

Steps to make a
***Peanut Butter
and Jelly
Sandwich***

Step 1 – Gather Materials

- Decide that you are hungry and want a peanut butter and jelly sandwich
- Get out **peanut butter**, jelly, bread, and a knife.
 - When determining amount of bread use this rule:
 - ✓ **Multiple layer** sandwiches will take $n+1$ pieces of bread where n is the number of layers of sandwich you would like to end up with.
 - ✓ Example: for $n = 2$ (a two layer sandwich) you need $2+1 = 3$ pieces of bread

Step 2 – Put peanut butter on bread

Chunky or Smooth?

The choice is really up to you,
but most people opt for smooth.

Step 3 – Put jelly on the bread

Step 4 – Put pieces of bread together
