MINE TIMBER EXPEDITING REPORT

FUKUOKA CIVIL AFFAIRS TEAM

APO 24-5

Japanese District Kyushu Report of Month of June 1949 Date 1 July 1949
 Expediter's Name T. Tanaka

Expediter Data:

1. Number of coal mines with less than 30 days' supply visited by expediter 2
2. Number of times expediter contacted Civil Affairs 2
3. Number of coal mines with less than 30 days' reserve supply of mining timber (as of end of month) 3
4. Is this an improvement over previous month? Yes 0 No
5. Did expediter aid in overcoming obstacles in delivery of mining timbers? Yes 0 No
6. Indicate name of agencies the expediter conferred with in order to meet the scheduled delivery of mining timbers: (1) Ken Government Forestry Section (2) Materials Adjusting Office (3) Mine Timber Association
7. Action taken or agreed to be taken by above agencies in order to meet scheduled mining timber deliveries: (1) Acceleration of shipping (2) Distribution of production materials
8. Number of mines with less than 30 days' supply spot-checked by Civil Affairs 0
9. Did the spot-checks confirm expediter report: Yes No
10. Action taken by Civil Affairs in assisting expediter: (1) Instructed coal mines on conservation of mine timber and rationalization of management. (2) Reduction of back debt stressed.
11. General mining timber situation:
 - a. State briefly any bottlenecks in production and delivery of mining timbers: (1) Shortage of production materials at the mine timber producers (2) Shortage of funds at both the coal mines and mine timber dealers.
12. Number of mines reported on during the month (Number of Form R-2 Reports) 2
13. Recommendations: (1) Rationalization of management at the coal mine (2) Conservation of mine timbers (3) Reduction of back debt.
