SYM/to

KFL No. 157

21 July 1948

To : Hiroshima Military Government Team

Through: Chugoku Liaison and Coordination Office

Subject: Temporary Removal of Reparations Machines for Repairs

1. Reference is our letters KFL No. 150 dated 23 June 1948, subject "Report on Damage of Reparations Machines-Kaburasaki Oxygen Shop, Harima Dock." and KFL No. 81 dated 11 March 1947, subject "Damage to Air Compressor."

2. The two damaged air compressors reported in the above referred letters must be reconditioned as reparations items. For that purpose there is no other way as to send them to the Kamedo Plant, Nippon Rika-Kogyo K.K., Tokyo who is the maker of the compressors.

3. It is requested that you will permit the temporary removal of the two compressors for the purpose of reconditioning.

4. The compressors will be returned to Kure Soon after the running test which is expected at the end of October this year.

Subject : Application for Transfer of Machineries from Harima Main Works in Hyogo-prefecture to Harima Kure Dock.

We herewith apply to you for the permission of the above mentioned subject according to the following details.

1. Machineries to be transferred:

Name	Quantity	Note
75 HP Potable Air Compressor.	1	1. These are not designated as reparation objects. 2. To distinguish them from other machineries for reparation in ex-Kure Navy Yard specially classified marks will be fixed on them.
1/4 ton Air Hammer with Motor.	1	

2. Present location:
Harima Shipbuilding & Engineering Co. Ltd. Harima Main Works), Aioi-City, Hyogo-prefecture.

3. New location:
Engineering Section, Harima Shipbuilding Works, Ltd., Kure Dock, Hiroshima prefecture.

4. Request Company and responsible Custodian:
T. Jambo, Chief of Harima Shipbuilding Works, Ltd., Kure Dock.

9424

DECLASSIFIED E.O. 12065 SECTION 3-402/NNDG NO. 775013

5. Reason for transfer:
(a). Use:
To manufacture various implements for salvage and scrapping of disabled vessels.

(b). Reason:
For shortage of coal stock, it is difficult to continue to operate steam Hammers, and necessary to use Air Hammers a substitute for them.

6. Special Description:
(a). Harima Shipbuilding & Engineering Co. (Harima Main Works) in Hyogo prefecture are not designated as reparation works.

(b). After transferred, they will be attached with special marks in order to distinguish them from other machineries for reparation in ex-Kure Navy Yard.

(c). Harima Shipbuilding & Engineering Co. in Hyogo prefecture will take appropriate steps as to transfer of the said machineries in Hyogo prefecture.

HIROSHIMA FINANCIAL BUREAU

14 Oct.1946

Subject : Report ~~of~~ on Theft of Reparation Machines in Harima Area
Through : Kure Liaison Office
To : Hiroshima Military Government Team

We herewith report to you on the above-mentioned subject as follows.

1. Reparation machines stolen
   One motor,7.5 HP,attached to the shaper with code No. 11 - 5(5) - 1533,Class 1
   One motor,7.5 HP,attached to the shaper with code No. 11 - 5(5) - 1534,Class 1

2. Date when the case occured
   Night on 27 Sept.46

3. Place where the case occured
   Area in the custody of the Harima S.B.Works in Kure Navy Yard

4. Responsible custodian
   Toshio Jimbo,Manager of the Kure Dock,Harima SB Works

5. Situation when the case occured
   The machines at the place where the case occured were kept under guards by special order of the Company,because burglars had broken into the same shop twice already. The machines seem to have been stolen in the intervals of the patrol. Immediately after the case occured,the Company put guards belonging exclusively to the shop and is now making efforts to prevent the burglary,assigning night works every day to about 10 employees.

The above,for your information.

From: Chief of Hiroshima Financial Bureau.

To : Commanding Officer
Hiroshima Military Government Team
(Attn : Lt. Francisco)

Via : Kure Liaison Office.

Subject: Transferring of Machinery for reparations purpose from ex-Kure Navy Arsenal

___ permission of

Sir,

We beg your kind permission of transferring of the machineries listed on the attached inventory which are absolutely necessary for repairing of repatriation vessels and scrapping of disabled vessels in the vicinity of ex-Kure Naval Port etc. being undertaken by Harima Ship Building Works, Ltd., Kure Dock under the authorization of ComNavJap.

Anticipating your kind approval for the above, I am,

Yours sincerely,

S. Kashiwabara
Chief of Kure Branch
Hiroshima Financial Bureau

DECLASSIFIED E.O. 12065 SECTION 3-402/NNDG NO. 775013

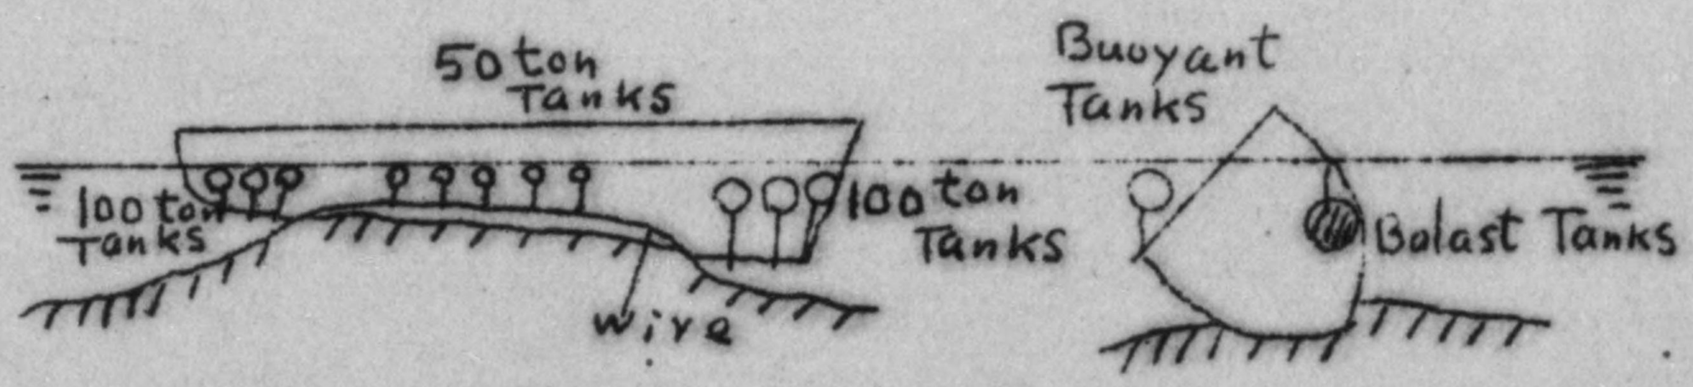
List of machineries to be transferred

Nominal Number	Description	Quantity	Present location	Location to be transferred to
No.	50 ton air tanks (originally for the purpose of buoyancy tanks)	2	Berth No.1	AMAGI salvaging spot at Mitsukojima
		1	Berth No.4	
		1	Slip No.3	
		1	Dock No.3	

Remarks : after completed this work, these machineries will be turned back to the present locations.

The reason for this transfer :

1. Plan to dispose of AMAGI is firstly to raise up it by the help of buoyant tanks, balast tanks and winches as shown below and then to get into Kure Dock, where it will be scrapped.



2. Necessary equipments to raise it up:
   50 ton buoyant tanks---5 which we herby wish to transfer to the salvaging spot.
   100 ton buoyant tanks--6)
   100 balast tanks-------8) these have already been
   5 ton winches----------6) prepared.

3. The reason for the necessity to get 50 ton buoyant tanks is to acquire appropriate buoyant coefficiency.

From : Chief of Hiroshima Financial Bureau
To : COMMANDING OFFICER, HIROSHIMA MILITARY GOVERNMENT TEAM.
(Attn: LT. FRANCISCO)
Thru : Kure Liaison Office
Subject: Transfer of tower cranes from Harima Main Works to Harima Kure Dock.

Sir,

We beg your kind authorization as to transfer of 3 sets of cranes as mentioned below from Harima Main Works in Hyogo-ken to Harima Kure Dock, in order to meet the requirement for quick operation for disposal of scrapped material producing in No.2 & No.3 Docks, because scrapped material produced from No.3 Dock which is used exclusively for disposal of ex-carriers and ex-cruisers has already formed mountainous accumulation and extensively limited the working area on account of lack of capacity of cranes therefor, thus progress of work being checked great deal, and No.2 Dock now under cleaning operation will be finished by the end of this month and is then expected to be able to take in ex-old cruisers or other smaller crafts, but is nevertheless only fitted with small type locomotive cranes, thus being unable to use in full percentage for disposal of scrapped material produced.

Nos. of Docks.	present condition in Kure Dock.	Cranes to be fitted.	Present location of cranes to be shifted.	Location to be fitted.
No.2	No crane.	1.5ton/3ton tower cranes --2 sets.	Harima Main Works.	No.2 Dock Harima Kure Dock.
No.4	10ton/20ton tower cranes --2 sets.	10ton luffing crane-1 set.	Harima Main Works.	No.4 Dock, Harima Kure Dock.

Remarks: In order to distinguish them from other machineries specially classified number will be marked on them.

Anticipating your kind approval,

Yours sincerely,

Chief of Kure Branch
Hiroshima Financial Bureau.

DECLASSIFIED E.O. 12065 SECTION 3-402/NNDG NO. 775013

(34.

To : General Headquarters, Supreme Commander for the Allied Powers.

From : Reparations Agency, Tokyo.

Subject: Application for Movement and Authorized Use of Reparations Equipment of Two (2) Arsenals Filed by Nissin Kogyo Co., Ltd. (Non-reparations plant).

R.A.R. No. 170 (NS) 25 January 1951.

1. The Reparations Agency hereby submits to your Headquarters an application for movement and authorized use of 2 items of reparations equipment now lying idle in the following two (2) Arsenals filed by the Nissin Kogyo Co., Ltd. (non-reparations plant), together with an application of the Ministry of Finance and a recommendation of the Ministry of International Trade and Industry as enclosed herewith.

Name of Arsenal	Code No.	No. of Items
a. Kure Naval Arsenal	11-05(7)	1
b. 11th Naval Air Depot	11-06(9)	1
	Total:	2 items

2. The interested government agencies have decided that recommendation be given for 2 items out of 23 items as originally applied for by the subject company after checking their non-availability.

3. It is requested that your most favorable consideration be given to this application at the earliest practicable date.

(Y. Katsuno)
Director, Reparations Division,
Reparations Agency.

Incls:
1. Application of the Ministry of Finance.
2. Recommendation of the Ministry of International Trade and Industry.
3. Application of the subject company.

SUBJECT: Reparations Equipment Loaned to Occupation Forces

TO : General Officer Commanding
British Commonwealth Occupation Forces
Kure, Honshu

1. Reference is letter Headquarters British Commonwealth Occupation Forces Engineer Regiment, RE: 81.07/7111, 14 March 1950, Subject: "Reparations Equipment Disposal".

2. It is requested that reparations equipment, 11-5(198)-28 and 11-5(198)-29, listed on inclosure to referenced letter, as surplus to present requirements, remain at the present location in deai storage status under custody of British Commonwealth Occupation Forces. At such time as this area is no longer required for the use of the British Commonwealth Occupation Forces, the custody will revert to the Japanese Government.

3. Items 11-5(198)-30, 11-5(198)-34 and 11-5(198)-26 will be processed for storage and turned over to the Hiroshima Finance Bureau of the Japanese Government for storage in the Asamagasaki area of the Kure Arsenal in the "packing and crating" Building.
