# IMAGE POST-PROCESSING

Using Lightroom (Mobile Software)

# ABOUT

I'm Pankaj Yadav, from India with 3 years of experience in post-production and documentary filmmaking. Proficient in Premiere Pro, Lightroom, and After Effects. Outside of work, I am the member of Wiki Club SATI.

# What will you learn:

- To introduce participants to Adobe Lightroom Mobile
- To demonstrate its features and capabilities
- To provide hands-on experience with photo editing on mobile devices.

# What is Adobe Lightroom Mobile?

A powerful photo editing app available for mobile devices

Offers a wide range of editing tools and presets

Seamlessly syncs with Adobe Creative Cloud for cross-device editing

# Example Photos
