SUBJECT : petition for removing a reparation machine in same plant.

TO : Senior Military Government Officer,
Tochigi Military Government Team,
Utsunomiya.

Now that we have been applied by undermentioned factory for removing a reparation machine in same plant as per attached letter, we made actual investigation, finding that what the factory mentioned is true. Namely the said factory has been manufacturing vehicle bodies as a reconverted factory which is under your approval. And we found that removal of the machine mentioned in the petition is quite needful for their productive operation. Removal of the machine, in addition, will be made within the same plant and will cause no affection, we are sure, in guard and preservation so far we have been continuing for the machine.

Your kind consideration for the above situation and your approval for their petition will be appreciated.
