BENGAL DIRECTORY.

PART VIII

A

L I S T

OF THE

BRITISH, EAST INDIAN & FOREIGN

Inhabitants of Calcutta

AND THE

UPPER PROVINCES

OF

BENGAL AND ITS DEPENDANCIES,

(NOT INCLUDED IN OTHER LISTS OF THIS WORK.)

WITH THEIR RESIDENCE, OCCUPATION, &C., AS FAR AS ASCERTAINABLE

The generally acknowledged want of a full and correct List of British Inhabitants has been so much felt and so often complained of that the Compilers of this Work have taken very considerable pains to make the List now offered to the Public as complete as circumstances will permit. They are fully sensible, however, that some errors may still exist and they, therefore, solicit all who feel an interest in its accuracy, and who may be able to give any additions or corrections, to favor the Publishers with communications on the subject.

As the whole List is kept standing in Type and is frequently published they hope, in time, if the assistance they solicit be accorded, to make it as perfect as such a List can be expected to be.

Meetings of the Committee are held at the Old Church Rooms, on the 1st and 16th of each month, to hear and decide upon cases; and to consider such matters as may be brought before them.

Applicants for relief, after the registry of their cases, are required to point out their residence to the Inspector, and are then referred to the Visiting Member, whose duty it is to make a report upon each case for the consideration of the Committee at the next ensuing meeting.

Upon the admission of applicants to the benefit of the Funds, they are furnished by the Secretary with a Ticket, stating the period for which the relief is granted and the amount of Pension, with a concise description of each individual. This Ticket is produced on each pay day.

Able-bodied individuals who, from the peculiar circumstances of their cases, may be considered deserving of relief, are referred to the Central Committee, with such temporary assistance as the exigency of the case may appear to require.

Applications for relief are registered by the Secretary, and sent for inquiry, and report, to the members, according to their turns of inspection, and the Sub-Division in which the applicant may reside. The cases, with the report of the members by whom they have been investigated are submitted to the Committee, at the next ensuing meeting, and disposed of according to their merits, the applicant being in attendance. Those who are admitted to the funds either permanently, or for a temporary period, receive Tickets from the Treasurer to such effect. Those who are only admitted to temporary relief, on the expiration of the allotted period, are required to attend again before the Committee, and frequently their cases are re-investigated and disposed of according to a further report from the Visiting Member. Cases of peculiar hardship, but which, on account of the individuals being able-bodied, the Committee are precluded from relieving, are recommended to the Central Committee, with such temporary relief as may be deemed necessary by the Visiting Member, for the Committee, according to the exigency of the case. The Committee also meet once a month for the payment and inspection of all the Pensioners of the District.
