearly that the applicant falls under the provisions of Article 3 paragraph 2 item (1) or (2) of Office Ordinance No. 43.

Supplementary Provision:

This Cabinet Order shall come into force as from the day of its promulgation.

Prime Minister
YOSHIDA Shigeru
Minister of Education
AMANO Teiyu

.....Post Office)

Re: Application for a Pension based on the clearance of the purge with respect to reinstatement as a public official

Sir,

I, a pensioner, was removed from a public official in accordance with the provisions of SCAP Memorandum relating to the Removal of Restrictions on Political, Civil, and Religions Liberties, and lost my pension right, but as I was cleared from the purge with respect to reinstatement as a public official in accordance with the provisions of the same Memorandum on , 19, I enclose herewith the necessary documents and beg to apply to you for the granting of the pension.

Yours truly,

Full name (Seal)

Permanent domicile:
Present address:

Remark: Phonetic syllabary shall be attached to the full name of the applicant.

Supplementary Provision:

This Office Ordinance shall come into force as from the day of its promulgation.

Prime Minister's Office Ordinance No. 43

October 16, 1951

In accordance with the provisions of Articles 9 and 11 of the Special Instances of the Pension Law (Imperial Ordinance No. 68 of 1946), the Prime Minister's Office Ordinance regarding Non-Application of the Provisions of Article 8 Paragraphs 2 and 4 of the above Imperial Ordinance shall be established as follows:

Prime Minister
YOSHIDA Shigeru

Prime Minister's Office Ordinance regarding Non-Application of the Provisions of Article 8 Paragraphs 2 and 4 of the Special Instances of the Pension Law

Article 1. Regarding matters relating to the non-application of the provisions of Article 8 paragraphs 2 and 4 of the Special Instances of the Pension Law (Imperial Ordinance No. 68 of 1946; hereinafter referred to as "the Imperial Ordinance") to a person who was removed from service as a Public Official provided for in Article 19 of the Pension Law (Law No. 48 of 1923) (hereinafter referred to as "a public official") in accordance with the provisions of the SCAP Memorandum of October 4, 1945 relating to Removal of Restrictions on Political, Civil, and Religious Liberties and who has been cleared from the Memorandum purge with respect to reinstatement as a public official (hereinafter referred to as "depurge") (the person shall be hereinafter referred to as "a depurgee"), they shall be governed by the provisions of this Office Ordinance.

Article 2. In the case of a depurgee, the provisions of Article 8 paragraphs 2 and 4 of the Imperial Ordinance shall not apply as from the time of the depurge.

Article 3. Regarding a pension under the Pension Law (hereinafter referred to as "a pension") to which a depurgee is entitled in accordance with the provisions of the preceding Article, in case he comes under one of the following items, it shall be governed by the provisions of each item concerned:

(1) In case the depurgee came under the cases provided for in Article 9 paragraph 1 item (2) or (3), paragraph 2 of the same Article, or Article 80 paragraph 1, of the Pension Law, between the day of his removal from service as a public official and the day of his depurge, he shall not be granted the pension concerned.

(2) In case the depurgee has been sentenced to not more than 3 years' penal service or imprisonment between the day of his removal from service as a public official and the day of his depurge, he shall be regarded as having continued his public service from the time of his removal to the time of his punishment and the provisions of Article 51 of the Pension Law shall apply.

(3) In case the pension to be granted to the depurgee is an annuity, the amount of the said pension shall be computed by applying the provisions of the laws and orders fixed in regard to the amendments of pension-amounts in consequence of the revision of the pay basis for the national public service personnel.

(4) In case the depurgee is a decedent, he shall be regarded as having died on the day of his depurge and the provisions of Article 2 shall apply.

2 In the case coming under the provisions of item (4) of the preceding paragraph, if the depurgee is entitled to an ordinary pension in accordance with the provisions of Article 2, he shall be regarded as coming under the case provided for in Article 73 paragraph 1 item

(2) of the Pension Law and the dependency pension under the provisions of the same Article or the lump-sum dependency allowance under the provisions of Article 81 of the same Law shall be granted only to the person mentioned in item (1) or item (2):

(1) Out of the surviving dependents of the depurgee, the one who did not come under the case provided for in Article 9 paragraph 1, Article 76, or Article 80 paragraph 1, of the Pension Law before the day of the depurge;

(2) Out of the brothers and (or) sisters who are the surviving dependents of the depurgee, the one who came under the case provided for in Article 81 paragraph 1 of the Pension Law on the day when the depurgee deceased and on the day of his depurge.

Article 4. The annuity-pension to which the depurgee is entitled in accordance with the provisions of Article 2 shall be granted from the month covering the day of the depurge. However, in the case coming under the provisions of paragraph 1 item (4) of the preceding Article, the depurgee shall not be granted the annuity-pension, but his surviving dependents shall be granted the dependency pension under the provisions of Article 73 of the Pension Law from the month covering the day of the depurge, or shall be granted the lump-sun dependency allowance under the provisions of Article 81 of the same Law.

Supplementary Provision:

This Office Ordinance shall come into force as from the day of its promulgation.

Attorney-General's Office Ordinance No. 153

October 16, 1951

The Regulations for the Establishment of Branch Bureaus and Branch Offices of Legal Affairs Bureaus or District Legal Affairs Bureaus (Attorney-General's Office Ordinance No. 12 of 1949) shall be partially amended as follows:

Attoney-General
OHASHI Takeo

In the Annexed Table, "Yunoura-mura" in the Item of the Sashiki Branch Office in the Subsection of the Yatsushiro Branch Bureau under the Section of the Kumamoto District Legal Affairs Bureau, shall be amended as "Yunoura-machi".

Supplementary Provision:

This Office Ordinance shall come into force as from the day of its promulgation.

(5) Person with whom to communicate: Ship stations of the licensee and local telephone or telegraph offices

(6) Matters for communication: Matters relating to navigation and transportation of cargoes, and communication relating to transmission and reception of traffic

(7) License expires on: June 1, 1953. However, unlimited for radiotelegraphy

(8) Place of installation: Osaka-maru
Principal port of mooring: Osaka

(9) Call sign: JJPF

(10) Type of emission, frequency, oscillation system, modulation system and antenna power:

Main apparatus:	A1 A2 375, 400, 425, 468, 500 KC A1 5420, 5570, 6650, 8280, 8435, 8500, 12420, 16560 KC	Crystal oscillation	Last stage suppressor grid modulation	500 W However, 200 W for 5420 KC 300 W for 6650 KC
Emergency apparatus:	A1 A2 375, 400, 425, 468, 500 KC	Crystal oscillation	Last stage suppressor grid modulation	50 W
Special equipment:	Radar PO 9375 MC	Magnetron oscillation	Last stage suppressor grid modulation	30 KW

However, the bandwidth shall be limited within from 9320 MC to 9500 MC.

(11) Type and composition of antenna: T type; Inclined type; Electromagnetic horn with rotating reflex mirror

(12) Permitted operating hours: Continuous

(13) Compulsory operating hours: Continuous

Radio Regulatory Commission Notification No. 1625

October 16, 1951

In accordance with the provision of Article 12 of the Radio Law, the Radio Regulatory Commission granted the radio station license as follows:

Chairman of Radio Regulatory Commission
TOMIYASU Kenji

(1)	Date and number of license:	June 27, 1951; No. 2302
(2)	Name of licensee:	YOSHINAGA Yukio
(3)	Classification of radio station:	Ship station
(4)	Purpose of radio station:	To conduct the maritime mobile service for fishery
(5)	Person with whom to communicate:	Yaizu Fishery Coast Station, ship stations on board fishing ships and local telephone or telegraph offices
(6)	Matters for communication:	Matters relating to navigation, fishery communication, and communication relating to transmission and reception of traffic
(7)	License expires on:	June 27, 1956
(8)	Place of installation:	Kaisho-maru No. 1
	Principal port of mooring:	Ogawa
(9)	Call sign:	JFIK
(10)	Type of emission, frequency, oscillation system, modulation system and antenna power:	

A1 A2 1570, 1620, 1905, 1955 KC	Crystal oscillation	Last stage suppressor grid modulation	A1 35 W A2 15 W
A1 3700, 5520 KC			

(11)	Type and composition of antenna:	Inverted L type
(12)	Permitted operating hours:	Continuous

Radio Regulatory Commission Notification No. 1626

October 16, 1951

In accordance with the provision of Article 12 of the Radio Law, the Radio Regulatory Commission granted the radio station license as follows:

Chairman of Radio Regulatory Commission
TOMIYASU Kenji

(1)	Date and number of license:	June 28, 1951; No. 3410
(2)	Title of licensee:	Hamane Kisen K. K.
(3)	Classification of radio station:	Ship station
(4)	Purpose of radio station:	To conduct the maritime mobile service for marine transportation service
(5)	Person with whom to communicate:	Ship stations of the licensee and local telephone or telegraph offices
(6)	Matters for communication:	Matters relating to navigation and transportation of cargoes
(7)	License expires on:	June 28, 1956
(8)	Place of installation:	Tokihime-maru
	Principal port of mooring:	Kobe
(9)	Call sign:	JQCV
(10)	Type of emission, frequency, oscillation system, modulation system and antenna power:	

A1 A2 375, 400, 425, 460, 500 KC	Crystal oscillation	Ripple modulation	50 W

(11)	Type and composition of antenna:	Inverted L type
(12)	Permitted operating hours:	Continuous

Radio Regulatory Commission Notification No. 1627

October 16, 1951

The name of ship and call name of the Jiko-maru Radio Station were changed on June 16, 1951. The actual state after the change is as follows:

Chairman of Radio Regulatory Commission
TOMIYASU Kenji

(1)	Date and number of license:	June 1, 1950; No. 1376
(2)	Name of licensee:	NAKATA Goromatsu
(3)	Classification of radio station:	Ship station
(4)	Purpose of radio station:	To conduct the maritime mobile service for fishery
(5)	Person with whom to communicate:	Choshi Fishery Coast Station and ship stations of Choshi Fishery Communication System
(6)	Matters for communication:	Matters relating to navigation and fishery communication
(7)	License expires on:	June 1, 1953
(8)	Place of installation:	Jiko-maru No. 3
	Principal port of mooring:	Choshi
(9)	Call name:	Sango-jiko-maru
(10)	Type of emission, frequency, oscillation system, modulation system and antenna power:	

A3 1620, 1955, 2440, 2785 KC	Crystal oscillation	Last stage plate modulation	25 W

(11)	Type and composition of antenna:	Inverted L type
(12)	Permitted operating hours:	Continuous

Radio Regulatory Commission Notification No. 1628

October 16, 1951

The frequencies of the Daikoku-maru No. 3 Radio Station were changed on February 22, 1951. The actual state after the change is as follows:

Chairman of Radio Regulatory Commission
TOMIYASU Kenji

(1)	Date and number of license:	June 1, 1950; No. 6486
(2)	Name of licensee:	FUJINAKA Hachiro
(3)	Classification of radio station:	Ship station
(4)	Purpose of radio station:	To conduct the maritime mobile service for fishery
(5)	Person with whom to communicate:	Narao, Tachiura, Izuhara and Tomie Fishery Coast Stations and ship stations on board fishing ships
(6)	Matters for communication:	Fishery communication and matters relating to navigation
(7)	License expires on:	June 1, 1953
(8)	Place of installation:	Daikoku-maru No. 3
	Principal port of mooring:	Shikimi
(9)	Call name:	Daisan-daikoku-maru
(10)	Type of emission, frequency, oscillation system, modulation system and antenna power:	

A3 1610, 1620, 1930, 2440, 2450, 2545, 2785 KC	No. 1 & No. 2 equipment Crystal oscillation	No. 1 & No. 2 equipment Last stage plate modulation	15 W

(11)	Type and composition of antenna:	Inverted L type; Inclined type
(12)	Permitted operating hours:	Continuous

Radio Regulatory Commission Notification No. 1629

October 16, 1951

Principal port of mooring of the Yamasemi Radio Station was changed on May 1, 1951.

The actual state after the change is as follows:

Chairman of Radio Regulatory Commission
TOMIYASU Kenji

(1) Date and number of license:	June 1, 1950; No. 6282
(2) Title of licensee:	Maritime Safety Agency
(3) Classification of radio station:	Ship station
(4) Purpose of radio station:	To conduct the maritime mobile service for maritime safety service
(5) Person with whom to communicate:	Coast stations of Maritime Safety Agency and ship stations of Maritime Safety Agency
(6) Matters for communication:	Matters relating to the business provided for in Article 2 paragraph 1 of the Maritime Safety Agency Law
(7) License expires on:	June 1, 1953
(8) Place of installation: Principal port of mooring:	Yamasemi Aburatsu
(9) Call sign:	JDKP

(10) Type of emission, frequency, oscillation system, modulation system and antenna power:

A1 A2 375, 425, 468, 500, 1570, 1580 KC A1 A2 A3 1610, 1620 KC A3 2650 KC	Crystal oscillation	A2 A3 Last stage suppressor grid modulation	A1 125 W A2 50 W A3 40 W

(11) Type and composition of antenna:	T type
(12) Permitted operating hours:	Continuous

Radio Regulatory Commission Notification No. 1630

October 16, 1951

Principal port of mooring of the Masu-maru Radio Station was changed on February 8, 1951.

The actual state after the change is as follows:

Chairman of Radio Regulatory Commission
TOMIYASU Kenji

(1) Date and number of license:	June 1, 1950; No. 6240
(2) Name of licensee:	YAMASHITA Suenori
(3) Classification of radio station:	Ship station
(4) Purpose of radio station:	To conduct the maritime mobile service for fishery
(5) Person with whom to communicate:	Makurazaki Fishery Coast Station, local telephone or telegraph offices and ship stations on board fishing ships
(6) Matters for communication:	Fishery communication, matters relating to navigation, and communication relating to transmission and reception of traffic
(7) License expires on:	June 1, 1953
(8) Place of installation: Principal port of mooring:	Masu-maru Yamakawa
(9) Call sign and name:	JDYD; Masu-maru

(10) Type of emission, frequency, oscillation system, modulation system and antenna power:

A1 A2 500, 1570, 1580 KC A1 A2 A3 1620, 1955 KC A1 3700, 5520 KC	Master oscillation Crystal oscillation	A2 Ripple modulation A3 Last stage suppressor grid modulation	A1 A2 125 W However, 100 W for 3700, 5520 KC A3 35 W

(11) Type and composition of antenna:	Inverted L type
(12) Permitted operating hours:	Continuous

Radio Regulatory Commission Notification No. 1631

October 16, 1951

The antenna power of the Koyoshi-maru No. 3 Radio Station was changed on April 19, 1951.

The actual state after the change is as follows:

Chairman of Radio Regulatory Commission
TOMIYASU Kenji

(1) Date and number of license:	June 1, 1950; No. 6222
(2) Name of licensee:	NAGANO Kameichi
(3) Classification of radio station:	Ship station
(4) Purpose of radio station:	To conduct the maritime mobile service for fishery
(5) Person with whom to communicate:	Shimanoura and Makurazaki Fishery Coast Stations, local telephone or telegraph offices and ship stations on board fishing ships
(6) Matters for communication:	Fishery communication, matters relating to navigation, and communication relating to transmission and reception of traffic
(7) License expires on:	June 1, 1953
(8) Place of installation: Principal port of mooring:	Koyoshi-maru No. 3 Shimanoura
(9) Call and sign name:	JJJC; Daisan-koyoshi-maru

(10) Type of emission, frequency, oscillation system, modulation system and antenna power:

A1 A2 1570 KC A1 A2 A3 1620 KC A1 3700 KC A3 2785 KC	Crystal oscillation	A2 A3 Last stage suppressor grid modulation	A1 50 W A2 30 W A3 25 W

(11) Type and composition of antenna:	Inverted L type
(12) Permitted operating hours:	Continuous

Radio Regulatory Commission Notification No. 1632

October 16, 1951

Person with whom to communicate of the Riso-maru No. 5 Radio Station was changed on March 15, 1951.

The actual state after the change is as follows:

Chairman of Radio Regulatory Commission
TOMIYASU Kenji

(1) Date and number of license:	June 1, 1950; No. 6287
(2) Name of licensee:	MISONO Kazuo
(3) Classification of radio station:	Ship station
(4) Purpose of radio station:	To conduct the maritime mobile service for fishery
(5) Person with whom to communicate:	Makurazaki Fishery Coast Station, local telephone or telegraph offices and ship stations on board fishing ships
(6) Matters for communication:	Fishery communication, matters relating to navigation, and communication relating to transmission and reception of traffic
(7) License expires on:	June 1, 1953. However, unlimited for radiotelegraphy
(8) Place of installation: Principal port of mooring:	Riso-maru No. 5 Makurazaki
(9) Call sign and name:	JDLQ; Gogo-riso-maru

(10) Type of emission, frequency, oscillation system, modulation system and antenna power:

A1 A2 375, 425, 500, 1570, 1580, 1905 KC A1 A2 A3 1620, 1955 KC A1 5520, 8325 KC	No. 1 equipment Master oscillation Crystal oscillation	No. 1 equipment A2 Ripple modulation A3 Last stage suppressor grid modulation No. 2 equipment Ripple modulation	A1 A2 125 W However, 100 W for 5520, 8325 KC A3 40 W

(11) Type and composition of antenna: Inverted L type

(12) Permitted operating hours: Continuous

Radio Regulatory Commission Notification No. 1633

October 16, 1951

The call name of the Tateku-maru Radio Station was designated on May 16, 1951.
The actual state after the change is as follows:

Chairman of Radio Regulatory Commission
TOMIYASU Kenji

(1) Date and number of license: June 1, 1950; No. 6509
(2) Title of licensee: Maritime Safety Agency
(3) Classification of radio station: Ship station
(4) Purpose of radio station: To conduct the maritime mobile service for maritime safety service
(5) Person with whom to communicate: Coast stations of Maritime Safety Agency and ship stations of Maritime Safety Agency
(6) Matters for communication: Matters relating to the business provided for in Article 2 paragraph 1 of the Maritime Safety Agency Law
(7) License expires on: June 1, 1953
(8) Place of installation: Tateku-maru
Principal port of mooring: Izuhara
(9) Call sign and name: JQNY; Tateku-maru
(10) Type of emission, frequency, oscillation system, modulation system and antenna power:

A1 A2 375, 425, 468, 500, 1570, 1580 KC A1 A2 A3 1610, 1620 KC A3 2650 KC A1 6650 KC	Crystal oscillation	A2 Ripple modulation A3 Last stage suppressor grid modulation	A1 A2 125 W A3 30 W

(11) Type and composition of antenna: T type; Inclined type
(12) Permitted operating hours: Continuous

Radio Regulatory Commission Notification No. 1634

October 16, 1951

In accordance with the provision of Article 12 of the Radio Law, the Radio Regulatory Commission granted the radio station license as follows:

Chairman of Radio Regulatory Commission
TOMIYASU Kenji

(1) Date and number of license: September 28, 1951; No. 2059
(2) Title of licensee: Chubu Nihon Shimbun-sha K. K.
(3) Classification of radio station: Development test station (land mobile station)
(4) Purpose of radio station: To conduct development test of land mobile service for news service
(5) Person with whom to communicate: Nagoya Development Test Station (base station) and development test stations (land mobile stations) having Tokai District as their movable area of licensee
(6) Matters for communication:
1. Matters relating to gathering, accumulation and supplying of news materials.
2. Matters necessary for the development test.
(7) License expires on: March 1, 1952
(8) Place of installation:
Kind of moving object: Portable
Extent of movable area: Tokai District
Place of custody: No. 24, 2-chome, Miyuki-hon-machi-dori, Naka-ku, Nagoya-shi 136° 54′ E 35° 10′ N
(9) Call sign, type of emission, frequency, oscillation system, modulation system and antenna power:

JJ3AK	F3 150.45 MC	Crystal oscillation	Vector sum	0.25 W

(10) Type and composition of antenna: Whip
(11) Permitted operating hours: Continuous

Radio Regulatory Commission Notification No. 1635

October 16, 1951

The type of emission, frequencies and antenna power of the Shiogama Coast Station of the Maritime Safety Agency were changed on August 11, 1951.
The actual state after the change is as follows:

Chairman of Radio Regulatory Commission
TOMIYASU Kenji

(1) Date and number of license: June 1, 1950; No. 7031
(2) Title of licensee: Maritime Safety Agency
(3) Classification of radio station: Coast station
(4) Purpose of radio station: To conduct the maritime mobile service for maritime safety affairs
(5) Person with whom to communicate: Ship stations
(6) Matters for communication:
1. For communication with ship stations of the Maritime Safety Agency, matters relating to the business provided for in Article 2 paragraph 1 and Article 35 paragraph 1 of the Maritime Safety Agency Law.
2. For communication with other ship stations, matters necessary for the business provided for in Article 21 paragraph 2 of the Maritime Safety Agency Law and for other affairs.
(7) License expires on: December 1, 1951
(8) Place of installation:
Transmitting station: Aza Rokkaku, Tago, Sendai-shi 140° 58′ E 28° 17′ N
Control station: No. 126-1, Fujikura, Shiogama-shi

(9) Call sign, type of emission, frequency, oscillation system, modulation system and antenna power:

JNN	A1 A2	468 KC 500 KC	Nos. 1, 3, 4 and 5 equipment Crystal oscillation	No. 1 equipment A1 Absorbing tube system A2 Low power modulation (Absorbing tube system)
JNN	A1	1570 KC 1620 KC		
JNN-2	A1	2170 KC		Nos. 3, 4 and 5 equipment A1 Absorbing tube system

(10) Type and composition of antenna: T type; Doublet; Inclined type
(11) Permitted operating hours: Continuous

Radio Regulatory Commission Notification No. 1636

October 16, 1951

The type of emission, frequencies and antenna power of the Shiogama Fixed Station of the Maritime Safety Agency were changed on August 11, 1951.

The actual state after the change is as follows:

Chairman of Radio Regulatory Commission
TOMIYASU Kenji

(1) Date and number of license: June 1, 1950; No. 7032
(2) Title of licensee: Maritime Safety Agency
(3) Classification of radio station: Fixed station
(4) Purpose of radio station: To conduct the fixed service for maritime safety affairs
(5) Person with whom to communicate: Tokyo, Kobe, Kure, Moji, Sasebo, Maizuru, Niigata, Hakodate, Hachinohe and Akita Fixed Stations of the Maritime Safety Agency
(6) Matters for communication: Matters relating to the business provided for in Article 2 paragraph 1 and Article 35 paragraph 1 of the Maritime Safety Agency Law
(7) License expires on: December 1, 1952
(8) Place of installation: Aza Rokkaku, Tago, Sendai-shi
140° 58′ E 38° 17′ N

(9) Call sign, type of emission, frequency, oscillation system, modulation system and antenna power:

JNN-20	Note 1	A1	4150 KC	Crystal oscillation	Absorbing tube system	300 W
JNN-21	Note 2	A1	7545 KC			500 W
JNN-31	Note 3	A1	3665 KC			250 W

(10) Type and composition of antenna: Y type; Doublet
(11) Permitted operating hours: Continuous
(12) Others: The use of frequency of Note 1 shall be limited for nighttime only.
The use of frequency of Note 2 shall be limited for daytime only.
The use of frequency of Note 3 shall be limited for communicating with Hachinohe and Akita Fixed Station.

Radio Regulatory Commission Notification No. 1637

October 16, 1951

Radio Regulatory Commission No. 238 of 1950 (Subject: Radiobeacon station and coast station in the radiobeacon service mentioned in Article 109 of the Radio Station Operation Regulations) shall be partially amended as follows and shall apply as from August 4, 1951:

Chairman of Radio Regulatory Commission
TOMIYASU Kenji

2. In "Coast Stations in the Radiobeacon Service", the paragraph relating to Shimotsui shall be amended as follows:

Name of coast station	Call sign	Position	Type of emission and frequency (KC)	Type and frequency of radio wave for watch-keeping (KC)	Normal direction-finding sector (distance in daytime)	Hours of watch-keeping	Remarks
Kobe	JCK	34° 31′ 29″ N 135° 30′ 53″ E	A1 or A2 418	A1 or A2 500	300 km	Continuous	

Radio Regulatory Commission Notification No. 1638

October 16, 1951

In accordance with the provision of Article 12 of the Radio Law, the Radio Regulatory Commission granted the radio station license as follows:

Chairman of Radio Regulatory Commission
TOMIYASU Kenji

(1) Date and number of license: April 16, 1951; No. 3134
(2) Title of licensee: Nihon Kisen K.K.
(3) Classification of radio station: Ship station
(4) Purpose of radio station: To conduct the maritime mobile service for marine transportation service
(5) Person with whom to communicate: Ship stations of licensee and local telephone or telegraph offices
(6) Matters for communication: Matters relating to navigation and transportation of cargoes
(7) License expires on: Unlimited
(8) Place of installation: Ryuko-maru
Principal port of mooring: Kobe
(9) Call sign: JCUC
(10) Type of emission, frequency, oscillation system, modulation system and antenna power:

Main apparatus:	A1 A2 375, 400, 425, 460, 468, 500 KC A1 5420, 5570, 6650, 8280, 8435, 8500 KC	Self oscillation Crystal oscillation	Ripple modulation	200 W 100 W
Emergency apparatus:	A2 500 KC	Self oscillation	Ripple modulation	25 W

(11) Type and composition of antenna: T type; Inclined type
(12) Permitted operating hours: Continuous
(13) Compulsory operating hours: 16 hours

Radio Regulatory Commission Notification No. 1639

October 16, 1951

The licensee of the Okajima-maru Radio Station was changed on July 25, 1951.

The actual state after the change is as follows:

Chairman of Radio Regulatory Commission
TOMIYASU Kenji

(1) Date and number of license: June 1, 1950; No. 3128
(2) Title of licensee: Satokuni Kisen K.K.
(3) Classification of radio station: Ship station
(4) Purpose of radio station: To conduct the maritime mobile service for marine transportation service

(5) Person with whom to communicate: Ship stations of licensee and local telephone or telegraph offices

(6) Matters for communication: Matters relating to navigation and transportation of cargoes, and communication relating to transmission and reception of traffic

(7) License expires on: June 1, 1953

(8) Place of installation: Okajima-maru
Principal port of mooring: Osaka

(9) Call sign: JRVY

(10) Type of emission, frequency, oscillation system, modulation system and antenna power:

A1 A2 375, 400, 425, 468, 500 KC	Master oscillation	Ripple modulation	50 W

(11) Type and composition of antenna: T type; Inclined type

(12) Permitted operating hours: Continuous

Radio Regulatory Commission Notification No. 1640

October 16, 1951

In accordance with the provision of Article 12 of the Radio Law, the Radio Regulatory Commission granted the radio station license as follows:

Chairman of Radio Regulatory Commission
TOMIYASU Kenji

(1) Date and number of license: June 1, 1950; No. 1396

(2) Name of licensee: SUZUKI Tokutaro

(3) Classification of radio station: Ship station

(4) Purpose of radio station: To conduct the maritime mobile service for fishery

(5) Person with whom to communicate: Local telephone or telegraph offices, fishery coast stations of Ibaragi-ken Federation of Fishery Cooperative Associations and ship stations on board fishing ships of members of the same Association

(6) Matters for communication: Matters relating to navigation, fishery communication and communication relating to transmission and reception of traffic

(7) License expires on: June 1, 1953. However, unlimited for radiotelegraphy

(8) Place of installation: Myotoku-maru No. 11
Principal port of mooring: Otsu

(9) Call sign and name: JROG; Juichigo-myotoku-maru

(10) Type of emission, frequency, oscillation system, modulation system and antenna power:

A1 A2	375 KC 425 KC 500 KC 1570 KC 1580 KC 1905 KC	No. 1 equipment Master oscillation No. 2 equipment Crystal oscillation	No. 1 & No. 2 equipment A2 Last stage plate (ripple) modulation A3 Last stage suppressor grid modulation	A1 A2 125 W A3 30 W However, 10 W for 2785 KC
A1	3700 KC 5520 KC			
A3	1620 KC 1155 KC 2785 KC	No. 1 & No. 2 equipment Crystal oscillation		

(11) Type and composition of antenna: Inverted L type

(12) Permitted operating hours: Continuous

(13) Compulsory operating hours: Unfixed

Radio Regulatory Commission Notification No. 1641

October 16, 1951

In accordance with the provision of Article 12 of the Radio Law, the Radio Regulatory Commission granted the radio station license as follows:

Chairman of Radio Regulatory Commission
TOMIYASU Kenji

(1) Date and number of license: June 1, 1950; No. 1458

(2) Title of licensee: Japan Sea Steamship Co., Ltd.

(3) Classification of radio station: Ship station

(4) Purpose of radio station: To conduct the maritime mobile service for marine transportation service

(5) Person with whom to communicate: Local telephone or telegraph offices and ship stations of licensee

(6) Matters for communication: Matters relating to navigation and transportation of cargoes, and matters relating to transportation of passengers

(7) License expires on: Unlimited

(8) Place of installation: Hokusen-maru
Principal port of mooring: Tokyo

(9) Call sign: JHDA

(10) Type of emission, frequency, oscillation system, modulation system and antenna power:

Main apparatus:	A1 A2 375, 400, 425, 468, 500 KC	Master oscillation Crystal oscillation	A2 Ripple modulation	250 W However, 200 W for 5420 KC
	A1 5420, 5520, 5570, 6650, 8435, 8500 KC			
Emergency apparatus:	A2 375, 400, 425, 468, 500 KC	Master oscillation	Ripple modulation	50 W

(11) Type and composition of antenna: T type; Inverted L type

(12) Permitted operating hours: Continuous

(13) Compulsory operating hours: 16 hours

Radio Regulatory Commission Notification No. 1642

October 16, 1951

The licensee of the Misakisan-maru Radio Station was changed on July 9, 1951. The actual state after the change is as follows:

Chairman of Radio Regulatory Commission
TOMIYASU Kenji

(1) Date and number of license: June 1, 1950; No. 1451

(2) Title of licensee: Kinka Kisen Co., Ltd.

(3) Classification of radio station: Ship station

(4) Purpose of radio station: To conduct the maritime mobile service for marine transportation service

(5) Person with whom to communicate: Local telephone or telegraph offices and ship stations of licensee

(6) Matters for communication: Matters relating to navigation and transportation of cargoes

(7) License expires on: June 1, 1953

(8) Place of installation: Misakisan-maru
Principal port of mooring: Tokyo

(9) Call sign: JETJ

(10) Type of emission, frequency, oscillation system, modulation system and antenna power:

A1 A2 375, 400, 425, 500 KC	Master oscillation	A2 Ripple modulation	50 W

(11) Type and composition of antenna: Inverted L type; Inclined type
(12) Permitted operating hours: Continuous

Radio Regulatory Commission Notification No. 1643

October 16, 1951

In accordance with the provision of Article 12 of the Radio Law, the Radio Regulatory Commission granted the radio station license as follows:

Chairman of Radio Regulatory Commission
TOMIYASU Kenji

(1) Date and number of license: May 26, 1951; No. 1464
(2) Title of licensee: Maritime Safety Agency
(3) Classification of radio station: Ship station
(4) Purpose of radio station: To conduct the maritime mobile service for maritime safety service
(5) Person with whom to communicate: Coast stations of Maritime Safety Agency and ship stations of Maritime Safety Agency
(6) Matters for communication: Matters relating to the business provided for in Article 2 paragraph 1 and Article 35 paragraph 1 of the Maritime Safety Agency Law
(7) License expires on: May 26, 1956
(8) Place of installation: Tachibana-maru
Principal port of mooring: Tokyo
(9) Call name: Tachibana
(10) Type of emission, frequency, oscillation system, modulation system and antenna power:

A3 2140, 2650, 2785 KC	Crystal oscillation	Last stage plate modulation	10 W

(11) Type and composition of antenna: Whip
(12) Permitted operating hours: Continuous

Radio Regulatory Commission Notification No. 1644

October 16, 1951

In accordance with the provision of Article 12 of the Radio Law, the Radio Regulatory Commission granted the radio station license as follows:

Chairman of Radio Regulatory Commission
TOMIYASU Kenji

(1) Date and number of license: June 1, 1950; No. 1384
(2) Title of licensee: Toyo Kisen K. K.
(3) Classification of radio station: Ship station
(4) Purpose of radio station: To conduct the maritime mobile service for marine transportation service
(5) Person with whom to communicate: Local telephone or telegraph offices and ship stations of licensee
(6) Matters for communication: Matters relating to navigation and transportation of cargoes, and communication relating to transmission and reception of traffic
(7) License expires on: June 1, 1953
(8) Place of installation: Nagasaki-maru No. 7
Principal port of mooring: Tokyo
(9) Call sign: JKHA
(10) Type of emission, frequency, oscillation system, modulation system and antenna power:

A1 A2 375, 400, 425, 500 KC	Master oscillation	A2 Last stage plate (ripple) modulation	50 W

(11) Type and composition of antenna: T type; Inclined type
(12) Permitted operating hours: Continuous
(13) Compulsory operating hours: Unfixed

Radio Regulatory Commission Notification No. 1645

October 16, 1951

The licensee of the Kenkon-maru No. 6 Radio Station was changed on May 22, 1951.
The actual state after the change is as follows:

Chairman of Radio Regulatory Commission
TOMIYASU Kenji

(1) Date and number of license: June 1, 1950; No. 3204
(2) Title of licensee: Fuji Kaiun K. K.
(3) Classification of radio station: Ship station
(4) Purpose of radio station: To conduct the maritime mobile service for marine transportation service
(5) Person with whom to communicate: Ship stations of licensee and local telephone or telegraph offices
(6) Matters for communication: Matters relating to navigation and transportation of cargoes, and communication relating to transmission and reception of traffic
(7) License expires on: June 1, 1953
(8) Place of installation: Kenkon-maru No. 6
Principal port of mooring: Kobe
(9) Call sign: JBXQ
(10) Type of emission, frequency, oscillation system, modulation system and antenna power:

A1 A2 375, 400, 425, 468, 500 KC	Master oscillation	Ripple modulation	50 W

(11) Type and composition of antenna: Inverted L type; Inclined type
(12) Permitted operating hours: Continuous

Radio Regulatory Commission Notification No. 1646

October 16, 1951

The antenna power of the Tozai-maru No. 5 Radio Station was changed on May 16, 1951.
The actual state after the change is as follows:

Chairman of Radio Regulatory Commission
TOMIYASU Kenji

(1) Date and number of license: June 1, 1950; No. 1459
(2) Title of licensee: Tozai Kisen Co., Ltd.
(3) Classification of radio station: Ship station
(4) Purpose of radio station: To conduct the maritime mobile service for marine transportation service
(5) Person with whom to communicate: Local telephone or telegraph offices and ship stations of licensee
(6) Matters for communication: Matters relating to navigation and transportation of cargoes
(7) License expires on: Unlimited
(8) Place of installation: Tozai-maru No. 5
Principal port of mooring: Yokohama
(9) Call sign: JAXR

(10) Type of emission, frequency, oscillation system, modulation system and antenna power:

Main apparatus:	A1 A2 375, 400, 425, 500 KC	Crystal oscillation	A2 Ripple modulation	250 W
	A1 5420, 5570, 6650, 8435, 8500 KC			
Emergency apparatus:	A1 A2 375, 400, 425, 468, 500 KC	Crystal oscillation	A2 Ripple modulation	50 W

(11) Type and composition of antenna: T type; Inclined type
(12) Permitted operating hours: Continuous
(13) Compulsory operating hours: 16 hours

Radio Regulatory Commission Notification No. 1647

October 16, 1951

The licensee of the Daikoku-maru No. 11 Radio Station was changed on May 20, 1951.
The actual state after the change is as follows:

Chairman of Radio Regulatory Commission
TOMIYASU Kenji

(1) Date and number of license: June 1, 1950; No. 1457
(2) Title of licensee: Hokoku Suisan K. K.
(3) Classification of radio station: Ship station
(4) Purpose of radio station: To conduct the maritime mobile service for fishery
(5) Person with whom to communicate: Misaki Fishery Coast Station and ship stations on board fishing ships
(6) Matters for communication: Matters relating to navigation and fishery communication
(7) License expires on: June 1, 1953. However, unlimited for the radiotelegraphy
(8) Place of installation: Daikoku-maru No. 11
Principal port of mooring: Uraga
(9) Call sign and name: JJMJ; Daijuichi-daikoku-maru
(10) Type of emission, frequency, oscillation system, modulation system and antenna power:

	No. 1 equipment	No. 1 equipment		
A1 A2 375, 425, 500, 1570, 1580, 1905 KC	Crystal oscillation However, master oscillation for medium wave	A2 Ripple modulation A3 Last stage suppressor grid modulation	A1 A2	100 W
			A3	30 W
A1 5520, 8325 KC				
A1 A2 A3 1620, 1955 KC	No. 2 equipment Crystal oscillation	No. 2 equipment Last stage plate modulation		

(11) Type and composition of antenna: Inverted L type
(12) Permitted operating hours: Continuous

Radio Regulatory Commission Notification No. 1648

October 16, 1951

The frequencies of the Daiho-maru Radio Station were changed on May 12, 1951.
The actual state after the change is as follows:

Chairman of Radio Regulatory Commission
TOMIYASU Kenji

(1) Date and number of license: June 1, 1950; No. 1478
(2) Title of licensee: Iino Kaiun K. K.
(3) Classification of radio station: Ship station
(4) Purpose of radio station: To conduct the maritime mobile service for marine transportation service

(5) Person with whom to communicate: Local telephone or telegraph offices and ship stations of licensee
(6) Matters for communication: Matters relating to navigation and transportation of cargoes
(7) License expires on: Unlimited
(8) Place of installation: Daiho-maru
Principal port of mooring: Tokyo
(9) Call sign: JJOV
(10) Type of emission, frequency, oscillation system, modulation system and antenna power:

Main apparatus:	A1 A2 375, 400, 425, 460, 468, 500 KC	No. 1 equipment Master oscillation	No. 1 equipment A2 Last stage suppressor grid modulation	A1 500 W However, 300 W for 6650 KC
	A1 5420, 5570, 6650, 8280, 8435, 8500, 12420, 16560 KC	No. 2 equipment Crystal oscillation		A2 200 W
Emergency apparatus:	A1 A2 375, 400, 425, 468, 500 KC	Master oscillation	A2 Ripple modulation	500 W

(11) Type and composition of antenna: Inverted L type
(12) Permitted operating hours: Continuous
(13) Compulsory operating hours: Continuous

Radio Regulatory Commission Notification No. 1649

October 16, 1951

The licensee of the Kimmei-maru Radio Station was changed on April 23, 1951.
The actual state after the change is as follows:

Chairman of Radio Regulatory Commission
TOMIYASU Kenji

(1) Date and number of license: June 1, 1950; No. 1425
(2) Title of licensee: Kokuyo Steamship Co., Ltd.
(3) Classification of radio station: Ship station
(4) Purpose of radio station: To conduct the maritime mobile service for marine transportation service
(5) Person with whom to communicate: Local telephone or telegraph offices and ship stations of licensee
(6) Matters for communication: Matters relating to navigation and transportation of cargoes
(7) License expires on: June 1, 1953
(8) Place of installation: Kimmei-maru
Principal port of mooring: Tokyo
(9) Call sign: JBSA
(10) Type of emission, frequency, oscillation system, modulation system and antenna power:

A1 A2 375, 400, 425, 460, 500 KC	Crystal oscillation	Ripple modulation	50 W

(11) Type and composition of antenna: Inverted L type; Inclined type
(12) Permitted operating hours: Continuous
(13) Compulsory operating hours: Continuous

Radio Regulatory Commission Notification No. 1650

October 16, 1951

In accordance with the provision of Article 12 of the Radio Law, the Radio Regulatory Commission granted the radio station license as follows:

Chairman of Radio Regulatory Commission
TOMIYASU Kenji

(1) Date and number of license: August 1, 1951; No. 6544
(2) Name of licensee: YAMADA Kichitaro
(3) Classification of radio station: Ship station
(4) Purpose of radio station: To conduct the maritime mobile service for fishery
(5) Person with whom to communicate: Nagasaki Fishery Coast Station and ship stations on board fishing ships
(6) Matters for communication: Fishery communication and matters relating to navigation
(7) License expires on: July 31, 1956. However, unlimited for the radiotelegraphy
(8) Place of installation: Yamada-maru No. 6
Principal port of mooring: Nagasaki
(9) Call sign and name: JGVV; Dairoku-yamada-maru
(10) Type of emission, frequency, oscillation system, modulation system and antenna power:

A1 A2 500, 1580 KC	Crystal oscillation	A2 Ripple modulation	A1 A2 125 W
A1 A2 A3 1610, 1930 KC		A3 Last stage suppressor grid modulation	A3 40 W
A1 5570, 8500 KC			

(11) Type and composition of antenna: Inverted L type
(12) Permitted operating hours: Continuous

Radio Regulatory Commission Notification No. 1651

October 16, 1951

In accordance with the provision of Article 12 of the Radio Law, the Radio Regulatory Commission granted the radio station license as follows:

Chairman of Radio Regulatory Commission
TOMIYASU Kenji

(1) Date and number of license: September 19, 1950; No. 1191
(2) Title of licensee: Ushio Suisan K. K.
(3) Classification of radio station: Ship station
(4) Purpose of radio station: To conduct the maritime mobile service for fishery
(5) Person with whom to communicate: Coast stations of Chiba-ken Radio Fisheries Co-operative Association and ship stations on board fishing ships of members of the same Association
(6) Matters for communication: Matters relating to navigation and fishery communication
(7) License expires on: September 19, 1955
(8) Place of installation: Koyo-maru No. 2
Principal port of mooring: Katsuyama
(9) Call name: Nigo-koyo-maru
(10) Type of emission, frequency, oscillation system, modulation system and antenna power:

A3 1955, 2440, 2545, 2650, 2785 KC	Crystal oscillation	Last stage suppressor grid modulation	20 W

(11) Type and composition of antenna: T type
(12) Permitted operating hours: Continuous

Radio Regulatory Commission Notification No. 1652

October 16, 1951

In accordance with the provision of Article 12 of the Radio Law, the Radio Regulatory Commission granted the radio station license as follows:

Chairman of Radio Regulatory Commission
TOMIYASU Kenji

(1) Date and number of license: February 27, 1951; No. 8042
(2) Name of licensee: WATANABE Zentaro
(3) Classification of radio station: Ship station
(4) Purpose of radio station: To conduct maritime mobile service for fishery
(5) Person with whom to communicate: Kushiro, Wakkanai and Mombetsu Fishery Coast Stations
(6) Matters for communication: Matters relating to navigation and fishery communication
(7) License expires on: February 27, 1956
(8) Place of installation: Kashiwa-maru
Principal port of mooring: Otaru
(9) Call name: Kashiwa-maru
(10) Type of emission, frequency, oscillation system, modulation system and antenna power:

A3 1610, 2650, 2785 KC	Crystal oscillation	Last stage suppressor grid modulation	20 W

(11) Type and composition of antenna: Inverted L type
(12) Permitted operating hours: Continuous

Radio Regulatory Commission Notification No. 1653

October 16, 1951

In accordance with the provision of Article 12 of the Radio Law, the Radio Regulatory Commission granted the radio station license as follows:

Chairman of Radio Regulatory Commission
TOMIYASU Kenji

(1) Date and number of license: December 22, 1950; No. 3054
(2) Title of licensee: Osaka Shosen K. K.
(3) Classification of radio station: Ship station
(4) Purpose of radio station: To conduct the maritime mobile service for marine transportation service
(5) Person with whom to communicate: Local telephone or telegraph offices and ship stations of licensee
(6) Matters for communication: Matters relating to navigation and transportation of cargoes
(7) License expires on: December 22, 1956. However, unlimited for the radiotelegraphy
(8) Place of installation: America-maru
Principal port of mooring: Osaka
(9) Call sign: JIHF
(10) Type of emission, frequency, oscillation system, modulation system and antenna power:

Main apparatus:	A1 A2 375, 400, 425, 460, 500 KC A1 5420, 5570, 6650, 8280, 8435, 8500, 12420, 16560 KC	Crystal oscillation	Last stage suppressor grid modulation	A1 500 W However, 300 W for 6650 KC A2 200 W
Emergency apparatus:	A1 A2 375, 425, 500 KC A1 8280 KC	Crystal oscillation	Last stage suppressor grid modulation	50 W
Special equipment:	Radar PO 9368 MC	Magnetron oscillation	Special	50 KW

However, frequency bandwidth of radar shall be 9320 MC to 9500 MC.

(11) Type and composition of antenna: T type; Inverted L type; Inclined type
(12) Permitted operating hours: Continuous
(13) Compulsory operating hours: Continuous

Radio Regulatory Commission Notification No. 1654

October 16, 1951

In accordance with the provision of Article 12 of the Radio Law, the Radio Regulatory Commission granted the radio station license as follows:

Chairman of Radio Regulatory Commission
TOMIYASU Kenji

(1)	Date and number of license:	June 1, 1950; No. 1393
(2)	Name of licensee:	SATO Naoyoshi
(3)	Classification of radio station:	Ship station
(4)	Purpose of radio station:	To conduct the maritime mobile service for fishery
(5)	Person with whom to communicate:	Fishery coast stations of Chiba-ken Radio Fisheries Cooperative Association and ship stations on board fishing ships of members of the same Association
(6)	Matters for communication:	Matters relating to navigation and fishery communication
(7)	License expires on:	June 1, 1953
(8)	Place of installation:	Miki-maru
	Principal port of mooring:	Chikura
(9)	Call sign and name:	JBEZ; Miki-maru
(10)	Type of emission, frequency, oscillation system, modulation system and antenna power:	

A1 A2 A3 1955 KC A3 2440, 2785 KC	Crystal oscillation	A2 A3 Last stage suppressor grid modulation	A1 40 W A2 A3 20 W

(11)	Type and composition of antenna:	Inverted L type
(12)	Permitted operating hours:	Continuous

Radio Regulatory Commission Notification No. 1655

October 16, 1951

In accordance with the provision of Article 12 of the Radio Law, the Radio Regulatory Commission granted the radio station license as follows:

Chairman of Radio Regulatory Commission
TOMIYASU Kenji

(1)	Date and number of license:	April 20, 1951; No. 8070
(2)	Title of licensee:	Hokko Gyogyo K.K.
(3)	Classification of radio station:	Ship station
(4)	Purpose of radio station:	To conduct the maritime mobile service for fishery
(5)	Person with whom to communicate:	Otaru, Kushiro, Wakkanai and Rumoi Fishery Coast Stations
(6)	Matters for communication:	Matters relating to navigation and fishery communication
(7)	License expires on:	April 20, 1956
(8)	Place of installation:	Hokko-maru No. 1
	Principal port of mooring:	Otaru
(9)	Call name:	Daiichi-hokko-maru
(10)	Type of emission, frequency, oscillation system, modulation system and antenna power:	

A3 1610, 2650 KC	Crystal oscillation	Last stage suppressor grid modulation	15 W

(11)	Type and composition of antenna:	Inverted L type
(12)	Permitted operating hours:	Continuous

Radio Regulatory Commission Notification No. 1656

October 16, 1951

In accordance with the provision of Article 12 of the Radio Law, the Radio Regulatory Commission granted the radio station license as follows:

Chairman of Radio Regulatory Commission
TOMIYASU Kenji

(1)	Date and number of license:	June 1, 1950; No. 3305
(2)	Name of licensee:	KOIKE Chuichi
(3)	Classification of radio station:	Ship station
(4)	Purpose of radio station:	To conduct the maritime mobile service for fishery
(5)	Person with whom to communicate:	Yaizu Fishery Coast Station, ship stations on board fishing ships and local telephone or telegraph offices
(6)	Matters for communication:	Matters relating to navigation fishery communication and communication relating to transmission and reception of traffic
(7)	License expires on:	June 1, 1953
(8)	Place of installation:	Kantetsu-maru No. 3
	Principal port of mooring:	Ishizu
(9)	Call sign and name:	JGXS; Daisan-kantetsu-maru
(10)	Type of emission, frequency, oscillation system, modulation system and antenna power:	

A1 A2 1570, 1620, 1905, 1955 KC A1 3700, 5520 KC A3 2440, 1620 KC	Crystal oscillation	A2 A3 Last stage suppressor grid modulation	A1 50 W A2 30 W A3 20 W

(11)	Type and composition of antenna:	T type
(12)	Permitted operating hours:	Continuous

Radio Regulatory Commission Notification No. 1657

October 16, 1951

The antenna power of the Daitoku-maru No. 5 Radio Station was changed on April 19, 1951. The actual state after the change is as follows:

Chairman of Radio Regulatory Commission
TOMIYASU Kenji

(1)	Date and number of license:	June 1, 1950; No. 6208
(2)	Name of licensee:	IWATANI Shizuma
(3)	Classification of radio station:	Ship station
(4)	Purpose of radio station:	To conduct the maritime mobile service for fishery
(5)	Person with whom to communicate:	Shimanoura and Makurazaki Fishery Coast Stations, local telephone or telegraph offices and ship stations on board fishing ships
(6)	Matters for communication:	Fishery communication, matters relating to navigation, and communication relating to transmission and reception of traffic
(7)	License expires on:	June 1, 1953
(8)	Place of installation:	Daitoku-maru No. 5
	Principal port of mooring:	Shimanoura
(9)	Call sign and name:	JEEV; Daigo-daitoku-maru

(10) Type of emission, frequency, oscillation system, modulation system and antenna power:

A1 A2 1570 KC A1 A2 A3 1620, 1955 KC A1 3700 KC A3 2785 KC	Crystal oscillation	A2 A3 Last stage suppressor grid modulation	A1 A2 A3	50 W 50 W 25 W

(11) Type and composition of antenna: Inverted L type
(12) Permitted operating hours: Continuous

Radio Regulatory Commission Notification No. 1658

October 16, 1951

In accordance with the provision of Article 12 of the Radio Law, the Radio Regulatory Commission granted the radio station license as follows:

Chairman of Radio Regulatory Commission
TOMIYASU Kenji

(1) Date and number of license: June 1, 1950; No. 1347
(2) Title of licensee: Nishi-nippon Kisen K.K.
(3) Classification of radio station: Ship station
(4) Purpose of radio station: To conduct the maritime mobile service for marine transportation service
(5) Person with whom to communicate: Local telephone or telegraph offices and ship stations of licensee
(6) Matters for communication: Matters relating to navigation and transportation of cargoes and communication relating to transmission and reception of traffic
(7) License expires on: June 1, 1953
(8) Place of installation: Takachiho-maru
Principal port of mooring: Tokyo
(9) Call sign: JBZT
(10) Type of emission, frequency, oscillation system, modulation system and antenna power:

Main apparatus:	A1 A2 375, 400, 425, 468, 500 KC A1 5420, 5570, 6650, 8435, 8500 KC	Crystal oscillation	A2 Last stage control grid (ripple) modulation	125 W
Emergency apparatus:	A1 A2 375, 400, 425, 468, 500 KC	Crystal oscillation	A2 Last stage plate (ripple) modulation	25 W

(11) Type and composition of antenna: T type; Inclined type
(12) Permitted operating hours: Continuous
(13) Compulsory operating hours: Unfixed

Radio Regulatory Commission Notification No. 1659

October 16, 1951

The type of emission and frequencies of the Suiten-maru No. 8 Radio Station were changed on April 21, 1951.

The actual state after the change is as follows:

Chairman of Radio Regulatory Commission
TOMIYASU Kenji

(1) Date and number of license: June 1, 1950; No. 2307
(2) Title of licensee: Showa Gyogyo K.K.
(3) Classification of radio station: Ship station
(4) Purpose of radio station: To conduct the maritime mobile service for fishery

(5) Person with whom to communicate: Yaizu Fishery Coast Station, ship stations on board fishing ships and local telephone or telegraph offices
(6) Matters for communication: Matters relating to navigation, fishery communication and communication relating to transmission and reception of traffic
(7) License expires on: June 1, 1953. However, unlimited for radiotelegraphy
(8) Place of installation: Suiten-maru No. 8
Principal port of mooring: Yaizu
(9) Call sign and name: JPTF; Daihachi-suiten-maru
(10) Type of emission, frequency, oscillation system, modulation system and antenna power:

A1 A2 375, 500, 1570, 1620, 1905, 1955 KC A1 5520, 8325 KC A3 1955 KC	No. 1 equipment Master oscillation Crystal oscillation No. 2 equipment Crystal oscillation	No. 1 equipment A2 Ripple modulation A3 Last stage suppressor grid modulation No. 2 equipment Last stage suppressor grid modulation	A1 A2 A3	100 W 30 W

(11) Type and composition of antenna: Inverted L type
(12) Permitted operating hours: Continuous

Radio Regulatory Commission Notification No. 1660

October 16, 1951

In accordance with the provision of Article 12 of the Radio Law, the Radio Regulatory Commission granted the radio station license as follows:

Chairman of Radio Regulatory Commission
TOMIYASU Kenji

(1) Date and number of license: July 23, 1951; No. 3421
(2) Title of licensee: Kyoto-Fu
(3) Classification of radio station: Ship station
(4) Purpose of radio station: To conduct the maritime mobile service for fishing guidance and supervision
(5) Person with whom to communicate: Miyazu Fishing Guidance Coast Station and ship stations on board fishing ships
(6) Matters for communication: Matters relating to navigation and fishing guidance and supervision
(7) License expires on: July 23, 1956
(8) Place of installation: Kyoto-Fu Rakuyo-maru
Principal port of mooring: Maizuru
(9) Call name: Kyoto-Fu Rakuyo-maru
(10) Type of emission, frequency, oscillation system, modulation system and antenna power:

A3 1620, 2545, 2650, 2785 KC	Crystal oscillation	Last stage plate and screen grid modulation	30 W

(11) Type and composition of antenna: Inverted L type
(12) Permitted operating hours: Continuous

Radio Regulatory Commission Notification No. 1661

October 16, 1951

In accordance with the provision of Article 12 of the Radio Law, the Radio Regulatory Commission granted the radio station license as follows:

Chairman of Radio Regulatory Commission
TOMIYASU Kenji

(1)	Date and number of license:	May 1, 1951; No. 1364
(2)	Title of licensee:	Kanagawa-ken
(3)	Classification of radio station:	Ship station
(4)	Purpose of radio station:	To conduct the maritime mobile service for fishing guidance and supervision
(5)	Person with whom to communicate:	Local telephone or telegraph offices, Misaki Fishery Coast Station and ship stations on board fishing ship
(6)	Matters for communication:	Matters relating to navigation and fishing guidance and supervision and communication relating to transmission and reception of traffic
(7)	License expires on:	May 1, 1956
(8)	Place of installation:	Enoshima-maru
	Principal port of mooring:	Misaki
(9)	Call sign and name:	JPOV; Enoshima-maru

(10) Type of emission, frequency, oscillation system, modulation system and antenna power:

A1 A2 1570, 1905 KC		A2 Last stage plate (ripple) modulation	A1 A2	50 W
A1 A2 A3 1620, 1955 KC A3 2440, 2785 KC	Crystal oscillation	A3 Last stage suppressor grid modulation	A3	25 W

(11)	Type and composition of antenna:	Inverted L type
(12)	Permitted operating hours:	Continuous
(13)	Compulsory operating hours:	Unfixed

Radio Regulatory Commission Notification No. 1662

October 16, 1951

In accordance with the provision of Article 12 of the Radio Law, the Radio Regulatory Commission granted the radio station license as follows:

Chairman of Radio Regulatory Commission
TOMIYASU Kenji

(1)	Date and number of license:	June 26, 1951; No. 3409
(2)	Title of licensee:	Daiichi-kisen K. K.
(3)	Classification of radio station:	Ship station
(4)	Purpose of radio station:	To conduct the maritime mobile service for marine transportation service
(5)	Person with whom to communicate:	Ship stations of licensee and local telephone or telegraph offices
(6)	Matters for communication:	Matters relating to navigation and transportation of cargoes
(7)	License expires on:	Unlimited
(8)	Place of installation:	Norway-maru
	Principal port of mooring:	Kobe
(9)	Call sign:	JBGW

(10) Type of emission, frequency, oscillation system, modulation system and antenna power:

Main apparatus:	A1 A2 375, 400, 425, 460, 468, 500 KC	Self oscillation	Ripple modulation	75 W
	A1 5420, 5570, 6650, 8280, 8435, 8500, 12420 KC	Crystal oscillation	Ripple modulation	500 W However, 300 W for 6650 KC
Emergency apparatus:	A2 500 KC	Self oscillation	Ripple modulation	25 W

(11)	Type and composition of antenna:	T type; Inclined type; Inclined T type
(12)	Permitted operating hours:	Continuous
(13)	Compulsory operating hours:	16 hours

Radio Regulatory Commission Notification No. 1663

October 16, 1951

In accordance with the provision of Article 12 of the Radio Law, the Radio Regulatory Commission granted the radio station license as follows:

Chairman of Radio Regulatory Commission
TOMIYASU Kenji

(1)	Date and number of license:	July 10, 1951; No. 3278
(2)	Title of licensee:	Chuo Kisen K. K.
(3)	Classification of radio station:	Ship station
(4)	Purpose of radio station:	To conduct the maritime mobile service for marine transportation service
(5)	Person with whom to communicate:	Ship stations of licensee and local telephone or telegraph offices
(6)	Matters for communication:	Matters relating to navigation and transportation of cargoes
(7)	License expires on:	Unlimited
(8)	Place of installation:	Chuo-maru
	Principal port of mooring:	Osaka
(9)	Call sign:	JMST

(10) Type of emission, frequency, oscillation system, modulation system and antenna power:

Main apparatus:	A1 A2 375, 400, 425, 460, 468, 500 KC A1 4440, 5420, 5570, 6650, 8280, 8435, 8500, 12420, 16560 KC	Crystal oscillation	Ripple modulation	500 W However, 300 W for 4440, 6650 KC
Emergency apparatus:	A1 A2 375, 400, 425, 460, 500 KC	Crystal oscillation	Ripple modulation	50 W

(11)	Type and composition of antenna:	T type; Inclined type
(12)	Permitted operating hours:	Continuous
(13)	Compulsory operating hours:	16 hours

Radio Regulatory Commission Notification No. 1664

October 16, 1951

In accordance with the provision of Article 12 of the Radio Law, the Radio Regulatory Commission granted the radio station license as follows:

Chairman of Radio Regulatory Commission
TOMIYASU Kenji

(1)	Date and number of license:	June 1, 1950; No. 1142
(2)	Title of licensee:	Taiei Gyogyo Co., Ltd.
(3)	Classification of radio station:	Ship station
(4)	Purpose of radio station:	To conduct the maritime mobile service for fishery
(5)	Person with whom to communicate:	Local telephone or telegraph offices, ship stations of licensee, Misaki Fishery Coast Station and ship stations of Misaki Fishery Communication System
(6)	Matters for communication:	Matters relating to navigation, fishery communication and communication relating to transmission and reception of traffic
(7)	License expires on:	June 1, 1953. However, unlimited for radiotelegraphy
(8)	Place of installation:	Fukko-maru
	Principal port of mooring:	Misaki
(9)	Call sign and name:	JEWQ; Daiichi-fukko-maru

(10) Type of emission, frequency, oscillation system, modulation system and antenna power:

A1 A2 375, 425, 500, 1570, 1580 KC A1 5520, 8325 KC A3 1620 KC	No. 1 & No. 2 equipment Crystal oscillation	No. 1 equipment A2 Last stage plate (ripple) modulation A3 Last stage suppressor grid modulation No. 2 equipment A2 A3 Last stage plate modulation	A1 A2 125 W However, 100 W for 8325 KC A3 25 W

(11) Type and composition of antenna: Inverted L type; Inclined type

(12) Permitted operating hours: Continuous

(13) Compulsory operating hours: Unfixed

Radio Regulatory Commission Notification No. 1665

October 16, 1951

The radar equipment was additionally installed in the Rishiri Radio Station of ship station of the Maritime Safety Agency on July 7, 1951.

The actual state after the change is as follows:

Chairman of Radio Regulatory Commission
TOMIYASU Kenji

(1) Date and number of license: June 28, 1951; No. 1432

(2) Title of licensee: Maritime Safety Agency

(3) Classification of radio station: Ship station

(4) Purpose of radio station: To conduct the maritime mobile service for maritime safety service

(5) Person with whom to communicate: Coast stations of Maritime Safety Agency and ship stations of Maritime Safety Agency

(6) Matters for communication: Matters relating to the business provided for in Article 2 paragraph 1 and Article 35 paragraph 1 of the Maritime Safety Agency Law

(7) License expires on: June 28, 1956

(8) Place of installation: Rishiri
Principal port of mooring: Tokyo

(9) Call sign and name: JEHI; Rishiri

(10) Type of emission, frequency, oscillation system, modulation system and antenna power:

A1 A2 375, 425, 468, 500, 1570, 1580 KC A1 A2 A3 1610, 1620 KC A1 2086, 2170, 2295, 5420, 5570, 6650, 8435, 8500 KC A3 2140, 2650 KC	No. 1 & No. 2 equipment Crystal oscillation	No. 1 & No. 2 equipment A2 A3 Last stage suppressor grid modulation	A1 A2 125 W However, 50 W for 1570, 1590, 1610 and 1620 KC A3 30 W
Special equipment	Radar PO 9376 MC	Magnetron oscillation	30 KW

(11) Type and composition of antenna: T type; Electromagnetic horn with rotating reflex mirror

(12) Permitted operating hours: Continuous

(13) Others: Frequency bandwidth of radar shall be from 9320 MC to 9500 MC.

Radio Regulatory Commission Notification No. 1666

October 16, 1951

In accordance with the provision of Article 12 of the Radio Law, the Radio Regulatory Commission granted the radio station license as follows:

Chairman of Radio Regulatory Commission
TOMIYASU Kenji

(1) Date and number of license: June 12, 1951; No. 1398

(2) Title of licensee: Maritime Safety Agency

(3) Classification of radio station: Ship station

(4) Purpose of radio station: To conduct the maritime mobile service for maritime safety service

(5) Person with whom to communicate: Coast stations of Maritime Safety Agency and ship stations of Maritime Safety Agency

(6) Matters for communication: Matters relating to the business provided for in Article 2 paragraph 1 and Article 35 paragraph 1 of the Maritime Safety Agency Law

(7) License expires on: June 12, 1956

(8) Place of installation: Suzutsuki
Principal port of mooring: Tokyo

(9) Call sign and name: JGXN; Suzutsuki

(10) Type of emission, frequency, oscillation system, modulation system and antenna power:

A1 A2 375, 468, 500, 425, 1570, 1580 KC A1 2086, 2295 KC A3 2140, 2650 KC	Crystal oscillation	A2 A3 Last stage suppressor grid modulation	A1 A2 50 W A3 30 W

(11) Type and composition of antenna: Inverted L type

(12) Permitted operating hours: Continuous

Radio Regulatory Commission Notification No. 1667

October 16, 1951

In accordance with the provision of Article 12 of the Radio Law, the Radio Regulatory Commission granted the radio station license as follows:

Chairman of Radio Regulatory Commission
TOMIYASU Kenji

(1) Date and number of license: February 14, 1951; No. 1404

(2) Title of licensee: Taisei Suisan K. K.

(3) Classification of radio station: Ship station

(4) Purpose of radio station: To conduct the maritime mobile service for fishery

(5) Person with whom to communicate: Local telephone or telegraph offices, Misaki Fishery Coast Station and ship stations of Misaki Fishery Communication System

(6) Matters for communication: Matters relating to navigation and fishery communication

(7) License expires on: February 14, 1956

(8) Place of installation: Hokuyo-maru
Principal port of mooring: Misaki

(9) Call sign and name: JGBG; Taisei-suisan-hokuyo-maru

(10) Type of emission, frequency, oscillation system, modulation system and antenna power:

A1 A2 1570, 1580, 1905 KC A1 A2 A3 1620, 1955 KC A1 3700, 5520 KC A3 2650, 2785 KC	Crystal oscillation	A2 A3 Last stage plate modulation	A1 A3 35 W A2 40 W

(11) Type and composition of antenna: Inverted L type

(12) Permitted operating hours: Continuous

Radio Regulatory Commission Notification No. 1668

October 16, 1951

The licensee of the Murotsu-maru radio station was changed on April 1, 1951.
The actual state after the change is as follows:

Chairman of Radio Regulatory Commission
TOMIYASU Kenji

(1)	Date and number of license:	June 1, 1951; No. 1120
(2)	Title of licensee:	Tokyo Yusen K. K.
(3)	Classification of radio station:	Ship station
(4)	Purpose of radio station:	To conduct the maritime mobile service for marine transportation service
(5)	Person with whom to communicate:	Local telehone or telegraph offices and ship stations of licensee
(6)	Matters for communication:	Matters relating to navigation and transportation of cargoes, and communication relating to transmission and reception of traffic
(7)	License expires on:	June 1, 1953
(8)	Place of installation:	Murotsu-maru
	Principal port of mooring:	Tokyo
(9)	Call sign:	JNNX
(10)	Type of emission, frequency, oscillation system, modulation system and antenna power:	

A1 A2 375, 400, 425, 468, 500 KC	Master oscillation	A2 Last stage plate (ripple) modulation	50 W

(11)	Type and composition of antenna:	Inverted L type
(12)	Permitted operating hours:	Continuous
(13)	Compulsory operating hours:	Unfixed

Radio Regulatory Commission Notification No. 1669

October 16, 1951

The licensee of the Chokyu-maru Radio Station was changed on May 15, 1951.
The actual state after the change is as follows:

Chairman of Radio Regulatory Commission
TOMIYASU Kenji

(1)	Date and number of license:	June 1, 1950; No. 2241
(2)	Name of licensee:	ASAHARA Kanji
(3)	Classification of radio station:	Ship station
(4)	Purpose of radio station:	To conduct the maritime mobile service for fishery
(5)	Person with whom to communicate:	Yaizu Fishery Coast Station, ship stations on board fishing ships and telephone or telegraph offices
(6)	Matters for communication:	Matters relating to navigation, fishery communication and communication relating to transmission and reception of traffic
(7)	License expires on:	June 1, 1953. However, unlimited for radiotelegraphy
(8)	Place of installation:	Chokyu-maru
	Principal port of mooring:	Yaizu
(9)	Call sign and name:	JGMJ; Asahara-chokyu-maru
(10)	Type of emission, frequency, oscillation system, modulation system and antenna power:	

A1 A2 375, 425, 500, 1570, 1905, 1955 KC A1 5520, 8325 KC A3 1620 KC	No. 1 & No. 2 equipment Master oscillation Crystal oscillation	No. 1 & No. 2 equipment A2 Ripple modulation A3 Last stage suppressor grid modulation	A1 A2 150 W However, 100 W for 8325 KC 25 W for 1955 KC A3 35 W

(11)	Type and composition of antenna:	Inverted L type; Inclined type
(12)	Permitted operating hours:	Continuous

Radio Regulatory Commission Notification No. 1670

October 16, 1951

In accordance with the provision of Article 12 of the Radio Law, the Radio Regulatory Commission granted the radio station license as follows:

Chairman of Radio Regulatory Commission
TOMIYASU Kenji

(1)	Date and number of license:	July 20, 1951; No. 1455
(2)	Name of licensee:	FUKUSHIMA Fukuichi
(3)	Classification of radio station:	Ship station
(4)	Purpose of radio station:	To conduct the maritime mobile service for fishery
(5)	Person with whom to communicate:	Coast station of Kanagawa-ken Radio Fisheries Association and ship stations on board fishing ships of members of the same Association
(6)	Matters for communication:	Matters relating to navigation and fishery communication
(7)	License expires on:	July 20, 1956. However, unlimited for the radiotelegraphy
(8)	Place of installation:	Fukusei-maru No. 10
	Principal port of mooring:	Misaki
(9)	Call sign and name:	JKPV; Jugo-fukusei-maru
(10)	Type of emission, frequency, oscillation system, modulation system and antenna power:	

Main apparatus:	A1 A2 375, 425, 500, 1570, 1580, 1610, 1620 KC A1 1905, 1955, 3700, 5520 KC A3 1610, 1620, 1955, 2440, 2545, 2785 KC	No. 1 & No. 2 equipment Crystal oscillation	No. 1 & No. 2 equipment A2 Ripple modulation A3 Last stage suppressor grid modulation	A1 A2 150 W However, 10 W for 3700, 2440 and 2785 KC A3 40 W
Emergency apparatus:	Main apparatus satisfies the conditions for this apparatus.			

(11)	Type and composition of antenna:	Inverted L type
(12)	Permitted operating hours:	Continuous

Radio Regulatory Commission Notification No. 1671

October 16, 1951

The frequencies and antenna power of the Hosho-maru Radio Station were changed on December 15, 1950.
The actual state after the change is as follows:

Chairman of Radio Regulatory Commission
TOMIYASU Kenji

(1)	Date and number of license:	June 1, 1950; No. 3160
(2)	Title of licensee:	Sugaya Kisen K.K.
(3)	Classification of radio station:	Ship station
(4)	Purpose of radio station:	To conduct the maritime mobile service for marine transportation service
(5)	Person with whom to communicate:	Ship stations of licensee and local telephone or telegraph offices
(6)	Matters for communication:	Matters relating to navigation and transportation of cargoes, and communication relating to transmission and reception traffic

(7) License expires on: Unlimited
(8) Place of installation: Hosho-maru
Principal port of mooring: Kobe
(9) Call sign: JBAK
(10) Type of emission, frequency, oscillation system, modulation system and antenna power:

Main apparatus:	A1 A2 375, 400, 425, 460, 500 KC A1 5420, 5570, 6650, 8280, 8435, 8500 KC	Crystal oscillation	Ripple modulation	250 W
Emergency apparatus:	A1 A2 375, 400, 425, 460, 500 KC	Master oscillation	Ripple modulation	50 W

(11) Type and composition of antenna: T type; Inclined type
(12) Permitted operating hours Continuous
(13) Compulsory operating hours: 16 hours

Radio Regulatory Commission Notification No. 1672

October 16, 1951

In accordance with the provision of Article 12 of the Radio Law, the Radio Regulatory Commission granted the radio station license as follows:

Chairman of Radio Regulatory Commission
TOMIYASU Kenji

(1) Date and number of license: June 4, 1951; No. 7497
(2) Name of licensee: GONOHE Seizo
(3) Classification of radio station: Ship station
(4) Purpose of radio station: To conduct the maritime mobile service for fishery
(5) Person with whom to communicate: Hachinohe Fishery Coast Station and ship stations on board fishing ships
(6) Matters for communication: Fishery communication
(7) License expires on: June 4, 1956
(8) Place of installation: Hofuku-maru No. 1
Principal port of mooring: Hachinohe
(9) Call name: Daiichi-hofuku-maru
(10) Type of emission, frequency, oscillation system, modulation system and antenna power:

A3	1620, 1955, 2440, 2785 KC	Crystal oscillation	Last stage plate modulation	35 W

(11) Type and composition of antenna: Inverted L type
(12) Permitted operating hours Continuous

Radio Regulatory Commission Notification No. 1673

October 16, 1951

The frequencies of the Tokuhiro-maru No. 3 Radio Station were changed on April 23, 1951. The actual state after the change is as follows:

Chairman of Radio Regulatory Commission
TOMIYASU Kenji

(1) Date and number of license: June 1, 1950; No. 6088
(2) Title of licensee: Tokushima Suisan K. K.
(3) Classification of radio station: Ship station
(4) Purpose of radio station: To conduct the maritime mobile service for fishery
(5) Person with whom to communicate: Fukuoka Fishery Coast Station, local telephone or telegraph offices and ship stations on board fishing ships

(6) Matters for communication: Fishery communication, matters relating to navigation and communication relating to transmission and reception of traffic
(7) License expires on: June 1, 1953. However, unlimited for radiotelegraphy
(8) Place of installation: Tokuhiro-maru No. 3
Principal port of mooring: Fukuoka
(9) Call sign and name: JQQW; Daisan-tokuhiro-maru
(10) Type of emission, frequency, oscillation system, modulation system and antenna power:

A1 A2 500, 1580 KC A1 A2 A3 1610, 1930 KC A1 5520, 5570 KC	Crystal oscillation	A2 A3 Last stage suppressor grid modulation	A1	50 W
			A2	30 W
			A3	20 W

(11) Type and composition of antenna: Inverted L type
(12) Permitted operating hours: Continuous

Radio Regulatory Commission Notification No. 1674

October 16, 1951

In accordance with the provision of Article 12 of the Radio Law, the Radio Regulatory Commission granted the radio station license as follows:

Chairman of Radio Regulatory Commission
TOMIYASU Kenji

(1) Date and number of license: August 16, 1951; No. 2331
(2) Name of licensee: AIKAWA Reimatsu
(3) Classification of radio station: Ship station
(4) Purpose of radio station: To conduct the maritime mobile service for fishery
(5) Person with whom to communicate: Toyohama Fishery Coast Station and ship stations on board fishing ships
(6) Matters for communication: Matters relating to navigation and fishery communication
(7) License expires on: August 16, 1956
(8) Place of installation: Korei-maru
Principal port of mooring: Toyohama
(9) Call name: Korei-maru
(10) Type of emission, frequency, oscillation system, modulation system and antenna power:

A3	2440, 2785 KC	Crystal oscillation	Last stage plate modulation	5 W

(11) Type and composition of antenna: Inverted L type; T type
(12) Permitted operating hours: Continuous

Radio Regulatory Commission Notification No. 1675

October 16, 1951

In accordance with the provision of Article 12 of the Radio Law, the Radio Regulatory Commission granted the radio station license as follows:

Chairman of Radio Regulatory Commission
TOMIYASU Kenji

(1)	Date and number of license:	June 6, 1951; No. 3413
(2)	Title of licensee:	Egawa Fishery Cooperative Association
(3)	Classification of radio station:	Ship station
(4)	Purpose of radio station:	To conduct the maritime mobile service for fishery
(5)	Person with whom to communicate:	Tanabe Fishery Coast Station and ship stations of Wakayama-ken Bonito and Tuna Fisheries Cooperative Association
(6)	Matters for communication:	Matters relating to navigation and fishery communication
(7)	License expires on:	June 6, 1956
(8)	Place of installation:	Koei-maru
	Principal port of mooring:	Tanabe
(9)	Call name:	Egawa-gyogyo-koei-maru
(10)	Type of emission, frequency, oscillation system, modulation system and antenna power:	
	A3 1620, 1955, 2785 KC / Crystal oscillation / Last stage plate modulation / 20 W	
(11)	Type and composition of antenna:	Inverted L type
(12)	Permitted operating hours:	Continuous

Radio Regulatory Commission Notification No. 1676

October 16, 1951

In accordance with the provision of Article 12 of the Radio Law, the Radio Regulatory Commission granted the radio station license as follows:

Chairman of Radio Regulatory Commission
TOMIYASU Kenji

(1)	Date and number of license:	June 9, 1951; No. 1465
(2)	Title of licensee:	Maritime Safety Agency
(3)	Classification of radio station:	Ship station
(4)	Purpose of radio station:	To conduct the maritime mobile service for maritime safety service
(5)	Person with whom to communicate:	Coast stations of Maritime Safety Agency and ship stations of Maritime Safety Agency
(6)	Matters for communication:	Matters relating to the business provided for in Article 2 paragraph 1 and Article 35 paragraph 1 of the Maritime Safety Agency Law
(7)	License expires on:	June 9, 1956
(8)	Place of installation:	Ayame
	Principal port of mooring:	Tokyo
(9)	Call name:	Ayame
(10)	Type of emission, frequency, oscillation system, modulation system and antenna power:	
	A3 2140, 2440, 2785 KC / Crystal oscillation / A3 Last stage plate modulation and last stage screen grid modulation at the same time / 10 W	
(11)	Type and composition of antenna:	Whip
(12)	Permitted operating hours:	Continuous

Radio Regulatory Commission Notification No. 1677

October 16, 1951

In accordance with the provision of Article 12 of the Radio Law, the Radio Regulatory Commission granted the radio station license as follows:

Chairman of Radio Regulatory Commission
TOMIYASU Kenji

(1)	Date and number of license:	August 18, 1951; No. 2332
(2)	Name of licensee:	SUGIYAMA Asaichi
(3)	Classification of radio station:	Ship station
(4)	Purpose of radio station:	To conduct the maritime mobile service for fishery
(5)	Person with whom to communicate:	Ito Fishery Coast Station and ship stations on board fishing ships
(6)	Matters for communication:	Matters relating to navigation and fishery communication
(7)	License expires on:	August 16, 1956
(8)	Place of installation:	Arita-maru No. 8
	Principal port of mooring:	Ito
(9)	Call name:	Daihachi-narita-maru
(10)	Type of emission, frequency, oscillation system, modulation system and antenna power:	
	A3 1955, 2440, 2785 KC / Crystal oscillation / Last stage suppressor grid modulation / 10 W	
(11)	Type and composition of antenna:	T type
(12)	Permitted operating hours:	Continuous

Radio Regulatory Commission Notification No. 1678

October 16, 1951

In accordance with the provision of Article 12 of the Radio Law, the Radio Regulatory Commission granted the radio station license as follows:

Chairman of Radio Regulatory Commission
TOMIYASU Kenji

(1)	Date and number of license:	June 23, 1951; No. 6535
(2)	Title of licensee:	Maritime Safety Agency
(3)	Classification of radio station:	Ship station
(4)	Purpose of radio station:	To conduct the maritime mobile service for maritime safety service
(5)	Person with whom to communicate:	Coast stations of Maritime Safety Agency and ship stations of Maritime Safety Agency
(6)	Matters for communication:	Matters relating to the business provided for in Article 2 paragraph 1 and Article 35 paragraph 1 of the Maritime Safety Agency Law
(7)	License expires on:	June 23, 1956
(8)	Place of installation:	Wakazuki
	Principal port of mooring:	Kagoshima
(9)	Call sign and name:	JGWN; Wakazuki
(10)	Type of emission, frequency, oscillation system, modulation system and antenna power:	
	A1 A2 375, 425, 468, 500, 1570, 1580 KC / A1 2086, 2295 KC / A3 2140, 2785 KC / Crystal oscillation / A2 A3 Last stage suppressor grid modulation / A1 A2 50 W, A3 30 W	
(11)	Type and composition of antenna:	Inverted L type
(12)	Permitted operating hours:	Continuous

Ministry of Finance Notification No. 1480

October 16, 1951

In accordance with the provision of Article 15 paragraph 1 of the Cabinet Order concerning Restoration, etc. of United Nations' Property (Cabinet Order No. 6 of 1951), the Minister of Telecommunications was notified as follows:

Minister of Finance
IKEDA Hayato

1. Name of restoree and location of its office:
   Strong & Co., Ltd., No. 204, Yamashita-cho, Naka-ku, Yokohama-shi, Kanagawa-ken
2. Place where the telephone set owned by the Government offered to be installed:
   c/o Shofu Toki K.K., No. 2, 1-chome, Shirakabe-cho, Higashi-ku, Nagoya-shi, Aichi-ken
3. Date of restoration:
   October 22, 1951
4. Number of telephone set owned by the Government offered by the same:
   2 telephones
5. Present telephone subscriber of the telephone to be restored:
   Nagoya-Nishi 285
   FUKUMOTO Tomekichi
   No. 5, 5-chome, Kikui-dori, Nishi-ku, Nagoya-shi, Aichi-ken
   Nagoya-Chigusa 280
   ITO Noburo
   No. 32, Midanazuma, Tashiro-cho, Chigusa-ku, Nagoya-shi, Aichi-ken

---

Ministry of Finance Notification No. 1481

October 16, 1951

It is hereby notified that the following shares have been designated as the United Nations' shares in accordance with the provision of Article 2 paragraph 1 item (2) of the Cabinet Order concerning Restoration of United Nations' Share (Cabinet Order No. 310 of 1949):

Minister of Finance
IKEDA Hayato

Eight (8) shares of stock of Tokyo Denryoku K.K. allotted in May, 1951 to eighty-four (84) shares of stock issued by Tokyo Dento K.K. which were owned by Miss Elizabeth Y. Duer, the United Nations' nationals, on December 7, 1941.

Ministry of Finance Notification No. 1482

October 16, 1951

Dai-nippon Kaikyo Kyokai (No. 1907, 4-chome, Ekoda, Nakano-ku, Tokyo-To) was ordered to transfer and deliver the undermentioned property to Andrews & George Co., Inc. (No. 5, 5-gochi, Shiba-koen, Minato-ku, Tokyo-To) on October 20, 1951 in accordance with the provisions of Article 13 paragraph 1 item (3) of the Cabinet Order concerning Restoration, etc. of United Nations' Property (Cabinet Order No. 6 of 1951):

Minister of Finance
IKEDA Hayato

Sort	Quantity	Location
1. Land (Residential land)	208.10 *tsubo*	No. 19, Shoto-cho, Shibuya-ku, Tokyo-To
2. Building (House No. 133)	1 building 113.218 *tsubo*	do.

Ministry of Finance Notification No. 1483

October 16, 1951

In accordance with the provisions of Articles 3 and 5 of the Law for Establishment of the Savings with Premiums (Law No. 143 of 1948), the details, etc. of the "Eighth Diamond Time Deposit of the Bank of Trust" shall be determined as follows:

Minister of Finance
IKEDA Hayato

1. Name: Eighth Diamond Time Deposit of the Bank of Trust
2. Conditions:
   (1) Term of contract: 6 months
   (2) Amount of deposit: ¥1,000 per contract
   (3) Interest: None
3. Period for Handling:
   From: October 16, 1951
   To: December 15, 1951
4. Premiums: One right of drawing shall be given to each contract and 100,000 rights of drawing make one set with the following premiums:

Grade	Premiums	Number of winnings
Special Prize	¥300,000	1
First „	10,000	2
Second „	1,000	10
Third „	100	400
Fourth „	35	5,000
Fifth „	20	94,587
Total		100,000

5. Date of Drawing: December 22, 1951
6. Starting Date of Payment of Premiums: December 28, 1951
7. Stamp Duties on Certificates of Deposit: Certificates of deposit shall be designated under the provision of Article 5 of the Law for Establishment of the Savings with Premiums and be exempted from stamp duties.

Ministry of Finance Notification No. 1484

October 16, 1951
