Do You Know the Reason

It does the work better than the brains
It saves the brains for something better

- It is simple to operate
- It does the carrying automatically
- It clears to zero mechanically
- It has the totals always in sight
- It will last as long as you are in business
- It prevents eye strain and nerve strain
- It is dustproof when not in use
- It is convenient for the traveling man
- It is good as the best, and does not cost as much

It quickly pays for itself by avoiding Mistakes that Remain Undiscovered
