THE FIRESIDE

Betty Baxter's Gossip.

We certainly do miss Narberth's base ball team.

Dorothy Moore is spending a fortnight in Merchantville, N. J.

Mrs. Lowery and daughter spent the Fourth of July at Atlantic City.

Rev. and Mrs. Loyal Y. Graham, Jr., spent the Fourth of July in Narberth.

Chudleigh E. Long, of the United States Marine Service, has gone to France.

The Narberth Guard will drill in uniform during the warm summer evenings.

Mrs. William S. Maddox is entertaining her mother, Mrs. Crane, of New York.

Miss Sara Potter, of Paoli, Pa., is visiting Mr. and Mrs. S. B. Dickie for a few days.

Mr. James Houston and family, of Elm Terrace, have gone to their summer home in Connecticut.

Mrs. James Artman and family have gone to their summer home at Turn Villa, in the Poconos.

Mr. George D. Waidner, of the Reformed Church Board, with his family are newcomers in Narberth.

The low branches hanging over the sidewalks have not been trimmed from all of Narberth's trees.

Mr. and Mrs. William R. Parker and son William have been visiting in Charlestown, West Virginia.

Mr. and Mrs. Arthur M. Klingman, of 403 Narberth avenue, have gone to Cleveland, Ohio, for the summer.

Andrew A. Baker, of 115 Windsor avenue, has enlisted in the Ambulance Corps and is in camp at Allentown.

Mr. and Mrs. C. T. Moore have been entertaining Mrs. Moore's brother, Mr. Laurence R. Dougherty and family.

Mr. and Mrs. Carroll Downes and Mr. and Mrs. William S. Maddox motored to Asbury Park for the weekend.

Mr. and Mrs. Howard Thompson and son, of 103 Merion avenue, are spending their vacation in Wildwood, N. J.

Mr. Frederic A. Lanahan and family, of Forrest avenue, are occupying their bungalow, "Shadynook," at Pine Beach, N. J.

Union prayer services will be held in the Baptist Church Wednesday evening, July 11, at 8 P. M., with the Rev. John Van Ness as leader.

Yes, Narberth Guard did all right on July 4th, but Narberth should have a full company of sixty-five men at least. Where are the men with red blood?

Miss Virginia Downes, Mr. Carroll Downes, Jr., and Mr. Frank Winne have returned from Dover, Del., where they have been the guests of Mr. and Mrs. Albert Downes.

Mrs. Alexander Chambley and family have opened their cottage at Willwood, N. J., and have as their guest for a few weeks Miss Jessie Ballingall, John Dickie and Arthur Cooke. (Continued on Fourth Page)

COUNTY EXEMPTION BOARDS

Governor Announces Appointments for Montgomery County

Governor Brumbaugh has announced approval of the following exemption boards:

Montgomery county—No. 1, Louis A. Nagle, Ogontz; Horace W. Smedley, Ardmore; Dr. R. C. Hoffman, Narberth; No. 2, D. James Crowe, Bethayres; O. E. C. Robinson, Hathoro; Charles E. Schwartz, Jenkintown; No. 3, Dr. Oscar Seeley, William Penn; H. C. Jones, Conshohocken; Charles W. Bray, King of Prussia; No. 4, George Nox McCain, Zieglerstown; Dr. H. Croskey Allen, Schwenksville; William D. Heebner, Lansdale; No. 5, George N. Malsberger, Pottstown; Dwight L. Meigs, Pottstown; Dr. Fred W. Van Buskirk, Pottstown. Norristown Borough—J. Elmer Saul, Roy A. Hatfield, Dr. Reinold Knipe, Norristown.

Sheriff Nagle stated that the exemption board sits with the medical examiner and passes upon applicants for exemption. The board then makes out its report, which is forwarded to the Adjutant General of the State. The board's decision is not final.

Mr. Smedley has declined the honor of serving on the board for this district and Mr. Joseph O. Kerbaugh, of Bryn Mawr, president of the board of township commissioners, has been named to act on the board with Sheriff Nagle and Dr. Hoffman.

W. C. T. U. FOOD PROCLAMATION

We, the members of the Woman's Christian Union of Pennsylvania, gladly go on record as willing to assist the Government in every movement for food conservation, but we protest against the use of foodstuffs in the brewing of beer, which makes a waste of food greater than can be saved in many homes.

We further recommend that all women include a protest in their registration against the inconsistency of our Government in urging the men of our Nation to extreme economy, while it refuses to prohibit the waste of foodstuffs in brewing of beer.

Mrs. Ella M. George, President.
Mrs. Sylvia B. Norrish, Corresponding Secretary.

YOUR "BIT"

To the ladies of Narberth who are in no other way affiliated with any particular organization and desire to do their share in Red Cross work, I take this medium of publicly inviting you to come out on Wednesday mornings at 9.30 to the Red Cross rooms and combine your efforts with the following committee and its associates Mrs. C. P. Fowler, Mrs. C. E. Long, Mrs. J. H. Fulton.

Who Managed Narberth's Base Ball Team Through a Very Successful Career

WAR GARDENS ARE PROTECTED

Any One Stealing Plants or Seed May Be Fined \$100 and Sent to Jail For a Year—Other Acts Signed

Many persons of this section who went to the trouble and expense of planting "war gardens" wondered whether their crops would not be the object of raid by conscienceless persons.

But the State Legislature passed a bill, and Governor Brumbaugh has approved it, which makes it a misdemeanor, punishable by not over a year in prison, or \$100 fine, for any one to steal, remove or destroy and seed or plant sown or planted in gardens.

The Governor approved other House bills, including the following:

Forbidding power-driven vehicles going over bridges at the rate of more than six miles an hour.

Requiring filing of certificates with Secretary of Commonwealth by all persons engaged in business under assumed or fictitious names.

Giving poor districts right to take land for buildings or farming purposes and providing means of paying damages therefor.

Validating satisfaction of mortgages in certain cases.

Amending public improvements and eminent domain lien act of June 1 1915, by excepting proceedings to ascertain damages and benefits for municipal street or sewer improvement.

Regulating election of first-class town-commissioners, and providing a method whereby courts may number election districts.

In his veto of the Township Light Tax bill the Governor says to change the plan now existing would be an infringement upon rights, and that in his opinion the present law is all right. A change would work an injustice. He closes with this remark: "Any law that discourages where it should encourage laudable establishment of owned homes is not good law."

NEW TRAIN SCHEDULE

Main Line commuters fare well in the new Pennsylvania Railroad schedule, which will go into effect tomorrow. Although some trains are taken off, several others are added. Changes in local trains leaving Broad street are: 6.40 A. M. to 6.35 A. M., 11.10 P. M. to 11.15 P. M., 11.30 P. M. to 11.35 P. M. Two new Saturday trains are added—1.05 P. M. and 1.35 P. M. The new Sunday trains westbound are 7.45 A. M., 8.45 A. M. and 9.45 A. M., and the 11.45 is changed to 11.55 P. M. Trains taken off are 8.15 A. M. and 9.15 A. M. East-bound trains taken off are those due at Broad street at 8.35 A. M., 9.30 A. M. express from Ardmore, 7.03 P. M., and 12.05 is changed to 12.12 at Broad street.

Silver teas to benefit the Y. M. C. A. will be given by Mrs. David D. Stickney, 216 Wayne avenue, on Thursday, July 12, and Mrs. N. E. Smedley, 19 Elmwood avenue, on Thursday, July 19. Both hostesses will be glad to welcome a large number.

MAIN LINE LEAGUE SECOND ROUND CIRCUIT SHOWS TO ADVANTAGE

R. G. Dun & Co. Club As Home Club at Narberth—League Potentates Expect Many Good Games

The changes that took place in the Main Line League circuit for the opening of the second round, last Saturday, created widespread comment, as well as increased interest with the fans of the Main Line, in addition to establishing enthusiasm in the newly-admitted towns of Norristown, Conshohocken and West Chester. While this gave the Main Line League a somewhat different appearance geographically it has added materially to the league in playing strength and also from a baseball standpoint. The clubs taken into the league to replace those dropped, particularly Gulf Mills and Paoli, did much towards eliminating a class and calibre of baseball that did not appeal to the fans and invariably effected the crowd at home games.

In the opening contest last Saturday, the big surprise was in the slaughter of the Norristown A. C. by Manny Singleton's Wayne Suburbanites. A total of 26 hits giving them the game in easy fashion by the score of 13 to 6.

AUTOCAR CHAMPIONS

Manager Charlie Barker, of the Autocar Champions, of the first round, made an auspicious opening for the second session by smothering the Berwyn Travelers, score of 12 to 4. In passing we must not miss the opportunity to mention that the fans of the Main Line congratulate Barker and his speedy autoists in copping the first round gonfalon. Barker has earned a host of friends in the circuit through his former playing days, and then again with his tactics as a manager during the present season. In the event another club cops the second round, thus giving the fans a series for the season championship, it is safe betting at this date that it will rival and even surpass any previous series staged in the Main Line circuit, and we have had some at that. The Dun & Co.—Narberth games of 1916 being especially fresh in the minds of the devotees of good baseball.

R. G. Dun & Co. came through in faultless fashion on the Bon-Air grounds, making a similar score of 12 to 4 over the Barons. The Dun club had Rickards in the box. "Rick" can be remembered in the former days as a heroic star with the Wayne Champs under Charlie Sullivan, and his return to the Dun & Co. team and Main Line society is welcomed.

The unexpected was the 12 to 0 shut-out game over at Conshohocken, where manager Thomas Pope had Lefty Moyer in the box. Moyer was at his best, and held down the Independent Club sluggers of West Chester to two bingles, going them one better himself when he clouted a triple, double and single, total of three hits. West Chester played the game under a protest, claiming the field was not in playing condition. The firm of Lee Tire and Rubber Co. recently purchased this tract of ground, and in the course of improvements which bids to make it one of the best grounds in the circuit, had not succeeded far, many furrows remaining in the outfield. West Chester only agreed to play under a protest and at that 7 innings. However, two lonely singles and a shut-out does not give the league potentates a very weighty problem for decision.

R. G. DUN & CO. IN NARBERTH

The disappointment of the fans in the Borough of Narberth over the loss of league baseball on the home diamond, when the ex-management resigned their franchise in the circuit, was only of a week's duration. The well-known manager and silent leader, Frederick Cloughley, of the R. G. Dun & Co. team, being anxious to locate as a home club, secured the good consent of the authorities in charge of the Athletic Field in Narberth, and will place his club in Narberth as a home team. This action was duly ratified by the league officials in view of the fact that the Bon-Air club was agreeable to assuming the traveling club dates, thus retaining an intact circuit with six home clubs and two travelers, Bon-air and Berwyn.

The fans well recall many exciting and interesting games that Cloughley's Dun & Co. aggregation has played on the Main Line circuit in the two past seasons they journeyed through the league as a traveling team. Peculiar as it may seem, the closest and best games invariably took place right at Narberth, where this club is now going to pitch its tent and make its home abode for the remainder of the 1917 season.

Cloughley announces that the team will be at its best, with every opportunity accepted to strengthen and give a calibre of ball that will promote a winner and for the best interests of the town that he will play in.

One of the many new players secured in the Dun & Co. roster is Giroux, the nifty catcher that wore the big mitt and wind pad for Ithan two seasons back. At that time he was rated on a par with "Nig" Koons, and critics say he is still the same. Vernon Fleck, the heavy hitter of the borough, will be found playing in the out garden of the Dun & Co. club.

"IRON MAN" STITES THERE

The big noise in the new home club was the announcement from Cloughley that Fletcher W. Stites, the "Iron Man" of Main Line baseball, and in fact only the past week staging a come-back in the twirling duties, has agreed to continue the season of 1917 in baseball (much to the delight of the fans, where he has a host of friends) and will be found with Dun & Co. in the effort to cop the second round title and give battle to Autocar for the championship. Deegan, Barnitz, Biggs, Packey, Gravelle are among others well known in the circuit who remain with Cloughley and the Dun outfit.

The new home club will entertain the Berwyn Travelers this Saturday at Narberth with play called at 3.15. Paist's juveniles are stepping fast lately and a good game is in store for the fans of fanhome Narberth.

THE SCRIBE.

TEACHERS TO WED

Five Narberth teachers will leave the school district to be married—Miss Melchior, Miss Kemery, Miss McCarter, Miss Twining and Miss Read. J. D. Rodgers, a high school teacher, has left to engage in chemical research work under the Government. New teachers are Miss Louise Baynton, Vassar College; Miss J. June Cross, Syracuse University; Miss Anna L. Swartz, Mount Holyoke; Miss Maud M. Guthrie, Miss Olive C. Wright, Miss Ella H. Snavelly, Miss Rosa R. Sample and Miss Margaret Duncan.

CONSTABLE WAIZER BUSY

Narberth's efforts to cut down speeding and enforce horn-blowing laws resulted in a drive on motorists on Sunday by Constable Fred Walzer. He announced Monday that he caught 108 automobile drivers who failed to obey the law.

MR. STITES WAS BUSY

The Fourth of July was a busy day for Hon. Fletcher W. Stites, representative in the State Legislature from this district. In the morning Mr. Stites delivered an oration at Bala-Cynwyd celebration. In the afternoon he was out in his base ball uniform and pitched for the Narberth team in his old time form, the boroughites winning from the R. G. Dun Company team by a 2 to 1 score. In the evening Mr. Stites was rushed in a big touring car to Sixty-second and Washington avenue, Philadelphia, where he delivered a stirring patriotic address to a crowd of six thousand residents of that section of Philadelphia, after which he returned to Narberth and participated in the closing exercises in his home town.

Then do your duty to the other fellow, and let us hear from you. You may possibly have a literary talent, but do not know it. Try it and see!

Our Town is very grateful for the various contributions which have recently been received from several of our local organizations. This paper is always a champion for their—and your—worthy cause, and its (Our Town) cause should, in turn, have the support, both financial and assisting, of every organization and resident of the borough.

No one interested in the tunnelling of Essex avenue and the building of a new depot? Not one answer did we receive for our request for a few words from those interested, as, in order to accomplish these two important improvements—and necessities—it must be the work and efforts of many, not a few. Don't say to yourself, "Let the other fellow do it." That other fellow is none other but yourself.

In accordance with the annual custom without which none of the splendid Fourth of July celebrations of Narberth would be complete, the police force of Narberth Wednesday became a mounted force, long enough to lead a parade, that for snap and vim and patriotic fervor long will be remembered.

Beginning early, Narberth made its celebration one of the best the town has ever known. After the Rev. Chris. K. Koppel, pastor of the Methodist Church, had delivered an address and the American flag had been drawn to the top of the pole in front of the firehouse, the parade, with 300 or 400 men and women in line, marched through the streets of Narberth with two bands playing. In the line were seventy-five members of the Narberth Guard, in uniform; seventy-five capped and gowned women of the Narberth unit of the Red Cross; Boy Scouts; school children, Grand Army veterans in automobiles; members of the base ball team and the Narberth Fire Company, with its apparatus. Two base ball games, a tennis tournament and an evening band concert completed the day.

It is to be regretted that the officials of the Narberth base ball club decided, after careful consideration, to disband for the season. Their reasons are most plausible, reasonable and consistent. While their action leaves a feeling that, under certain conditions, the team might have continued, yet we know that their action was for the best. But we've had a team of which we were ever proud and we will accept the verdict cheerfully, hoping that the coming season may have something real promising for us. Base ball nor anything else must interfere with our duty to our country.

There could have been no greater satisfaction than to know that several of our players were called to the front, which was the chief factor in the officials making their decision. Narberth must have a winning team, and it takes a good player to qualify for the standard of base ball as has been given us by the Main Line League.

But we'll try and forget it, and the best way is to give the Dun boys who will use our grounds, your hearty support. They have always been a welcome set of clean-cut boys, ever playing the game for all that was in it.

To the Editor of Our Town,
After reviewing the Fourth of July parade and noting with considerable pleasure and pride the fine appearance presented by the Narberth Home Guard, I have wondered why any man in good health or sound body residing in our borough has passed up the opportunity of joining that excellent organization. I understand there are 270 men here liable to conscription, of whom only 10 belong to the N. H. G. The natural inference is that, with the exception of those who are objectors on conscientious grounds and those physically unsound, the rest of the 260 are mighty shortsighted or lack public spirit and patriotism to a discouraging degree.

In the first place, there is positively no obligation incurred in joining the Guard. The organization is not a part of the forces of the Nation or State and when the Conscription Law is enforced, its members are no more liable to draft than a non-member. A member, however, should be drafted in the regular course, would have a big advantage over the man who had received no military training whatsoever. The former would certainly have the preference when appointments above the grade of private were being made.

Of non-members not subject to conscription, there are hundreds in Narberth, who are letting a fine chance slip by to get in some splendid exercise and straighten out the kinks, to say nothing of showing a good example to the boys who are likely to go to the front.

The Tennis Club, I notice, is a slacker, few of its members taking the trouble to come out and drill. Tennis is all right in its place, but there is something higher to be considered now.

Wynnewood, with a much smaller population than Narberth, boasts of a military company double the size of ours. If you read the papers, I will not need to tell you what Wayne, etc., are doing.

If any man is hesitating about joining and wants any information on the subject, he can call at the Armory

on Monday or Thursday evening and be enlightened.

I don't want to slight any one, and hence before concluding, I'll invite some of the young men who frequent the street corners every evening, whiling away their time by idle talk and filling their lungs with cigarette smoke, to come to Elm Hall and get some valuable instruction and exercise.

Narberth boys should not be slackers.

MANAGER WALZER THANKS LOCAL FANS

To the Editor of Our Town,
May I have a little space in the paper to thank the people of Narberth for the loyal and generous support which they have always given the local base ball team. And may I also make a brief explanation which I feel due every resident of our borough.

No one regrets more than I do the conditions that made it necessary for Narberth to drop out of the Main Line League and to disband, for the balance of the present season, at least. But we were up against a combination of circumstances that could not be avoided, and the management decided that, under such circumstances, it was useless to attempt to go and ask the people of our town to support what would unquestionably be inferior base ball.

In the first place we lost half a dozen of our best players as a result of the war. In the second place we discovered that this year good players were as scarce as hens' teeth—also a war condition; in past seasons I have always had a list of promising young players from Philadelphia and nearby suburbs who wanted to play with Narberth. In the third place, conditions have been such that we have been unable to provide adequate accommodations for spectators at the grounds, and knowing how many different appeals have already been made to our local people for various contributions, we did not feel that we could go to them and ask for assistance as freely as we have in the past.

We're out of the running for the time being, but I do not believe base ball is dead in Narberth, and next year, I hope, conditions will be such that our town will again be represented on the diamond, headed once more for the championship.

Again let me thank every fellow townsman who has supported the team this season and past seasons, and in closing let me say that your support has been very much appreciated.

Yours very truly,
FRED WALZER.

NO MERCY FOR MOTOR THIEVES UNCLAIMED LETTERS AT NARBERTH POST OFFICE

All honor to the judges who have made up their minds that motor thieves are to have the full rigors of the law. It is amazing how the idea has grown up in the minds of a lot of young rascals that it is no more than a lark to steal a car and go out on a joy ride. They have acted as if they felt hurt when they were even fined for such an offense. Yet many of the cars have been damaged and some have been sold to "fences."

At a time when the courts are sending petty thieves to prison for long terms, there is no sense in showing any mercy to motor thieves. It is about time that this shall be so well understood that the predatory practice will cease. At the same time one wonders that so many persons leave cars where they can be stolen or that they do not take proper precautions. There ought to be some way of locking most cars so as to tax the ingenuity of the thief. We should think that inventors might provide a plan by which it would be impossible to run off with a car.—From Evening Bulletin, July 2, 1917.

The services at All Saints' P. E. Church, Montgomery and Wynnewood avenues, for next Sunday are as follows:

8.00 A. M.—Holy communion.

11.00 A. M.—Morning prayer and sermon.

The Sunday school sessions and the afternoon services have been discontinued until the third Sunday in September.

The church busses leave Narberth and Wynnewood stations at 10.40 on Sunday mornings.

THE PRESBYTERIAN CHURCH

Rev. John Van Ness, Minister

Meetings next Sunday will be as follows:

10.00 A. M.—Sunday school. All departments.

11.00 A. M.—Public worship. The pastor will preach on the theme, "A New King That Knew Not Joseph." A quartet of trained voices will sing.

6.30 P. M.—Union twilight meeting. Preacher furnished by the Baptist Church.

Church Notes

On Wednesday evening of this week the Union prayer meeting will be held in the Baptist Church. Mr. Van Ness, the leader, will introduce the theme which will be "The Best Fishing."

Prayer meeting on Wednesday evening next will be held in the Presbyterian Church. Leader, Mr. Koppel.

It has been decided by the music committee to retain the services of the quartet each Sunday morning during the entire summer.

The session has secured the following supplies during the pastor's absence in August:

August 5—Rev. W. Hamill Shields, D. D., of Hillsboro, Ohio.

August 12—Rev. L. M. Keim, of Narberth.

August 19—Mr. R. C. McQuilkin, of Philadelphia.

August 26—Prof. William T. Melchier, of Narberth.

EVANGEL BAPTIST CHURCH.

Avery S. Demmy, Pastor

Sunday services:

9.45 A. M.—Bible school. Classes for all. Everybody welcome.

11.00 A. M.—Morning worship. Sermon by the pastor. An illustrated object sermon will also be given for the children.

6.30 P. M.—Union vesper services. Sermon by the pastor of this church. Subject, "The Victor's Crown."

Church Notes

The large audience present last Sunday morning showed the interest taken in the series of sermons now being preached by the pastor on "Live Questions About the Church of Today." Tribute was paid to the importance and blessings of law, science, commerce and education, but it was made clear that in addition to these it takes religion to change the hearts and desires of men and to set things right in the world.

The sermon Sunday morning will be the second in this series. Subject, "What Do You Think of the Church?" Has she met the issues of the day? To get a true estimate of any institution we must know something of its past; how it came to be; what it has done and what it proposes to do. This sermon will deal with the church with these questions in view.

A special invitation is extended to all, who possibly can, to join with us in these services.

TWILIGHT SERVICES OPENED

On Sunday, July 8, the Rev. Avery S. Demmy opened the Union twilight services with prayer while the Rev. Charles G. Koppel read the response and the Rev. John Van Ness preached on the "Atonement."

The evening being cool, a gathering of over 200 people were present.

These services are most beneficial to all, specially when the whole world is involved in turmoil, so that a hearty welcome awaits everybody.

Services held every Sunday evening at Narberth and Woodbine avenues, starting promptly at 6.30 during July and 6 P. M. during August.

Mr. Wagenseller, the cornetist who was with us last year, is again helping with his beautiful music during this season.

Next Sunday the Rev. Avery S. Demmy will preach, using for his subject, "The Victor's Crown," text Rev. 2: 7. The sermon will deal with the war-cloud's silver linings and will emphasize some things that should bring comfort, strength and inspiration to those who are worried and distressed because of the present awful war. It will be a call to move forward in several definite lines of greater service to God and man and will point out the triumphant way.

IMPORTANT NOTICE NARBERTH HOME GUARD

The usual Thursday meeting and drill for this week has been postponed until Friday evening, the 13th. On that evening it is requested that all members appear in uniform at Elm Hall at 7.45.

A short drill will be held in the open air, accompanied by drums, after which photographers from the Philadelphia newspapers will take flashlight pictures of the Guard. A full attendance is urgently requested.

R. D. White,
Captain.

A CALL FOR VOLUNTEERS

Our Town\$1.00
Civic Association 1.00

Membership fee, including Our Town. \$2.00

The committee (appointed by the Civic Association at the annual meeting) decided upon a membership fee of \$2 per annum, which is to include a copy of Our Town each week. One dollar for the use of the Civic Association and one dollar for the support of Our Town. The increased cost of material and labor in getting out the paper necessitates the withdrawal of the combination price of \$1.50.

It should be a matter of local pride in your community that would prompt you to contribute such a trifling sum as 4 cents per week for the support of your association and circulation of your paper.

Remember, every householder in Narberth is a member of the Civic Association and will receive Our Town, but should it not be a matter of honor for him to do his bit, 4 cents per week, toward the support of the community in which he lives? However, no compulsion is used, "the volunteer system" is in full force in Narberth and all will continue to receive a copy of Our Town, except, of course, those (and there are very few, we are glad to say) who refuse to take the paper from the post office.

Arrangements are being made to have all the volunteer membership fees of \$2 in the Civic Association fall due together at a specified time each year.

Mr. George M. Colesworthy is secretary-treasurer of the Civic Association and Miss Mary Gara, subscription manager of Our Town.

On behalf of the committee,
F. Millwood Justice,
Chairman.

First little girl (looking over an album): "Is that a picture of your papa? Ain't he sweet? I'd love him! He looks as if he had his pockets full of Christmas presents. Whose picture is this other one?"
Second little girl: "That's papa, too."

TO KILL THE DOGS

The County Commissioners on Tuesday sent notices to the constables directing them to kill all dogs whose taxes have not been paid.

With the notice is a list of the dogs and owners, as furnished by the assessors.

The law provides that the constable shall receive \$1 for every dog he kills. His killing is not only confined to those listed by the assessor, but any canine not bearing a license tag of the vintage of 1917.

CONTRIBUTORS, NOTICE!

For the past two and a half years the following item has appeared, with a few exceptions, in every week's issue:

OUR TOWN will gladly print any news item about any subject that is of interest to Narberth folks, but in order to meet the printing schedule, all "copy"—manuscripts—must reach the editor by 6 P. M. Monday each week.

And still many of our good contributors who help so much toward making Our Town a success, continue to mail their "copy"—manuscript—on Tuesday, and even sometimes on Wednesday—the very day on which this paper is mailed. It is imperative that all items must be in the editor's hands on Monday evening, as hereafter all items received after the specified time will not appear in the current week's issue, thereby in most instances making the "copy" stale news for the following week.

The Editor.

THEIR FAMILY TREE

Last summer a young London clerk, who held rather fanciful views as to his origin spent his holidays at a Wiltshire farmhouse, the principal attraction being the golf links near by.

He greatly annoyed the other boarders by his constant references to what he called his "pedigree" and "family tree." At last the farmer could stand it no longer.

"Young man," he said, "I must say you've done a heap o' talking about yer family tree. Anybody would think you owned a whole timber-yard. Come out into the lane a minute."

The youth accompanied him. Pausing by a weeping willow, the farmer said:

"I want you to take particular notice of this."

"What for?"

"That's our family tree. That's what has heightened our ideals and stimulated our energies. That has furnished switches for five generations of us."

THE FIRESIDE

(Continued from First Page)

Arrangements are being made for
a mass meeting of the Home Defense
Unit of Narberth at an early date.
Prominent speakers will address the
meeting. Date will be announced next
week.

Something should be done to elim-
inate the stagnant pool in the field
west of Wynnewood road, about oppo-
site the end of Merion avenue. This
is surely a breeding place for mos-
quitoes.

Mr. and Mrs. F. Richard Gifford,
of Dudley avenue, had as their house-
guests over the Fourth Mrs. Gifford's
brother, Mr. George W. Jacobs, of
New York, and Miss Sarah Cashow,
also of New York.

Officer Hill, through proper co-op-
eration with the authorities of another
city, effected the capture of one of
the men accused of taking an auto-
mobile from the garage of A. E. Who-
lert recently, and who fled to a dis-
tant city to avoid arrest.

Mrs. Miller Burkhardt, of 100 Maple
avenue, entertained Miss Mary Mar-
garvey, of Philadelphia, Mr. and Mrs.
Benjamin T. Neall, of Tioga, Miss
Helen Heintsh and Carlton Harris,
of Pitman Grove, and Mr. and Mrs. Her-
bert E. Street, of West Philadelphia.

Mrs. Edward Odell, with the as-
sistance of her friends, has sent to
the American Hospital in France 100
surgical pillows. Mrs. Odell devotes
Friday afternoon of each week to this
work. Anyone wishing to assist
should call at Mrs. Odell's home on
Montgomery avenue on Friday from
1.30 until 5 P. M. At the last meeting
a paper on Historic Merion by Charles
L. McKeenan was read by Mrs. Will-
iam M. Cameron.

OIL SOAKED BIRDS HELPLESS

Crude oil that had been thrown
overboard by Uncle Sam's warships to
quell the raging war, which wrecked
the U. S. S. Memphis during a heavy
storm, stuck to this wings of seagulls
and other water fowl taking refuge in
the bays along the coast and rendered
them helpless and unable to fly for
several days, according to an an-
nouncement from the Navy Depart-
ment.

Members of the United States
Marine Corps, on expeditionary duty
at Puerto Plata, captured hundreds of
the birds with their naked hands.

The oil-begrimed fowl wandered up
and down on the beach, crying pitifully,
while the mariners stood guard
to see that boys did not harm them.

WHAT SHE LIKED

The cultured young woman from
Boston was trying to make conversa-
tion.

"Do you care for Crabbe's Tales?"
she asked.

"I never ate any," replied the
breezy girl from Chicago, "but I'm
just dead stuck on lobsters."

Of the world's production of copper
it is estimated that 60 to 70 per cent.
is used in the electrical industry in
normal times.

OUR TOWN will gladly print

that is of interest to Narberth
folks, but in order to meet
the printing schedule, all "copy"
—manuscripts—must reach the
editor by 6 P. M. Monday each

FOR YOU AND ME

The local Board of Health has re-
ceived a communication from the State
Health Department, which points out
the need of an energetic clean up in
all localities, in order to assist in the
controlling of any possible epidemic
of infantile paralysis that may occur
this summer. There were 2000 cases
in Pennsylvania between July 1, 1916,
and the end of the year, with 500
deaths. The fatalities might have been
much greater had not the citizens
adopted the measures suggested by the
State authorities and it is urged that
no effort be spared to repeat, or rather
redouble, those measures this season.

Space does not allow us to print
the full text of the Harrisburg com-
munication, but the following extracts
should be carefully noted by every
resident of the borough and followed
to the letter. The Board of Health is
instructing to enforce these rules:

Stables—in Towns and Villages
Manure must not be allowed to ac-
cumulate in open piles. The daily
contents should be placed in pits or
bins tightly covered or thoroughly fly
screened.

It must be removed once a week
from the first day of May until the
last day of November.

Stables must be cleaned daily.

Garbage

Garbage when kept must be placed
in covered containers. The containers
must be scrubbed clean with the
liberal use of soap and water before
refilling.

It must be collected at least three
times a week from May 1 until Novem-
ber 1; the balance of the year it must
be removed often enough to permit
the container being kept closed.

Rubbish and Ashes

Rubbish, and ashes mixed with rub-
bish, must be collected regularly and
disposed of in such a way as not to
cause a nuisance.

House Cleaning

All vermin, such as lice, bedbugs,
roaches, flies, mosquitoes, rats and
mice should be exterminated.

Kennels, boxes and cages used by
household pets should be frequently
cleaned and disinfected, including
floors, carpets, etc., used by them.

Cellars should be kept clean at all
times; this includes the floors, walls
and ceilings. Cellars should be kept
dry. Cellars should have the windows
as well as all other openings for ven-
tilation, etc., fly-screened.

All houses should be thoroughly
screened by the end of April and the
screens kept in good condition until
cold weather, or when insect life has
ceased its activities.

General

Surface drainage of kitchen, 'aun-
dry and bath waste water should not
be permitted unless it is sprinkled
over a large surface, where it will not
reach a stream, and never to such an
extent as to sour the ground.

Where no sewer system is avail-
able, separate cess pools had better
be built to receive this waste water.
Streams must not be used for the
dumping of sewage, garbage, ashes or
rubbish of any kind.

Pools of stagnant water or any mos-
quito breeding places should be
drained.

Water barrels, cisterns, etc., should
be covered or screened.

All highways should be treated so
as to keep down dust.

Street gutters should be frequently
flushed out and kept free from ac-
cumulations of rubbish.

Ground where manure or garbage
has stood or where made foul by sur-
face drainage should be cleaned and
treated with unslaked lime.

Foodstuffs exposed for sale must be
protected from flies, dirt and domestic
animals, and where exposed for sale
on sidewalks they must be elevated
above the pavement at least 24
inches.

It would be well during the coming
summer that children under sixteen
years of age should not be allowed to
congregate unnecessarily in public
places.

Samuel G. Dixon,
Commissioner of Health.

FILLING UP

"What will we put in the magazine
this month?"

"About forty pages concerning
what we had last month."

"Yes."
"And forty more about what we
will have next month."
"And then?"
"That ought to be enough for this
month."

STAR IS BIGGEST THING IN UNIVERSE

The very littlest thing in the world
which has been measured and the very
biggest thing which has been meas-
ured, are so wonderfully small and so
marvelously large that we can scarce-
ly comprehend them when we see the
figures, says the Kansas City Star.

The smallest thing which has been
actually measured is a light wave. The
largest thing which has been deter-
mined with a fair degree of accuracy
is the star of Canopus.

Light waves, of course, are of dif-
ferent lengths. In the spectrum, the
red waves are longest; orange next,
yellow next and so on to the violet,
which are shortest of the visible
waves. So if we were to give the
measurement of the very smallest
thing we would have to take one of
the light waves in the violet end of
the spectrum, or better still, one of
the waves in the ultra violet portion
which is invisible.

The shortest of these that has been
determined is 120 millionths of a mill-
imeter.

But the figures on the magnitude of
the largest thing in the world that has
been measured, are even more stag-
gering. There may be larger stars
than Canopus, but they haven't been
found yet. Our sun has a diameter
of 864,000 miles. Canopus has a di-
ameter 134 times greater. It has a
volume 2,420,000 times as large as the
volume of the sun. To give some idea
of this greater size, it might be said
that Canopus gives out 47,000 times
as much light as the sun. But we
don't appreciate this greater luminos-
ity here on earth for the reason that
Canopus is so far away that if its light
should suddenly go out, we wouldn't
know it for four hundred years and
light travels at the rate of 186,000

miles a second, or fifteen billion miles
a year.

The odd part of these measurements
is that both are determined by
methods almost identical. Due to the
fact that light waves are refracted, it
is only a matter of determining the
angle of refraction and, by triangula-
tion, finding the length. This is made
possible because of certain property
of light waves known as interference.
If the crest of one wave is imposed
upon the trough of another, they "in-
terfere," that is they "neutralize" each
other. There will be a dark spot. It
is for this reason that it is possible
for two rays of light to produce dark-
ness. So the man peering into a
spectroscope may determine the length
of these little light waves with a sur-
prising degree of accuracy.

By looking through his telescope,
noting various angles and using a
system of triangulation, the astro-
nomer is able to give a fair esti-
mate of the size of Canopus. The dif-
ference is that the physicist must feel
like a giant when he is dealing with
little light waves while the astronomer
must think himself a very tiny pigmy
when he juggles his figures.

A mother was correcting her little
boy the other day, and, appealing to
him, asked how he would feel if he
had a son who didn't do this and
didn't do that, and so on. When she
had reached the end of the inquiry,
he answered:

"Well, mamma, if I had a little boy
eight years old, I don't think I'd ex-
pect the earth of him."

Georgia (taking in the dime mu-
seum)—"What's that, pop?"
Pop—"That's a mummy."

Georgia—"Too stiff to speak to any-
body, ain't he?"

If a man marries a widow it's be-
cause she originated the thought.
