

Are You Coming? "To What?" THE WASHINGTON SOCIAL NARBERTH'S BIGGEST EVENT FRIDAY and SATURDAY, FEB. 18th and 19th

Under the Auspices of the Public Schools

Entertainment, Supper, Social, Refreshments, Washington Souvenirs

WHAT'S WHAT?

Friday, 5.30 to 8.00—Supper a-la-carte. The menu will consist of substantial food, with touches of the "appetizers." Oysters in three styles, catered by Campbell. (You all know the reputation for Campbell oysters). The remainder of the menu will be prepared by competent adults and girls of the Domestic Science Department. 5.30-10.30—Refreshments, consisting of Home-made Cakes and Candy, Coffee, Ice Cream—surprises from the Domestic Science Department. 8.30 to 9.00—Informal entertainment. Lantern slides.

Saturday, 2.30 to 10.30—During afternoon there will be what we like to term "Little Tots' Hour." No one should miss their outbursts of patriotism. All departments of the social will be in full swing all afternoon. Supper from 5.30-8.00. 8.30—Short program by pupils, including singing by high school girls. Refreshments that will touch the spot will be ready for George and Martha.

Yes, the social is on the lips of every pupil and patron. Who would not be happy at the thought of a jolly informal evening at the school, amid the beaming faces of eager children? There is no better medicine than happy youngsters. And they'll be there in full force—especially on Saturday afternoon.

Everybody can come, because there will be NO cost of ADMISSION—no "set ticket fee" for supper. On Washington's Birthday no one would think of offering anything but an honest article at an honest price. So it is a safe day for everybody.

NARBERTH ASSEMBLY LARGELY ATTENDED

The Fourth Narberth Assembly Dance of the season was held at Elm Hall, on Friday evening, February 11th.

The hall was decorated with red streamers and red hearts in honor of St. Valentine's Day and a feature that caused much laughter was the strings of old-fashioned comic valentines that extended across the entire room. Music was furnished by Mahoney's orchestra and during the evening a "lucky number" contest was held, the prizes going to Mr. and Mrs. Holme. COUNTY TAX RATE.

Commissioners Fix It at 2 Mills for This Year.

The tax rate for 1916 on all property in the county subject to taxation for the county purposes will be 2 mills, the same as last year. The rate was fixed by the County Commissioners at their meeting, following a consideration of the budget of the estimated receipts and fixed charges and estimated expenses for the current year submitted by the Controller.

All three of the Commissioners, in voting for the rate fixed, stated that they were opposed to an increase, but in making the rate the same as last year they did so with the distinct understanding with the people that there will be available only a limited amount of money for general and permanent improvements over and above what has already been contracted for or under way through requirements of the law.

It was said that there are already so many demands being made upon the new board of work involving large sums of money, that it is apparent the Commissioners must be very careful with the funds.

CONCERT WAS A SUCCESS.

The annual winter concert of the third season of the Main Line Choral, given on Friday night, in the auditorium of the Lower Merion High School at Ardmore, was one of the most successful in the history of the organization.

A carefully chosen program, in which the choral had been rigorously drilled by Miss Anne McDonough, the director, was the reason for the excellent showing made by the choral, and its previous splendid concerts assured the large attendance.

A large sum of money, the proceeds of the concert, will go to the country branch of the Children's Hospital, of Philadelphia, which was the beneficiary.

VALENTINE PARTY.

On Saturday evening Mr. and Mrs. Clement Booth, of Woodside and Narberth avenues, gave a Valentine Card Party in honor of Mrs. Booth's sister, Miss Florence Lyon, of Springfield, Mass.

The house was very prettily decorated with hearts and cupids, and everything, even to the refreshments, carried out the valentine idea. Those present were: Mr. and Mrs. Lester W. Nickerson, Mr. and Mrs. William R. Parker, Mr. and Mrs. Joseph H. Nash, Mr. and Mrs. Charles A. Verna, Mr. and Mrs. C. P. Fowler, Mr. and Mrs. Frank Stone, Mr. and Mrs. William Livingston, Mr. and Mrs. A. K. Slier, Mr. and Mrs. Stewart McClellan, Mr. and Mrs. C. T. Moore, Mrs. Robert E. Pattison, Jr., Miss Lyon, and Mr. Percival Nash, of Narberth, and Mr. and Mrs. John Young, of Philadelphia, and Mr. and Mrs. John J. Byrd, of Wayne, Pa.

MAIN LINERS AT BASEBALL PEACE DINNER

Followers of Sports Enjoy Sporting Writers' Banquet

A number of the sporting fraternity of the Main Line enjoyed the occasion on last Thursday evening of the baseball peace dinner of the Philadelphia Sporting Writers' Association, held at the Hotel Walton.

It was a truly characteristic "peace" event. The worthy potentate, President John K. Tener, of the National League, who has been given credit of establishing the world-wide peace in base ball, was present and addressed the assemblage. Percy Haughton, who recently acquired the Boston Braves, was in a talkative mood and told 'em how he would come through with a winner in Boston, a la Harvard varsity style. President Hempstead, of the Giants; Jimmy Callahan, of the Pittsburg Pirates, and the representative of the ex-Feds—Joe Tinker, who this season will have command of the Chicago Cubs—ex-whales; Connie Mack and Pat Moran naturally were in the limelight and received strong ovations.

The 300 or more fans and followers of the game were stirred to the highest pitch when George Graham, always a talker of the highest calibre, came through with the longest hit of the evening, a drive for the circuit, three times around, by calling for a still better peace; a brotherhood of base ball men, regardless of creed. Dr. Thomas Davis spoke along the same lines in his usual strong and impressive manner.

"Jack Lapp, this year with the Chicago White Sox, and Charles Durborow, the "Polar bear" swimmer, both Main Line athletic products, graced the Main Line table, along with President Frederick L. Rose, Secretary Charles A. McCrea, Raymond C. Jones, president of Narberth Champs, Charles Barker, the silent fielder of the Main Line; R. R. Walt and Ted Wendell, of the prospective Main Line bowling champs, and A. A. H. Canizaris, a scribe of the Wayne suburb.

"The Scribe."

COMMUNITY CLUB.

The results of the article about the Community Club in last week's issue of Our Town have been most gratifying.

A donation of five dollars was received from one of our prominent citizens who wished to show his approval for such commendable work as helping the boys at the front.

Three new members have joined the club this week, attracted by the sewing, and we are having quite a number of requests for work to do at home.

There is a great demand for slings, so that by Tuesday we will have one hundred yards of muslin cut up into slings, and anyone unable to be present and wishing to make slings at home may obtain the same by calling up Mrs. Downes or Mrs. Stickney.

Come over to the club Tuesday and see what pleasant sociable times we have, sewing, making packs, sponges and bandages, and incidentally partaking of refreshments served by the ladies of the club in turn.

Mrs. David Stickney, membership manager, wears a perpetual smile these days; she says it is because of the dollars coming in so steadily. She is present at every Tuesday meeting, so if you wish to save yourself the trouble of sending your dues by mail, just drop in Tuesday and pay your dollar then.

Mrs. Dothard says this is fine weather for "gym" work. Visitors are always welcome to come in Wednesday mornings at 10.30 and see what a fine lot of athletic women Narberth has.

Say! Did you know the Junior King's Daughters are going to give a rattling, snappy, something-doin'-every-minute minstrel show? Well, they are! "Watch your step" and see that it leads you there! Date will be announced later.

Every citizen of Narberth who is interested in the move to have Essex Avenue cut through under the railroad, should stop at once in Caldwell & Co.'s office and sign the petition for this good cause.

Over one hundred and fifty names have already been placed on the list.

VAUDEVILLE AND MOVING PICTURES

Friday night, March 3rd, is to be the one big amusement night for Narberth. The latest comedy pictures, so funny that Charles Chaplin in his most ludicrous mood seems like an undertaker; refined vaudeville, best acts obtainable. Miss Helen Wilson, with Narberth's juvenile talent, will present a playlet of exceptional merit. Remember this one date, Friday night, March 3rd. You will not only enjoy a splendid evening, but you will contribute to a most worthy cause.

Enjoy yourself; get your money's worth. Be a Pollyanna. Harris' Theatre, Friday night, March 3rd.

Harris' Theatre, Friday night, March 3rd. An enjoyable evening of refined vaudeville and moving pictures. Proceeds for benefit of wounded European soldiers. Direct management Narberth Branch Queen Mary's Guild.

SUFFRAGE CONVENTION.

The Women's Suffrage Party of Montgomery County held their first convention on Wednesday last at the county seat, Norristown. A business session occupied the morning, followed by a "round table" luncheon served at the Hotel Hamilton. Addresses were made by Mrs. George W. Dibert, chairman of the Pennsylvania State Suffrage Party; Mrs. George A. Piersol, Philadelphia County Chairman; Mrs. Lewis L. Smith, Chester county; Mrs. George C. Martin, Delaware county, and Mrs. J. Claude Bedford, ex-chairman of Delaware county.

Narberth made a splendid showing, having five representatives in Mrs. Walter Dothard, Mrs. W. H. Pugh, Miss Fannie Loos, Mrs. Edwin C. Town and Mrs. Charles A. Verna.

Well, obscurity has its compensations. Had one been invited to the president's wedding one would have had to buy a handsome present.

MEN'S CLUB BANQUETERS HEAR PROF. J. D. MAHONEY ON PREPAREDNESS

Fifth Annual Dinner Held at Poor Richard Club in Philadelphia

The fifth annual banquet of the Men's Club of the Presbyterian Church was held last Monday evening at the Poor Richard Club in Philadelphia. There were thirty-eight members and friends present. President George M. Colesworth presided.

Following the dinner, Rev. John Van Ness and Mr. Bruce I. Myers briefly referred to the work of the Men's Club and the factor for good it was in the community.

John Denis Mahoney, head of the Department of English of the West Philadelphia High School for Boys, gave a stirring and very neutral talk on the subject of "Preparedness—The Price We Pay." This is a very widely discussed topic to-day, yet Mr. Mahoney brought the question home in an entirely new light to many of his hearers. The keynote of his remarks was truthfulness and honesty in all things, and his many illustrations of the mis-statement of facts as they really exist in the social, political or business life well drove home the points he had to present.

Referring briefly to the great European war and the question of our own preparedness, Professor Mahoney emphasized the fact that this consisted of more than increasing our army and navy. Physical preparedness of our men, physical preparedness of our railroads, our public highways and inland waterways; trans-continental railroad system, and the development of the interior were far more essential in his estimation than merely a few hundred thousand additional soldiers.

Legislators and politicians received their share of criticism and praise, as did business men and the wealthy who sit supinely by, unwilling to do their share of the actual work of properly administering the government of the United States.

Professor Mahoney impressed upon his hearers the fact that they should hate wrong in all forms and fight it to the limit, but he also impressed them with the fact that in so doing it should be the wrong and not the individual man or men against whom their forces should be directed. He predicted the day when battleships, cannon and all implements of war would be unknown.

MEETING OF THE NARBERTH BRANCH OF THE NEEDLE- WORK GUILD.

The second monthly meeting of the Narberth Needlework Guild, for sewing, will be held in the Community Room of the Narberth Y. M. C. A., at 2.30 P. M., Wednesday, February 23, 1916. All the directors are requested to come, prepared to sew during the afternoon.

The Fire Company's appeal for new members should have your support, if you have not already joined this worthy organization.

The move to have Essex avenue cut through under the railroad, is a most important one, not only for safety's sake, but for convenience as well. Then, too, the town has grown so large that there should be closer and quicker communication between the Northside and Southside.

COMMUNICATION.

To the Editor of Our Town:
I notice in last week's issue of your paper the article concerning the tax on dogs.

We have been paying dog tax ever since we moved to Narberth, over twelve years ago. This year the assessor did not send us a tag, so we sent him four cents for postage for the tag. The receipt came, but no tag.

I am under the impression that there are a lot of dogs in Narberth, on which no tax is paid. Our last dog is three year's old, and has never been on the street since we had him.

S. D.

To the Editor of Our Town:

I consider the enclosed news item of interest to every resident of the community and will appreciate very much if you will be kind enough to publish it in your issue of the 17th instant, providing your space it not filled up for this date. I further think it would be well to have a Patriotic Committee appointed by our officials to look after such matters as this and to promulgate all things that are patriotic in the community.

Very truly yours,
Resident.

The article was very interesting, indeed, but you failed to sign your name to it and we, therefore, could not publish it. Of course we will withhold the name of any contributor, if he so desires, but all articles must give the writer's name. We shall be glad to hear from "Resident" before our next issue.—Ed.)

What is mentioned as the boom in poetry may be attributed either to better poetry, or less discriminating public taste.

Among those who will take part are Miss Ruth Prescott, Miss Maude Wipf, Miss Achsah Wentz, Miss Maizie Simpson, Miss Linda Jacoby, Miss Helen Wilson, Miss Augusta Witherow, Miss Carolyn Irwin, Miss Adah Durbin, Miss Mary Peebles, Miss Hilda Smedley, Miss Evelyn Harris, Miss Florence Jacoby, Miss Edythe Humphreys and Miss Mildred Harris.

Some of the young men of Narberth are giving a dance at Elm Hall, on Friday evening, February 18. A great many guests are expected and a very pleasant evening anticipated for all who attend. The committee in charge includes Mr. William Jefferies and Mr. Warren Anderson.

The post office will be closed after nine A. M. on Washington's Birthday.

Mr. and Mrs. Vincennes Wetherill, of Dudley avenue, will celebrate their sixtieth wedding anniversary in March. Mr. Wetherill is very active in spite of his eighty-five year age and may be seen on the streets of Narberth any pleasant day, stepping along more briskly than many men of middle life. Mrs. Wetherill has not been in such good health recently, but has, like her devoted spouse, lived an active and cheery life. Their many friends will wish them health and continued good cheer for many moons.

The activities among the bowlers of Narberth have been such recently, that the alleys in the Y. M. C. A. are not adequate to the demand and there is talk of trying in some way, to secure two additional alleys. This interest is naturally bringing out the best in the fellows who bowl, and it is getting quite common for many of them to pass the 200 mark in the scoring.

Miss McMenamin will have a meeting of the children's dancing class at her home, 104 Chestnut avenue, on Friday afternoon, February 18th. This will be the first meeting of the second term.

Mrs. J. W. Joyce entertained the following members of the club, of which she is a member, to a luncheon, on Friday, February 11th: Mrs. G. T. Dorsey, Mrs. W. Atkinson, Mrs. E. Cockrill, and Mrs. Jones.

We learn from good authority that Mr. A. E. Wolherth has been successful in procuring the services of Mr. A. J. Jennings, as manager of the Garden Nurseries. Mr. Jennings has been actively engaged in the horticultural profession for many years, and in its pursuit has traveled extensively in this country and in Europe. We welcome Mr. Jennings to our community, and hope he will take an active interest in our civic association and local affairs, as, no doubt, his interest would prove of value to the association. We congratulate Mr. Wolherth in securing so proficient an assistant.

OUR TOWN will gladly print any news item about any subject that is of interest to Narberth folks, but in order to meet the printing schedule, all "copy" —manuscripts—must reach the editor by 6 P. M. Monday each week.

NARBERTH REGAINS OLD TIME FORM

Trim Norristown, Schuylkill Valley Champions, to the Tune of 25-11

LARDIE DAVIS STARS

In one of the best games of the season, the Main Line champions of basket ball triumphed over the Norristown quintet, the champions of the Schuylkill Valley, by the score of 25-11.

The home team played with the old-time "pep" and with Captain Bill Durbin and Lardie Davis in the line-up soon began to score. Inability to shoot foul goals cost the visitors several points, while Narberth in the meantime started to score field goals and led at the end of the first half 16-6.

At the beginning of the second half the gallery was almost vacated by the sound of the fire bell, but the players stuck to their task and easily outplayed their opponents, and soon had the game tucked away, much to the good playing of the entire team.

It looks very much as if the local team had begun to regain their form which heretofore has been lacking. Lardie Davis was the individual star of the game, having scored fourteen of the team's points.

Captain Bill Durbin also played well and instilled much life into his teammates.

Next Saturday evening the local team will play the Overbrook team, which promises to be a good game, and it is hoped that a good crowd will be on hand to root. The score: Narberth Norristown, Durbin forward Ashenfelter (Captain) J. Jeffries forward Bickings L. Davis center Gallagher E. Davis guard Robeson Fleck guard Dell (Kirk)

Field goals: Jeffries 2, L. Davis 7, Fleck, Ashenfelter, Gallagher, Dell. Foul goals: Durbin 5, Dell 5. Referee: Brown, W. P. H. S. Umpire: McCarter, N. H. S. Scorer: Earl F. Smith. Time of halves: 20 minutes.

BOYS' NIGHT

Methodist Sunday School Boys Banquet Next Monday Night

Like their fathers, boys love good things to eat and happy fellowship. Loyalty to the "gang spirit" is a big factor in the life of every boy. So forty boys representing four classes of the Junior Department of the Methodist Sunday School, with their pastor and superintendent, are getting together for a big time around the banquet table in the lecture room next Monday night.

Somebody interested in them is providing the "eats," and the teachers will serve. There will be speeches, songs and everything else that goes with it that makes for happiness on such an occasion.

The school is justly proud of her boys and the boys of their school. Many of these boys are wearing pins for faithful attendance during the year. A few have not missed one session of the school for several years.

And what about the girls? Their turn is coming.

SCHOOL EDITOR'S WEEKLY NEWS ITEMS

SCHOOL NOTES.

Then view Columbia's favorite son, Her father, savior, friend and guide; There see the immortal Washington! His country's glory, boast and pride! Holden.

Undoubtedly, everything is in full swing for the Washington social. However, preparation is going on so quietly that school work is in no way disrupted. How, when and where the many schemes are being worked out we do not know, but we have confidence that by Friday evening we will all realize that some people have been "on to their job." For details of the social see the first page.

On Thursday, February 17, Dr. Geo. Kussel, President Wilson's dentist, will address the High School department.

Monday morning, in spite of the zero weather, there were few absences and fewer pupils tardy; the building was very warm and comfortable. Thanks to the janitor.

The Alumnae of the Narberth High School gave a most delightful informal social last Tuesday evening in Assembly Hall. All members of the Faculty and Senior Class were guests. The entertainment was rather original, consisting of two guessing games and a parody on the opera "Lucia." Girls of the alumnae took the various parts in the cast. The costumes, as well as the acting, were clever. There was much laughter and applause from the audience, which gave evidence that the play was well appreciated. Refreshments were served, after which there was informal dancing. It was a rousing good social from start to finish.

The semester reports have been distributed to the pupils of all grades. We are glad to note the small number of failures at the end of the first half of the year. This is due largely to the special effort which is put forth in behalf of the delinquents and the individual given them. The teachers are untiring in their efforts to help those who need special help. Elizabeth Miesen, Elizabeth Miller, of the Freshman class, and Quincy Yowell, of the Sophomore class, are the three pupils of the high school who have missed no half day, nor been tardy once during the first semester. There are a large number of pupils who have been absent or tardy but once or twice.

Last Friday we celebrated Lincoln's Birthday with the following program: First Grade—Recitation by two boys. Second Grade—Memory gem. Fifth Grade—Recitation by Morgan Smith; Roosevelt's address on Lincoln by Leslie Smith. Seventh Grade—"Lincoln," by Francis Keim. Story of Lincoln's first reading, by Mary Chalfont. Sixth Grade—Warren Speakman, Death of Lincoln. Fifth Grade—David Casey, story of Lincoln as Postmaster. Quincy Yowell, Lincoln's address at Gettysburg. Oh Captain! My Captain, Mr. Melchior.

Everybody out this Friday afternoon for the big game with Doylestown High School, and then go up to school for your supper.

On March 1, Dr. Cameron, of Narberth, will give a talk to the lower grades on "The Teeth."

How's Your Kick?

If the feet have a tendency to go on a strike and growl with pain, feeling hot and uncomfortable, you can take them before a board of arbitration that will restore them to sure and cheerful working power at once. Here's the way. First, a hot foot bath in which has been dissolved at least 4 table-spoonfuls of 20 Mule Team Powdered Boric. You cannot use too much of the Boric. The more the merrier.

When dressing, shake a little 20 Mule Team Powdered Boric into the foot of the stocking and also sprinkle a little in the shoe, especially on the sole and in the toe. Then you are ready to walk, work, dance, or just merely kick!

All leading druggists sell 20 Mule Team Powdered Boric.

WAYNE CLEANS UP IN MAIN LINE BOWLING

The Wayne bowling quintet of the Main Line League paid our borough another visit last week, much to the dismay of our brigade, the visitors being somewhat provoked over the loss of the match at Ardmore the previous week, made a clean sweep of the match, our own bowlers not even getting a glimpse at a victory in any of the three games. While we do not like to claim excuses, yet the box score shows we were minus the services of our star anchor man, Savill, the new addition, Gifford, and Captain Ward. This hurt to a certain extent.

This victory gives the Wayne Club a seven-game lead over Ardmore Y. M. C. A., (the runner-up of the league), who lost two out of three at the Rosemont Men's Club alleys, and with but twelve games left on the schedule it should be an easy matter for them to win the championship, the gilded silverware and trophies that a bunch of champs annex in this league.

The coming champions have played a steady, consistent game throughout and can only justly be given words of praise for their work.

Our own quintet is now twelve games away from the top and practically taken the "count" out of the race, but this will not keep them from giving their rivals good tussles in the coming games till the curtain falls. Scores:

THE NARBERTH JUNIORS (N. A. C.)

We lost again. This time it was to Northeast B. B. C. of Philadelphia. Everyone of our boys played a good, fast game and the score was close. Most of the rooters left because of a fire, but the boys stuck and then were defeated by a score of 32 to 25. Northeast boys played a good game also, but we must say something of the fine playing of Frank Winne. As usual, he made most of the points. Again Jack Jefferies was used by the first team, and Colwyn Humphreys was out sick, so two of our stars were out. Owen Humphreys excelled at guarding. The line-up:

One encouraging thought is that Uncle Sam will never have to go out of the country for a billion dollar loan as long as the Pullman porters are over here.
