(Chapter III.—Taxation.—Section 40.)

(2) In this section, "annual value" means the gross annual rent for which buildings and lands liable to taxation may reasonably be expected to let, and in the case of houses, may be expected to let unfurnished :

- (a) the amount of the land-revenue for the time being assessed on the land, whether such assessment is leviable or not; or, when the land-revenue has been wholly or in part compounded for or redeemed, the amount which, but for such composition or redemption, would have been leviable; and

Water-tax.

(2) The rate or amount of the tax so imposed on different buildings or lands may be determined with reference, among other considerations, to their distance from the nearest point at which the water is deliverable by the works and to their level; but in fixing it regard shall be had to the principle that the total net proceeds of the tax, with the estimated income from payments for water supplied from the works under special contracts, should not exceed the amount required for the said purposes.

42. (1) A committee may, at a special meeting, pass a resolution to propose the imposition of any tax under section 39, section 40 or section 41.

been

(Chapter III.—Taxation.—Sections 42 & 43.)

been submitted as aforesaid, and its decision thereupon.

(5) The Local Government, on receiving such proposals, may sanction the same, or refuse to sanction them, or return them to the committee for further consideration.

(6) When the Local Government sanctions any such proposals which require the further sanction of the Governor General in Council, it shall submit the same to the Governor General in Council, with the objections (if any) received through the committee; and the Governor General in Council may sanction the proposals, or refuse to sanction them, or return them to the Local Government for further consideration.

(7) When the proposals of a committee have been sanctioned by the Local Government, or by the Local Government and the Governor General in Council, as the case may be, the committee may, at a special meeting, direct the imposition of the tax in accordance with such proposals.

(8) In giving such direction the committee shall fix a date from which the tax shall come into force:

Provided that—

- (a) no tax shall come into force until it has been notified;
- (b) no tax leviable by the year shall come into force except at the commencement of the year by which it is leviable; and

Power for Local Government to suspend levy of tax.

(2) The Local Government may at any time, by notification, rescind any such suspension.

46. No tax imposed under this Act shall be invalid merely for defect of form; and it shall be enough in any such tax on property, or any assessment of value for the purpose of any such tax, if the property taxed or assessed is so described as to be generally known; and it shall not be necessary to name the owner or occupier thereof.
