Dear Sir:

Re: Application in accordance with the

Family Control.

In view of the fact that I have been designated as official having relation with Zaibatsu in accordance with Item 2, Paragraph 2, Article 3 of the Law for Termination of Zaibatsu Family Contrl, I hereby wish to file this application, with accompanying documents for reference, for examination to decide me as being inapplicable to the officials related to Zaibatsu, in accordance with Item 1, Article 7 of the same law.

Applicant:

Name: TAMURA, Naotaro

Address; No.188, 3-chome,
Akatono-cho,
Tachikawa City

Present occupation;
Standing Director,
Toyo Communication
Equipment Co.,Ltd.

Reason of this application made
in accordance with
the Law for Termination of Zaibatsu Family Control

In view of my having been designated as an official having relation with Zaibatsu in accordance with Item 2, Paragraph 2, Article 3 of the Law for Termination of Zaibatsu Family Control on the ground that I assumed an office as standing director for Toyo Communication Equipment Company, Ltd. on 23 December, 1945, I hereby wish to make this application in accordance with Paragraph 1, Article 7 of the same law, based on the following reason.

1 - The subject person is not a spouse, parent, child, brother or sister including a spouse of such person or persons belonging to the zaibatsu concerned or their family members.

2 - I am not a spouse, parent, child, brother or sister including a spouse of such person or persons belonging to Sumitomo Zaibatsu or their family members.

3 - With reference to the appointment to the position of office which the subject person occupied, there never has existed an arrangement with the Zaibatsu or the direct Zaibatsu affiliates that their previous approval should be obtained, or in case such arrangement has not existed, the subject person, on the occasion of his appointment, did not, in fact, obtain the previous approval.

of Zaibatsu or the direct Zaibatsu affiliates.

When I was out of work after quitting my service of investigator with the Communication Ministry on December 22, 1946, I got a chance to take up the position of standing director for Toyo Communication Equipment Company, Ltd. on December 23, 1946 by the recommendation of Chief of Engineering Bureau of the said Ministry who had then been requested by Toyo Communication Equipment to find a suitable communication Equipment technician to fill the vacancy open at the same company where there was an urgent necessity of strengthening its organization whereby to retrieve the company's fortunes.

As regards my assumption of office, however, there never has existed an arrangement that approval should be obtained from Nippon Electric Company, nor has actually been such approval.

The control of Nippon Electric Company originally exercised over each of its subsidiaries and affiliates had become entirely powerless at the time of the surrender on account of the suspension directive of control over all enterprises under its power which Sumitomo Honsha issued on September 15, 1944, due to the promulgation of War Supplies Company Law on October 30, 1943. The suspension of the control of Nippon Electric Company was decided and declared by the Sumitomo Wartime Conference for Strengthening Communication Equipment Undertakings which was established on October 25, 1944 and abolished soon after termination of the War.

In the meantime, with the announcement of SCAP's Zaibatsu dissolution policy, Nippon Electric Company made an immediate declaration not to exercise a control of personal affairs of its subsidiaries and associates, leaving everything in respect thereof to the highest responsible official of each subsidiary and associated unit. This was, indeed, a striking change made in the policy of personnel administration of Nippon Electric taken to its subsidiaries and associates, after termination of the War. Then, on October 24, 1945, Sumitomo Honsha gave notifications to all its associates and affiliates that each of them will be made a completely

independent unit, with the result that Toyo Communication Equipment Company has now substantially seceded itself from Nippon Electric Company ~~from~~ and became independent. Thus my assumption of office was carried out without obtaining approval from Nippon Electric, as stated above.

3 That the subject person has, in fact, never exercised the authority or influence, commensurate with or surpassing , in the case of his having been an official in the quasi-direct Zaibatsu affiliates, that of the standing director, and in the case of his having been an official in the Zaibatsu associate companies, that of the highest responsible official:

The above paragraph is not necessary in my case.

4 The subject person has never held concurrently the position of officials in Zaibatsu companies exceeding four positions in one time:

I never have occupied any other position of official of the company than the position of official held in Toyo Communication Equipment Company, Ltd.

The FACT that regarding my assumption, on Dec. 23 1946 of office as standing director of Toyo Communication Equipment Company, Ltd., there has never existed an arrangement with Nippon Electric Company, Ltd. that previous approval should be obtained from the latter company and that there never, in fact, has existed such approval.

Naoyuki Watanabe,

Yonezawa-shi, Yamagata
Prefecture.

Application for the approvals as
non-correspondent of the related
officials of Zaibatsu.

I have been holding a position of director of Tohoku Metal Industry Co., Ltd. since Jan. 31, 1944 and of executive director since Jan. 14, 1947 and this comes under the terms of Art 3 Item 2 of the Law for Termination of Zaibatsu Famiky Control. There are, however, circumstances as described in the following in my case, I apply herewith, by Art.6 Item1 and Art.7 Item1 of the Law, for the approval that I am not a related officials of Zaibatsu.

Naoyuki Watanabe.

Naoyuki Watanabe

Reason for application

1. Tohoku Metal Industry Co.,Lyd. was establushed on April 8,1938 in Tokyo, with the capital of ¥6,000,000 and the name of Nippon Special Metal Co., Ltd.,(Nippon Tohushu Kinzoku Kabushiki Kaisha)and on Sept .17,1938 The Company amalgamated Tohoku Metal Industry Co., Ltd(Tohoku Kinzoku Kogyo Kabushiki-Kaisha)Located a No. 30, Higashi-urakita, Nagamachi,Sendai Having the capital of ¥1,000,000 and changed the name of the company as at present following the name of the united comapny.

The old Tohoku Metal Industry Co.,Ltd.was established on July 29, 1934 and manufactured chiefly sendust cores, magnet steel etc. and I have been holding the position of director and chief engineer of this company until the company was amalgamated to Nippon Special Metal Co.,Ltd. After the amalgamation I was a staff of the new company,i.e. the present TohokuMetal Industry Co.,Ltd., and had been keeping the position of the superintendent of Nagamachi Factory or the chief of the first manufacturing department. After Mr. Kyukichi Shinba ,the senior staff,was promoted to the Director on June 31,1943 I was head of the staff in ranking and on June 31,1944 I was promoted to the director to fill up the position vacated by the resignation of Mr. Goro Arakawa, the director. At the same time Mr. Toshiharu Nishimura, chief of the labour departmenr and second staff to myself in ranking,was also promoted to the director. After I was promoted to the director, I held the position of the chief of the first manufacturing department or the superintendent of Yonezawa Factory additionally and my main duty was to these lines.

It was on Jan. 14,1947 That I was assumed the position of the executive director in addition to the Superintendent of Yonezawa Factory while the right of voting was transfered on Jan.17,1947,i.e. after these days since my assumption of the new position . I have been residing in Yonezawa, since before my promotion to executive director, and taking the daily business of Yonezawa Factory, far apart from the head quarter in Sendai. I believe,therfore, it is unreasonable to put myself in the category of the related officials of Zaibatsu

2. As I mensioned in the Questionaire (1) I have no family relation with the persons designated as the Sumitimo lineage Zaibatsu

(2). Regarding assumption of the position of director or executive director, there was not any arrangment that previous approval be obtained from the Sumitomo Zaibatsu or Nippon Electric Co., Also no approval was obtained regarding to my assumption of these position.

(3). Since my assumption of the position of the director, ~~I had to report the managing director and the president~~.

Ihad to report the managing director and the president. Therfore I had not any power nor influences higher or equal to the supreme representative director.

(4) I had not held any positions of officials of Sumitomo Zaibatsu Company or of any other company additionally.

In other words all conditions mentioned in Art 7 Item 1 of the Law for Termination of Zaibatsu Family Control are complete in my case and therefore I do not come in the category of the related officials of Zaibatsu.

By the reasoms above mentioned I make this application.

March , 1948

NAOYUKI WATANABE, born April 16, 1895

The above was an engineer in the employ of the Tohoku Metal Industry Co., Ltd.- It was solely through deliberation on the part of the Tohoku Metal Industry Company's management on the company's personnel status that he was elected and appointed the Company's Director on January 31, 1944 and the Standing Managing Director on January 14, 1946 and never through any request nor suggestion from the Nippon Electric Co., Ltd.

I hereby certify that the above statement is true and accurate to my best knowledge.

Application for the approval as non-correspondent of the related officials of Zaibatsu.

I have been holding a position of auditor of Tohoku Metal Industry Co., Ltd. Since Sept.17, 1938 and this comes under the terms of Art 3 Item 2 of the Law for Termination of the Zaibatsu Family Control. However as there are reasons and circumstances as described in the following, I apply by Art. 6 Item 1 of the Law the paaroval that I am not a related officials of Zaibatsu.

Eiichiro Yoneki.

Reason fore appliciation

1. Tohoku Metal Industry Co., Ltd.was established on April 8, 1938 in Tokyo with the capital of ¥6,000,000 and the name of Nippon Special Metal Co., Ltd.(Nihon Tokushu Kinzoku Kabushiki-Kaisha) and on Sept.17, 1938 the company amalgamated Tohouk Meatl Industry Co., Ltd.(Tohoku KinzokuKogyo Kabushiki-Kaisha) located at No. 30, Higashi urakita ,Nagamachi, Sendai, having the capital of ¥1,000,000 and changedthe name of the Company as at present following the name of the united company.

The old Tohoku Meatl Industry Co., Ltd. was established on July 29, 1934 at Sendai a capital of ¥200,000. This company manufactured mainly sendust cores, magnet steel and other electrical materials and I had been holding the position of auditor of the company since the establishment to the time of the amalgamation of the company to Nippon Special Metal Co,. Ltd., Based on conditions of amalgamation, Takenosuke Mitsunuma and Goro Arakawa, both the director of the old Tohoku Metal Industry Co., Ltd., were elected as the directors and I as an auditor of the new Tohoku Metal Industry Co.,Ltd. (Defer to evidence). Threfore I believe that I do not come under the category of the related officials of Zaibatsu. Thus I make this application.

Evidence.

Memorandum.

Nihon Tokushu Kinzoku Kabushiki-Kaisha(called A hereunder) and Tohoku Kinzoku Kogyo Kaisha(called B hereunder) agreed as follows in connection with the provisional contract dated May 18,1938 on the amalgamation of A and B.

Art. 1, A shoul change the name of the company as Tohoku Kinzoku Kogyo Kaisha after amalgamation.

Art.2, A should elect, from the director of B at the date of amalgamation, at most 3 directors of A after amalgamation.

In order to proof this agreement, two copies of this memorandum are prepared and signed by the representatives of A and B, and Kept each one copy each company.

Subject: Request for certification that I am not included in the category of officers connected with Zaibatsu in accordance with Clause 1 of Article 6 and Clause 1 of Article 7 of the Law for the Termination of Zaibatsu Family Control

Applicant: Senzo Hayashi
No. 2932, Katase-cho, Fujizawa-shi, Kanagawa-ken

I assumed office as a director of the Tozan Sangyo Kabushiki Kaisha (Tozan Industrial Co., Ltd.) on 1 October 1944 but resigned on the 15th of January 1946. Tozan Sangyo Kabushiki Kaisha is designated as an indirect affiliate of the Zaibatsu under the Law for the Termination of Zaibatsu Family Control. I hereby request for certification, however, that I do not belong in the category of officers connected with the Zaibatsu, together with attached Statement of Reasons and Individual Screening Papers.

REASONS FOR FILING THIS APPLICATION

I was director of the Tozan Sangyo Kabushiki Kaisha from October 1, 1944 to January 15, 1946. Details are as follows:

1. I am not related to the Iwasaki family in any way whatsoever.

2. As far as I know, no agreement existed between the Tozan Kabushiki Kaisha and the Iwasaki family at the time of my assumption of office that prior approval of the Iwasaki family must be obtained. I have never been informed by the Iwasaki family regarding this fact. I was merely appointed by the president of the company and nominally elected at the shareholders general meeting.

3. At the time of my assumption of office, I received instructions from the president on the following two matters:

   A. To perform my duties as chief of the general affairs department just as I had done whan I was an employee.

   B. To obey the orders of the president and managing director.

   In other words, I was an officer in name only, but in reality, merely an employee.

4. The only office I held in any Zaibatsu concern belonging to the Iwasaki Zaibatsu is the one I have mentioned above, and my term of office was short. I never at any time held four or more offices.

In view of the above reasons, I believe I do not belong to that category of officers connected with the Zaibatsu mentioned in article 3 of the Law for the Termination of Zaibatsu control.
